Spirits of Pepin

A summer boating excursion on Lake Pepin takes a nasty turn when the five members of the No Ordinary Women book club discover a body aboard the Wayward Wind. Louise and Robin begin to suspect murder, but only after unwittingly destroying evidence on the ill-fated sailboat. A local paranormal investigator gets caught up in the mystery as the amateur sleuths once more put themselves in danger in their rush to prevent other would-be victims from a watery death.

A Companion to Catherine of Siena

This volume, written by experts on Catherine of Siena, considers her as a church reformer, peacemaker, preacher, author, holy woman, stigmatic, saint and politically astute person. The manuscript tradition of works by and about her are also studied.

A collection of two hundred simple, low-fat recipes includes such dishes as Light Double-Fluff Omelets, Blackened Swordfish, Stuffed Red Peppers, and Raspberry Souffles

An Essay on Universal History, the Manners, and Spirit of Nations

For the first time ever, the legendary chef collects and updates the best recipes from his six-decade career. Featuring DVD clips demonstrating every technique a cook will ever need. In his more than sixty years as a chef, Jacques Pépin has earned a reputation as a champion of simplicity. His recipes are classics. They find the shortest, surest route to flavor, avoiding complicated techniques. Now, in a book that celebrates his life in food, the world's most famous cooking teacher winnows his favorite recipes from the thousands he has created, streamlining them even further. They include Onion Soup Lyonnaise-Style, which Jacques enjoyed as a young chef while bar-crawling in Paris; Linguine with Clam Sauce and Vegetables, a frequent dinner chez Jacques; Grilled Chicken with Tarragon Butter, which he makes indoors in winter and outdoors in summer; Five-Peppercorn Steak, his spin on a bistro classic; Mémé's Apple Tart, which his mother made every day in her Lyon restaurant; and Warm Chocolate Fondue Soufflé, part cake, part pudding, part soufflé, and pure bliss. Essential Pépin spans

the many styles of Jacques's cooking: homey country French, haute cuisine, fast food Jacques-style, and fresh contemporary American dishes. Many of the recipes are globally inspired, from Mexico, across Europe, or the Far East. In the DVD clips included in the ebook, Jacques shines as a teacher, as he demonstrates all the techniques a cook needs to know. This truly is the essential P  pin.

The Spirit of Laws. Translated from the French of M. de Secondat, Baron de Montesquieu .. The Seventh Edition

"Roderick, a small and furry animal, gazes out from his home high on the side of a mountain. Not far below, a tiny figure is swept from the path by the wind. He races to the rescue and saves Pepin, a squirrel, but when they climb back up to Roderick's home they find that it has been destroyed. Seeking shelter in the stormy night, Roderick and Pepin narrowly escape a dangerous band of vagabonds. Soon after they encounter Percy, the invisible man. He tells them how he was lured by leprechaun gold into another dimension and became trapped there by enchantment. Roderick and Pepin decide to help him and find themselves transported into a mysterious world of tree spirits, elves and other magical beings. Only the Wizard of Endor can break the spell that binds Percy. The three friends set out to find the Wizard in his castle high in the mountains of Endor but a terrifying monster lies in wait"--Back cover.

Jacques Pepin's Simple and Healthy Cooking

From primitive first-century Germany to sophisticated ancient Rome, fourteen-year-old Pepin and his guide, counsellor, and friend Aurina, adventure in search of Pepin's father enslaved by the Romans. A three-month walk during which they endure hardship and adversity brings them to Rome where Aurina sets up her practice as a healer, the description she prefers to doctor or the Latin *medicus*. Aurina uses herbs, natural remedies, and life-style advice to help patients, among whom is Emperor Tiberius. Tiberius has been poisoned as part of a plot by revolting slaves to overthrow the Roman rulers. The revolt is put down but Tiberius, a despotic capricious man, comes to believe Aurina and Pepin are conspiring against him. Aurina is imprisoned and Pepin is forced into the Roman army.

Essential P  pin

The Spirit of the Laws is a treatise on political theory, as well as a pioneering work in comparative law, published in 1748 by Montesquieu. Originally published anonymously, partly because Montesquieu's works were subject to censorship, its influence outside France was aided by its rapid translation into other languages. In 1751 the Roman Catholic Church added *De l'esprit des lois* to its *Index Librorum Prohibitorum*. Yet Montesquieu's treatise had an enormous influence on the work of many others, most notably: Catherine the Great, who produced *Nakaz* (Instruction); the Founding Fathers of the United States Constitution; and Alexis de Tocqueville, who applied Montesquieu's methods to a study of American society, in *Democracy in America*.

The Spirit of Laws

The Spirit of the Laws is, without question, one of the central texts in the history of eighteenth-century thought, yet there has been no complete, scholarly English-language edition since that of Thomas Nugent, published in 1750. This lucid translation renders Montesquieu's problematic text newly accessible to a fresh generation of students, helping them to understand quite why Montesquieu was such an important figure in the early enlightenment and why *The Spirit of the Laws* was, for example, such an influence upon those who framed the American constitution. Fully annotated, this edition focuses attention upon Montesquieu's use of sources and his text as a whole, rather than upon those opening passages towards which critical energies have traditionally been devoted, and a select bibliography and chronology are provided for those coming to Montesquieu's work for the first time.

Roderick and the Wizard of Endor

Far away in the land of Mere Odain, a dragon calls out for help to her master--Pepin Merripen, now living as the son of Crown Prince Treyas Merripen and his wife, Cynthe. Pepin must answer, or die. Shocked and terrified, Treyas gathers his closest friends, and goes to Mere Odain. But the country is in turmoil. An ethnic cleansing is going on--any black or brown-skinned person must die. Treyas is determined to save his young son's life even if it means taking on the whole of the Keltin Empire and ending a war 40 years in the making.

This book is incredibly valuable to students of various esoteric traditions because the notes and excerpts are taken from private and previously unpublished sources, and from authors whose out-of-print books are not readily accessible. Interesting information has been collected and annotated concerning such topics as blood telegraphy, ever-burning lamps, optics, spiritual skills in healing, transplantation, apparent death, isopathy, and magnetism. Includes a look into a Rosicrucian workshop.

The Spirit of Laws. Translated from the French ... By Thomas Nugent ... The Fifth Edition. Carefully Revised and Improved with Considerable Additions by the Author

The Spirit of Laws, first published in 1750, is a detailed treatise on the structures and theory of government by French political philosopher Baron de Montesquieu. Unlike his well-loved Persian Letters, The Spirit of Laws scandalized the French—it was even banned by the Roman Catholic Church. The fact that it is hardly dated to modern readers is a testament to how revolutionary it must have seemed 250 years ago. Among its comparisons of different forms of governments, such as monarchies, despotic regimes, and republics, is the now-famous section on Montesquieu's concept of the separation of powers, dividing the ruling body into legislative, executive, and judicial branches. Also included is the author's thinking on slavery, religion in government, families and censuses, the influence of climate on politics and culture, and the making of laws. A powerful influence on the framers of the U.S. Constitution, this classic work will appeal to history buffs and anyone interested in the roots of modern political theory and government. CHARLES-LOUIS DE SECONDAT, BARON DE MONTESQUIEU (1689-1755), born in the South of France and often known simply as Montesquieu, was a political philosopher and social commentator known for his influential political views, especially for his "separation of power" theory, still used today in constitutions around the world. Some of his best-known work, the satirical Persian Letters, which made fun of life in Paris under Louis XIV, delighted France in the 1720s
