Better than Yesterday

We all aspire to do better and be better. Yet, sometimes, as much as we try, we find ourselves trapped in a prison of yesterday's sorrows, relentlessly taunted by our past, and dwelling on the saddest words "if only." If you desire to let go and move from a life of rejection to acceptance, want your todays to exceed your yesterdays, and journey to a brighter future, this book is for you. It will motivate you to turn what you thought were impossibilities into possibilities. You will learn how to start the process of healing, take control of your mind, improve your relationships, and develop deeper intimacy with God. As you apply the truths outlined and complete the exercises, you will tap into THE source of power you need to make your today much better than yesterday.

More Than Yesterday and Less Than Tomorrow

This is my story, true in every detail, a story of the love between a naive young girl and an older wise man during World War II. Since then, a long time passed by; but in spite of my many following adventures, this love never died.

Yesterday's Man

Yesterday's Man: The Case Against Joe Biden exposes the forgotten history of Joe Biden, one of the United States' longest-serving politicians, and one of its least scrutinized. Over nearly fifty years in politics, the man called "Middle-Class Joe" served as a key architect of the Democratic Party's rightward turn, ushering in the end of the liberal New Deal order and enabling the political takeover of the radical right. Far from being a liberal stalwart, Biden often outdid even Reagan, Gingrich, and Bush, assisting the right-wing war against the working class, and ultimately paving the way for Trump. The most comprehensive political biography of someone who has tried for decades to be president, Yesterday's Man is an essential read for anyone interested in knowing the real Joe Biden and what he might do in office.

Yesterday's Soldiers

Between 1980 and World War II, South America experienced the unsettling first stages of modernization. During this half-century of economic, political, and social change, the armies of Argentina, Brazil, Chile, and Peru underwent a process of professionalization as European military missions transformed their officer corps into copies of French and German officialdom. In so doing, European officers inculcated their ideals and values, thought and self-perception?their professionalism?in countries historically vulnerable to militarism. ø Based mainly on a comprehensive examination of European and South American military literature, this study describes the significant contribution of European military professionalism to South American professional militarism. Nunn not only details the workings of the French missions in Brazil and Peru and the German missions in Argentina and Chile, but gives great emphasis to the themes and topics that most concerned the European mentors and their overseas disciples. He demonstrates convincingly that much of their professional literature was based on a yearning for an idealized past, discontent with an unsatisfactory present, and apprehension about a future that might threaten the most cherished of traditional officer-corps principles and aims. ø The study ends with World War II, yet it makes an important contribution to our understanding of South American history since 1940. The military organizations of the four countries considered here confronted what they perceived to be the major problems of their modernizing nations with solutions learned from their European teachers. Since 1940, they have resorted to golpes de estado?most notably the post-1964 institutional golpes?in order to impose forcibly some of those same solutions. Thus, despite increased U.S. influence, many of the programs implemented by military regimes in the latter half of this century bear the indelible stamp of "yesterday's soldiers."

The Armenian Campaign: a Diary of the Campaign of 1877, in Armenia and Koordistan

Yesterday's Words: Contemporary, Current and Future Lexicography reflects the main issues of scholarly discussion in the fields of historical lexicography and lexicology including the historiography of lexicography. The state-of-the-art volume offers a wide range of contributions in five chapters. After the editors' introduction to Yesterday's Words, the chapter Dictionaries and Dictionary-Makers of Former Ages concentrates on historical lexicography, including both the main lexicographical works in English and German and dictionaries of minority languages such as Frisian, Welsh, Irish and Scots. The Vocabulary of the Past discusses historical lexicological and etymological issues such as the results of early language contact in the West-Germanic area and in Jamaica in more recent times. Researchers involved in ongoing lexicographical projects, such as the first dictionary of Old Dutch, report on their practice and methodological approach in Current and Future Lexicography and Lexicology. Many dictionaries or dictionary research projects discussed in the volume have been or are being carried out in a digital environment. In the final chapter, Technology of Today for Yesterday's Words, special attention is paid to projects in which computer techniques and the development of new applications have been essential. The volume is an essential text for lexicographers, historiographers and historical linguists.

Yesterday's Words

The rapid development of seismic acquisition, including wide-azimuth surveys, increased channel count, and simultaneous shooting, is made possible by technological advancements today that will enable the production of clearer seismic images tomorrow. The core of this book is the relationship between acquisition parameters and seismic image quality.

Seismic Acquisition from Yesterday to Tomorrow

In Chris Thompson's second sci-fi novel, we find ourselves on the peace-loving world of Correlia, at the heart of the galaxy. The gentle existence of this ancient world is about to be torn apart by savage invaders bent on dominating a vast empire. Unable to defend themselves against the might of the warriors, the fate of Correlia depends upon a young scientist who has discovered the ability to traverse time itself—with unexpected results! Can anything stop the galaxy from being plunged into eternal darkness, and what will be the consequences of trying?

Yesterday's Empire

Read the Foreword Clarion book review of *The Life of Stuart O. Van Slyke*. In this autobiography compiled from old diaries and letters, Stuart O. Van Slyke recounts his adventures as a young man

born to hardship in the early 20th century. He recalls how he overcame his background through his own grit, imagination, and the support of his family and friends. From a 21st century point of view, Stuart's unsupervised childhood seems carefree. Virtually on his own from the beginning, Stuart worked his way through college, where he was introduced to the Army through ROTC, and was the first of his family to graduate. He was called to active duty on June 30, 1941, as a second lieutenant, but his true military career started on Pearl Harbor day. This turned out to be a pivotal event in the shaping of his life. One of the highlights of the book is his service in the North African Campaign and his passionate yet sensitive command of the 78th Fighter Control Squadron, and later on the staff of the Allied Air Command of Corsica. The war's ending found him in Korea in military government in 1945, where he assisted in the start of South Korea's return to the community of countries who were no longer enslaved or ruled by despots. He had a real bird's eye view of the development of the 38th Parallel dilemma that plagues us even today. At the age of 29 in 1946, he was a lieutenant colonel in the Army Reserves, and a civilian again, who wondered what he was now going to do.

Yesterday's Bandit

More than forty criminal heroes are examined in this volume. They include evil characters such as Dr. Fu Manchu, Li Shoon, Black Star, the Spider, Rafferty, Mr. Clackworthy, Elegant Edward, Big-nose Charlie, Thubway Tham, the Thunderbolt, the Man in Purple, and the Crimson Clown, plus many, many more! The development of these characters is traced across more than two decades of crime fiction published in Detective Story Magazine, Flynn's, Black Mask, and other magazines. The conventions that made these stories a special part of popular fiction are examined in detail.

Yesterday's Faces, Volume 3

The distinctive way of life of the Southern Appalachian people has often been criticized, romanticized or derided, but rarely has it been understood. Yesterday's People, the fruit of many years' labor in the mountains, reveals the fears, anxieties, and hopes that underlie the mountaineers' way of thinking and acting, and thereby shape their relationships in family and community. First published in 1965, this book has been an indispensable guide for all who seek to study, work or live within the Appalachian culture.

Yesterday's People

In this fifth volume of the Yesterday's Faces series, Robert Sampson has selected a host of series characters who adventured throughout the world in the 1903-1930 pulps. Sparkling brightly among these characters are Terence O'Rourke, Captain Blood, and the ferocious Hurricane Williams. More characters include Peter the Brazen, in China, Sanders of the River, in Africa--and much, much more.

Yesterday's Faces

Grand Rapids, Michigan, 1974 Another body is found. Another one of Maurice's victims. But as the law draws near, everything starts to change... Kenneth thinks things are finally looking up in his life. He has a wonderful partner in Maurice, and a future that looks bright... or so it seems. As more murders occur, and the police learn more about the Western Michigan Serial Killer, Kenneth's world begins to crack. Maybe his perfect lover isn't as perfect as he thought. Maurice spirals further and further out of control, losing sight of who he is—is he an immoral, murderous artist, or a sweet, caring boyfriend? How long can he hide the truth from Kenneth before it all comes crashing down, ending his life as he knows it? Would Kenneth still love him if he knew? [All Yesterday's Papers is Book Two of the All Tomorrow's Photos duology. It is not a standalone, and must be read after Book One. This duology is a dark MM romance story not intended for a young audience. Contains graphic depictions of violence(blood and gore), and explicit sexual content.]

All Yesterday's Papers

It was supposed to be a relaxing vacation. Even though he can't spend time in the warm waters of Belize, policeman Conrad Bishop is happy to spend time with his girlfriend, Amber, at a private beachfront home in Nantucket. After a tranquil evening walking the beach, Conrad wakes at 3:00 AM, turns on the television, and hears a disturbing news report about a deadly influenza plague--the direct result of a terrorist attack on the United States. Rushing into his bedroom, he finds his girlfriend unconscious and suffering from a high fever. When he tries to take her to the hospital, the town is in a panic. Cars clog the road, and he's forced to return to the beach house. Amber never regains consciousness, and by that

evening, she is dead. Grief stricken, Bishop is suddenly thrust into a world that changes by the minute. Terrorists attack every major city in the United States with car bombs and invade American embassies overseas. With a small group of survivors, Conrad struggles to stay alive. His fight will take him to the very steps of the White House and have him waging a valiant crusade to keep a dying nation alive.

The Chemical Trade Journal

Reprint of the original, first published in 1872. The publishing house Anatiposi publishes historical books as reprints. Due to their age, these books may have missing pages or inferior quality. Our aim is to preserve these books and make them available to the public so that they do not get lost.

All of Yesterday's Tomorrows

From Jules Verne to the Jetsons, from a 500-passenger flying wing to an anti-aircraft flying buzz-saw, the vision of the future as seen through the eyes of the past demonstrates the play of the American imagination on the canvas of the future.

Essays

This book offers an exploration of unique laws and customs placed around warfare throughout history, from Indigenous Australians to the American Civil War.

Yesterday's Tomorrows

Reproduction of the original: A Pilgrimage to Nejd by Lady Anne Blunt

The Laws of Yesterday's Wars

""Let him who hath understanding reckon the number of the Beast, for it is 666 and its letters are PTSD"--Further Than Yesterday documents the impact of a split second, the time it took to make a decision that changed a Naval Aviator's life. That moment sent him down a path he never imagined, a path that led to a life-threatening personal hell where he struggled with the complexities of Post-Traumatic Stress Disorder (PTSD). Fortunately, one courageous, dedicated service dog fought to save a man who desperately needed the help. Follow Capt. (Ret'd) Cousineau's descent into hell, his rescue by a Yellow Lab named Thai, and then The Long Walk to Sanity to fund the service dog program called "Paws Fur Thought". Since their pairing, Thai has been there every step, helping "Cous" transition from Despair and Depression to Hope and Optimism. Read how Thai and other service dogs are changing the landscape of the battlefield of PTSD from the front lines." --From cover.

House of Commons Debates

Building upon his analysis in the first volume of the series, Canada in Crisis: An Agenda to Unify the Nation, longtime federal employee Robert A. Battram goes beyond explaining what will unify the nation to provide a working roadmap that can help ensure its continued success. Battram identifies problems in all areas of governance, from the simple to the complex, and offers a range of solutions to these problems. He examines why law enforcement agencies and immigration policies are failing, and also explores issues of infrastructure, such as how the placement of electrical transmission grids affects different areas of Canada. Take a deep look into how to improve all areas of government, including • economic policies, • transportation systems, • security of communications, • security of energy and power, • measures taken to combat extremism Join the author as he examines the many changes threatening Canada. Discover how the nation can defend itself, find solutions to its problems, and maintain its heritage, so that it can survive and thrive in Canada in Crisis: An Agenda for Survival of the Nation.

A Pilgrimage to Nejd

The Trial of Lizzie Andrew Borden is the complete trial transcript of the legal proceedings held in New Bedford, Massachusetts, at the Superior Court, June 5 - 20, 1893. It is a faithful transcription of the official stenographic record of the case. Complete and in three volumes.

Further Than Yesterday

This collection demonstrates the use and variety of applications of time use methodology from multidisciplinary, multinational, and multicultural perspectives. A distinguished roster of contributors from such fields as psychology, occupational therapy, sociology, economics, and architecture examines the complex relationship between human time utilization and health and well-being and evaluates the future of time use analysis as a research tool in the social sciences.

Canada in Crisis (2)

Condemned for the name he carries... Desperate to stop a fiery history from repeating itself, Captain Nicholas Sinclair begins a frantic race against a madman. Never could he have imagined that while tracking his brother's killer through a community racked with hate over his father's arsonist past that he would be propelled headlong into marriage with the beautiful daughter of the only man who might hold some answers...nor that Briana's gentle way and her tiny imp of a daughter might actually manage to penetrate the well-guarded barriers of his worn and battered heart. But the clock is ticking—and as Nicholas intensifies his search and struggles to save his young family, he begins to wonder if his greatest threat will come, not from his faceless enemy, but from the woman he's dared to take for his own... Haunted by a long buried secret... Briana Corwin will do anything to protect her daughter—and in a rash attempt to keep young Emily's "not-quite-legal" adoption from coming to light, she soon finds herself the sacrifice that will keep her little girl safe. She hadn't stopped to consider, however, that the price might well be as high as her own heart and soul, nor that the secret she has guarded for very so very long could well destroy them all. How could she possibly have known that the little girl she has loved, and raised since infancy, is the very child of Nicholas's own slain brother? A child he has believed dead for some three full years... From the oak-strewn hills of a deteriorating plantation home in Post Civil War Virginia to the dark and mysterious swamplands beyond, Nicholas and Briana are drawn into the most horrific battle they will ever have to face. A battle of wills, a battle of hearts, and finally, a battle against the twisted sickness of an arsonist's mind...

The Trial of Lizzie Andrew Borden

Camille Robbins is determined to stay on the partnership track at the prestigious San Francisco law firm of Walker and Jenkins—and that's meant putting love on the back burner for the past seven years. But now Camille is back in her hometown of Washington, DC to care for her ailing father, and back at the DC branch of the law firm where she worked years ago. Returning to the office means returning to face her former boss and lover, the incomparable Mia Shannon. To complicate matters, Camille begins a wild journey with the daughter of the firm's biggest client—the fiery redhead Hannah Richards—even though she knows that Hannah is strictly off-limits. With Mia determined to throw a wrench in the works, will the hurt feelings of a spurned lover ruin any chance they might have? Or will Hannah see beyond the chaos and lies to finally claim Camille's heart...

Letters on England

Since Cade Grady was a small boy, his job had always been to look after, to protect, Cara Bennet. But he failed in the worst of ways and Cara ran. Away from him. Away from their hometown and the Double "G" Ranch where they'd grown up. Now, he's forced to realize mistakes from the past can never truly be forgotten. For Cara, coming back to Snow Ridge and the ranch was the last thing she wanted, but her father's close brush with death leaves her no choice. Still, she swears to avoid Cade and the memories he stirs. When her life is threatened by one who has already killed, she has no choice but to return to the ranch and allow Cade to help her. Coming together to keep her alive, can Cara and Cade also find a way to let the past go and their hearts find the love they desire?

The Economist

Yesterday's Falcon opens as Gawain collapses at the portals of an isolated castle in the midst of a terrible snowstorm. He is taken in by Rhiannon, a striking young Druid who has been living alone since the murder of her husband. In order to heal the ailing knight, Rhiannon decides to take him to the Terran Stone, an ancient monolith left behind by the Far Druids before they disappeared. The mystical Stone stands on a small island in the center of the Natal Lake - a lake fed by waters flowing south from the ruinous wastelands. If Rhiannon is to find redemption and Gawain the answers he seeks, they must look to each other on the harrowing journey, for somewhere there lies hope and love in a dying world.

The Journal of Mental Science

On Leap Year Day in 1964, an attractive teenager called Carole Jeffries was strangled in a Liverpool park. The killing caused a sensation: Carole came from a prominent political family and her pop musician boyfriend was a leading exponent of the Mersey Sound. When a neighbour confessed to the crime, the case was closed. Now, more than thirty years later, Ernest Miller, an amateur criminologist, seeks to persuade lawyer Harry Devlin that the true culprit escaped scot free. Although he suspects Miller's motives, Harry has a thirst for justice and begins to delve into the past. But when another death occurs, it becomes clear that someone wants old secrets to remain buried - at any price...

Time Use Research in the Social Sciences

While on a field trip to Bodie, Ca., schoolteacher Lilly Dey, who is about to be married, steps into a dilapidated whorehouse and is suddenly whirled back in time to 1880, where she finds a "customer." Assuming she is a prostitute, he demands she get into bed. Lilly finds herself living in an era when Bodie was the rowdiest gold mining town east of the Sierra Nevada. Her life becomes entangled with prostitutes and outlaws and a devilishly handsome bounty hunter who shoots her and tries to bury her alive. She learns about love, loyalty and deceit. And she brings to Bodie a slice of twenty-first century boldness and eccentricity. As an assumed hooker, she must deal with the stigmatism of the times while proving to everyone that all women deserve equality. Thinking the love of her life is dead, she is forced to make an agonizing decision when she uncovers a mystery to her past and ultimately a glimpse into the future.

Yesterday's Sorrow

Some don't want to see the truth. As much as she wants to, Nicki knows she can't fix everything that's wrong with Winchester. Her hope is to educate her fellow citizens so they can see the truth—for some, though, what Nicki's finding is yesterday's news. And nobody cares. But when a woman who's running for city council seems intent on dividing the city, Nicki knows she must expose the woman for what she really is... PLEASE NOTE: This book was previously published in 2014 as FAKE. The Nicki Sosebee Stories are an interconnected series and should be read in order for maximum spoiler-free enjoyment.

Claiming Camille

Young, rambunctious Rose lives with her father and two sisters in a world of magnificence and splendor, maids and servants at their beck and call. On the dawn of the Great War, when the world is still innocent and clean, Rose is taught to inhibit her natural instincts of curiosity and inquisitiveness. She is trained to be quiet and lady-like by a governess who expects nothing less than perfection and a father whose love reminds her daily that she can have anything her heart desires. Only one thing is forbidden. The Door. The secrets that lay beyond it, she is told, are so unfathomable that to gaze upon them will cause only death. Unfortunately, Rose must know. She must find out what those secrets are and whether The Door is an exit to the freedom she craves or an entrance to a hell from which she'd never find escape.

Yesterday's Promise

Further Than Yesterday documents the result of a split second, a single moment. The time it took to make a decision that changed a Naval Aviator's life and sent him down a path he never imagined. That path lead to a personal hell that tried to claim his life during a horrible journey struggling with the complexities of Post-Traumatic Stress Disorder (PTSD). Fortunately, the decision to continue was made, helped by one courageous four-legged service dog. Follow the descent into hell and then The Long Walk to Sanity and the service dog program called "Paws Fur Thought". One Yellow Lab named Thai was there every step, helping the transition from Despair and Depression to Hope and Optimism. Thai and other service dogs like her have changed the landscape of the battlefield of PTSD and Mental Health.
