The Evangelical Magazine

This is a reproduction of the original artefact. Generally these books are created from careful scans of the original. This allows us to preserve the book accurately and present it in the way the author intended. Since the original versions are generally quite old, there may occasionally be certain imperfections within these reproductions. We're happy to make these classics available again for future generations to enjoy!

The Evangelical Magazine and Missionary Chronicle

Excerpt from The Christian Lady's Magazine, Vol. 7: January to June, 1837 The pleasing duty of ushering in a seventh volume of the Christian Lady's Magazine, affords us occasion to repeat our thanks to all classes of our fellow helpers. Those who circulate it, those who contribute to its pages, those who give us an occasional word of encouraging approval, and those who, with Christian candour, point out what they conceive to be errors or defects, are all entitled to our grateful acknowledgments. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

ISSUE 7 DESCRIPTION: Christian Times Magazine issue 7 telling a story about Kelly Traves and how she accepted Lord Jesus Christ in her life. Here is little Introduction Kelly Traves Kelly Traves. grew up as a "Christian" in Bristol. A lovely city, in the South West of England, where she lived with both parents and my younger brother, Kevin. Kevin passed away from epilepsy at the age of 9 of epilepsy (Kelly

was 12). It was the most traumatising thing she has been through. Into her early 20's, she remembers reading an incredible book called the "Power of Faith".

The Evangelical Magazine and Christian Eclectic

The Pulpit Commentary was first published between 1880 and 1919 and is a highly respected work written by conservative, trustworthy men. Containing over 22,000 pages and 95,000 entries, it is one of the largest and best-selling homiletic commentary sets of all time. It was directed by editors Joseph Exell and Henry Donald Maurice Spence-Jones and utilized more than 100 authors over a 30-year span. When reading this commentary, it is not difficult to see why it has remained a favorite amongst pastors for more than 100 years. There are three key elements which set this apart from its contemporaries, the first being that it gives an exposition, or verse-by-verse, annotation of each verse in the Bible. The second element is that it explores the framework of the text, the homiletics. Finally, it supplies the homilies with multiple model sermons from various authors. Also included is a translation as well as historical and geographical information. The Evangelical Magazine and Missionary Chronicle declared, "This commentary bids fair to take a conspicuous place among the ever-multiplying aids to the study of the Holy Scriptures. It will revive the great work of Lange, and will far exceed the Speaker's Commentary in the bulk and fullness of its material. The peculiarity of the Pulpit Commentary is that it offers special assistance to the preacher: first by giving him a critical and exegetical exposition of the text of Scripture, and then providing him with succinct and helpful directions as to the preachable aspects of the chapter and paragraph already explained." The print edition of this set typically retails for more than \$1,000 making the current offered price a very good bargain. Due to its size, it has been broken up into nine separate volumes: Volume 1 Genesis to Joshua Volume 2 Judges to 2 Kings Volume 3 1 Chronicles to Job Volume 4 Psalms to Song of Songs Volume 5 Isaiah to Daniel Volume 6 Hosea to Malachi Volume 7 Matthew to John Volume 8 Act to Philippians Volume 9 Colossians to Revelation The footnotes have been placed in line with the text with each footnote number enclosed in red brackets (i.e.: []) and the text in green. There is also a linked table of contents at the beginning of each volume for ease of navigation. Key Features * Over 22,000 pages with more than 95,000 entries * One of the largest and exhaustive commentary sets of its kind * Contributions from over 100 authors * Expositions—with thorough verse-by-verse commentary of each verse of the Bible * Homiletics—with the framework or overall look of the text * Homilies—four to six sample sermons from various authors * Detailed information on Biblical customs * Historical and geographical information * Translations of key Hebrew and Greek words All 23 Volumes of the printed version are included in these nine volumes. 1. Genesis/Exodus 2. Leviticus/Numbers 3. Deuteronomy/Joshua/Judges 4. Ruth/1&2 Samuel 5. 1&2 Kings 6. 1&2 Chronicles 7. Ezra/Nehemiah/Esther/Job 8. Psalms 9. Proverbs/Ecclesiastes/Song of Solomon 10. Isaiah 11. Jeremiah/Lamentations 12. Ezekiel 13. Daniel/Hosea/Joel 14. Amos - Malachi 15. Matthew 16. Mark/Luke 17. John 18. Acts/Romans 19. 1&2 Corinthians 20. Galatians - Colossians 21. 1&2 Thessalonians - James 22. 1&2 Peter - Revelation

The Connecticut Evangelical Magazine

Charles Spurgeon (19 June 1834 – 31 January 1892) is one of the church's most famous preachers and Christianity's foremost prolific writers. Called the "Prince of Preachers," he was one of England's most notable ministers for most of the second half of the nineteenth century, and he still remains highly influential among Christians of different denominations today. His sermons have spread all over the world, and his many printed works have been cherished classics for decades. In his lifetime, Spurgeon preached to more than 10 million people, often up to ten times each week. He was the pastor of the congregation of the New Park Street Chapel (later the Metropolitan Tabernacle) in London for 38 years. He was an inexhaustible author of various kinds of works including sermons, commentaries, an autobiography, as well as books on prayer, devotionals, magazines, poetry, hymns and more. Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration, and his oratory and writing skills held his audiences spellbound. Many Christians have discovered Spurgeon's messages to be among the best in Christian literature. Edward Walford wrote in *Old and New London: Volume 6* (1878) quoting an article from the Times regarding one of Spurgeon's meetings at Surrey: "Fancy a congregation consisting of 10,000 souls, streaming into the hall, mounting the galleries, humming, buzzing, and swarming—a mighty hive of bees—eager to secure at first the best places, and, at last, any place at all. After waiting more than half an hour—for if you wish to have a seat you must be there at least that space of time in advance—Mr. Spurgeon ascended his tribune. To the hum, and rush, and trampling of men, succeeded a low, concentrated thrill and murmur of devotion, which seemed to run at once, like an electric current, through the breast of every one present, and by this magnetic chain the preacher held us fast bound for about two hours. It is not my purpose to give a summary of his discourse. It is enough to say of his voice, that its power and volume are sufficient to reach every one in that vast assembly; of his language, that it is neither high-flown nor homely; of his style, that it is at times familiar, at times declamatory, but always happy, and often eloquent; of his doctrine, that neither the 'Calvinist' nor the 'Baptist' appears in the forefront of the battle which is waged by Mr. Spurgeon with relentless animosity, and with Gospel weapons, against irreligion, cant, hypocrisy, pride, and those secret bosom-sins which so easily beset a man in daily life; and to sum up all in a word, it is enough to say of the man himself, that he impresses you with a perfect conviction of his sincerity." More than a hundred years after his death, Charles Spurgeon's legacy continues to effectively inspire the church around the world. For this reason, Delmarva Publications has chosen to publish the complete works of Charles Spurgeon.

The Connecticut Evangelical Magazine

Magazines have long been a medium that both shapes and reflects the popular mind of Americans. This work provides profiles of some one hundred popular religious magazines currently or formerly published in the United States. Each sketches the history of a magazine and identifies its major focus, often through noting representative articles. Authors of the essays offer a critical appraisal of each magazine, assessing its contributions to popular religion and its role in shaping how ordinary men and women develop their own religious beliefs and perspectives. The essays will give users an understanding of the particular emphasis of each magazine, while the whole provides an overview of popular religious magazine publishing in the United States. This work focuses directly on those American religious periodicals, past and present, that are directed to a popular, general readership. Since the early Victorian era, periodical literature has served both to shape and to reflect the consciousness of Americans on many subjects, including religion. Hence, the purpose here is to provide a work that will introduce users to the range of popular religious periodical literature that has flourished in the United States. Some are valuable mostly for charting the development of the religious body that has served as the sponsoring agency; others provide insight into popular religious movements of their time. Some seek to promote personal piety and devotion; others serve as vehicles to gain adherents to a particular religious group or perspective. All offer important signals of the forces that have fashioned and continue to fashion the ways ordinary men and women go about the business of creating their personal religious beliefs and values, and, in many cases, how those beliefs make a difference in the public arena.

The Connecticut Evangelical Magazine

First published in 1800, this periodical from the Missionary Society of Connecticut provides a window into the religious and social landscape of early America. Filled with essays, sermons, and news from around the state, the magazine offers valuable insights into the issues that concerned religious leaders and their congregations during this formative period of American history. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. The Connecticut Evangelical Magazine, and Religious Intelligencer, Volume 3

Reprint of the original, first published in 1871.

The Evangelical Intelligencer

The 'memsahibs' of the British Raj in India are well-known figures today, frequently depicted in fiction, TV, and film. In recent years, they have also become the focus of extensive scholarship. Less familiar to both academics and the general public, however, are the eighteenth- and early nineteenth-century precursors to the memsahibs of the Victorian and Edwardian era. Yet British women also visited and resided in India in this earlier period, witnessing first-hand the tumultuous, expansionist decades in which the East India Company established British control over the subcontinent. Some of these travellers produced highly regarded accounts of their experiences, thereby inaugurating a rich tradition of women's travel writing about India. In the process, they not only reported events and developments in the subcontinent; they also contributed to them, helping to shape opinion and policy on issues such as colonial rule, religion, and social reform. This new set in the Chawton House Library Women's Travel Writing series assembles seven of these accounts, six by British authors (Jemima Kindersley, Maria Graham, Eliza Fay, Ann Deane, Julia Maitland and Mary Sherwood) and one by an American (Harriet Newell). Their narratives – here reproduced for the first time in reset scholarly editions – were published between 1777 and 1854, and recount journeys undertaken in India, or periods of residence there, between the 1760s and the 1830s. Collectively they showcase the range of women's interests and activities in India, and also the variety of narrative forms, voices and personae available to them as travel writers. Some stand squarely in the tradition of Enlightenment ethnography; others show the growing influence of Evangelical beliefs. But all disrupt any lingering stereotypes about women's passivity, reticence, and lack of public agency in this period, when colonial women were not yet as sequestered and debarred from cross-cultural contact as they would later be during the Raj. Their narratives are consequently a useful resource to students and researchers across multiple fields and disciplines, including women's writing, travel writing, colonial and postcolonial studies, the history of women's educational and missionary work, and Romantic-era and nineteenth-century literature.

Evangelical Magazine and Missionary Chronicle

Maria W. Stewart and the Roots of Black Political Thought tells a crucial, almost-forgotten story of African Americans of early nineteenth-century America. In 1833, Maria W. Stewart (1803–1879) told a gathering at the African Masonic Hall on Boston's Beacon Hill: "African rights and liberty is a subject that ought to fire the breast of every free man of color in these United States." She exhorted her audience to embrace the idea that the founding principles of the nation must extend to people of color. Otherwise, those truths are merely the hypocritical expression of an ungodly white power, a travesty of original democratic ideals. Like her mentor, David Walker, Stewart illustrated the practical inconsistencies of classical liberalism as enacted in the US and delivered a call to action for ending racism and addressing gender discrimination. Between 1831 and 1833, Stewart's intellectual productions, as she called them, ranged across topics from true emancipation for African Americans, the Black convention movement, the hypocrisy of white Christianity, Black liberation theology, and gender inequity. Along with Walker's Appeal to the Coloured Citizens of the World, her body of work constitutes a significant foundation for a moral and political theory that is finding new resonance today—insurrectionist ethics. In this work of recovery, author Kristin Waters examines the roots of Black political activism in the petition movement; Prince Hall and the creation of the first Black masonic lodges; the Black Baptist movement spearheaded by the brothers Thomas, Benjamin, and Nathaniel Paul; writings; sermons; and the practices of festival days, through the story of this remarkable but largely unheralded woman and pioneering public intellectual.

Popular Religious Magazines of the United States

A master storyteller presents a riveting drama of America's first "crime of the century"--from murder investigation to a church sex scandal to celebrity trial--and its aftermath. In December 1832 a farmer found the body of a young, pregnant woman hanging near a haystack outside a New England mill town. When news spread that Methodist preacher Ephraim Avery was accused of murdering Sarah Maria Cornell, a factory worker, the case gave the public everything they found irresistible: sexually charged violence, adultery, the hypocrisy of a church leader, secrecy and mystery, and suspicions of insanity. Murder in a Mill Town tells the story of how a local crime quickly turned into a national scandal that became America's first "trial of the century." After her death--after she became the country's most notorious "factory girl"--Cornell's choices about work, survival, and personal freedom became enmeshed in stories that Americans told themselves about their new world of industry and women's labor and the power of religion in the early republic. Writers penned seduction tales, true-crime

narratives, detective stories, political screeds, songs, poems, and melodramatic plays about the lurid scandal. As trial witnesses, ordinary people gave testimony that revealed rapidly changing times. As the controversy of Cornell's murder spread beyond the courtroom, the public eagerly devoured narratives of moral deviance, abortion, suicide, mobs, "fake news," and conspiracy politics. Long after the jury's verdict, the nation refused to let the scandal go. A meticulously reconstructed historical whodunit, *Murder in a Mill Town* exposes the troublesome workings of criminal justice in the young democracy and the rise of a sensational popular culture.

The Evangelical Magazine

Reprint of the original, first published in 1863.

The Connecticut Evangelical Magazine; Volume 4

Volumes 7-77, 80-83 include 13th-83rd, 86th-89th annual report of the American Baptist missionary union.

The Connecticut Evangelical Magazine, Volume 1

No living scholar has shaped the study of American religious history more profoundly than George M. Marsden. His work spans U.S. intellectual, cultural, and religious history from the seventeenth through the twenty-first centuries. This collection of essays uses the career of George M. Marsden and the remarkable breadth of his scholarship to measure current trends in the historical study of American evangelical Protestantism and to encourage fresh scholarly investigation of this faith tradition as it has developed between the eighteenth century and the present. Moving through five sections, each centered around one of Marsden's major books and the time period it represents, the volume explores different methodologies and approaches to the history of evangelicalism and American religion. Besides assessing Marsden's illustrious works on their own terms, this collection's contributors isolate several key themes as deserving of fresh, rigorous, and extensive examination. Through their close investigation of these particular themes, they expand the range of characters and communities, issues and ideas, and contingencies that can and should be accounted for in our historical texts. Marsden's timeless scholarship thus serves as a launchpad for new directions in our rendering of the American religious past.

A Dictionary of Books Relating to America

The belief that Native Americans might belong to the fabled "lost tribes of Israel"—Israelites driven from their homeland around 740 BCE—took hold among Anglo-Americans and Indigenous peoples in the United States during its first half century. In *Lost Tribes Found*, Matthew W. Dougherty explores what this idea can tell us about religious nationalism in early America. Some white Protestants, Mormons, American Jews, and Indigenous people constructed nationalist narratives around the then-popular idea of "Israelite Indians." Although these were minority viewpoints, they reveal that the story of religion and nationalism in the early United States was more complicated and wide-ranging than studies of American "chosen-ness" or "manifest destiny" suggest. Telling stories about Israelite Indians, Dougherty argues, allowed members of specific communities to understand the expanding United States, to envision its transformation, and to propose competing forms of sovereignty. In these stories both settler and Indigenous intellectuals found biblical explanations for the American empire and its stark racial hierarchy. *Lost Tribes Found* goes beyond the legal and political structure of the nineteenth-century U.S. empire. In showing how the trope of the Israelite Indian appealed to the emotions that bound together both nations and religious groups, the book adds a new dimension and complexity to our understanding of the history and underlying narratives of early America.
