Last Stage To Gomorrah

From the author of ZeroZeroZero comes Gomorrah, a bold and engrossing piece of investigative writing and one heroic young man's impassioned story of a place under the rule of a murderous organization. With a preface to mark the ten year anniversary of publication, Roberto Saviano's groundbreaking and utterly compelling book is a major international bestseller which has to date sold 750,000 copies in Italy alone. A groundbreaking study and a searing exposé, Gomorrah is the astonishing true story of the renowned crime organization the Camorra, known by insiders as 'the System'. With a global reach, large stakes in construction, high fashion, illegal drugs and toxic waste disposal, the Camorra exerts a malign grip on cities and villages along the Neapolitan coast. In pursuit of his subject, Roberto Saviano worked as an assistant at a Chinese textile manufacturer and on a construction site, both controlled by 'the System', and as a waiter at a Camorra wedding. Born in Naples, he recalls seeing his first murder at the age of fourteen, and how his own father, a doctor, suffered a brutal beating for trying to help an eighteen-year-old victim, left for dead in the street. Since publishing the author has received so many death threats from the Camorra that he has been assigned police protection.

Gomorrah

"A native of Naples, Saviano recalls seeing his first murder at the age of thirteen, and remembers his own father, a doctor, suffering a brutal beating for trying to aid a teenage victim who had been left for dead in the street. In pursuit of his story, he infiltrates the System's work life and society. He reports on the progress of the huge cargoes of Chinese goods that are shipped to Naples and then quickly distributed across Europe's black market. He investigates the Camorra's control of thousands of factories contracted to manufacture fashion goods, legally and illegally, for distribution around the world, and reveals how their abusive handling of toxic waste has created devastating pollution."--BOOK JACKET.

Gomorrah

The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation.

The Scripture History Relating to the Overthrow of Sodom & Gomorrah, and to the Origin of the Salt Sea Or Lake of Sodom

The story of the destruction of Sodom, Gomorrah, and Jericho--three cities situated along a major fault line extending 1,100 kilometers from the Red Sea to Turkey--is the oldest such description in human history. In this book, noted geologists K.O. Emery and David Neev have revisited that story to shed light on what happened there some 4,350 years ago. With all the benefits of modern geological and forensic science techniques at their disposal, the authors explore an area where earthquakes, volcanic activity, variations in the Dead Sea's level, and oscillations between arid and wet climates have affected life there for over 10,000 years. In reviewing the geology, biblical paleogeography, and limnology of the region, the authors have produced fascinating insights into the tectonic and climatic changes that have occurred in the region over the last 6,000 years and how those changes have affected cultural life in the Middle East. The Destruction of Sodom, Gomorrah, and Jericho is the first book to combine modern science and biblical archaeology to produce an authoritative account of the of these three great cities. It will fascinate students and researchers in geology, geophysics, and archaeology alike.

GOMORRAH

Lists writers of western fiction, with a biography, a bibliography of the writer's works, and a critical essay on each writer. Sometimes comments by the author himself are included.

Holy Bible (NIV)

In this New York Times bestselling book, Robert H. Bork, our country's most distinguished conservative scholar, offers a prophetic and unprecedented view of a culture in decline, a nation in such serious moral trouble that its very foundation is crumbling: a nation that slouches not towards the Bethlehem envisioned by the poet Yeats in 1919, but towards Gomorrah. Slouching Towards Gomorrah is a penetrating, devastatingly insightful exposé of a country in crisis at the end of the millennium, where the rise of modern liberalism, which stresses the dual forces of radical egalitarianism (the equality of outcomes rather than opportunities) and radical individualism (the drastic reduction of limits to personal gratification), has undermined our culture, our intellect, and our morality. In a new Afterword, the author highlights recent disturbing trends in our laws and society, with special attention to matters of sex and censorship, race relations, and the relentless erosion of American moral values. The alarm he sounds is more sobering than ever: we can accept our fate and try to insulate ourselves from the effects of a degenerating culture, or we can choose to halt the beast, to oppose modern liberalism in every arena. The will to resist, he warns, remains our only hope.

The Destruction of Sodom, Gomorrah, and Jericho

Psychiatrist Stephen Seager was no stranger to locked psych wards when he accepted a job at California's Gorman State hospital, known locally as 'Gomorrah', but nothing could have prepared him for what he encountered when he stepped through its gates, a triple sally port behind the twenty-foot walls topped with shining coils of razor wire. Gorman State is one of the nation's largest forensic mental hospitals, dedicated to treating the criminally insane. Unit C, where Seager was assigned, was reserved for the 'bad actors', the mass murderers, serial killers, and the real-life Hannibal Lecters of the world. Against a backdrop of surreal beauty - a campus-like setting where peacocks strolled the well-kept lawns - is a place of remarkable violence, a place where a small staff of clinicians are expected to manage a volatile population of prison-hardened ex-cons, where lone therapists lead sharing circles with psychopaths, where homemade weapons and contraband circulate freely, and where patients and physicians often measure their lives according to how fast they can run. Behind the Gates of Gomorrah affords an eye-opening look inside a facility to which few people have ever had access. Honest, reflective, and at times darkly funny, Seager's gripping account of his experiences at Gorman State hospital give us an extraordinary insight into a unique and terrifying world, inhabited by figures from our nightmares.

Sodom and Gomorrah

The fascinating, true account of the quest for one of the Old Testament's most infamous cities. Like many Christians today in the academic world, Dr. Steven Collins felt pulled in different directions when it came to apparent conflicts between the Bible and scholarly research and theory—an intellectual crisis that inspired him to lay it all on the line as he set off to locate the lost city of Sodom. Recounting Dr. Collins's quest for Sodom in absorbing detail, this adventure-cum-memoir reflects the tensions that define biblical archaeology as it narrates a tale of discovery. Readers follow “Dr. C” as he tracks down biblical, archaeological, and geographical clues to the destruction of Sodom and Gomorrah, narrowing the list of possible sites as he weighs evidence and battles skeptics. Finally, he arrives at a single location that looms as the only option: a massive ancient ruin called Tall el-Hammam in the Hashemite Kingdom of Jordan. Many scholars who were initially opposed to Dr. Collins's theory now concede that history books may need to be rewritten in light of his groundbreaking discovery. It—along with several other recent finds—is challenging the assumptions of academics and asserting a new voice in the controversy of biblical archaeology and the dispute over using the Bible as a credible historical source.

*** From respected archaeologist Dr. Steven Collins and award-winning author Dr. Latayne C. Scott comes the fascinating, true account of the frustrating search and exciting excavation of the city the Bible calls Sodom, which scholars and others had “misplaced” for hundreds of years. Like many modern-day Christians, Dr. Collins struggled with what seemed to be a clash between his heritage of belief in the Bible and the research regarding ancient history and human evolution. This crisis of faith led him to embark on a quest to put both his archaeological education and the Bible to the test by seeking out the lost ancient city, an expedition that has led to one of the most exciting finds in recent archaeology. Challenging the assumptions of academics around the world, *Discovering the City of Sodom* may well inspire a revision of the history books. Dr. Collins has become a new voice in the controversy over using the Bible as a credible source of understanding the past—and opened a new chapter in the struggle over the soul of biblical archaeology.

Twentieth-century Western Writers

A breathtakingly beautiful saga spanning from eternity to eternity, presented from the view of angels. Experience creation, the crucifixion, and the resurrection from this unique viewpoint, and gain a better understanding of the majestic love of God. Gene Edwards's classic tale is the greatest love story ever told.

Slouching Towards Gomorrah

In Naples, a new kind of gang rules the streets: the 'Paranze', the 'Children's Gangs', groups of teenage boys who divide their time between Facebook or playing Call of Duty on their PlayStations and patrolling the streets armed with pistols and AK-47s, terrorizing local residents in order to mark out the territories of their Mafia bosses. Roberto Saviano's eye-opening novel *The Piranhas* tells the story of the rise of one such gang and its leader, Nicolas - known to his friends and enemies as the 'Maharajah'. But Nicolas's ambitions reach far beyond doing other men's bidding: he wants to be the one giving orders, calling the shots, and ruling the city. But the violence he is accustomed to wielding and witnessing soon spirals out of his control . . .

Behind the Gates of Gomorrah

The story of the destruction of Sodom, Gomorrah, and Jericho--three cities situated along a major fault line extending 1,100 kilometers from the Red Sea to Turkey--is the oldest such description in human history. In this book, noted geologists K.O. Emery and David Neev have revisited that story to shed light on what happened there some 4,350 years ago. Paperbound Books in Print

From the international bestselling author of Gomorrah, this is a deeply personal and candid portrait of Italy today: a place of trafficking and toxic waste, where votes can be bought and sold, where organized crime ravages both north and south - yet also where many courageous individuals defy the system, and millions work tirelessly for a better future. 'Saviano is a blazingly vivid and courageous writer' Independent 'A national hero' Umberto Eco 'Saviano has an astonishing ability to write luminously yet subtly about terrible things' Le Parisien 'Brave and passionate' Guardian 'One of the world's finest investigative journalists' GQ

The Divine Romance

The Black Sheep Honore de Balzac - La Rabouilleuse is an 1842 novel by Honoré de Balzac, and is one of The Celibates in the series La Comédie humaine. The Black Sheep is the title of the English translation by Donald AdamsonPhilippe and Joseph Bridau are two extremely different brothers. The elder, Philippe, is a superficially heroic soldier and adored by their mother Agathe. He is nonetheless a bitter figure, secretly gambling away her savings after a brief but glorious career in Napoleon's army. His younger brother Joseph, meanwhile, is fundamentally virtuous - but their mother is blinded to his kindness by her disapproval of his life as an artist. Foolish and prejudiced, Agathe lives on unaware that she is being cynically manipulated by her own favourite child, but will she ever discover which of her sons is truly the black sheep of the family? A dazzling depiction of the power of money and the cruelty of life in nineteenth-century France, The Black Sheep compellingly explores is a compelling exploration of the nature of deceit.

The Publishers' Trade List Annual

The story in the New Gomorrah is about a Midwestern city so steeped in crime and corruption, that a new minister, Reverend Dr. David Chandler, at a prestigious church on Park Avenue, feels he must do something about it. In a challenging sermon, he compares it to Gomorrah, the ancient city of biblical times destroyed by fire because of its evil ways. His compelling words are heard by Paul Chedder, a cynical, now burned-out, but once highly regarded investigative reporter for The Daily Chronicle, the city's only daily newspaper. Dr. Chandler is popular among the young people in the church, and has learned about the drug trafficking on the local college campus. He is furious to hear about the gambling and prostitution rampant in the city, the running of crap games at the American Legion Hall, and berates local authorities for doing nothing about the bookie operation next to the Civic Center. He decides to bring such matters to the attention of his congregation in his sermon. The city's crime problems expand with the assassination of the drug kingpin, and Paul's ongoing private investigations into a nursing home swindle, the possibility of corruption in City Hall, the death of two young reporters working with him, and his own near death at the hands of the assassin. While Paul is recuperating, the trusted members of the citizens committee decide to share Paul's suspicions of the Mayor's involvement with the trusted District Attorney, working together to get crime off of the streets.

The Piranhas

From the international bestselling author of Gomorrah, this searing exposé of dirty money and the drug trade reveals how they are at the heart of our lives, our economy, and our world. 'The most important book of the year ... Here it is, laid bare: cartel as corporation, corporation as cartel; cocaine as pure capitalism ... Saviano realises the brutal truth: that to understand narco-traffic is to understand the modern world ... it is revolutionary' Ed Vulliamy, Observer 'A dense, dazzling, dizzying narrative about the terrifying violence of the cocaine trade, but also the vast, unassailable reach of it' Rose George, Independent 'A tremendously gripping work of reportage' Ian Thomson, Evening Standard 'Italy's bravest investigative writer ... must-read nonfiction' GQ 'Impassioned, remarkable' Misha Glenny,

Financial Times 'After reading Saviano, it becomes impossible to see Italy, and the global market, in the same way again' The New York Times

The Destruction of Sodom, Gomorrah, and Jericho

Wayne Ulster had cleaned up many old towns with bains, guts, and a fast gun. But three men were too much for him, so he ended up full of lead. Sam Spur, the most wanted man in the West, helped track down his killers, assured by the Governor of a free pardon. But someone wanted the killers out of the way--badly. Someone who was a little too close to the Governor's side for comfort.

Early Medieval English Life Courses

Not even his twin brother's death had deterred Willmore. Nothing would stop him except a bullet through the head. The Reeses had had bad luck the night Willmore had come along to fight the whole clan. How gun-crazy could a man get? Willmore must be out of his head. But Reese knew a twinge of fear when he thought of the man.

The First Book of Moses, Called Genesis

Naughton seized him by the hair and spoke into his face. I don't give a damn if you did it or not, he said. I'll get a confession out of you even if I have to kill you to get it. Anse balled his fist and knocked the sheriff across the cell. Pete charged him. Anse hit the big man in the belly and in the face. he might have been hitting a granite wall. Pete picked him up and threw him down. After that there wasn't much fight left in him . But he knew they'd never make him talk.

My Italians

The land echoed with the thundering hoofs of Medoc ponies. In minutes they swooped down and captured the wagon train and its cargo of gold. But now the halfbreed they called Sundance was going after it, and he swore nothing would stand in his way--not Indian savagery or the vicious gunfighters of the town named Hell.

The Ring

For decades, Elisabeth Ladenson says, critics have misread or ignored a crucial element in Marcel Proust's fiction--his representation of lesbians. Her challenging new book definitively establishes the centrality of lesbianism as sexual obsession and aesthetic model in Proust's vast novel *A la recherche du temps perdu*. Traditional readings of the *Recherche* have dismissed Proust's "Gomorrah"--his term for women who love other women--as a veiled portrayal of the novelist's own homosexuality. More recently, "queer-positive" rereadings have viewed the novel's treatment of female sexuality as ancillary to its accounts of Sodom and its meditations on time and memory. Ladenson instead demonstrates the primacy of lesbianism to the novel, showing that Proust's lesbians are the only characters to achieve a plenitude of reciprocated desire. The example of Sodom, by contrast, is characterized by frustrated longing and self-loathing. She locates the work's paradigm of hermetic relations between women in the self-sufficient bond between the narrator's mother and grandmother. Ladenson traces Proust's depictions of male and female homosexuality from his early work onward, and contextualizes his account of lesbianism in late-nineteenth-century sexology and early twentieth-century thought. A vital contribution to the fields of queer theory and of French literature and culture, Ladenson's book marks a new stage in Proust studies and provides a fascinating chapter in the history of a literary masterpiece's reception.

The Black Sheep

The fourth volume of one of the greatest novels of the twentieth century John Sturrock's acclaimed new translation of *Sodom and Gomorrah* will introduce a new generation of American readers to the literary riches of Proust. The fourth volume in this superb edition of *In Search of Lost Time*—the first completely new translation of Proust's masterpiece since the 1920s—brings us a more comic and lucid prose than English readers have previously been able to enjoy. *Sodom and Gomorrah* takes up the theme of homosexual love, male and female, and dwells on how destructive sexual jealousy can be for those who suffer it. Proust's novel is also an unforgiving analysis of both the decadent high society of Paris and the rise of a philistine bourgeoisie that is on the way to supplanting it. Characters who had lesser

roles in earlier volumes now reappear in a different light and take center stage, notably Albertine, with whom the narrator believes he is in love, and the insanely haughty Baron de Charlus.

A New Gomorrah

The journey west from Boston to California was reputed to be a treacherous ride and, sure enough, three families had their wagon train attacked by outlaws. With only one wagon surviving, the settlers eventually reached their promised land. But the maniacal Luke Palmer and his outlaw partners return to haunt them.

Zero Zero Zero

Western. With two kids to raise, a ranch to run and no hired hands to help her, Kate Preston's troubles were increasing - but then Larry & Stretch came to Wolf Creek. The footloose drifters did not take kindly to hard cases preying on a defenceless widow.

Trail West

Accused of a murder he didn't commit, Daniel Naughton escapes from jail. He is joined by Lee Pemberton, whose employer has been robbed and shot by the real killers. Lee persuades Daniel that the only way to prove his innocence is to pin down the men responsible. The trail takes them to Los Santos where the Forrester gang rules.

Hunted

They all came to Tragg City, Colorado, for the town's 25th anniversary. Murderous Billy Malneck was in the County Jail, and his brother and six other outlaws were planning on breaking him out.

Spur to Death

Sundance
