250 Tips and Tricks for Walt Disney World Resort

OK, there are a lot of Disney World tips books, tips websites, friends with tips, tips magazine articles, and tips blogs articles. So why another Disney World tip book? The problem with Disney World tips books is that they aren't full of that many tips. Some of the tips books are one tip per page, with lots of explanation about why that tip is great. Some books are full of stories about why they decided to share certain tips. Some tips books are just about dining; some are about money; and some are about taking kids. And, some tips are found in the midst of an 800-page guide book. Ouch! This book is all about tips - 250 of them! There's no philosophy of tips, no long stories about how magical a tip made my vacation, and never just one tip per page. If you want tips, then this is your book. It's only 45 pages, but it is full of tips. There are tips about each park, tips about dining, tips about where you can take a nap in each park (for real!), tips about getting around Disney World, and tips about which attractions might be too scary for your kids. If you want a guide book to Disney World, then check out our book, A Short and Sweet Introduction to Walt Disney World Resort (shameless plug). If you want a seemingly nonstop list of tip after tip, then this is the book you want to read! *****

Excerpts from "250 Tips and Tricks for Walt Disney World Resort" MAGIC KINGDOM: "When leaving the park from Adventureland, cut across in front of the Crystal Palace Restaurant instead of following the sidewalk directly to Main St." EPCOT: "Is it raining? Duck into the interactive parts of most Future

World rides, the shops in the countries of World Showcase, The American Adventure show, or any of the country movies (Canada, France, and China)." HOLLYWOOD STUDIOS: "Fantasmic! can be too scary for children. However, if your kids make it to the end of Fantasmic!, then the show ends with a boat that is full of Disney characters." ANIMAL KINGDOM: "Flame Tree Barbecue offers one of the biggest meals that's part of the Quick Service Dining Plan. It's a meal you can likely share, which will save one of your meal credits!" TICKETS: "If you purchase Park Hopper, keep in mind that Magic Kingdom is often open later than other parks and you might be able to accomplish as much with one full day and some added evenings at Magic Kingdom as you would if you dedicated two full days to Magic Kingdom." HOTELS: "If you have a refillable mug from your Disney resort, you can refill it in any Disney resort." DINING: "If you aren't using a dining plan, you can usually order off the children's menu regardless of your age. This is especially true in quick service restaurants. You need to ask your server in table service restaurants." GETTING AROUND WHILE THERE: "Fort Wilderness Resort is massive. If you are visiting there from another resort, know that it has its own bus system and it might take you awhile to get to your destination within the resort after you arrive." ATTRACTIONS THAT MIGHT BE TOO SCARY: "Pirates of the Caribbean - this ride is fairly dark, you ride through a storm, and you ride through a ship battle scene" GOOD PLACES TO TAKE A REST OR NAP: "Magic Kingdom - The Hall of Presidents" **There are more tips in each of those sections, plus the following sections: Water Parks * Disney Springs * Golf and Miniature Golf * My Disney Experience App * Fastpass+ * Crowd Sizes * Getting There * General Tips for Disney World * Attractions Where You Can Get Some Extra Air Conditioning * Ways to Pinch a Penny Go ahead and get the book - what do you have to lose?

Mousejunkies!

A guidebook with a decidedly different approach, "Mousejunkies! 3rd Edition" is a collection of humorous travelogues and insider how-to secrets compiled after scores of trips to Walt Disney World. The book draws on the insights of a panel of Disney fanatics — The Mousejunkies — following dozens of personal vacations, trade shows and press trips in recent years. This third edition brings everything up to date with countless new tips, tricks, and tales. "Mousejunkies!" provides tips and travel plans told through personal accounts — something that sets it apart from all the other guides. All of the most important topics are covered: When to go, where to stay, what to do and where to eat. But readers will also learn Zen and the art of not melting down under the Florida sun, how to extract your family from Fantasmic with your sanity intact, where to catch a mid-afternoon catnap in the theme parks, and even how wrong things go when Epcotch strikes. "Mousejunkies!" is more than one travel writer's experiences at one of the most popular vacation destinations in the world. The Mousejunkies are a group of seemingly well-adjusted adults who have found themselves inexplicably drawn to Walt Disney World, again and again. Each has taken his or her own path, finding their way separately. When the smoke cleared, the group found itself back in reality, staring at one another over a pile of discarded annual passes and a useless collection of novelty hats. The stories - wry, humorous and told with an affection gained through years of Disney addiction - paint vivid portraits of a creatively engineered world, where unexpected surprises create lasting memories. The tips — valuable information designed to help readers get more out of their vacations — are told with a sly wink and the desire to share the secrets that make trips to central Florida more memorable. From touring plans to tongue-in-cheek reviews of the theme parks' restrooms, "Mousejunkies!" provides readers with useful information couched in obsessively-detailed narrative with a humorous touch.
