Swan Dive

"Don't expect just tulle and toe shoes. In this fascinating insider's tale, NYCB dancer Pazcoguin reveals her world. . . . A striking debut." —People Award-winning New York City Ballet soloist Georgina Pazcoguin, aka the Rogue Ballerina, gives readers a backstage tour of the real world of elite ballet—the gritty, hilarious, sometimes shocking truth you don't see from the orchestra circle. In this love letter to the art of dance and the sport that has been her livelihood, NYCB's first Asian American female soloist Georgina Pazcoguin lays bare her unfiltered story of leaving small-town Pennsylvania for New York City and training amid the unique demands of being a hybrid professional athlete/artist, all before finishing high school. She pitches us into the fascinating, whirling shoes of dancers in one of the most revered ballet companies in the world with an unapologetic sense of humor about the cutthroat, survival-of-the-fittest mentality at NYCB. Some swan dives are literal: even in the ballet, there are plenty of face-plants, backstage fights, late-night parties, and raucous company bonding sessions. Rocked by scandal in the wake of the #MeToo movement, NYCB sits at an inflection point, inching toward progress in a strictly traditional culture, and Pazcoguin doesn't shy away from ballet's dark side. She continues to be one of the few dancers openly speaking up against the sexual harassment, mental abuse, and racism that in the past went unrecognized or was tacitly accepted as par for the course—all of which she has painfully experienced firsthand. Tying together Pazcoguin's fight for equality in the ballet with her infectious and deeply moving passion for her craft, *Swan Dive* is a page-turning, one-of-a-kind account that guarantees you'll never view a ballerina or a ballet the same way again.

Henry Leutwyler: Misty Copeland

A collaborative portrait of the renowned American ballet dancer Henry Leutwyler is certainly no stranger to the art of ballet--for many years he photographed on stage and behind the scenes at the New York City Ballet, culminating in his book *Ballet*, since published by Steidl in two editions. Yet Misty Copeland pushes Leutwyler's vision into a new direction: neither a strict portrait of the renowned ballerina nor a mere documentation of her exceptional craft, this is an intimate collaboration between photographer and subject that explores the subtleties of Copeland as a performer, person, persona and idol. Born in Kansas City, Missouri, and raised in San Pedro, California, Copeland's biography has all the arc of a fairy tale: she was living in a shabby hotel room, struggling with five siblings for a place to sleep on the floor, when she began ballet studies at the late age of 13. She soon proved a prodigy: within three months of her first class she was dancing en pointe, in just over a year she was performing professionally. In 2015 she became the first African American woman appointed principal dancer at the prestigious American Ballet Theater in the 75 years of its existence. In Copeland's own words: "The path to your success is not as fixed and inflexible as you think." Born in 1961 in Switzerland, Henry Leutwyler moved to Paris in 1985 and established himself there as an editorial photographer. In 1995 he moved to New York City where he lives and works today. His books with Steidl are *Neverland Lost: A Portrait of Michael Jackson* (2010), *Ballet: Photographs of the New York City Ballet* (2012), *Document* (2016), *Hi there!* (2020) and the forthcoming *Philippe Halsman: A Photographer's Life*.

Ballerina

Throughout her history, the ballerina has been perceived as the embodiment of beauty and perfection--the feminine ideal. But the reality is another story. From the earliest ballerinas in the 17th century--who often led double lives as concubines--through the poverty of the corps de ballet dancers in the 1800's and the anorexic and bulimic ballerinas of George Balanchine, starvation and exploitation have plagued ballerinas throughout history. Using the stories of great dancers such as Anna Pavlova, Isadora Duncan, Suzanne Farrell, Gelsey Kirkland, Evelyn Hart, Marie Camargo, and Misty Copeland, Deirdre Kelly exposes the true rigors for women in ballet. She rounds her critique with examples of how the world of ballet is slowly evolving for the better. But to ensure that this most graceful of dance forms survives into the future, she says that the time has come to rethink ballet, to position the ballerina at its center and accord her the respect she deserves.

Mary's Last Dance

I can vividly remember the last steps of the last ballet, walking off the stage led by a mother and knowing the decision I had to make. That was my last dance. Mary Li (nee McKendry) is an international ballet star and a mother like no other. She became a household name when her husband Li Cunxin published his bestselling memoir, *Mao's Last Dancer* - but that book told only half the story. Growing up in a rambunctious family in Rockhampton, Mary discovered an extraordinary early passion for ballet. It saw her move to London at age sixteen, to study at the Royal Ballet School and dance at the London Festival Ballet with the likes of Nureyev, and later to Houston Ballet, where as Principal Dancer she fell in love with the acclaimed Chinese ballet dancer Li Cunxin. The couple became the darlings of the dance world, and were happier than they could have imagined at the arrival of their firstborn daughter, Sophie. Then right at the height of her international career, Mary seemingly disappeared from view, leaving the fans aghast. What could have happened to cause a woman so committed, so talented, to give it all away in a heartbeat? Now, almost twenty years on, fans finally get their answer about what happened next to this inspiring family, and learn why it is Mary's turn to tell a truly remarkable tale. This is a powerful and uplifting memoir about chasing an impossible dream, and sacrificing one's own ambition for the love of a child. It is a moving and unforgettable story of passion, dedication and devotion - and the highly anticipated sequel to one of the world's most beloved books.

Leanne Benjamin

This autobiography by Leanne Benjamin with Sarah Crompton reveals the extraordinary life and career of one of the worlds most important ballet dancers of the past fifty years. The book takes you behind the scenes to find a real understanding of the pleasure and the pain, the demands and the intense

commitment it requires to become a ballet dancer. It is a book for ballet-lovers which will explain from Benjamins personal point of view, how ballet has changed and is changing. It is a book of history: she was first taught by the people who created ballet in its modern form and now she works with the dancers of today, handing on all she has known and learnt. But it is also a book for people who are just interested in the psychology of achievement, how you go from being a child in small-town Rockhampton in the centre of Australia to being a power on the worlds biggest stages -- and how an individual copes with the ups and downs of that kind of career. It is a story full of big names and big personalities -- Margot Fonteyn, Kenneth MacMillan, Mikhail Baryshnikov, Darcey Bussell, Carlos Acosta to name a few. President Clinton, Michelle Obama, Diana Princess of Wales and David Beckham all make an appearance. But it is also a book of small moments of insight: what makes a performance special, how you recover from injury, illness and childbirth; how you combine athletic and artistic prowess with motherhood, how a different partner can alter everything, what it is like to fall over in front of thousands of people and what it is like to triumph. Above all, it seeks to explain, in warm and human terms, why women get the reputation for being difficult in a world where being a good girl is too much prized. And what they can do about it.

The Unlikely Lady

FOR THE BACHELOR AND THE BLUESTOCKING... Certain that no man wants a bluestocking for a wife, Miss Jane Lowndes is careful to wield her books and her spectacles as weapons against matrimony. Convincing her ambitious mama that she's content to stay a spinster is easier said than done, however. It's a good thing Jane is not above a bit of manufactured scandal if it will keep her from the altar, and the argumentative, contrary Lord Garrett Upton... ROMANCE IS NEVER BY THE BOOK With the war over, Garrett is determined to enjoy his bachelor's life while he can, even when it means attending a house party in celebration of a friend's wedding—and suffering Jane's notorious disdain. But when a masquerade ball leads to a mistaken kiss, he's surprised to learn that Jane's bookish exterior hides a truly passionate soul. When two such headstrong people are determined to remain unattached, can love lead to a happy ending?

The Valet Who Loved Me

He's on a top-secret assignment. All of London knows Beau Bellham as the Marquess of Bellingham, but only a trusted few know he also works for the Home Office. His specialty? Scouting out traitors to the Crown. So, when one of his friends pretends to be a footman at a house party in order to find a wife, Beau decides posing as a valet at the same gathering will be the perfect cover for him to spy on the men he suspects of treason. What Beau doesn't count on, however, is butting heads with a far-too-certain-of-herself maid who gives him hell at every turn. She's about to blow his cover. Miss Marianne Notley is a lady's maid with more secrets than hairpins. When she meets her employer's new valet, she distrusts him immediately. Never mind his dashing good looks and irrepressible charm, he's a bit too sure of himself and asks a few too many questions for her liking. She's on a mission to reveal the mysterious valet's true identity, and she's not above wielding her own considerable charms to do it. But before long, all the pretending Marianne and Beau are doing feels alarmingly real—and a lot like falling in love. When they finally discover the truth about each other, will it spark a face-off for the ages or a love that lasts for all time?

The Irresistible Rogue

A PROPOSAL FROM A SCOUNDREL Daphne Swift has not laid eyes on her devilishly charming husband, Captain Rafferty Cavendish, in quite some time. As a matter of fact, she wants the rogue to annul their brief marriage so that she can marry the reliable and estimable Lord Fitzwell. But the breathtakingly handsome Rafe is not interested in letting Daphne go—at least not without paying his scandalous price... THE SEDUCTION OF HIS WIFE Rafe prefers to face the dangers of spying alone, but this time he needs his innocent, fiery wife to uncover the information he seeks. He has even agreed to release her from their marriage if she submits completely to his plan. However, Daphne's alluring combination of courage and curves makes her a dangerous distraction, and it is not long before Rafe is trading subterfuge for seduction in order to prove that Daphne is meant to be his and his alone... Secrets of a Runaway Bride

When Jordan Holloway, Earl of Ashbourne, agrees to keep an eye on his best friend's new sister-in-law, Annie Andrews, he is forced to take her to his country house to prevent her elopement, only to fall in love with her himself.

Secrets of a Scandalous Marriage

A duchess awaiting trial for her vile husband's murder is the most delicious gossip the ton has heard in years. But for Kate Townsende, the woman in question, it could be a matter of life and death. And when a shrewd and handsome nobleman offers to publish her side of the story while arranging for a barrister to take her case, she's tempted by much more than the chance to defend herself... James Bancroft, Viscount Medford, tells himself he's only interested in a bestselling pamphlet, but Kate's stubborn determination is captivating. Could the accused widow be telling the truth? At first, James isn't sure of anything besides his growing desire for her—but before long he's willing to risk much more than his reputation to make the infamous beauty his wife... Secrets of a Scandalous Marriage is the third Secret Brides novel from Valerie Bowman.

Accidental Countess

CAN A SCANDALOUS CHARADE For seven long years, Lady Cassandra Monroe has waited for the man of her dreams to return from the war. Unfortunately, he happens to be engaged to her flighty cousin. What Cass wouldn't give to take her cousin's place! When he mistakes Cass for Patience Bunbury, a fictitious friend her cousin has invented to escape social obligations...even with her future husband, Cass thinks this is her chance. **LEAD TO TRUE AND LASTING LOVE?** After defeating Napoleon at Waterloo, Captain Julian Swift is not quite ready to settle down and enter into his unwanted arranged marriage—especially when the real object of his affection turns out to be a beguiling beauty he meets at a party. Patience Bunbury is witty, independent, passionate...and, unbeknownst to him, the cousin of his current fiancée. When the truth about Cass comes out—and Julian discovers that their courtship is anything but accidental—will he surrender his heart to a woman who really is too good to be true?

The Footman and I

Let the games begin . . . Every fortune-hunting female in London is after the newly titled Earl of Kendall, but he's intent on finding a wife whose heart is true. So, while drunkenly jesting with his friends in a pub one night, he has an idea—what if the ladies of the ton didn't know he was a wealthy earl? All he has to do is pose as a servant at his friend's summer country house party and make sure the guest list is full of beautiful, eligible debutantes. What could possibly go wrong? May the best footman win. Miss Frances Wharton is far more interested in fighting for the rights of the poor than in marriage, but her mother insists she attend a summer house party—and find herself a husband. Frances would rather wed a goat than the pompous man her mother has in mind, so in order to dissuade the would-be suitor, she vows to behave like a shrew. The only person she can be herself with is the kind, handsome footman she runs into at every turn. Their connection is undeniable, and the divide between them is no match for the passion they feel. But what will happen when Frances learns that the footman she adores is actually the earl she despises? In a game where everything is false, can they convince each other that their love is true?

The late twentieth and early twenty-first centuries are commonly characterised as an age of 'neoliberalism' in which individualism, competition, free markets and privatisation came to dominate Britain's politics, economy and society. This historical framing has proven highly controversial, within both academia and contemporary political and public debate. Standard accounts of neoliberalism generally focus on the influence of political ideas in reshaping British politics; according to this narrative, neoliberalism was a right-wing ideology, peddled by political economists, think-tanks and politicians from the 1930s onwards, which finally triumphed in the 1970s and 1980s. *The Neoliberal Age?* suggests this narrative is too simplistic. Where the standard story sees neoliberalism as right-wing, this book points to some left-wing origins, too; where the standard story emphasises the agency of think-tanks and politicians, this book shows that other actors from the business world were also highly significant. Where the standard story can suggest that neoliberalism transformed subjectivities and social lives, this book illuminates other forces which helped make Britain more individualistic in the late twentieth century. The analysis thus takes neoliberalism seriously but also shows that it cannot be the only explanatory framework for understanding contemporary Britain. The book showcases cutting-edge research, making it useful to researchers and students, as well as to those interested in understanding the forces that have shaped our recent past.

The Complete Book of 2010s Broadway Musicals

He's posing as a groomsman. Rhys Sheffield, the Duke of Worthington, has bet his friends an ungodly sum of money that despite his loftiness, he can pass himself off as a servant at the house party of the Season. But when his clever ex-flame arrives and recognizes Rhys in the stables pretending to be a groomsman, she realizes it's the perfect opportunity to pay him back for breaking off their engagement. She's the bride-to-be. The lovely Lady Julianna Montgomery may be the only young woman at the house party who's not in the market for a husband. She's quite happily engaged to a marquess, thank you very much, and scarcely remembers the pain of being callously tossed over by the Duke of Worthington nearly two long years ago—till now. All bets are off. Rhys seems to be everywhere, flexing his muscles, laboring in the sun—and Julianna has never found him more appealing. With his signature charm, he persuades her to keep his secret. But when she learns he's determined to win a bet of honor, she can't resist playing a game of her own. She'll spend the next fortnight tempting Rhys at every turn and making him lose his precious wager. Even if it means she must lose her heart in the process...

A CIA analyst's "revealing and utterly engrossing account" of the world of high-stakes foreign intelligence and her role within the campaign to stop top-tier targets inside Al-Qaida (Joby Warrick). In 1999, 30-year-old Nada Bakos moved from her lifelong home in Montana to Washington, D.C., to join the CIA. Quickly realizing her affinity for intelligence work, Nada was determined to rise through the ranks of the agency first as an analyst and then as a Targeting Officer, eventually finding herself on the frontline of America's war against Islamic extremists. In this role, Nada was charged with determining if Iraq had a relationship with 9/11 and Al-Qaida, and finding the mastermind behind this terrorist activity: Abu Musab al-Zarqawi. Her team's analysis stood the test of time, but it was not satisfactory for some members of the Administration. In a tight, tension-packed narrative that takes the reader from Langley deep into Iraq, Bakos reveals the inner workings of the Agency and the largely hidden world of intelligence gathering post 9/11. Entrenched in the world of the CIA, Bakos, along with her colleagues, focused on leading U.S. Special Operations Forces to the doorstep of one of the world's most wanted terrorists. Filled with on-the-ground insights and poignant personal anecdotes, *The Targeter* shows us the great personal sacrifice that comes with intelligence work. This is Nada's story, but it is also an intimate chronicle of how a group of determined, ambitious men and women worked tirelessly in the heart of the CIA to ensure our nation's safety at home and abroad.

Secret societies have both fascinated and frightened people for hundreds of years. Often the infamous Illuminati is mentioned as the core of conspiracies which span the globe. The Illuminati is actually a historical secret society which had goals of revolutions and world domination dating back to the 1770s. Since then, rumors and conspiracy theories involving the Illuminati continue to spread, sometimes finding their way into popular novels like Dan Brown's *Angels & Demons* and Hollywood movies like *Lara Croft: Tomb Raider*. Some men have even come forward claiming to be former members, offering details of what they allege are the inner workings of the organization. When you sift through all of the information available on the subject, you may be surprised that the truth is stranger than fiction. In *The Illuminati: Facts & Fiction*, conspiracy and occult expert Mark Dice separates history from Hollywood and shows why tales of the secret society won't die. - Original Writings and Documents - Purported Texts - Freemasonry's Connections - The Georgia Guidestones - Alleged Victims and Defectors - Aliens and Reptilians - Activists and Eyewitnesses - Fictional books - Fictional films - TV references - The Music Industry - Mainstream Media Manipulation - Documentary Films - Pre Illuminati Organizations - The Luciferian Doctrine - The Federal Reserve - Skull and Bones - The Bilderberg Group - Bohemian Grove - The Council on Foreign Relations - The Franklin Cover-up - Sex Magic - Election Fraud - The Necronomicon - The Church of Satan - The Secret Doctrine - Emerald Tablet - The Book of Thoth - The Book of Dzyan - The Report From Iron Mountain - Protocols of the Elders of Zion - The Holy Grail - MK-ULTRA Documents - The Satanic Bible - The Secret Doctrine - David Rockefeller's Memoirs - Memoirs Illustrating the History of Jacobinism - Secret Societies and Subversive Movements - Occult Theocracy - Externalization of the Hierarchy - None Dare Call It Conspiracy - Magick: In Theory and Practice - Bloodlines of the Illuminati - The Lexicon of Freemasonry - Morals and Dogma - The Secret Teachings of All Ages - Myron Fagan - Edith Miller - Gary Allen - Abbe Barruel - Nesta Webster - Anthony J.
