The Pied Piper of Hamelin, and Other Poems

The Pied Piper of Hamelin is the subject of a legend concerning the disappearance or death of a great number of kids from the town of Hamelin (Hameln), Lower Saxony, Germany, in the Middle Ages. The earliest references describe a piper, dressed in multicolored ("pied") clothing, leading the kids away from the town never to return. In the 16th century the story was expanded into a full narrative, in which the piper is a rat-catcher hired by the town to lure rats away with his magic pipe. When the citizens refuse to pay for this service, he retaliates by turning his power that he put in his instrument on their children, leading them away as he had the rats. This version of the story spread as folklore and has also appeared in the writings of Johann Wolfgang von Goethe, the Brothers Grimm and Robert Browning, among others. Using the Verstegan/Wanley version of the tale and adopting the 1376 date, Browning's verse retelling is notable for its humor, wordplay, and jingling rhymes. Robert Browning (1812-1889) was an English poet and playwright whose mastery of dramatic verse, and in particular the dramatic monologue, made him one of the foremost Victorian poets. His poems are known for their irony, characterization, dark humor, social commentary, historical settings, and challenging vocabulary and syntax. The speakers in his poems are often musicians or painters whose work functions as a metaphor for poetry.

The Pied Piper of Hamelin by Robert Browning

Robert Browning's The Pied Piper of Hamelin

This study explores the subject of the Pied Piper of Hamelin from varied angles. It focuses on the historical circumstances in which it arose and leads on to the question of its essential ingredients, its universal appeal to poets and writers. A large part of the book concerns Robert Browning's famous ditty that has popularized the story of the Pied Piper throughout the English-speaking world and farther still. The nature and power of the Pied Piper were not recognized by the people of Hamelin until it was too late. Browning's poem, though popular, is not generally appreciated as one of the poet's great works. Like its subject, the poem conceals great power that awaits discovery.

The Pied Piper of Hamelin

The Pied Piper of Hamelin is a tale concerning the mysterious disappearance of a great number of children from a town in Lower Saxony, Germany – originating in the Middle Ages. This particular version (in the form of a children's poem) is penned by Robert Browning (1812 – 1889), an English playwright and lyricist whose mastery of dramatic verse made him one of the foremost Victorian poets. As a testament to both Browning's skill and the stunning illustrations of Arthur Rackham, this book has remained in print since its original publication. The edition of The Pied Piper of Hamelin is accompanied throughout by a series of dazzling colour and black and white illustrations – by the master of the craft; Arthur Rackham (1867-1939). One of the most celebrated painters of the British Golden Age of Illustration (which encompassed the years from 1850 until the start of the First World War), Rackham's artistry is quite simply, unparalleled. Throughout his career, he developed a unique style, combining haunting humour with dream-like romance. Presented alongside the text, his illustrations further refine and elucidate Browning's captivating text.
