The Good Samaritan

She's a friendly voice on the phone. But can you trust her? The people who call End of the Line need hope. They need reassurance that life is worth living. But some are unlucky enough to get through to Laura. Laura doesn't want them to hope. She wants them to die. Laura hasn't had it easy: she's survived sickness and a difficult marriage only to find herself heading for forty, unsettled and angry. She doesn't love talking to people worse off than she is. She craves it. But now someone's on to her--Ryan, whose world falls apart when his pregnant wife ends her life, hand in hand with a stranger. Who was this man, and why did they choose to die together? The sinister truth is within Ryan's grasp, but he has no idea of the desperate lengths Laura will go to... Because the best thing about being a Good Samaritan is that you can get away with murder. Revised edition: This edition of The Good Samaritan includes editorial revisions.

Paper Boats

She's a free-spirited dreamer. He's a brilliant painter. But now their shared passion for art has turned into something deeper... For as long as she can remember, Kugy has loved to write. Whimsical stories are her passion, along with letters full of secret longings that she folds into paper boats and sets out to sea. Now that she's older, she dreams of following her heart and becoming a true teller of tales, but she decides to get a "real job" instead and forget all about Keenan, the guy who makes her feel as if she's living in one of her own fairy tales. Sensitive and introverted, Keenan is an aspiring artist, but he feels pressured to pursue a more practical path. He's drawn to Kugy from first sight: she's unconventional, and the light radiating from her eyes and the warmth of her presence pull him in. They seem like a perfect match--both on and off the page--but revealing their secret feelings means risking their friendship and betraying the people they love most. Can they find the courage to admit their love for each other and chase their long-held dreams?

Work Optional

A practical action guide for financial independence and early retirement from the popular "Our Next Life" blogger. In today's work culture, we're expected to hustle around the clock. But what if you could

escape the traditional path and get on one that doesn't require working full-time until age 65? What if you could wake up every day without an alarm clock and do the things you love most? Tanja Hester and her husband Mark left their crazed careerist lifestyle to live their dream life in Lake Tahoe, retiring early from high-stress careers. Now Tanja will help you map out a customized plan for freedom and make it easy to succeed, whether you're good at math and budgeting-or not! Work Optional is more than just a financial plan: it's a plan for your whole life-designed by you, not by an employer or clients. Tanja walks you through envisioning your dream life, accounting for variables such as health care and children, protecting yourself from recessions and future unknowns, and achieving a purpose-filled early retirement, semi-retirement, or career intermission with completely doable, non-penny-pinching steps. You can live a happier, more meaningful life, free from the daily grind. Regardless of where you are in your career, Work Optional will get you there.

Saman

Saman is a story filtered through the lives of its feisty female protagonists and the enigmatic "hero" Saman. It is at once an exposé of the oppression of plantation workers in South Sumatra, a lyrical quest to understand the place of religion and spirituality in contemporary lives, a playful exploration of female sexuality and a story about love in all its guises, while touching on all of Indonesia's taboos: extramarital sex, political repression and the relationship between Christians and Muslims. Saman has taken the Indonesian literary world by storm and sold over 100,000 copies in the Indonesian language, and is now available for the first time in English. ABOUT THE AUTHOR Ayu Utami was born in Bogor, grew up in Jakarta and obtained her bachelor degree in Literature Studies from University of Indonesia. She worked as a journalist for Matra, Forum Keadilan, and D&R. Not long after the New Order regime closed Tempo, Editor, and Detik, she participated in the founding of Indonesia's Alliance of Independent Journalists to protest the closure of those three weeklys. Currently she is working for the cultural journal Kalam, and at Teater Utan Kayu. Saman was awarded the Prince Claus Award in the year 2000.

The Socrates Express

The New York Times bestselling author of The Geography of Bliss embarks on a rollicking intellectual journey, following in the footsteps of history's greatest thinkers and showing us how each—from Epicurus to Gandhi, Thoreau to Beauvoir—offers practical and spiritual lessons for today's unsettled times. We turn to philosophy for the same reasons we travel: to see the world from a different perspective, to unearth hidden beauty, and to find new ways of being. We want to learn how to embrace wonder. Face regrets. Sustain hope. Eric Weiner combines his twin passions for philosophy and global travel in a pil-grimage that uncovers surprising life lessons from great thinkers around the world, from Rousseau to Nietzsche, Confucius to Simone Weil. Traveling by train (the most thoughtful mode of transport), he journeys thousands of miles, making stops in Athens, Delhi, Wyoming, Coney Island, Frankfurt, and points in between to reconnect with philosophy's original purpose: teaching us how to lead wiser, more meaningful lives. From Socrates and ancient Athens to Simone de Beauvoir and twentieth-century Paris, Weiner's chosen philosophers and places provide important signposts as we navigate today's chaotic times. In The Socrates Express, Weiner invites us to voyage alongside him on his life-changing pursuit of wisdom and discovery as he attempts to find answers to our most vital question

A Gentlemen In Love

After a rash argument in White's Club, Sir Denzil Caversham is embroiled in a duel, which ends in his accidentally killing his foe, a well-known member of Society, and he is forced into exile for three years in America. His absence leaves his ailing wife impoverished, so their beautiful daughter, Thalia, decides to rescue the family by working at a fashionable milliner's shop serving the tastes of the ladies of London's Beau Monde. Under the assumed name of 'Thalia Carver', she catches the eye of the dashing and handsome Earl of Hellingham, who is instantly determined to make her his mistress and offers her endless inducements and she refuses them all. The Earl has no idea who Thalia really is, nor that she is the anonymous author of a provocative book poking fun at the 'English Gentleman' that is the talk of the Social World and all the Gentleman's Clubs of St. James's. At first appalled by the Earl's advances,

Thalia is soon irresistibly drawn by his magnificent magnetism and his underlying tenderness. But, as love blossoms in her heart, she knows that it can never be. The Earl must never find out the true identity of the milliner's work girl who has stolen his heart.

Love for Imperfect Things

A beautiful guide for learning to love ourselves, from the author of the internationally bestselling *The Things You Can See Only When You Slow Down* No one is perfect. But that doesn't stop us from imagining ourselves smarter, funnier, richer, or thinner, and how much happier we would then be. *Love for Imperfect Things*, by the bestselling Korean monk, Haemin Sunim, shows how the path to happiness and peace of mind includes not only strong relationships with others, but also letting go of worries about ourselves. Packed with his typical spiritual wisdom, Sunim teaches us to embrace our flaws rather than trying to overcome them, and demonstrates that love has very little to do with perfection. With chapters on self-compassion, relationships, empathy, courage, family, healing, our true nature, and acceptance, as well as beautiful full-colour illustrations, *Love for Imperfect Things* is a much-needed guide for learning to love ourselves - imperfections and all. _____ 'Universal truths, beautifully expressed, lovingly illustrated . . . this is a book to keep close at hand' - Mark Williams, co-author of *'Mindfulness: Finding Peace in a Frantic World'*, on *'The Things You Can See'* 'A remarkable gift, a compendium of practical wisdom. It is accessible brilliance' - Allan Lokos, founder and guiding teacher, Community Meditation Center, NYC, on *'The Things You Can See'*

Beauty is a Wound

A colour-drenched epic, filled with vivid sex and violence, from Indonesia's most exciting young author The epic novel *Beauty Is a Wound* combines history, satire, family tragedy, legend, humour, and romance in a sweeping polyphony. The beautiful Indo prostitute Dewi Ayu and her four daughters are beset by incest, murder, bestiality, rape, insanity, monstrosity, and the often vengeful undead. Kurniawan's gleefully grotesque hyperbole functions as a scathing critique of his young nation's troubled past: the rapacious offhand greed of colonialism; the chaotic struggle for independence; the 1965 mass murders of perhaps a million Communists, followed by three decades of Suharto's despotic rule. *Beauty Is a Wound* astonishes from its opening line: 'One afternoon on a weekend in May, Dewi Ayu rose from her grave after being dead for twenty-one years...' Drawing on local sources folk tales and the all-night shadow puppet plays, with their bawdy wit and epic scope and inspired by Melville and Gogol, Kurniawan's distinctive voice brings something luscious yet astringent to contemporary literature. Eka Kurniawan was born in Tasikmalaya, Indonesia in 1975. He studied philosophy at Gadjah Mada University, Yogyakarta and has since published several novels and short stories. The rights to *Beauty is a Wound* have now been sold in 27 territories. *Love and Vengeance* will be published by Pushkin Press in 2017.

The Power of the Eight

Ren doesn't remember what happened five years ago. She only knows what was lost. Not only her health, but her mother... Now, Ren navigates life in her sleepy Scottish village through meticulously crafted plans and lists, ignoring the advice of her psychiatrist as she battles chronic pain no doctor can diagnose. But Ren can't plan for everything. Not the strange, unruly weather, and not for the arrival of a cloaked stranger, shrouded in secrets and haloed by fireflies. Nor for his sword-weilding companion, who makes Ren feel more than a little...buzzed. Not just sent to find Ren, but Collect her. When the decision to leave the world Ren knows comes far sooner than it should, Ren must learn to adapt with no plan, or list. it might be the only way to both see her mother again, and save Ren's life. But where answers linger in a place where magic dances across the skies, roams the land and swims the seas, so do those who want Ren, not for who she is, but what.

Earth Dance

"Earth Dance," the story of four generations of Balinese women, centers on conflicts that arise between the demands of caste and personal desires. Narrated by Ida Ayu Telaga, a Balinese woman in her thirties, the novel shows Balinese women-as depicted by her mother, grandmother and female peers-to be motivated by two factors: the yearning to be beautiful, and the desire for a high-caste husband. Headstrong Telaga defies her mother's wishes and marries the man of her dreams, who is a commoner. Thus, in a reversal of societal expectations, as shown in the novel by images of women who aspire to "liberation" through "marrying up," Telaga's emancipation is implicitly characterized as a move downwards, through transformation to the status of a commoner. "Earth Dance" also reveals that-like high-caste status-beauty, too, has a price. Behind the thick, glossy hair and golden complexion, lies a web of jealousy, derision and intrigue. Telaga, whose life is controlled by her mother's avarice, her mother-in-law's bitterness and the greed of her sister-in-law, has frequent cause to wonder: "Is this what it means to be a woman?"

How to Be a Stoic

In the tradition of *How to Live* and *How Proust Can Change Your Life*, a philosopher asks how ancient Stoicism can help us flourish today Whenever we worry about what to eat, how to love, or simply how to be happy, we are worrying about how to lead a good life. No goal is more elusive. In *How to Be a Stoic*, philosopher Massimo Pigliucci offers Stoicism, the ancient philosophy that inspired the great emperor Marcus Aurelius, as the best way to attain it. Stoicism is a pragmatic philosophy that focuses our attention on what is possible and gives us perspective on what is unimportant. By understanding Stoicism, we can learn to answer crucial questions: Should we get married or divorced? How should we handle our money in a world nearly destroyed by a financial crisis? How can we survive great personal tragedy? Whoever we are, Stoicism has something for us--and *How to Be a Stoic* is the essential guide.

Free Culture

How big media uses technology and the law to lock down culture and control creativity. ""Free Culture is an entertaining and important look at the past and future of the cold war between the media industry and new technologies."" - Marc Andreessen, cofounder of Netscape. ""Free Culture goes beyond illuminating the catastrophe to our culture of increasing regulation to show examples of how we can make a different future. These new-style heroes and examples are rooted in the traditions of the founding fathers in ways that seem obvious after reading this book. Recommended reading to those trying to unravel the shrill hype around 'intellectual property.'"" - Brewster Kahle, founder of the Internet Archive. The Great Mental Models

This is the second book in The Great Mental Models series and the highly anticipated follow up to the Wall Street Journal best seller, Volume 1: General Thinking Concepts. We tend to isolate the things we know in the domain we learned it. For example: What does the inertia of a rolling stone have to do with perseverance and being open minded? How can the ancient process of steel production make you a more creative and innovative thinker? What does the replication of our skin cells have to do with being a stronger and more effective leader? On the surface, these concepts may appear to be dissimilar and unrelated. But the surprising truth is the hard sciences (physics, chemistry, and biology) offer a wealth of useful tools you can use to develop critically important skills like: * Relationship building * Leadership * Communication * Creativity * Curiosity * Problem solving * Decision-making This second volume of the Great Mental Models series shows you how to make those connections. It explores the core ideas from the hard sciences and offers nearly two dozen models to add to your mental toolbox. You'll not only get a better understanding of the forces that influence the world around you, but you'll learn how to direct those forces to create outsized advantages in the areas of your life that matter most to you.

The Islamic Invasion

The Islamic Turks were poised to overrun Europe at The Battle of Vienna on September 11/12 of 1683, but were defeated. The Islamic Invasion As Mosques appear across the country people are asking-"What do I need to Know about Islam?" Islam-once an obscure Middle Eastern religion-has rapidly grown into the second largest religion in the world. There are now more Muslims than Episcopalians in the United States! What attraction does Islam hold for its followers? What part does it play in shaping the outlook and attitudes of nearly one billion people? Noted author Dr. Robert A. Morey, internationally recognized authority on the origins of the teachings and rituals of Islam- - explores the pre-Islamic history of Allah, and the doctrines and customs of Islam - reveals Islam's teaching about current issues such as religious freedom and the role of women The Islamic Invasion will give you the insight you need to understand Islam and the challenge it poses today. Dr. Morey warned the United States and Europe about Islam during the early 1980's long before 9/11. Most books on Islam since 9/11 have used his analysis of the Qur'an or Hadith. Special thanks to Professor Colin Akridge-who is a Vietnam Veteran and black scholar in the field of comparative religions-for his valuable and insightful contributions and working with him for researching and writing the section entitled The Black Muslim Movement in America. The Art of Emotional Intelligence

The fact that a successful professional life and a stable and healthy personal life is not only dependent on intelligence is well established. While there are many contributing factors, Emotional Intelligence plays a major role. People with high Emotional Quotient can understand and manage others' and their emotions better. They are more adaptable and empathetic. Emotionally intelligent smart leaders interact better with their subordinates and are better decision-makers. Mindfulness and focus can take one's career to a different level. Daniel Goleman, who popularized the concept of EI has rightly said, "As much as 80% of adult "success" comes from EQ." EI affects the health of people. Even doctors agree on the healing powers of the human mind. EI is not something that is woven in the genes but can be improved by practice. Introducing children to emotional learning helps them in their studies and in developing a positive outlook.

Book Of Forbidden Feelings.The - Hard Cover

I wanted to say, "I would love to know your obsessions, Is it landed house, gadgets, power, domestic life, succulent plants, achievements, money, work, more likes and followers, health, validations, sex, organic food, pets, perfect selfies, children, sports, Religion & Spirituality, relationship, minimalism, perfection, muscles, urban toys, shoes, traveling, or fame?" but nobody is prepared for that kind of question on a first date. So I said, "You look great."

Hypnotic Writing

Discover the secrets of written persuasion! "The principles of hypnosis, when applied to copywriting, add a new spin to selling. Joe Vitale has taken hypnotic words to set the perfect sales environment and then shows us how to use those words to motivate a prospect to take the action you want. This is truly a new and effective approach to copywriting, which I strongly recommend you learn. It's pure genius." -Joseph Sugarman, author of Triggers "I've read countless book on persuasion, but none come close to this one in showing you exactly how to put your readers into a buying trance that makes whatever you are offering them irresistible." -David Garfinkel, author of Advertising Headlines That Make You Rich "I am a huge fan of Vitale and his books, and Hypnotic Writing (first published more than twenty years ago), is my absolute favorite. Updated with additional text and fresh examples, especially from e-mail writing, Joe's specialty, Hypnotic Writing is the most important book on copywriting (yes, that's really what it is about) to be published in this century. Read it. It will make you a better copywriter, period." -Bob Bly, copywriter and author of The Copywriter's Handbook "I couldn't put this book down. It's eye opening and filled with genuinely new stuff about writing and persuading better. And it communicates it brilliantly and teaches it brilliantly-exemplifying the techniques by the writing of the book itself as you go along." -David Deutsch, author of Think Inside the Box, www.thinkinginside.com "Hypnotic Writing is packed with so much great information it's hard to know where to start. The insights, strategies, and tactics in the book are easy to apply yet deliver one heck of a punch. And in case there's any question how to apply them, the before-and-after case studies drive the points home like nothing else can. Hypnotic Writing is not just about hypnotic writing. It is hypnotic writing. On the count of three, you're going to love it. Just watch and see." -Blair Warren, author of The Forbidden Keys to Persuasion

A Manual for Writers of Dissertations

"Alif had never set foot outside of West Sumatra. He passed his childhood days searching for fallen durian fruit in the jungle, playing soccer on rice paddies, and swimming in the blue waters of Lake Maninjau. His mother wants him to attend an Islamic boarding school, a pesantren, while he dreams of public high school. Halfheartedly, he follows his mother's wishes. He finds himself on a grueling three-day bus ride from Sumatra to Madani Pesantren (MP) in a remote village on Java. On his first day at MP, Alif is captivated by the powerful phrase man jadda wajada. He who gives his all will surely succeed. United by punishment, he quickly becomes friends with five boys from across the archipelago, and together they become known as the Fellowship of the Manara. Beneath the mosque's minaret, the boys gaze at the clouds on the horizon, seeing in them their individual dreams of far-away lands, like America and Europe. Where would these dreams take them? They didn't know. What they did know was: never underestimate dreams, no matter how high they may be. God truly is The Listener. The Land of Five Towers is the first book in a trilogy written by A. Fuadi—a former TEMPO & VOA reporter,

photography buff, and a social entrepreneur. He went to George Washington University and Royal Holloway, University of London for his masters. A portion of the royalties from the trilogy are intended to build Komunitas Menara, a volunteer-based social organization which aims to provide free schools, libraries, clinics and soup kitchens for the less fortunate. **** ORDER NIGHTS OF PLAGUE, THE NEW NOVEL FROM ORHAN PAMUK **** Winner of the Nobel Prize for Literature Winner of the International IMPAC Dublin Award 'Wonderful' The Spectator 'Magnificent' Observer 'Sumptuous' New Yorker 'Unforgettable' Guardian My Name is Red is an unforgettable murder mystery, set amid the splendour of sixteenth century Istanbul, from the Nobel prizewinning author In the late 1590s, the Sultan secretly commissions a great book: a celebration of his life and his empire, to be illuminated by the best artists of the day - in the European manner. At a time of violent fundamentalism, however, this is a dangerous proposition. Even the illustrious circle of artists are not allowed to know for whom they are working. But when one of the miniaturists is murdered, their Master has to seek outside help. Did the dead painter fall victim to professional rivalry, romantic jealousy or religious terror? With the Sultan demanding an answer within three days, perhaps the clue lies somewhere in the half-finished pictures . . . Orhan Pamuk is one of the world's leading contemporary novelists and in My Name is Red, he fashioned an unforgettable tale of suspense, and an artful meditation on love and deception.

Kim Jiyoung is every woman. Kim Jiyoung, Born 1982 is the life story of one young woman born at the end of the twentieth century and raises questions about endemic misogyny and institutional oppression that are relevant to us all. Riveting, original and uncompromising, this is the most important book to have emerged from South Korea since Han Kang's *The Vegetarian*. Praise for Kim Jiyoung, Born 1982 'It describes experiences that will be recognisable everywhere. It's slim, unadorned narrative distils a lifetime's iniquities into a sharp punch.' The Sunday Times 'A ground-breaking work of feminist fiction' Stylist 'Along with other socially critical narratives to come out of Korea, such as Bong Joon-ho's Oscar-winning film *Parasite*, her story could change the bigger one.' The Guardian 'This witty, disturbing book deals with sexism, mental health issues and the hypocrisy of a country where young women are "popping caffeine pills and turning jaundiced" as they slave away in factories helping to fund higher education for male siblings.' The Independent 'Enthralling and enraging.' Sunday Express 'Cho's moving, witty and powerful novel forces us to face our reality, in which one woman is seen, pretty much, as interchangeable with any other. There's a logic to Kim Jiyoung's shape-shifting: she could be anybody.' Daily Telegraph

For centuries people have been tormented by one question above all – 'If God is good and all-powerful, why does he allow his creatures to suffer pain?' And what of the suffering of animals, who neither deserve pain nor can be improved by it?

The Problem of Pain

When three delinquents hole up in an abandoned general store after their most recent robbery, to their great surprise, a letter drops through the mailslot in the store's shutter. This seemingly simple request for advice sets the trio on a journey of discovery as, over the course of a single night, they step into the role of the kindhearted former shopkeeper who devoted his waning years to offering thoughtful counsel to his correspondents. Through the lens of time, they share insight with those seeking guidance, and by morning, none of their lives will ever be the same. By acclaimed author Keigo Higashino, *The Miracles of the Namiya General Store* is a work that has touched the hearts of readers around the world.

The Miracles of the Namiya General Store

Reclaim Your Heart is not just a self-help book. It is a manual about the journey of the heart in and out of the ocean of this life. It is a book about how to keep your heart from sinking to the depths of that ocean, and what to do when it does. It is a book about redemption, about hope, about renewal. Every heart can heal, and each moment is created to bring us closer to that transformative return. *Reclaim Your Heart* is about finding that moment when everything stops and suddenly looks different. It is about finding your own awakening. And then returning to the better, truer, and freer version of yourself. Many of us live our lives, entrapped by the same repeated patterns of heartbreak and disappointment. Many of us have no idea why this happens. *Reclaim Your Heart* is about freeing the heart from this slavery. It is about the journey in and out of life's most deceptive traps. This book was written to awaken the heart and provide a new perspective on love, loss, happiness, and pain. Providing a manual of sorts, *Reclaim Your Heart* will teach readers how to live in this life without allowing life to own you. It is a manual of how to protect your most prized possession: the heart.

Reclaim Your Heart

Fifteen years ago, psychologist and educator Howard Gardner introduced the idea of multiple intelligences, challenging the presumption that intelligence consists of verbal or analytic abilities only -- those intelligences that schools tend to measure. He argued for a broader understanding of the intelligent mind, one that embraces creation in the arts and music, spatial reasoning, and the ability to understand ourselves and others. Today, Gardner's ideas have become widely accepted -- indeed, they have changed how we think about intelligence, genius, creativity, and even leadership, and he is widely regarded as one of the most important voices writing on these subjects. Now, in *Extraordinary Minds*, a book as riveting as it is new, Gardner poses an important question: Is there a set of traits shared by all truly great achievers -- those we deem extraordinary -- no matter their field or the time period within which they did their important work? In an attempt to answer this question, Gardner first examines how most of us mature into more or less competent adults. He then examines closely four persons who lived unquestionably extraordinary lives -- Mozart, Freud, Woolf, and Gandhi -- using each as an

exemplar of a different kind of extraordinariness: Mozart as the master of a discipline, Freud as the innovative founder of a new discipline, Woolf as the great introspect or, and Gandhi as the influencer. What can we learn about ourselves from the experiences of the extraordinary? Interestingly, Gardner finds that an excess of raw power is not the most impressive characteristic shared by superachievers; rather, these extraordinary individuals all have had a special talent for identifying their own strengths and weaknesses, for accurately analyzing the events of their own lives, and for converting into future successes those inevitable setbacks that mark every life. Gardner provides answers to a number of provocative questions, among them: How do we explain extraordinary times -- Athens in the fifth century B.C., the T'ang Dynasty in the eighth century, Islamic Society in the late Middle Ages, and New York at the middle of the century? What is the relation among genius, creativity, fame, success, and moral extraordinariness? Does extraordinariness make for a happier, more fulfilling life, or does it simply create a special onus?

Extraordinary Minds

In this gripping page-turner, an ex-agent on the run from her former employers must take one more case to clear her name and save her life. She used to work for the U.S. government, but very few people ever knew that. An expert in her field, she was one of the darkest secrets of an agency so clandestine it doesn't even have a name. And when they decided she was a liability, they came for her without warning. Now she rarely stays in the same place or uses the same name for long. They've killed the only other person she trusted, but something she knows still poses a threat. They want her dead, and soon. When her former handler offers her a way out, she realizes it's her only chance to erase the giant target on her back. But it means taking one last job for her ex-employers. To her horror, the information she acquires only makes her situation more dangerous. Resolving to meet the threat head-on, she prepares for the toughest fight of her life but finds herself falling for a man who can only complicate her likelihood of survival. As she sees her choices being rapidly whittled down, she must apply her unique talents in ways she never dreamed of. In this tautly plotted novel, Meyer creates a fierce and fascinating new heroine with a very specialized skill set. And she shows once again why she's one of the world's bestselling authors.

The Chemist

If your partner is going away for a few days, tell her that you are worried about her so you have organized a bodyguard to look after her. Then give her a small teddy bear. Buy a packet of glow in the dark stars and stick the stars on the roof above your bed to spell out a message such as ""I Love You"" When the lights go down, your message will be revealed!
