Financial Sorcery

This life-changing book goes far beyond simple "money magic." This is a tome of true financial sorcery that will show you how to ensure success no matter what life throws at you. Financial Sorcery will give you the step-by-step instructions on how to improve your fiscal situation. You will learn how to: Stop using magic to fix emergency problems and start using it to build your dream life. Use times of economic uncertainty to create new opportunities rather than cause problems. Work joyfully with money as part of your spiritual discipline rather than as a necessary evil. Make offerings to help increase the flow of prosperity around you. Ditch old concepts and retrain your mind to make money in today's world. Use the interplay of macro- and micro-enchantment to find jobs and get promoted. Deploy strategic sorcery to kill your debt. Create secondary income streams that will ensure continued revenue.

The Sorcerer's Secrets

"If you're interested in assuring that you obtain real tangible results with your spells and are willing to put the work into doing so, this is definitely the book for you. Completely filled with some amazing insights, ideas, and tips that come from experience. His ideas are some that I've never seen in other books. This book alone completely changed how I approach giving offerings to spirits and deities." --Mat Auryn, author of Psychic Witch This book is about real magick, effecting real change, in a real world. There are some books on magick that teach it purely as spiritual advancement. There are others that teach it as a form of psychological self-help that effects only inner change. While magick can and should be both of these, it is something more. The Sorcerer's Secrets is about success in practical magick; it is a book that aims at change in both the outer and inner worlds. Beyond a mere spell book or training course, The Sorcerer's Secrets is a field manual on successful sorcery written by a professional sorcerer. The first part of the book lays out the qualities, concepts, and exercises necessary to attempt practical magick. The second part presents clear strategies for tackling almost any type of issue with sorcery. In

this book you will learn how to: Attack problems from multiple angles, not just by casting a spell. Blend mundane and magickal action to ensure success. Figure out whether what you are doing is working. Fix it if it isn't. Go beyond readings, into magickal intelligence-gathering. Influence the minds of other people. Work most effectively on behalf of others. The Sorcerer's Secrets will help rescue the art of Magick from those who have ignored, downplayed, or just outright denied the existence of practical sorcery in favor of arcane titles, intangible results, and fantasy attainments.

Consorting with Spirits

"Working with spirits can be some of the most dangerous yet some of the most gratifying work a magickal practitioner can engage in. With Jason as your guide in this book, you are in some of the best hands out there when it comes to approaching and working with spirits. This is a book I wish I had fifteen years ago when I began working closely with spirits." —Mat Auryn, author of *Psychic Witch* Throughout history, humans have sought power and knowledge from spirits. Learning how to conjure, communicate, and negotiate with these unseen powers is one of the keys to success in magic. *Consorting with Spirits* presents a detailed explanation of what spirits are, their different classifications, and how they exist in relation to the world we normally perceive. The reader will then learn a system of practices that will cultivate three main skills: The capacity to perceive spirits clearly, the ability to interact with them effectively, and the tools to deepen your relationships. It is this focus on deepening relationships and increasing clarity in communications that has been missing from much of the material about spirits. This book will teach you different ways of interacting with spirits, from offerings and invitations to forceful conjurations. With these tools in hand, you can work with your spirit allies to achieve any goal, from protection, to wealth, to vast knowledge. *Consorting with Spirits* shares: Proper training necessary for calling and conversing with spirits. How to evaluate the messages you receive. A full view of different modes of contact and what situations each mode lends itself to Why the best sorcery is local. The tools to establish and maintain a long-term relationship with spirits (consorting). The 6 different manifestations of spirits and their corresponding magickal operations, qualities, benefits, and drawbacks. The 4 methods of interacting with spirits: prayer, conjuring, compelling, and evocation.

Protection & Reversal Magick

You could be the target of a spell or curse and not even know it! All people, witches or not, are susceptible to these attacks. The difference: witches and magicians can do something about it. Now you can too. *Protection & Reversal Magick* is a complete how-to manual on preventing, defending, and reversing magickal attacks of any kind. You will learn to: Set up early-warning systems. Appease angry spirits through offerings. Perform daily banishings and make amulets that will prevent most attacks. Make magickal "decoys" to absorb attacks against you Summon guardian spirits or gods for help. Bind, confuse, or expel a persistent enemy who will not leave you be. These techniques aren't just for witches, either, but for ceremonial magicians, rootdoctors, and anyone else who puts magick to a practical use. Like the cunning men and women of old, now you can defend yourself and your loved ones against even the strongest attacks! "This book is not only one of my favorite books on 'defense against the dark arts', but is actually one of my favorite books in my whole library. Throughout the book Jason provides not only on protection, but also on recognizing the symptoms of attack and creating early warning system to alert you of magickal attacks." —Mat Auryn, author of *Psychic Witch*

The Elements of Spellcrafting

"In *The Elements of Spellcrafting*, Jason Miller shares his knowledge, experience, and insights with us and he does it with grace, good humour, and practical common sense. This book will be of interest to anyone interested in the magical arts or wishing to become a better spellcaster."—Judika Illes, author of *The Element Encyclopedia of 5000 Spells* There is no shortage of spells out there. Some books highlight thousands of spells, but do any of them actually work? And how well do they work? I don't mean just getting a result--I mean getting a result that matters, a result that will impact your life or the lives of those you work for. *The Elements of Spellcrafting* provides the most effective and efficient ways to get things done with magic. *The Elements of Spellcrafting* identifies and explains 21 keys to successful sorcery--a best practices of sorcery--in three sections: Principals and strategies for how best to apply magic before you begin. Methods and tactics that will ensure a positive outcome. How to take spells to the next level--building a life of spiritual accomplishment and material success beyond the basics. If you have ever cast a spell that didn't work, *The Elements of Spellcrafting* will help you figure

out why. If you regularly cast spells that seem to work but you still wind up in the same circumstances, this book will definitely help you chart a new course for victorious spellcrafting.

Taking Up the Runes

An accessible, in-depth exploration of the runes as a living spiritual tradition. Diana Paxson has distilled her many years of experience working with the runes into this essential source book. Readers will learn the historical meaning of each individual rune and its use and meaning now, in contemporary culture. But, Paxson reveals, the real power of the runes comes from internalizing them and using their symbols as sources of wisdom and power. At the end of each chapter are rituals and spells for all levels of ability that aim to help internalize the attributions, meanings, symbolism, and use of the runes. Everything regarding runes is covered in this definitive workbook, from the history of runes and how to make your own rune sets, to how to work with them on a psychic, spiritual, and magical level.

Crone's Book of Magical Words

Crone's Book of Magical Words (previously published as *The Crone's Book of Words*) by Valerie Worth is the book you've been waiting for! In its pages are over 125 spells, incantations, and charms. If you can think of a purpose for a spell, it's probably in this book. Need a spell to summon a ghost? Or perhaps you want the opposite: a spell to free a house from being haunted. They're both in this book. Do you need something to help you lose weight or have longevity? You'll find them here. Or perhaps you want to pass through a locked door. It's all in this book. Even if you don't know a thing about magic, you can use this book. The spells are easy, poetic, and evocative. For example, to cure a wart the instructions are: "Stamp within a silver cup mullein and houseleek together. Stir them with a sparrow's feather. Let it draw the juices up; Twenty times upon one day, brush them over the excrescence; Under sunlight dry the essence--Soon the wart must shrink away." The range in this book is phenomenal. You'll find a simple fertility charm and a way to conjure with smoke. You'll read about how to bring rain and how to stop rain from falling. You'll learn how to tell fortunes with sand or with tea leaves. This is more than just a book about magic, it is a folklorist's bonanza. If you're ready to win another's love or to sweeten someone's disposition, if you want to turn hair long and golden or discover tree spirits, this is the book you must have. Whether you have been doing magic for a long time or are a beginner, this book is a must.

Psychic Self-Defense

Psychic Self-Defense Dion Fortune - "Psychic Self-Defense" is one of the best guides to detection and defence against psychic attack from one of the leading occult writers of the 20th century. After finding herself the subject of a powerful psychic attack in the 1930's, famed British occultist Dion Fortune wrote this detailed instruction manual on protecting oneself from paranormal attack. This classic psychic self-defence guide explains how to understand the signs of a psychic attack, vampirism, hauntings, and methods of defence. Everything you need to know about the methods, motives, and physical aspects of a psychic attack and how to overcome it is here, along with a look at the role psychic elements play in mental illness and how to recognise them.

From Poverty to Power

Offers a look at the causes and effects of poverty and inequality, as well as the possible solutions. This title features research, human stories, statistics, and compelling arguments. It discusses about the world we live in and how we can make it a better place.

Mind Alignment

Are you ready to get your mind aligned? Have you ever felt like there was more to life? Has anyone ever tried to talk you out of your dreams? Has mediocrity possibly become the accepted norm? In this book we will tap into the power of your own mind. Taking a look at your thoughts, habits and beliefs that may have stolen your greatness. This book will teach you how to align your mind to your highest good. You will learn about the mind and the powers that lie within us all. This book will explain exactly what the subconscious mind is and also its functions that are used to shape our reality. You will learn proven techniques to reprogram your mind and take back your stolen greatness. This book is not just

motivation its techniques and wisdom sure to wake up your greatness within. Now I ask, are you ready to get your mind aligned? About the author section: Ricky Prestige Leverett Jr is an author, professional Metaphysical Motivational Speaker, ordained minister of metaphysics and father. He has spoken on a variety of topics for audiences both big and small. Ranging from corporations to small cultural events. He specializes in mind science, motivation, metaphysics and psychology. He studied metaphysics under Dr. Paul Leon Master at the University of Metaphysics. Ricky has been teaching, speaking and studying mind science for over ten y

Money Magic

It's amazing how many magical practitioners have trouble meeting their monetary needs. Certainly applied magic should allow us to improve our finances. Shouldn't magicians who are tired of poverty be able to use their magic to obtain wealth? Now, one of the world's most famous ceremonial magicians, Frater U4D4, reveals full instructions for a variety of magical ways to obtain greater wealth in his eagerly awaited new book. Here he begins by placing money in its proper element (Air, not Earth!) and shows you how to create your own rituals to bring money. Exercises help you to untie the mental knots keeping you from success and free up the Mercurial energy of money so that it will flow into your life. This isn't a simplistic spellbook. Rather, it features all of the information, exercises, rituals, and real magical work that, with study and practice, can change your life.

The 48 Laws of Power

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

The Witch's Coin

Along with quick-fix money spells, this timely book explores the consciousness of prosperity and how to transform poverty into abundance through magick, meditation, affirmations, and astrological timing. *The Witch's Coin* offers a materia magicka of the most powerful correspondences in wealth spellwork, including gods, stones, metals, herbs, and coins. Unlike most money magick books, it builds upon a foundation of real-world financial principles. Penczak also discusses offering magickal services professionally, including how and when to charge for readings and healings. Praise: “The first book of financial tips and advice that I have ever enjoyed reading. I highly recommend this book.”--Judika Illes, author of *The Element Encyclopedia of 5000 Spells and Pure Magic* “A refreshing examination of the connection between money, magic, and the attitude people put toward both.”--Taylor Ellwood, editor of *Manifesting Prosperity: A Wealth Magic Anthology*

Kabbalah, Magic, and the Great Work of Self-transformation

Advancing to higher levels of ritual magic with purpose and power requires an exaltation of consciousness—a spiritual transformation that can serve as an antidote to the seeming banality of modern life. Based on Kabbalistic techniques, the teachings of the Hermetic Order of the Golden Dawn, and an Hermetic tradition spanning nearly two thousand years, this innovative new work introduces the history of the Golden Dawn and its mythology, the Tree of Life, Deities, demons, rules for practicing magic, and components of effective ritual. A comprehensive course of self-initiation using Israel Regardie's seminal *Golden Dawn* as a key reference point, *Kabbalah, Magic and the Great Work of Self-Transformation* guides you through the levels of the Golden Dawn system of ritual magic. Each grade in this system corresponds with a sphere in the Kabbalistic Tree of Life and includes daily rituals, required reading, written assignments, projects, and additional exercises. Knowledgeable and true to tradition, author Lyam Thomas Christopher presents a well-grounded and modern step-by-step program toward spiritual

attainment, providing a lucid gateway toward a more awakened state. Finalist for the Coalition of Visionary Resources Award for Best Magick/Shamanism Book

Golden Secrets of Mystic Oils

The Akashic Records, or "The Book of Life," is a dimension of consciousness that contains a vibrational record of every soul and its journey. For the spiritual seeker or the average Joe, most of us would like to know the meaning of our lives. And we'd all love to have a handbook to guide us through the pitfalls and challenges, and learn to embrace our place in it all. The Akashic Records offer just that--a guide to understanding your life and its lessons. In fact, they are a complete library of guidebooks, which help you understand yourself and your place in the divine universe. Akashic Anarchist Sisters Patty Shaw and Jacki Smith not only teach you how to access your records, they teach you how to break into the library and bring home the books! Through the use of journaling, mediations, personal rituals, and visualizations, you'll learn how to read your records, understand their meaning, and use that knowledge to change your life. With humor and spiritual wisdom that comes from a lifetime of hacking into their own records, Shaw and Smith offers readers a unique and practical guide to learn the true wisdom of the Akashic Records. Readers learn: • How the divine communicate with you, every day • What to do when life throws you a curveball • The Who's Who of the Akashic Records • A Glossary of Akashic Terms

Do It Yourself Akashic Wisdom

If you want your business to grow, you need to be able to rely on your ability to hire talent reliably and consistently. No talent pipeline? No growth, and no business. But your recruiting team is drowning (I asked them). They need help. Now, if you ask recruiters, they will ask for headcount. Or more technology. But more bodies and more tools won't solve the issue (though it will eat up your budget). What you need is a better strategy. And that strategy is called employer branding. Employer branding is about understanding, distilling and communicating what your company is all about in order to attract all the talent you need. That will differentiate your company as a place where people will want to work, rather than a place they land because they didn't know better. If you've heard about employer branding in business magazines, it might seem like something only "big companies" can do. Something that requires a dedicated team, expensive platforms, or a bunch of consultants. That isn't true. If you understand where your brand comes from, and how to apply it, any company (especially yours) can hire better with it. And this book will teach you how to do all of that, and then some. In this book, you'll learn what employer branding really is, how to make a compelling argument internally to leadership that creates commitment, how to work with other teams and be creative in finding solutions. As a special bonus, we are including a handbook on how to work with recruiting teams. This hands-on workbook is chock full of examples, checklists, step-by-step instructions and even emails you can copy and paste to make things happen immediately.

Talent Chooses You

David Cowan's first book, *Navigating the Collapse of Time*, introduced readers to the consciousness shift in "reality" that we are currently experiencing. *Dowsing Beyond Duality* draws on those principles and theories and presents an easy and powerful means to keep our energy balanced in this time of great change. Working with Erina Cowan, David Cowan presents a comprehensive course based on the Course in Miracles principle that we know all we need to know within our divine selves. They teach us to use the science of spiritual dowsing to access physical, mental, and emotional healing. *Dowsing Beyond Duality* goes well beyond just getting 'yes and no' answers from a pendulum. The Cowans show how to use the pendulum—not only to find lost objects or make daily decisions—but also to deepen one's self-realization, to move beyond the duality of the third dimension, and create positive change in one's life and in the world. With more than 75 charts, the Cowans guide readers through specific movements of the pendulum that release limiting beliefs and unconscious resistance. *Dowsing Beyond Duality* shows readers how to use spiritual dowsing to deepen self-realization and find truth and peace of mind in their lives.

Dowsing Beyond Duality

An introduction to Tantric Buddhism.

An Introduction to Tantric Buddhism

If there is somebody you have longed for, the magick in this book can bring that person to you. If you want casual sex with attractive people, the magick here works. If you're looking for true love, this magick can set the wheels of passion in motion. This highly sought-after volume is available once more. Damon Brand combines ancient magick with modern ideas, to bring new passion into your life. You will discover: Magick to attract the person you desire. A talisman that turns attraction into love. A ritual to create a magnetic aura of seduction. True seduction is the art of attracting the people who will please you most, sexually and emotionally. At its best, seduction is a gift to the one you seduce. This book gives you the tools you need to create a powerful magickal energy that attracts romance, love and sex.

Magickal Seduction

Writing and the Ancient State is a comparative study of the use of writing to create and maintain order in early states.

Writing and the Ancient State

This biographical study of an unusual southern policeman explores the relationship between religion and power in Thailand during the early twentieth century when parts of the country were remote and banditry was rife. Khun Phan (1898–2006), known as Lion Lawman, sometimes used rather too much lethal force in carrying out his orders. He was the most famous graduate of a monastic academy in the mid-south, whose senior teachers imparted occult knowledge favoured by fighters on both sides of the law. Khun Phan imbibed this knowledge to confront the risks and uncertainty that lay ahead and bolster his confidence and self-reliance for his struggle with adversaries. Against the background of national events, the story is rooted in the mid-south where the policeman was born and died. Based on a wide range of works in Thai language, on field trips to the region and on interviews with local and regional scholars as well as the policeman's descendants, this generously illustrated book, accompanied by short video clips, brings to life the distinctive environment of the lakes district on the Malay Peninsula.

Power, Protection and Magic in Thailand

'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of *The No Asshole Rule* and *The Asshole Survival Guide* 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of *The Life-Changing Magic of Not Giving a F*ck* A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, *Ask a Manager* will help you successfully navigate the stormy seas of office life.

Ask a Manager

In 2005, Joel Greenblatt published a book that is already considered one of the classics of finance literature. In *The Little Book that Beats the Market*—a New York Times bestseller with 300,000 copies in print—Greenblatt explained how investors can outperform the popular market averages by simply and systematically applying a formula that seeks out good businesses when they are available at bargain prices. Now, with a new Introduction and Afterword for 2010, *The Little Book that Still Beats the Market* updates and expands upon the research findings from the original book. Included are data and analysis covering the recent financial crisis and model performance through the end of 2009. In a straightforward and accessible style, the book explores the basic principles of successful stock market investing and then reveals the author's time-tested formula that makes buying above average companies at below average prices automatic. Though the formula has been extensively tested and is a breakthrough in the academic and professional world, Greenblatt explains it using 6th grade math, plain language and humor. He shows how to use his method to beat both the market and professional managers by a wide margin. You'll also learn why success eludes almost all individual and professional investors, and why the formula will continue to work even after everyone "knows" it. While the formula may be simple, understanding why the formula works is the true key to success for investors. The book will take readers

on a step-by-step journey so that they can learn the principles of value investing in a way that will provide them with a long term strategy that they can understand and stick with through both good and bad periods for the stock market. As the Wall Street Journal stated about the original edition, "Mr. Greenblatt...says his goal was to provide advice that, while sophisticated, could be understood and followed by his five children, ages 6 to 15. They are in luck. His 'Little Book' is one of the best, clearest guides to value investing out there."

Magic with Incense and Powders

The international bestseller about life, the universe and everything. 'A simply wonderful, irresistible book' DAILY TELEGRAPH 'A terrifically entertaining and imaginative story wrapped round its tough, thought-provoking philosophical heart' DAILY MAIL 'Remarkable ... an extraordinary achievement' SUNDAY TIMES When 14-year-old Sophie encounters a mysterious mentor who introduces her to philosophy, mysteries deepen in her own life. Why does she keep getting postcards addressed to another girl? Who is the other girl? And who, for that matter, is Sophie herself? To solve the riddle, she uses her new knowledge of philosophy, but the truth is far stranger than she could have imagined. A phenomenal worldwide bestseller, SOPHIE'S WORLD sets out to draw teenagers into the world of Socrates, Descartes, Spinoza, Hegel and all the great philosophers. A brilliantly original and fascinating story with many twists and turns, it raises profound questions about the meaning of life and the origin of the universe.

The Little Book That Still Beats the Market

This book connects traditional religions to the thriving religious activity in Africa today.

Modernity At Large

How does a newly democratized nation constructively address the past to move from a divided history to a shared future? How do people rebuild coexistence after violence? The International IDEA Handbook on Reconciliation after Violent Conflict presents a range of tools that can be, and have been, employed in the design and implementation of reconciliation processes. Most of them draw on the experience of people grappling with the problems of past violence and injustice. There is no "right answer" to the challenge of reconciliation, and so the Handbook prescribes no single approach. Instead, it presents the options and methods, with their strengths and weaknesses evaluated, so that practitioners and policy-makers can adopt or adapt them, as best suits each specific context. Also available in a French language version.

Sophie's World

A revealing examination of the often misunderstood history of contemporary financial markets.

African Religions

The field of witchcraft studies is continually over-turning new information and research about traditional witchcraft practices and their meanings. A Deed Without a Name seeks to weave together some of this cutting-edge research with insider information and practical know-how. Utilising her own decades of experience in witchcraft and core-shamanism Lee Morgan pulls together information from trial records, folklore and modern testimonials to deepen our understanding of the ecstatic and visionary substrata of Traditional Witchcraft. Those who identify themselves as 'Traditional' tend to read a lot of scholarly texts on the subject and yet still there remains a vast gulf between this information and knowledgeably applying it in practice; this book aims to close that gap. ,

Reconciliation After Violent Conflict

Anthropology is the study of all humans in all times in all places. But it is so much more than that. "Anthropology requires strength, valor, and courage," Nancy Scheper-Hughes noted. "Pierre Bourdieu called anthropology a combat sport, an extreme sport as well as a tough and rigorous discipline. ... It teaches students not to be afraid of getting one's hands dirty, to get down in the dirt, and to commit yourself, body and mind. Susan Sontag called anthropology a "heroic" profession." What is the payoff for this heroic journey? You will find ideas that can carry you across rivers of doubt and over mountains of fear to find the light and life of places forgotten. Real anthropology cannot be contained in a book. You have to go out and feel the world's jagged edges, wipe its dust from your brow, and at times,

leave your blood in its soil. In this unique book, Dr. Michael Wesch shares many of his own adventures of being an anthropologist and what the science of human beings can tell us about the art of being human. This special first draft edition is a loose framework for more and more complete future chapters and writings. It serves as a companion to anth101.com, a free and open resource for instructors of cultural anthropology. This 2018 text is a revision of the "first draft edition" from 2017 and includes 7 new chapters.

Virtue, Fortune, and Faith

"From getting a much-needed promotion to striking it big in the lottery, this comprehensive compendium contains an encyclopedic variety of spells for wealth and prosperity. Each spell will tell you what you will need to carry it out or cast it; the best time to cast the spell; and step-by-step instructions to guide you"--Back cover.

A Deed Without a Name

"Magick is not a path for followers; it is a path for questioners, seekers, and anyone who has trouble settling for dogma and pre-formulated answers. Magick is for those who feel the desire to peel away the surface of reality and see what lies beneath. Like various persecuted forms of mysticism, magick promotes direct contact with the source of creation." —Damien Echols Discover a Powerful Practice for Transforming Yourself and Your Reality At age 18, Damien Echols was sentenced to death for a crime he didn't commit. "I spent my years in prison training to be a true magician," he recalls. "I used magick—the practice of reshaping reality through our intention and will—to stave off incredible pain, despair, and isolation. But the most amazing feat of all that practice and study was to manifest my freedom." With High Magick, this bestselling author shares his first teaching book on the powerful spiritual techniques that helped him survive and transcend his ordeal on death row. Though our culture has consigned "magic" to fiction, stage illusions, or superstitions about dark practices, the magick Damien learned is an ancient Western tradition equal the Eastern practices of Buddhism, Taoism, and yoga in its wisdom and transformative power. Here he brings you an engaging and highly accessible guide for bringing magick into your own life, including: • What is High Magick? Damien clears away the stigma and reveals the history and core teachings of this extraordinary art. • The Four-Fold Breath—a foundational meditation practice to train your mind and body to channel subtle energies. • The Middle Pillar—how to bring divine energy into the central channel of your body for empowerment and healing. • The Qabalistic Cross—a centering technique to help you stay balanced and protected regardless of circumstances. • The Lesser Rituals of the Pentagram—powerful practices for banishing negative energies and invoking energy to manifest your goals. • Working with angelic beings and other spiritual allies to support your practice. • Creating thoughtforms to assist you in your ongoing magickal development. • Guidance for overcoming your doubts, enhancing your visualization skills, creating talismans, practicing magick ethically, and much more. "Magick is a journey," writes Damien. "It's a continuously unfolding path that has no end. You can study and practice magick for the rest of your life and you will still never learn everything that it has to teach you." If you're ready to discover your untapped potential for co-creating your reality with the energy of the divine, then join this extraordinary teacher to begin your training in High Magick.

The Art of Being Human

From the creators of the hit podcast comes an interactive self-help guide for creative entrepreneurs, where they share their best tools and tactics on "being boss" in both business and life. Kathleen Shannon and Emily Thompson are self-proclaimed "business besties" and hosts of the top-ranked podcast Being Boss, where they talk shop and share their combined expertise with other creative entrepreneurs. Now they take the best of their from-the-trenches advice, giving you targeted guidance on: The Boss Mindset: how to weed out distractions, cultivate confidence, and tackle "fraudy feelings" Boss Habits: including a tested method for visually mapping out goals with magical results Boss Money: how to stop freaking out about finances and sell yourself (without shame) With worksheets, checklists, and other real tools for achieving success, here's a guide that will truly help you "be boss" not only at growing your business, but creating a life you love.

Prosperity Magick

Like intrepid hunters, you are involved in a serious race -- winning the money game. Inflation may be outpacing you. The financial industry is outthinking and outmaneuvering you. Banks and insurance companies are outsmarting you. And your government is outvoting you. Everyone else, it seems, has

their own agenda for your money. Most people know more about greening up their lawns, visiting lush vacation spots, and discussing last night's TV sitcom than about how to become wealthier. They spend more time earning their wealth than learning how to manage it. Get Rich Slow will enable you to tap into the powerful yet simple wealth-building tools the rich use to build and grow their fortunes. Whether you're trying to avoid the common mistakes most investors make, buy your next money pit (I'm sorry, I mean house), stomp out credit card debt, find the right mutual funds to invest in, or discover how to "cover your assets" with the right kinds of insurance, Get Rich Slow will give you the financial knowledge and wisdom you need to make the right choices. You will learn controversial personal finance truths, such as why retirement plans such as 401(k)s may not be your best bet, why your home could be your worst investment, why some no-load mutual funds can cost you more, and why your guaranteed pension may not be so guaranteed. Some people will inherit their wealth. The rest of us have no choice but to earn it, save it, and learn how to put it to work. Get rich yourself...a dollar at a time. Book jacket.

High Magick

Bronislaw Malinowski's path-breaking research in the Trobriand Islands shaped much of modern anthropology's disciplinary paradigm. Yet many conundrums remain. For example, Malinowski asserted that baloma spirits of the dead were responsible for procreation but had limited influence on their living descendants in magic and other matters, claims largely unchallenged by subsequent field investigators, until now. Based on extended fieldwork at Omarakana village--home of the Tabalu "Paramount Chief"--Mark S. Mosko argues instead that these and virtually all contexts of indigenous sociality are conceived as sacrificial reciprocities between the mirror worlds that baloma and humans inhabit. Informed by a synthesis of Strathern's model of "dividual personhood" and Lévy-Bruhl's theory of "participation," Mosko upends a century of discussion and debate extending from Malinowski to anthropology's other leading thinkers. His account of the intimate interdependencies of humans and spirits in the cosmic generation and coordination of "life" (momova) and "death" (kaliga) strikes at the nexus of anthropology's received wisdom, and *Ways of Baloma* will inevitably lead practitioners and students to reflect anew on the discipline's multifold theories of personhood, ritual agency, and sociality.

Being Boss

The Brotherhood of Saturn is one of Germany's most secret occult lodges and unknown to magicians of the English-speaking world. This is the first study of its inner documents and workings. Discover the fascinating histories of its founders and leaders. Witness the development of its magical beliefs and practices and its banishment by the Nazi government. The Saturnian path of initiation is revealed in full detail.

Get Rich Slow

Like sharks, epidemic diseases always lurk just beneath the surface. This fast-paced history of their effect on mankind prompts questions about the limits of scientific knowledge, the dangers of medical hubris, and how we should prepare as epidemics become ever more frequent. Ever since the 1918 Spanish influenza pandemic, scientists have dreamed of preventing catastrophic outbreaks of infectious disease. Yet, despite a century of medical progress, viral and bacterial disasters continue to take us by surprise, inciting panic and dominating news cycles. From the Spanish flu and the 1924 outbreak of pneumonic plague in Los Angeles to the 1930 'parrot fever' pandemic and the more recent SARS, Ebola, and Zika epidemics, the last 100 years have been marked by a succession of unanticipated pandemic alarms. Like man-eating sharks, predatory pathogens are always present in nature, waiting to strike; when one is seemingly vanquished, others appear in its place. These pandemics remind us of the limits of scientific knowledge, as well as the role that human behaviour and technologies play in the emergence and spread of microbial diseases.

Ways of Baloma

This book contains simple rituals that bring the money you desire. No demons, no darkness; you get powerful, light magick, using angelic names and sigils. Your wants and needs are converted into reality, through the power of magick. Ritual One is a rejection of personal poverty. If you're in the depths of poverty, you begin to move away from those depths. If you're already doing OK with money, the ritual removes the fear that poverty can ever return. Ritual Two will remove your financial desperation, to help you allow and attract a new financial future. Ritual Three removes the blockages that prevent wealth from coming to you. Ritual Four is a petition for riches, and this is a master working that helps to attract

money into your life over the coming year. Ritual Five is designed to attract a specific sum of money, to solve a problem or fulfil a desire. Ritual Six increases your wages, or income from business or sales. Ritual Seven increases your luck in games of chance, including lotteries, card games and any form of gambling. The magick used in this book comes from many sources. If it works, it's in the book. You'll discover the six secret names of the archangel Metatron to access wealth four gnostic angels that break through financial barriers a secret pathworking technique that accesses the power of ancient gods The book explains the source of these magickal techniques, but only in brief, so you can put your focus on getting the magick to work. The methods are safe, and you don't need special equipment. All you need is an open mind and a willingness to work the magick as instructed. When you get money through magick, it's one of the best feelings in the world. This book can bring you that feeling.
