The Crow

YA. Fantasy fiction. This is the third book in the epic "Pellinor" series, four books telling an extraordinary tale of another world. Whilst his sister, Maerad, pursues her dangerous destiny in the frozen North, Hem is sent south to Turbansk for his own safety. But soon the forces of the Dark overrun the great city and Hem flees with his mentor, Saliman, his white crow, Irc, and a young orphan girl, Zelika, to join the

resistance. He agrees to help fight the Nameless One by spying on the child armies of the Dark. Now Hem has a vision, he too has a part to play in Maerad's quest for the Treesong. But Zelika has been captured by the child army, and Hem's destiny must wait. Hem pursues Zelika to the Dark's stronghold, little realizing that her cause is lost. He reunites with Saliman and, broken-hearted, starts the perilous search for his sister. In this title, "Lord of the Rings" meets "Ursula Le Guin"

The Crow

The third book in the highly acclaimed Pellinor series The earth is poisoned by a deep wrongness and the forces of the Nameless One grow ever stronger. The Treesong - the key to restoring peace - is lost, and only Maerad can unravel its mysteries. While she seeks answers in the north, her brother Hem makes the perilous journey south to Turbansk - aided by his pet crow, Irc - to spy on the child armies of the Dark. Hem is haunted by his bitter past and the uncertainty of his future as evil forces threaten to destroy the city. But his destiny may be linked to the Treesong more closely than he realises... "A ripping read... Fantasy-tastic!" - Herald Sun "Unbelievably fine, this book represents fantasy storytelling at its best. This exemplary novel is sure to appeal to all fantasy fans." - Voya

The Crow

A young heroine's brother discovers his own hidden gift and the role he must play in battling the Dark.

The Naming

"First published as The gift by Penguin Books Australia, 2002"--Title page verso.

The Singing

"Epic fantasy in the Tolkien tradition, with a strong girl hero who is entirely believable in her struggles. . . . I couldn't put it down!" — Tamora Pierce, author of the Protector of the Small and the Circle Opens quartets In a battle-ravaged land, Maerad and Hem desperately search for each other as the Black Army advances, and all of the Seven Kingdoms are threatened with devastating defeat. Yet in Maerad and Hem lives the secret to the mysterious Singing, and prophecy holds that if they release the music of Elidhu together, they have the power to defeat the Nameless One.

The Bone Queen

In a highly anticipated prequel to the Books of Pellinor, Alison Croggon captivates fans old and new with her ancient, legendary world of Annar. After being seduced into sorcery by an agent of the Dark, the promising Bard Cadvan of Lirigon recklessly unleashed the terrible Bone Queen, bringing destruction down upon Annar. Cast out of the Schools of Barding for his crime, Cadvan now lives in exile, burdened by memories of his dealings with the Dark. At his former home, Cadvan's mentor, Nelac, and his rival, Dernhil, begin to suspect that the Bone Queen may yet lurk in Annar, and a young Bard named Selmana is plagued by an ominous presence and an unsettling new ability to step between worlds. With darkness gathering and Bards giving in to fear and paranoia, a guilt-ridden Cadvan must once again earn the Bards' trust and Selmana must gain control of her newfound powers if they are to bring peace to the living and the dead. Fans of the Books of Pellinor will savor this glimpse into Cadvan's past, and readers new to Alison Croggon's intricately built world will relish The Bone Queen as a stand-alone epic of light, dark, magic, and redemption.

The Gift

The Tale of Maerad coming into her gift as a bard, and her meeting and continuing partnership with Brad Cadran. A wonderful new fantasy, in the tradition of Isobelle Carmody. For ages 14 and over.

Crow

In this third installment of Croggon's saga, the orphaned Hem is reunited with his lost sister, Maerad. When the forces of the Dark threaten, Hem discovers his own hidden gift and the role he must play in Maerad's quest to solve the Riddle of the Treesong.

Eyes Of Crow

She was born to die again and again For Rhia was bound to the Spirit of Crow, gifted with the foresight of Death's approach and doomed to the isolation of one feared and set apart. There must always be one whose magic can ease the passage of the people of Asermos to the Other Side. But to be the guide her people require, to truly know the depth of her gift—her curse—Rhia must surrender herself to the wisdom of the Great Forest and drink deeply of Death itself. And though two powerful men stand ready to aid her, even to love her, the Aspect of Crow demands unthinkable sacrifices from one who walks its path

The Beast of Cretacea

Master storyteller Todd Strasser reimagines the classic tale of Moby Dick as set in the future—and takes readers on an epic sci-fi adventure. When seventeen-year-old Ishmael wakes up from stasis aboard the Pequod, he is amazed by how different this planet is from the dirty, dying, Shroud-covered Earth he left behind. But Ishmael isn't on Cretacea to marvel at the fresh air, sunshine, and endless blue ocean. He's here to work, risking his life to hunt down great ocean-dwelling beasts to harvest and send back to the resource-depleted Earth. Even though easy prey abounds, time and again the chase boat crews are ordered to ignore it in order to pursue the elusive Great Terrafin. It's rumored that the ship's captain, Ahab, lost his leg to the beast years ago, and that he's now consumed by revenge. But there may be more to Captain Ahab's obsession. Dark secrets and dangerous exploits swirl around the pursuit of the beast, and Ishmael must do his best to survive—if he can.

Black Spring

Inspired by the gothic classic *Wuthering Heights*, this stunning new fantasy from the author of the Books of Pellinor is a fiercely romantic tale of betrayal and vengeance. In a savage land sustained by wizardry and ruled by vendetta, Lina is the enchanting but willful daughter of a village lord. She and her childhood companion, Damek, have grown up privileged and spoiled, and they're devoted to each other to the point of obsession. But Lina's violet eyes betray her for a witch, and witches are not tolerated in a brutally patriarchal society. Her rank protects her from persecution, but it cannot protect her from tragedy and heartbreak. An innocent visitor stands witness to the devastation that ensues as destructive longing unleashes Lina's wrath, and with it her forbidden power. Whether drawn by the romantic, the magical, or the gothic, readers will be irresistibly compelled by the passion of this tragic tale.

The Threads of Magic

In a gripping stand-alone fantasy from the acclaimed Alison Croggon, a pickpocket steals the cursed Stone Heart and is propelled into a power struggle, woven with witchcraft, that will change the kingdom forever. Pip lives by his wits in the city of Clarel. But when he picks the wrong pocket, Pip finds himself in possession of a strange dried heart in a silver casket—and those who lost it will stop at nothing to get it back. With assassins on his trail and the ominous heart beginning to whisper to him, Pip and his childlike older sister El are drawn deeper into the forbidden world of magic. Now they must seek the help of the secret witches of Clarel and Princess Georgette—who is sick of being a pawn in everyone else's game—to wage revolution against a chilling king, a power-hungry church cardinal, and an ancient evil they don't truly understand. Gravemaidsens

"A dark, delectable, and utterly unique series that readers will want to drown in." —Laura Sebastian, New York Times bestselling author of the Ash Princess series The start of a fierce fantasy duology about three maidens who are chosen for their land's greatest honor...and one girl determined to save her sister from the grave. In the walled city-state of Alu, Kammani wants nothing more than to become the accomplished healer her father used to be before her family was cast out of their privileged life in shame. When Alu's ruler falls deathly ill, Kammani's beautiful little sister, Nanaea, is chosen as one of three sacred maidens to join him in the afterlife. It's an honor. A tradition. And Nanaea believes it is her chance to live an even grander life than the one that was stolen from her. But Kammani sees the selection for what it really is—a death sentence. Desperate to save her sister, Kammani schemes her way into the palace to heal the ruler. There she discovers more danger lurking in the sand-stone corridors than she could have ever imagined and that her own life—and heart—are at stake. But Kammani will stop at nothing to dig up the palace's buried secrets even if it means sacrificing everything...including herself. "A dark and utterly enthralling journey to an ancient land, Gravemaidsens grabs you by your beating heart and refuses to let go until the bitter, breathtaking end."—Sarah Glenn Marsh, author of the Reign of the Fallen series

Abhorsen

In the final book in the Old Kingdom trilogy, master of fantasy and globally bestselling author Garth Nix returns to the fantastic world of Sabriel for an unforgettable conclusion. "Breathtaking, bittersweet, and utterly unforgettable." * After centuries in captivity, the Destroyer is nearly free. Beneath the earth, a malignant force lies waiting, greedy for freedom from its ancient prison. As the Old Kingdom falls once more into a realm of darkness and terror, the people look desperately to the Abhorsen, the scourge of the Dead, to save them. Yet Abhorsen Sabriel is lost, missing in Ancelstierre. Only Lirael has any chance of stopping the Destroyer. With her companions Sameth, Mogget and the Disreputable Dog, she travels across the Old Kingdom in a race against time, battling Shadow Hands and dark necromancers to reach Ancelstierre before it is too late. But what hope can one young woman have against a terrible evil with the power to destroy life itself? This eagerly awaited conclusion to Garth Nix's extraordinary trilogy of Old Kingdom books is a complex and vividly imagined story, powerful, terrifying and compelling. "Terror, courage, bitterness, love, desperation, and sacrifice all swirl together in an apocalyptic climax that pits both Life and Death together against the destruction of everything." —Kirkus*

Austenland

Jane is a young New York woman who can never seem to find the right man-perhaps because of her secret obsession with Mr. Darcy, as played by Colin Firth in the BBC adaptation of *Pride and Prejudice*. When a wealthy relative bequeaths her a trip to an English resort catering to Austen-obsessed women, however, Jane's fantasies of meeting the perfect Regency-era gentleman suddenly become more real than she ever could have imagined. Is this total immersion in a fake Austenland enough to make Jane kick the Austen obsession for good, or could all her dreams actually culminate in a Mr. Darcy of her own? In this addictive, charming and compassionate story, Shannon Hale brings out the Jane Austen obsessive in all of us.

Tibble and Grandpa

The nail-biting finale of the award-winning fantasy series by New York Times bestselling author Maria V. Snyder. You can join me or you can die. Hard on the heels of trouble in Zirdai city, Shyla Sun-Kissed and Rendor are ordered to report to the King of Koraha - a summons that is deadly to ignore. The King holds the key to Koraha's existence, but a formidable new enemy threatens Koraha's very survival and the King desperately needs Shyla and Rendor's help. Wielding a terrifying and unknown magical power that can convert opponents into devoted soldiers, the mysterious army is hellbent on usurping the crown. Shyla and Rendor are tasked with discovering who in the seven hells these insurgents are. And what their real endgame is. Trekking through the punishing conditions across the searing surface of Koraha, and facing numerous unseen foes and untold danger, they must follow the clues to uncover the truth before it's too late. The fate of the King and all the citizens of Koraha rests in their hands...

The King of Koraha

One day, the Thing falls from the sky and four strangers stumble across it. They work together to take care of the Thing. But before long a media circus builds up around the creature, and the debate about the Thing spreads far around the world. What is the Thing? Who does it belong to? Is it any use for anything at all? This captivating picture book will be many things to many people: a story about thoughtfulness, an adventure in friendship, and an intriguing and gentle social commentary on the search for meaning in modern life.

The Thing

From the author and illustrator behind the acclaimed *Moth*, a scientific look at the circle of life. In the frost-covered forest of early spring, fox is on a mission to find food for her three cubs. As they grow, she teaches them how to survive in the wild. Until one day, fox dies. Her body goes back to earth and grass and air, nourishing the world around her and bringing the forest to life. Death is not just an end, it's also a beginning. With gorgeous illustrations and lyrical, kid-friendly text, *Fox: A Circle of Life Story* answers the big scientific question: What happens when animals die?

The Visitation of Norfolk in the Year 1563

Set in modern-day Washington, D.C., *Requiem for the Devil* depicts the end of the Devil's ten-billion-year career. For the first time in his existence, Lucifer falls in love, and this event threatens to transform his identity and perhaps even his destiny. Gianna O'Keefe is the woman who drags him out of his ancient despair and points him toward possible salvation. Yet Lucifer's path from evil is neither straight nor smooth. Pursuing love means betraying his fellow fallen angels, the loyal friends who once followed him to damnation. Divine and infernal forces seem to conspire against his and Gianna's union. Lucifer's empire crumbles around him as he dares to defy the natural order and question his fate.

The Very Merry Murder Club

The most complete guide ever to the real Arthurian world and the legends that surround it. He defeated the Saxons so decisively at the Battle of Badon that he held the Saxon invasion of Britain at bay for at least a generation. He has inspired more stories, books and films than any other historical or legendary figure. But who was the real King Arthur? Here is the most comprehensive guide to the real Arthurian world and the legends that surround and often obscure it. Sifting fact from fancy, Mike Ashley reveals the originals not only of King Arthur but also of Merlin, Guinevere, Lancelot and the knights of the Round Table - as well as all the major Arthurian sites. He traces each of the legends as they developed and brilliantly shows how they were later used to inspire major works of art, poetry, fiction and film. There is clear evidence that the Arthurian legends arose from the exploits of not just one man, but at least three originating in Wales, Scotland and Brittany. The true historical Arthur really existed and is distantly related to the present royal family. The real Arthur and the real Merlin never knew each other. The real Lancelot was not British but was closer to a sixth-century asylum-seeker. The Holy Grail legend probably grew out of a cosmic catastrophe that could have destroyed most of civilization.

Seeing Redd

THE DEAD CRY OUT TO HER...

The Mammoth Book of King Arthur

In a highly anticipated prequel to the *Books of Pellinor*, Alison Croggon captivates fans old and new with her ancient, legendary world of Annar. After being seduced into sorcery by an agent of the Dark, the promising Bard Cadvan of Lirigon recklessly unleashed the terrible Bone Queen, bringing destruction down upon Annar. Cast out of the Schools of Barding for his crime, Cadvan now lives in exile, burdened by memories of his dealings with the Dark. At his former home, Cadvan's mentor, Nelac, and his rival, Dernhil, begin to suspect that the Bone Queen may yet lurk in Annar, and a young Bard named Selmana is plagued by an ominous presence and an unsettling new ability to step between worlds. With darkness gathering and Bards giving in to fear and paranoia, a guilt-ridden Cadvan must once again earn the Bards' trust and Selmana must gain control of her newfound powers if they are to bring peace to the living and the dead. Fans of the *Books of Pellinor* will savor this glimpse into Cadvan's past, and readers new to Alison Croggon's intricately built world will relish *The Bone Queen* as a stand-alone epic of light, dark, magic, and redemption.
