### Mask Off

What is masculinity? Dominating the world around us, from Trump's twitter outbursts to deadly gun violence, from male suicide rates to incels on Reddit and 4chan, masculinity is perceived to be 'toxic', 'fragile' and 'in crisis'. In Mask Off, JJ Bola exposes masculinity as a performance that men are socially conditioned into. Using examples of non-Western cultural traditions, music and sport, he shines light

on historical narratives around manhood, debunking popular myths along the way. He explores how LGBTQ men, men of colour, and male refugees experience masculinity in diverse ways, revealing its fluidity, how it's strengthened and weakened by different political contexts, such as the patriarchy or the far-right, and perceived differently by those around them. At the heart of love and sex, the political stage, competitive sports, gang culture, and mental health issues, lies masculinity: Mask Off is an urgent call to unravel masculinity and redefine it.

### Masks Off Too!

Masquerade Balls and Vampires go hand in hand in these stories that combine mystery, love, and biting! Sean Michael gives us Eternity: Is it really possible to die of ennui? Lukas is determined to find out. In Fool Me Twice by Missouri Dalton, botany professor Edmund Toussaint is a vampire who prefers alligator blood and keeps to himself. Up next is Sam Schooler's Scented: Ben Holloway: human, detective, so done with this serial killer vampire shit. Felix Whit: vampire, criminal psychologist, way too attractive. Ben's life is just fantastic. Anne Hedley explores Perfection, where August is flawed in a world that values flawlessness. While Laylah Hunter goes an alternative route with Cultural Hospitality: Reluctant vampire Caram has sworn off dating, but planning a space-station-wide festival with his handsome alien co-worker is testing his resolve. In The Other Side of Midnight by G.O. Noce, Ash only wants revenge against the man who betrayed him two centuries ago, but when Gavin reappears, revenge isn't what's on his mind. In Passions Unmasked by Jade Astor, James is thrilled when a hot guy invites him to a party unlike any other he's attended. And finally, Julia Talbot and BA Tortuga team up to bring us Super Juicy: Sometimes you want a good meal, but sometimes you want something super juicy. So take a bite out of love with Masks Off Too!

### Taking Off the Mask

~~Mask~~ Mask Off: A Journey to Freedom was birthed in 2020 during the pandemic. We lived in a time when wearing masks became the norm to protect us from the deadly effects of the Covid-19 virus. Masks became a necessity for our well-being. No longer did we recognize each other beyond our eyes. Hiding became easy. Like the pandemic, how long have we depended on invisible "masks" to cover what we don't want people to see spiritually? Pride, jealousy, fear, traumatic disorders, addiction, etc., are all examples of what we hide behind our "masks." Afraid of what people will say if they see the scars and wounds life has brought us. "Masks" not only hide, but they also hinder us from true freedom. This book unveils my journey to reaching and maintaining freedom with God's guidance. Every chapter will have you looking within yourself and challenging yourself to change. The "masks" you hide behind will surely come off. Are you ready to start your Journey to Freedom? Let's go!

### Mask Off

With her wedding only weeks away, Maya has to come up with a plan to get rid of Ty and Ricky before it's too late. But will she succeed? Meanwhile, Toni and Ty's marriage is suffering. Ty wants to believe that things will get better but Benjamin has other plans. In this conclusion of jealousy and toxic rage, these four friends will find out the unrelenting reality of what it truly means to take off their masks.

### Heroes Wear Masks

The murder mystery "Masks Off at Midnight" is a novel by Valentine Williams. Brent Hordern is the richest man in Laurel. But the millionaire is also not the most popular man around town, with quite a few people baying for his blood, from spurned women hoping that he would marry them, to disgruntled tenants. His latest plans to incorporate the island to share the tax burden with the community has only seen his enemies increase in number. And at a masked costume pageant, a body is found inside a car. As the mask is removed, a gasp rents the air for Brent Hordern lies dead. An old acquaintance, Detective Trevor Dene investigates the crime...

### Masks Off at Midnight

Meet Harry Dresden, Chicago's first (and only) Wizard P.I. Turns out the 'everyday' world is full of strange and magical things - and most of them don't play well with humans. That's where Harry comes in. Harry Dresden should be happy that business is good - makes a change. But now he's getting more than he bargained for: a duel with the Red Court of Vampires' champion, who must kill Harry to end the war between vampires and wizards; professional hit men using Harry for target practice; the missing Shroud of Turin (less missing than expected) and a headless corpse the Chicago police need identifying . . . Not to mention the return of Harry's ex-girlfriend Susan, still struggling with her semi-vampiric nature. And who seems to have a new man. Some days, it just doesn't pay to get out of bed. No matter how much you're charging. Magic - it can get a guy killed.

### Death Masks

We all wear masks throughout life. But what are they? Where do they come from? Why are they so dangerous? And how can we get rid of them? Using his own life's journey as an illustration, UK's #1 Fear Strategist Keith Blakemore-Noble takes you on a journey of discovery introducing your masks, helping you releasing your masks, and shares with you a life beyond your masks. Contents Part 1 - Introducing Your Masks What Is A Mask? Why Do We Wear Masks? Where Do They Come From? What Happens When We Wear A Mask? What Happens When We Take It Off? Part 2 - Releasing Your Masks How Do We Take Them Off? A Simple Question Going Deeper Dealing With The Fear Return Of The Mask? Part 3 - Beyond Your Masks A New Life 8 Powerful Words A Useful Anchor When Is A Mask Not A Mask? Where To Now? What Readers Are Saying About The Masks We Wear "Keith stands up to his title of the UK's #1 Fear Strategist. A fascinating man, with amazing stories to tell." - Brad Burton, Founder of 4Networking "You just don't know, what you don't know. And sometimes someone comes along and it makes sense. Thank you Keith for lighting the way." - Miss H Whyment-Lester, Business Manager, London "Keith writes honestly and candidly and speaks directly to the reader with great effect. The book is thought provoking and informative, yet written in a way which made it easy to read." - Joanna Michael, UK "I've seen Keith talk at many different networking events and learnt something different each time. This book not only reinforces those lessons but teaches me more. Thank you Keith." - Gary Jones, Grow Marketing and Media "Do you want to be authentic? Then The Masks We Wear is an eye-opening, potent read for you. Throughout the book you discover masks you wear unconsciously. Once they are removed you can relax into who you are and express your uniqueness; people can really get to know you, and deep and honest relationships can be built. Unmask and enjoy life!" - Antonia Olga Daniek - Founder of "Be the Change-Maker" "Keith has definitely helped me on more than one occasion and now with this book I have a little bit of him in my home as well as my heart." - Miss Amy Temple, Female Empowerer "Keith's understanding of the intricacies and interplay of people's fears and emotions are very apparent throughout this excellent text. A must read for those

interested to discover more about the metaphorical masks that each of us wear (at least at one time or another), their importance, and what to do about them." - Alison Stead, Counsellor (Adv.Dip.Couns)  
"Keith has a way of making quite a difficult subject seem very easy to understand and to work through. This book deserves your time, your attention and your best. And you deserve this book." - Paul Newton, MentalTheft

### Mask Off

With his mask on, Sgt. Apollo Knight, IV, is tall and muscular, with a gorgeous face much like the Greek gods and warriors he and his three brothers were named for. As a third generation firefighter who puts out fires in the real world while turning up heat in the bedroom, he has just about everything he thinks he needs. A brief encounter with the mysterious and alluring Londyn, who grudgingly gives him her heart to repair, turns into a love story where Sgt. Knight is exposed to a type of love he never knew was possible. When he falls for Londyn, she becomes his addiction which brings about an entire set of intense complications. With his mask off, Sgt. Knight is holding on to a secret that could destroy his newfound caring, sensual relationship. Follow him as a tragic death in the family rocks his core and thrusts him into the public spotlight while threatening to destroy his very existence. Be a part of the journey to see if the trust behind Londyn's adoring eyes wanes as the mask crumbles off. Examine the lengths he explores to protect the image of family he's always wanted when an unexpected pregnancy threatens the whole thing. Will he be able to look himself in the mirror once Londyn uncovers the reality that the charismatic, seductive Sgt. Knight is not living his truth?

55%OFF for Bookstores! Now at \$23.95 instead of \$34.95! Do you want to learn how to easily make homemade medical masks on your own? Your customers will love this Step-by-Step Illustrated Guide! According to certain studies, the efficacy of a face mask in preventing the spread of diseases is inconclusive. This is due to the fact that the studies were conducted on healthcare professionals in their workplace. The outcome of the studies reveals that when health workers use face masks while attending to sick patients, they limit the risk of spreading diseases. On the other hand, the same studies on the efficacy of face masks conducted on members of the public show that people who can't afford to be in confined spaces and hospital waiting rooms with others should wear a face mask to avoid the person-to-person spread of germs. According to Dr. Sexton, Emory University School of Medicine's assistant professor, face masks are not foolproof, but they help to curb the spread of infectious particles when a person is coughing. People who are not sick are advised not to rely solely on the use of face masks as a mean of preventing respiratory infections. This is according to Popescu, who noted that surgical masks only offer limited protection against contracting diseases. Furthermore, face masks can be used to prevent the spread of germs in closed quarters, on a train, and a packed waiting room, but they are never useful as a means of stopping the outbreak of the new coronavirus. In the chapters of this book you will find useful tips on how to make your own medical mask: What is a medical mask and why you need it The 3 main types of medical masks How to make a medical mask and how to wear it correctly Medical masks disadvantages Airborne diseases and protective measures against microorganisms How close is close? Understanding close contact & how to deal with it Natural ways to maintain a healthy immune system And Much More! ### Homemade Medical Masks

In a world without political freedom, personal freedom and precious little faith in anything comes a mysterious man in a white porcelain mask who fights political oppressors through terrorism and seemingly absurd acts. It's a gripping tale of the blurred lines between ideological good and evil. The inspiration for the hit 2005 movie starring Natalie Portman and Hugo Weaving, this amazing graphic novel is packaged with a collectable reproduction of the iconic V mask.

### V for Vendetta Book & Mask Set

'Utterly captivating. Carrick spins an exciting web of mystery, magic, and political treachery in a richly drawn and innovative world.' S. A. Chakraborty, author of *The City of Brass* Darkly magical and beautifully imagined, *The Mask of Mirrors* is the unmissable start to the Rook & Rose trilogy, a rich and dazzling fantasy adventure in which a con artist, a vigilante, and a crime lord must unite to save their city. Nightmares are creeping through the city of dreams . . . Renata Virdeaux is a con artist who has come to the sparkling city of Nadezra -- the city of dreams -- with one goal: to trick her way into a noble house and secure her fortune and her sister's future. But as she's drawn into the aristocratic world of House Traementis, she realises her masquerade is just one of many surrounding her. And as corrupted magic begins to weave its way through Nadezra, the poisonous feuds of its aristocrats and the shadowy dangers of its impoverished underbelly become tangled -- with Ren at their heart. 'Wonderfully immersive--I was unable to put it down.' Andrea Stewart, author of *The Bone Shard Daughter* 'An intricate, compelling dream of a book' Melissa Caruso, author of *The Tethered Mage* 'I was utterly entranced by this glittering world filled with masked vigilantes, cunning conwomen, and dark magic. A sheer delight!' Katy Rose Pool, author of *There Will Come A Darkness*

### The Mask of Mirrors

"Get's off to a cracking start and builds momentum from the beginning." ~ Ian Robinson, author of *ROUGH DIAMONDS*. "A brilliant and relative story...leaving the reader with plenty to think about." ~ Barry Litherland, author of three 5-Star novels including *SHIFTING SANDS*. T.L. Mumley's plot from her debut, *MASKS OF MORALITY* continues, reaching the hearts and minds of many with today's twisted political reality. It's been years since Caryssa left her cozy Silicon Valley career and connected the dots between corporatism and America's perpetual wars. Now, an innocent man connected to her eclectic circle of friends is accused of being a terrorist. A second dead dove is found with symbolic messages in blood drops of nebulous enemies and a soiled social heart. A mysterious Picasso quote and decoded messages from the Kryptos art sculpture at Langley are inscribed on the back of prized renditions of the famous artist's work. A rogue CIA agent trying to psychologically control his daughter ... Bizarre things are happening in otherwise peaceful settings. Three Northern California women lead idyllic lives, from a loft in Sausalito and sanctuary in the San Francisco Bay hills to skiing the French Alps. But it's their families and the next generation they are concerned about. When Caryssa, Anna and Julie discover that dark money is behind these odd occurrences, they help an emotionally troubled girl flee from corrupt power; a girl who nearly destroyed Anna's art gallery and was once a suspect in murdering her security guard. A girl who somehow reminds Anna of the daughters she tragically lost... AND THAT GIRL IS RUNNING FOR HER LIFE. WHAT IS SHE RUNNING FROM AND WILL SHE SURVIVE?

### Monster Behind the Masks

This book is a wonderfully accessible introduction to a fresh and innovative acting technique for actors, theatre-makers and teachers to use in training and rehearsal. A mask releases the actor to be playful, and playfulness generates ideas, finds meaning, develops characterisation - and is infinitely more fun than traditional training. Rather than a dry guide to making masked theatre, it is about, for instance, playing Lady Macbeth in Red Nose, or Hamlet in the mask of The Victim, The Ogre or The Fool, or even Romeo and Juliet in grotesque half-masks... All in the name of liberating your creativity and,

ultimately, improving your performance. Extensively illustrated with a rich variety of masks, this inventive and pragmatic book is full of invaluable games and exercises drawn from the author's own workshops, his experience as co-founder of both Trestle and Told by an Idiot, and his pioneering mask and clown work in many professional productions.

### Take off the Mask

"Now and then," writes Lionel Trilling, "it is possible to observe the moral life in process of revising itself." In this new book he is concerned with such a mutation: the process by which the arduous enterprise of sincerity, of being true to one's self, came to occupy a place of supreme importance in the moral life—and the further shift which finds that place now usurped by the darker and still more strenuous modern ideal of authenticity. Instances range over the whole of Western literature and thought, from Shakespeare to Hegel to Sartre, from Robespierre to R.D. Laing, suggesting the contradictions and ironies to which the ideals of sincerity and authenticity give rise, most especially in contemporary life. Lucid, and brilliantly framed, its view of cultural history will give Sincerity and Authenticity an important place among the works of this distinguished critic.

### SINCERITY AND AUTHENTICITY

It's time you begin shifting into the thoughts and beliefs that will propel you into the person God needs you to be. I can promise that if you truly want to make the changes you will be able to do it with God. If you let Him inside He will change you and He will renew your mind. But you have to open your heart to receive Him. It begins with a choice, your choice, and with that choice comes amazing opportunity of creating an extraordinary life as the person God needs you to be. Let today be the day you make the choice to begin a new direction with the mask off. Once you allow that mask to come off you can just be you. A wonderful, anointed individual with wisdom to help others. You don't need a mask to be yourself; you only need a mirror to see your true self.

### Living Behind the Mask

Taking the Mask Off... was a hard book for me to write. What started out as daily journal entries that centered around losses, regrets, family, and the beauty of nature, all written during COVID isolation but covering my entire life's experience were now over 150 handwritten short stories contained in four 5 x 7-inch memorandum books filled in front to back. It took me six months to realize that my writings were more than simple journaling; they were therapy. Therapy that told a story of my movement from mind to heart, from being compartmentalized to being vulnerable, from seeking purpose over comfort, from moving from my name card to my calling card, from understanding that to really love someone else, you first needed to love yourself. So, I invite you to join me on part one of this non-judgmental journey representing over 65 of my short personal stories. Stories that represent someone who really had to turn the telescope of their life around and learn from each problem. Yes, I continue to be on that uphill, rocky, slippery climb from thinking with my brain to feeling with my heart, but I am improving because now instead of asking, "Why me God?" I simply ask, "God, what are you trying to teach me?" Please join me on this journey of my stories and let's learn to be better together. ÿ

### Taking the Mask Off...my Journey from Dr. Seuss to the Bible

This book is a spinning of my first book, The Masks behind the Mask, and also a book of the next stage of taking your mask off. In the first book, I was letting you know that we all carry a mask where you may have not been comfortable with your imperfections of who you are behind your mask. In this book I am here to help you unpack the things we carry and hold on to that can end up destroying your relationships (with friends, associates, family or partner). We are going to take time to rebuild the person that you have hidden from the world because you were not comfortable in your own skin. We are going to get uncomfortable to get comfortable with ourselves regardless to what others think about who you are. This is the time to learn who you are and what makes you happy

### Unveiled Pieces of a Broken Mask

The Sunday Times bestseller, from the bestselling author of *The Bone Season* and *The Priory of the Orange Tree* Paige Mahoney has eluded death again. Snatched from the jaws of captivity and consigned to a safe house in the Scion Citadel of Paris, she finds herself caught between those factions that seek Scion's downfall and those who would kill to protect the Rephaim's puppet empire. The mysterious Domino Programme has plans for Paige, but she has ambitions of her own in this new citadel. With Arcturus Mesarthim - her former enemy - at her side, she embarks on an adventure that will lead her from the catacombs of Paris to the glittering hallways of Versailles. Her risks promise high reward: the Parisian underworld could yield the means to escalate her rebellion to outright war. As Scion widens its bounds and the free world trembles in its shadow, Paige must fight her own memories after her ordeal at the hands of Scion. Meanwhile, she strives to understand her bond with Arcturus, which grows stronger by the day. But there are those who know the revolution began with them - and could end with them...

### Klutz: Glitter Face Masks

Set in Georgian England, fifteen-year-old Sophia is trapped by the limitations of living in a man's world. Forced by her father to give up everything she loves, Sophia is ordered to make a new life in Bath. By day, she is trapped in the social whirl of balls and masquerades. By night, she secretly swaps her ball gowns for breeches, and turns to highway robbery to get her revenge . . . When one man begins to take a keen interest in her, Sophia must keep her distance, or risk unmasking her secret life.

### The Girl in the Mask

Although this book was written during the COVID crises, it's not just about getting through the pandemic. It's about learning from the current situation to survive ANY disruption, and to build long-term, personal success. After all, this isn't your first disruption in life, and unfortunately it won't be your last. However, the lessons and strategies we're learning now are the same, time-tested practices that have worked in the past - for millions of people, in all kinds of disruptions. And we can use those lessons to handle whatever life has to throw at us moving forward.

### Who Will YOU Be When the Masks Come Off?

When revolutions happen, they change the rules of everyday life--both the codified rules concerning the social and legal classifications of citizens and the unwritten rules about how individuals present themselves to others. This occurred in Russia after the Bolshevik Revolution of 1917, which laid the foundations of the Soviet state, and again in 1991, when that state collapsed. *Tear Off the Masks!* is about the remaking of identities in these times of upheaval. Sheila Fitzpatrick here brings together in a single volume years of distinguished work on how individuals literally constructed their autobiographies, defended them under challenge, attempted to edit the "file-selves" created by bureaucratic identity documentation, and denounced others for "masking" their true social identities. Marxist class-identity labels--"worker," "peasant," "intelligentsia," "bourgeois"--were of crucial importance to the Soviet state in the 1920s and 1930s, but it turned out that the determination of a person's class was much more complicated than anyone expected. This in turn left considerable scope for individual creativity and manipulation. Outright imposters, both criminal and political, also make their appearance in this book. The final chapter describes how, after decades of struggle to construct good Soviet socialist personae, Russians had to struggle to make themselves fit for the new, post-Soviet world in the 1990s--by "de-Sovietizing" themselves. Engaging in style and replete with colorful detail and characters drawn from a wealth of sources, *Tear Off the Masks!* offers unique insight into the elusive forms of self-presentation, masking, and unmasking that made up Soviet citizenship and continue to resonate in the post-Soviet world.

### Tear Off the Masks!

*Masks* is the first novel in the dystopian fantasy *Masks of Aygrima* series. Cataclysmic events have left the Autarchy of Aygrima—the one land blessed with magical resources—cut off from its former trading partners across the waters, not knowing if any of those distant peoples still live. Yet under the rule of the Autarch, Aygrima survives. And thanks to the creation of the *Masks* and the vigilance of the Autarch's Watchers, no one can threaten the security of the empire. In Aygrima, magic is a Gift possessed from

birth by a very small percentage of the population, with the Autarch himself the most powerful magic worker of all. Only the long-vanquished Lady of Pain and Fire had been able to challenge his rule. At the age of fifteen, citizens are recognized as adults and must don the spell-infused Masks—which denote both status and profession—whenever they are in public. To maintain the secure rule of the kingdom, the Masks are magically crafted to reveal any treasonous thoughts or actions. And once such betrayals are exposed, the Watchers are there to enforce the law. Mara Holdfast, daughter of the Autarch's Master Maskmaker, is fast approaching her fifteenth birthday and her all-important Masking ceremony. Her father himself has been working behind closed doors to create Mara's Mask. Once the ceremony is done, she will take her place as an adult, and Gifted with the same magical abilities as her father, she will also claim her rightful place as his apprentice. But on the day of her Masking something goes horribly wrong, and instead of celebrating, Mara is torn away from her parents, imprisoned, and consigned to a wagon bound for the mines. Is it because she didn't turn the unMasked boy she discovered over to the Night Watchers? Or is it because she's lied about her Gift, claiming she can only see one color of magic, when in truth she can see them all, just as she could when she was a young child? Whatever the reason, her Mask has labeled her a traitor and now she has lost everything, doomed to slavery in the mines until she dies. And not even her Gift can show Mara the future that awaits her—a future that may see her freed to aid a rebel cause, forced to become a puppet of the Autarch, or transformed into a force as dangerous to her world as the legendary Lady of Pain and Fire.

### Masks

Strikingly beautiful. Educated. Confident. Virtuous. Only 19 years old. Saint doesn't like making promises she can't keep, especially ones she can't keep for herself. Having lived a sheltered life under the watchful eyes of three older brothers and parents who coddled their baby girl, Saint is one day left alone to "hold it down" after one brother is killed and the others are sentenced to years in prison. The whole of Boston and those in the surrounding cities knew she was never to be touched—brothers' orders—yet she finds herself caught up in "the game" while trying to meet the needs of her family. Will Saint choose to carry out her oldest brother's orders and fall prey to the same men who set him up, or will she fight to maintain her purity and let "the hood" handle it? The Mask Off series is one woman's story with a host of characters who either love her or hate her. There are no grey areas to be found. Although Saint never forgets to help others along the way, there's a deeply hidden vengeful side to her that is bent on destroying those who did her and her family wrong—and it's an electrifying journey that you will take with her page by page!

### Mask Off

Every human being wants to be seen, to be heard and loved. For being seen is validation for one's existence. We hide behind masks to comfort ourselves in our pain like bandage on cuts that never heal. Taking the mask off allows the soul to breathe. "Behind The Mask" is every person's story who never got the chance to tell their truth or wish they had the courage to live fully in their truth. It is a journey of self-discovery.

### Behind the Mask

Brent Blair, Shannell Robinson, and Renee Jones are inseparable. Together, these best friends are making their mark in the fashion industry as colleagues at Blair Records. These three loving parents with strong bonds to one another, their lives, and their friendship will be tested. Lies, secrets, past hurts, and abuse threaten to destroy their lives when God snatches off their masks from where they hide behind. Will they embrace who they really are, or continue to live the lies and deceit to which they have grown accustomed?

### When the Mask Comes Off

The Masks We kidnapped her. A payment for a debt. A very personal one. With our father "The Collector" dead, we are the heirs to a twisted dynasty with nothing but revenge in our hearts, blood on our hands, and darkness in our souls. The Dancer we stole is our captive to play with, to possess, to ruin. And we will destroy her. The Dancer I was kidnapped. Ripped from the people I love, and imprisoned in a castle in Scotland with walls as thick and impenetrable as the stone encasing my kidnappers' hearts. Do as they say and you'll survive, fight and feel the consequences of their wrath. The Masks who stole me are cruel, merciless and wicked. But they won't break me. **WARNING:** This is an 18+ dark, contemporary,

reverse harem captive/kidnap romance and contains graphic sex scenes, violence, dub-con / non-con and subject matter that readers may find triggering.

### The Dancer and The Masks

'I realised I had been camouflaging my whole life - I'd been trying to mask my autistic traits and fit in with all the non-autistic people around me.' Growing up autistic can often feel as though you have to become a chameleon in social situations, camouflaging yourself to fit in with a seemingly neurotypical world. Combining lived experience with scientific research and practical advice, this book is the essential guide to understanding why you mask and how to feel confident without one. Focusing on diagnostic devices like the Camouflaging Autistic Traits Questionnaire (CAT-Q) to discover the situations in which you mask the most and why, alongside a range of techniques, from CBT, compassion based therapy, DBT, and mindfulness to relieve anxiety and reduce stress, this guide gives you all the tools and confidence you need to re-connect with yourself, the things you love and finally, take off your mask.

### Taking Off the Mask

Keiara B. Gladney is a mother, wife, minister and first-time author purposefully writing to encourage others to take off masks that prevent us from prospering in life. This book was written in the midst of pain and trauma to encourage you to know that you are not crazy; you are not a failure; and, above all else, you are not alone. This book was written to empower you to be the best You that YOU need. "For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind" (II Timothy 1:7, King James Version). This Christian view of motherhood, as well as a natural view of hurts and punches that mothers and others face, should help you in building the necessary fortification of truth; transparency; healing; forgiveness; and love necessary to fight every lie of the enemy in order to be your best, God-ordained self. A mask is defined as a covering for all or part of the face worn as a disguise to amuse or terrify other people. I have found that we wear masks for one of two reasons. We may wear them to cover what we don't desire for others to see, such as our vulnerability, our insecurities, or the like. Or, we may wear them to give the impression we are more than what we are, such as being brave, courageous, or domineering. Both reasons behind wearing a mask decrease the chances of people seeing the real us; the vulnerable us; the naked us. Well, it is high time to stop faking! We have faked church; we have faked on social media; we have faked with our families and friends; we have even faked with the Lord. It is time to QUIT FAKING and START CONFESSING and HEALING!

### Take Off the Mask

It's time to get REAL on what lies behind the masks we wear! This book will empower you to celebrate your imperfections and to always walk in your truth. -Are you obsessed with perfection and have a difficult time completing your goals? -Are you your own worst critic? - Are you ready to lead by example, but afraid that others may judge your past decisions or failures? If you answered, "yes" to any of these questions, this book is for you! Through my own personal successes and setbacks as a Professional Artist, Holistic Health Coach, and Educator, I provide effective tips and strategies that show how you can lead by example without perfection!

### Mask Off

One of the challenges man faces is to be who they are at all times. In this challenge man is continuously involved in processes of change because of life impacts. These impacts allow man to evolve towards becoming a better person. In striving to become better human beings, man plays out roles. But what role is man playing? How did it come that you are playing that particular role? Who are you? In the search of the SELF you unknowingly and knowingly wear a mask. As you evolve, these masks become who you are. The real self gradually becomes so hidden behind these masks that you are unable to find the true self. It is at this point that you have to learn how to take your face off - to unmask. The journey through this book is about that journey back to the self and complete life's circle.
