I-Ching is an ancient Chinese book

created the very original symbol of the I-Ching

He then draw a broken line to represent Yin

was created by these two energies

by stacking these lines up

he discovered eight fundamental natural phenomenon on earth

Putting them all together becomes a trigram

why he was doing all these things

it is basically the combination between eight trigrams

these are meanings for each lines

the whole purpose of the I-Ching

three basic principles of I-Ching

everything is constantly changing
