Described by her friend Dolly Bantry as 'the typical old maid of fiction', Miss Marple has lived almost her entire life in the sleepy hamlet of St Mary Mead. Yet, by observing village life she has gained an unparalleled insight into human nature - and used it to devastating effect. The Complete Miss Marple

A brand new omnibus of 55 short stories, presented for the first time in chronological order. Described by her friend Dolly Bantry as 'the typical old maid of fiction', Miss Marple has lived almost her entire life in the sleepy hamlet of St Mary Mead. Yet, by observing village life she has gained an unparalleled insight into human nature -- and used it to devastating effect. As her friend Sir Henry Clithering, the ex-Commissioner of Scotland Yard has been heard to say: 'She's just the finest detective God ever made.' -- and many Agatha Christie fans would agree. Appearing for the first time in *The Murder at The Vicarage* (1930) her crime-fighting career spanned over forty years when she solved her final case in 1977 in *Sleeping Murder*. With every tale flawlessly plotted by the Queen of Crime herself, these short stories provide a feast for hardened Agatha Christie addicts as well as those who have grown to love the detective through her many film and television appearances. Here, for the first time, more than 50 of Agatha Christie's mini masterpieces have been collected together in one volume, perfectly illustrating the true breadth of her talent. As well as every story featuring Miss Marple, the book includes additional stand-alone tales, from macabre tales of the supernatural, through suspense-ridden mysteries, to heart-stopping cases of murder.

Miss Marple and Mystery

And what's the connection with another dead girl, found in a deserted quarry? Miss Marple is invited to investigate the mystery before tongues start to wag, and another innocent victim is murdered in cold blood. *The Moving Finger* The quiet inhabitants of Lymstock are unsettled by a sudden outbreak of hate-mail. But when one of the recipients commits suicide, only Miss Marple questions the coroner's verdict. Is this the work of a poison pen or a poisoner? *A Murder is Announced* An advertisement in the Chipping Cleghorn Gazette announces the time and place of a forthcoming murder. Many think it's a hoax -- but the owner of the house named as the murder site is less than impressed. Especially when half the village turn up at the allotted time and then the lights go out, and the screaming starts. 4.50 from Paddington As two

The Tuesday Night Club: A Miss Marple Short Story

Agatha Christie is the world's most popular writer in modern times and her books have only been outsold by the Bible and Shakespeare. Best remembered for such classic crime novels as *Murder on the Orient Express*, *And Then There Were None*, and *Death on the Nile*, her works have been cherished by generations of readers. Christie, however, was also a master of the shorter crime story and this volume collects some of her finest short stories. Each of these thirty-nine stories features one of Christie's famous detectives - Miss Marple, Hercule Poirot, Parker Pyne, and Harley Quin - in some of their most baffling and intriguing cases, as these ingenious Christie tales show how satisfying and compelling the crime short story can be.

The Idol House of Astarte: A Miss Marple Short Story

Masterpieces in Miniature: The Detectives

Agatha Christie demonstrates her unparalleled mastery with *Three Blind Mice and Other Stories*—a classic compendium of mystery and suspense, crime and detection, whose title novella served as the basis for *The Mousetrap*, the longest running stage play in the history of the London theater. A blinding snowstorm—and a homicidal maniac—traps a small party of friends in an isolated estate. Out of this deceptively simple setup, Agatha Christie fashioned one of her most ingenious puzzlers, which in turn would provide the basis for *The Mousetrap*, the longest-running play in history. From this classic title novella to the deliciously clever gems on its tail (solved to perfection by Hercule Poirot and Miss Jane Marple), this rare collection of murder most foul showcases Christie at her inventive best, proving her reputation as "the champion deceiver of our time" (New York Times).

The Body in the Library
