Anagram Solver

Anagram Solver is the essential guide to cracking all types of quiz and crossword featuring anagrams. Containing over 200,000 words and phrases, Anagram Solver includes plural noun forms, palindromes, idioms, first names and all parts of speech. Anagrams are grouped by the number of letters they contain with the letters set out in alphabetical order so that once the letters of an anagram are arranged alphabetically, finding the solution is as easy as locating the word in a dictionary.

Crossword Lists

Horace G. Danner's A Thesaurus of English Word Roots is a compendium of the most-used word roots of the English language. As Timothy B. Noone notes in his foreword: "Dr. Danner's book allows you not only to build up your passive English vocabulary, resulting in word recognition knowledge, but also gives you the rudiments for developing your active English vocabulary, making it possible to infer the meaning of words with which you are not yet acquainted. Your knowledge can now expand and will do so exponentially as your awareness of the roots in English words and your corresponding ability to decode unfamiliar words grows apace. This is the beginning of a fine mental linguistic library: so enjoy!" In A Thesaurus of English Word Roots, all word roots are listed alphabetically, along with the Greek or Latin words from which they derive, together with the roots' original meanings. If the current meaning of an individual root differs from the original meaning, that is listed in a separate column. In the examples column, the words which contain the root are then listed, starting with their prefixes, for example, dysacusia, hyperacusia. These root-starting terms then are followed by terms where the root falls behind the word, e.g., acouesthesia and acoumeter. These words are followed by words where the root falls in the middle or the end, as in such terms as bradyacusia and odyacusis.. In this manner, A Thesaurus of English Word Roots places the word in as many word families as there are elements in the word. This work will interest linguists and philologists and anyone interested in the etymological aspects of English language.

A Dictionary of the Portuguese and English Languages, in Two Parts,

Presents thousands of entries in American English and Latin American and Iberian Spanish, and includes grammar notes, verb lists, and guidance on word choice.

A Thesaurus of English Word Roots

An aid to solving crosswords. It contains over 100,000 potential solutions, including plurals, comparative and superlative adjectives, and inflections of verbs. The list extends to first names, place names and technical terms, euphemisms and compound expressions, as well as abbreviations.

GERMAN-ENGLISH DICT FOR CHEMIS

An easy-to-use dictionary of over 80,000 rhyming words.

Diccionario Inglés de la Universidad de Chicago

This book is an in-depth analysis of three of the most crucial years in twentieth-century Italian history, the years 1943-46. After more than two decades of a Fascist regime and a disastrous war experience during which Italy changed sides, these years saw the laying of the political and cultural foundations for what has since become known as Italy's First Republic. Drawing on texts from the literature, film, journalism, and political debate of the period, *Antifascisms* offers a thorough survey of the personalities and positions that informed the decisions taken in this crucial phase of modern Italian history.

Crossword Solver

The Bloomsbury Anagram Finder is an aid to this often time-consuming and frustrating aspect of completing a crossword. It contains over 200,000 words, and phrases, including plural forms of nouns, palindromes, words of sixteen letters and over, backwards, all parts of speech, Christian names and idioms. The anagrams are grouped by the number of letters they contain, from 'if' and 'dean' to 'coffee-table book' and 'take the rough with the smooth', with the letters set out in alphabetical order. So once the letters of a crossword anagram are arranged alphabetically, finding the solution is as easy as locating a word in a dictionary. Together with Bloomsbury's Crossword Solver and Crossword Lists, the Anagram Finder will prove invaluable to both beginners and experienced crossworders. Good luck with future crosswords!*

Words to Rhyme with

An A-Z index of difficult words, nearly 14,000 in all. A keyword search engine is also provided. Use this site as a vocabulary builder or for quick definitions of unusual words.

The Complete Rhyming Dictionary and Poet's Craft Book

"Acharnians" is the earliest of the existent comedies of Aristophanes, produced in 425 BCE. It is a direct attack on the folly of war. The story deals with an Athenian farmer, Dikaiopolis, who surprisingly obtains a private peace treaty with the Spartans and enjoys the benefits of peace despite resistance from some of his fellow Athenians. This drama is celebrated for its absurd humor and its innovative appeal for an end to the Peloponnesian War.

Antifascisms

Collects classic, controversial horror stories from the fantasy author and trained psychologist that address themes of paranoia and eroticism.

Antistudent

In the fourth volume of her pioneering history, Julie Coleman considers the trends of lexicographers in a period dominated by the Second World War, the Cold War, civil rights movements, and varying youth trends. It will fascinate all those interested in slang and its relationship with social and cultural change.

Melodious Accord

"Fletcherism: what it is: or, How I became young at sixty" by Horace fletcher is a fascinating book on nutrition and diet. The author here relates briefly the story of his regeneration, of how he rescued himself from the prospect of an early grave, and brought himself to his present splendid physical and mental condition. He tells of the discovery of his principles, which have helped millions of people to live better, happier, and healthier lives. The book is a good fit if you are concerned about health and diet.

Anagram Finder

In this gripping 1910s mystery novel, Reeve introduces readers to the enigmatic "Dream Doctor." As events unfold, the narrative delves deep into the psyche, exploring the power of dreams and the mysteries they hold. Reeve's masterful storytelling and intricate plot twists make this a must-read for mystery enthusiasts. Dive into a world where dreams hold the key to solving baffling mysteries.

The Cloister and the Hearth

Artificial Intelligence: A Modern Approach offers the most comprehensive, up-to-date introduction to the theory and practice of artificial intelligence. Number one in its field, this textbook is ideal for one or two-semester, undergraduate or graduate-level courses in Artificial Intelligence.

Hutchinson Dictionary of Difficult Words

An informative and entertaining look at the history of White Sands Missile Range. Not only does the author delve into V-2 rockets, missiles gone astray into Mexico, and the introduction of African oryx, but he also tells how the Apache fought buffalo soldiers there in 1880, how Sheriff Pat Garrett investigated the Albert Fountain murder and how ranchers lived on the parched lands raising both cattle and goats. The history of the first atomic bomb test at Trinity Site is covered in detail as well the various searches for the fabulous and mythical Victorio Peak treasure of gold bars. Eckles even provides the military history behind programs responsible for the Roswell UFO phenomenon. The author worked in the missile range's Public Affairs Office for 30 years and had access to most of the Range. He interviewed many of its early pioneers, men and women who made White Sands the birthplace of America's missile and space activities. In the process, he collected many stories that provide that extra insight into the historical events he writes about. This is a rare look under the covers at the largest military installation in America. The missile range's isolation and sensitive testing mission have made it relatively invisible to most. Pocketful of Rockets reveals some of that history and provides a look at the landscape before the military moved in.

Air Controlman

Contains all the words an American is likely to hear or read in the home, office, or school and features American spelling, usage notes and a clear pronunciation system.

The Oxford Dictionary of English Etymology

ABC's, First Words, Numbers and Shapes, Colors and Opposites including a special note to parents. Children will enjoy hours of learning fun in each 32-page bi-lingual book. And, you will also see God's foundational solution to FEAR found in the Scriptures. This book was written because we want you learn how to become free from the operation of fear in your life. God Bless you!

Where the Summer Ends

Brutified is a collection of poetry written by the author Robert Benefiel. The poems contained within it are from a larger cache of poems written in 2019. The pieces themselves range from narrative to abstract, bibliographical to fictionalized, allowing for a fuller range of expression and voice. What each piece carries is the idea of surviving the brutality of the world, others, and even one's self, in hopes of gaining insight and retaining one's compassion. Whether the piece is addressing the idea of finding

one's own art at a junk store, or stumbling across a love note written before, but after, a lover has left them, or even watching a young midget be chased through the mall, the author never ceases to try and present the emotion and meaning at the core of each piece in a blatant yet subtle way.

Adonais

My research has revealed that there are two separate and opposing powers in Freemasonry. One, headquartered in London, subscribes to and promotes an idolatrous and pantheistic view of the world. It is monarchist, capitalistic, wealthy, right-wing. The other, in Paris, is atheistic and humanistic in origin and outlook. It is republican, socialist, poor, left-wing. One is Scarlet. The other, the Beast. The breakthrough theory which I have developed with Scripture as my guide makes sense of the massive literature I have collected on Freemasonry as well as its apparent contradictions. My library includes books written by members of and defectors from both English and French Freemasonry. At the beginning of my research, like many other revisionist authors, I thought revisionist authors were reporting one single plot. I gradually realized that many authors were exposing what in reality were often the machinations of one group of conspirators against the other. The devices of both wings of Masonry were so similar that without Scripture as a guide, one could easily perceive only a single intrigue. This interesting twist in the historical drama, confirmed again and again by my research, points to the existence of a struggle between the two powers in Freemasonry. Although revisionist authors are supposedly concerned about one plot, I noticed that all exposes pointed to Paris as the center of an intrigue before World War I. After the War, however, evidence points to the shift of intrigue to London. I will explain this shift in the course of this book.

Annulosa. [By W. E. Leach. Extracted from vol. 1 of the Supplement to the Encyclopædia Britannica.]
