Intro

HEALTHCARE TRIAGE

It found that those responsible for more of the cost of care use far less of it - and with no short-term adverse health outcomes (except for the poorest families with relatively sicker members).

The findings that Medicaid increases access to care, diminishes financial hardship and reduces rates of depression have provided justification for program expansion.

The innovation center's pioneer accountable care organization program offered health care organizations the opportunity to earn bonuses in exchange for accepting some financial risk, provided they meet a set of quality targets.

Many low-quality studies suggest that wellness programs reduce employers' health care costs as they improve health outcomes.

Committee by Jordan B Peterson 764,404 views 5 days ago 31 minutes - On March 7th, 2024, Dr.

Jordan B. Peterson was invited to be an expert witness before the U.S. House Judiciary committee.

The hearing comes to order, overview

FBI overreach, and their intended goal

Swearing in Dr. Peterson

Dr. Peterson testifies: "George Orwell could scarcely imagine this"

Question one: will it stop with Conservatives?

Question two: why not embrace AI and the surveillance state for improved safety?

Question three: why did Canada decide that you need more "education?"

Question four: why are the U.S. safeguards on free speech so important?

Question five: should the banks be required to inform their customers when the GOV requests their records?

Question six: can you tell us about the de-banking incidents during the Canadian Freedom Convoy?

Question seven: who are the biggest victims of de-banking?

Question eight: can you explain to what extent citizen's "virtualized selves" will be used by big tech, big gov, and the banks?
