I Do Not Come to You by Chance

"This is a fast, fresh, often hilarious first novel, by one of the remarkably talented young African writers who are rapidly making everyone else look stale" The Times Kingsley is fresh out of university, eager to find an engineering job so he can support his family and marry the girl of his dreams. Being the opara of the family, he is entitled to certain privileges - a piece of meat in his egusi soup, a party to celebrate his graduation. But times are hard in Nigeria and jobs are not easy to come by. For much of his young life, Kingsley believed that education was everything, that through wisdom, all things were possible. But when a tragedy befalls his family, Kingsley learns the hardest lesson of all: education may be the language of success in his country, but it is money that does the talking. In desperation he turns to his uncle, Boniface-aka Cash Daddy-an exuberant character who suffers from elephantiasis of the pocket. He is also rumoured to run a successful empire of email scams. But he can help. With Cash Daddy's intervention, Kingsley and his family can be as safe as a tortoise under its shell. It is up to Kingsley now, to reconcile his passion for knowledge with his hunger for money, to fully assume his role of first son. But can he do it without being drawn into this outlandish milieu?

Success is Not By Chance

The much awaited book for the readers of all age groups. Success is Not by Chance is in the hands of our valued readers. In order to be successful, one must have determination first. A high-profile family background, abilities and riches do not matter. AshokIndu state that once a person decides an aim and pursues that aim with determination. he is bound to succeed. This is the gist of this book! There arc five chapters in this book. They motivate, enthrall and captivate readers and take them to the pinnacles of excitement. After reading them, readers become committed to be achievers and go-getters. What a fine way to start life! Read this book and your life shall be changed forever! You must read from the beginning and up to the last page to understand the concepts that would take you to success. Examples and anecdotes have been given in abundance. Many of them arc eye-openers of a fine type. If you want to remove all problems and succeed, read this book! It is a new way of looking at life!

I Do Not Come to You by Chance

A deeply moving debut novel set amid the perilous world of Nigerian email scams, *I Do Not Come to You by Chance* tells the story of one young man and the family who loves him. Being the opara of the family, Kingsley Ibe is entitled to certain privileges -- a piece of meat in his egusi soup, a party to celebrate his graduation from university. As first son, he has responsibilities, too. But times are bad in Nigeria, and life is hard. Unable to find work, Kingsley cannot take on the duty of training his younger siblings, nor can he provide his parents with financial peace in their retirement. And then there is Ola. Dear, sweet Ola, the sugar in Kingsley's tea. It does not seem to matter that he loves her deeply; he cannot afford her bride price. It hasn't always been like this. For much of his young life, Kingsley believed that education was everything, that through wisdom, all things were possible. Now he worries that without a "long-leg" -- someone who knows someone who can help him--his degrees will do nothing but adorn the walls of his parents' low-rent house. And when a tragedy befalls his family, Kingsley learns the hardest lesson of all: education may be the language of success in Nigeria, but it's money that does the talking. Unconditional family support may be the way in Nigeria, but when Kingsley turns to his Uncle Boniface for help, he learns that charity may come with strings attached. Boniface--aka Cash Daddy--is an exuberant character who suffers from elephantiasis of the pocket. He's also rumored to run a successful empire of email scams. But he can help. With Cash Daddy's intervention, Kingsley and his family can be as safe as a tortoise in its shell. It's up to Kingsley now to reconcile his passion for knowledge with his hunger for money, and to fully assume his role of first son. But can he do it without being drawn into this outlandish milieu?

Reports of State Trials

The year is 1776. A memorable year in American history. A year every American points to with pride, but what was it like to live during that year? Indeed during all the years of the British occupation of Long Island and New York. More to the point of this story, what was it like for a young thirteen year old farm boy to grow up on Long Island during that seven year occupation? The *Youngest Patriot* is the story of just such a young boy. It is the story of Elijah Churchill who meets Lieutenant Benjamin Tallmadge of the Continental Army who is on his way to Brooklyn Heights to join with his 2nd Connecticut Light Dragoons. Elijah pleads with Tallmadge to take him with him so that he can join the army and fight for his country. Tallmadge tells him he is too young. Elijah's father forbids him to even try to enlist. Defying them both he runs away from home and goes to Brooklyn Heights where Washington's army is building fortifications against the impending British invasion. Through a series of events, Elijah does indeed become a soldier and his life intertwines with that of Benjamin Tallmadge. The tale of these seven years as Elijah becomes a man, has as its backdrop the exciting American revolution; our fight for liberty and independence. The account shows the beginnings of the Secret Service and the Central Intelligence Agency. Tallmadge and Elijah become very much a part of the Culper spy ring set up by General Washington. A secret message would run full circle, if you will, from Oyster Bay to New York City by courier, by horseback out to Setauket, and by whaleboat across the Long Island Sound to Connecticut. The saga of Nathan Hale is told as seen through the eyes of those who knew him and it was the Culper spy ring that first uncovered the plot which exposed and brought disgrace to Benedict Arnold. The narrative tells of George Washington's frustration as he keeps hope for freedom alive as he repeatedly evades contact with the British until his initial victories at Trenton and Princeton. This is the story of the most important American war as seen through the eyes of a young boy from Setauket as he grows to manhood. His fears, anxieties, troubles, memories, and battles for the young republic culminate with Elijah receiving the Purple Heart designed and awarded by General Washington.

The Youngest Patriot

Vol. 25 is the report of the commissioner of education for 1880; v. 29, report for 1877.

The Railway Anecdote Book

2001. An autumn break for a young London mother. An isolated stretch of Dorset coastline. An unexplained phenomenon. *Daffodils in Autumn* tells the compelling story of a young woman's horrific descent into paranoia and madness dictated by the desires of a female genius. The young woman, and her daughter's past, present and future become meaningless, as not one thing appears to be what it is.

Belgravia

The "Princeton Mom" writer of the controversial letter to the Daily Princetonian advising young women to marry early shares anecdotes, recipes and humorous observations about finding a husband at college and maintaining self-respect in the face of today's commitment-phobic culture.

Daffodils in Autumn

A young Amish schoolteacher is caught in a love triangle with the familiar man who left her community for the outside world and an outsider taken by her simple charm and intrigued with her spiritual ways.

Masters of medicine v. 5, 1897

Dramatised real historical events. A story of the clash of two powerful larger than life historical characters in the first quarter of the nineteenth century which culminated in a fatal shot fired on Dover beach in 1826.

Parliamentary Papers

Enjoy this steamy match making romantic comedy series by USA Today Bestselling contemporary romance author Summer Cooper! Born with the ethereal beauty of a fairy princess, Becca couldn't help but feel cursed. To the outside world, her appearance was a blessing, but beneath the surface, it had become a magnet for men who sought nothing more than a young trophy mistress. And then there was Julius. Their connection was instantaneous, a spark that some might call "insta-love." Yet, Becca couldn't shake the nagging doubt—what were the odds that someone as charming, attractive, and humorous as Julius would be genuinely interested in her, the real her? As their lives entwined, Becca found herself questioning whether Julius could see beyond her enchanting exterior and discover the woman beneath the facade. Was there a chance for a deeper connection, or was Becca doomed to repeat the same cycle of heartbreak? If you enjoy sizzling adult romances with mated mates, friends to lovers, hot sexy scenes, unexpected twists, this book is a must-read. Perfect for fans of Julia Kent, Meghan Quinn, Melanie Harlow, Ivy Smoak and Monica Murphy.

Bernard and Marcia

As a fourteen-year-old Jewish boy who had rarely ventured outside his small, remote village, Moyshe Rekhtman may seem an unlikely escape artist. But his iron will and quick wit allowed him to survive when all seemed lost. Staging escapes from death camps and avoiding Nazi pursuit through the frozen Ukrainian countryside—all while facing the loss of his family, famine, constant threat of capture, torture, and execution - would be a monumental task for the strongest of men. Despite his mild manners, emaciated body, and poor vision, he evaded the death squads in Nazi-occupied Ukraine for four years. Moyshe's Holocaust memoir is a remarkable example of human fortitude during a time when many welcomed an end to their suffering.

House documents

With 1 Corinthians 13:11 as a starting point, this book establishes a standard process within a biblical context for helping the transition from youth to adulthood. It is especially designed to help parents and young men who are struggling and need to see and face the reality of growing up. It encourages young men to step up, put away childish things, take responsibility for their lives, and understand God's definition of manhood.

Marry by Choice, Not by Chance

Not By Chance is the inspiring story of God's coincidental guidance of one woman's life journey during which a series of remarkably improbable events signal the paths she should follow as she confronts myriad challenges: polio, devastating accidents, major depression, divorce, unemployment and multiple sclerosis. Discover how, during this arduous journey, God faithfully provides for Lynn's employment, education and a sense of purpose. Rejoice when God also blesses her with improved health and leads her on a path of service to others who also confront physical, emotional and spiritual challenges. "A wonderful, inspiring, unforgettable roller coaster ride that will leave you breathless and amazed at God's goodness." -New York Times bestselling author, Doug Wead

The Atlantic Monthly

Sheena Renee Jackson the high profile attorney is on an unbelievable journey. The move to Washington DC to open a new law firm is a simple task compared to the seven men Sheena meets along the way. It's no doubt one case Sheena is having trouble winning. It is a matter of the heart and Sheena finds herself against the odds as she tries to find true love. Sheena is in a state of confusion and things change for the worst. Will Sheena find true love or will true love find Sheena? It all depends on the support from her four friends and the lessons learned along the way.
