I Was Here by Gayle Forman

27 Jan 2015 — I Was Here is Gayle Forman at her finest, a taut, emotional, and ultimately redemptive story about redefining the meaning of family and finding a way to move forward even in the face of unspeakable loss.

Kid reviews for I Was Here | Common Sense Media

20 May 2015 — This isn't a story about depression or suicide, not really. It's a murder mystery with the flavoring of a coming-of-age novel. While in the end we learn that Meg wasn't actually murdered, Meg is still as much of a prop to the story as Mr. Body is to *Clue*.

BOOK REVIEW I WAS HERE BY GAYLE FORMAN - Neliti

by A Roefmelinda — Some people may want to commit suicide to escape bullying, charges, and depression as described in the novel *I Was Here* written by Gayle Forman. In brief, this novel is chosen to be reviewed because this novel is based on true suicidal story. *I Was Here* tells about a ...

I Was Here Summary - SuperSummary

16 Jan 2015 — Characters: The protagonist is Cody, and it took me an embarrassingly long time to realise that Cody was a girl. It also took me a fraction too long to realise that Tricia was her mother. *I Was Here* is about Meg's death.

If I Stay Summary of Key Ideas and Review | Gayle Forman - Blinkist

29 Jan 2015 — While *I Was Here* tackles a heavy topic, I wouldn't categorize it as an issue book. Instead, it's a story of friendship, loss, guilt, grief, and learning to move on. It's a very powerful book, something that combines the very best qualities of *If I Stay* and *Where She Went*.

Jual Buku I Was Here - Aku Pernah Di Sini Karya Gayle ...

From the #1 New York Times bestselling author of *If I Stay* comes "a heartbreaking novel about coping with loss" (People). When her best friend, Meg, commits suicide by drinking a bottle of industrial-strength cleaner alone in a motel room, Cody is understandably shocked and devastated.

Review: I Was Here by Gayle Forman

28 Mar 2015 — This is how our story begins. Cody is living her average life, in her average small town, when she receives an email from her best friend, Meg, saying she has killed herself. Suddenly, Cody's life is anything but average. Now it is a dark, gloomy pit of despair. Well, more despair than she was already ...
