The State of the American Empire

As the United States casts an increasingly dominant shadow in world affairs, resentment from the international community widens. In *The State of the American Empire*, Stephen Burman lays bare the global scope of the political, economic, cultural, and military might of a country that, paradoxically, was founded in a rebellion against imperialism. Combining forensic analysis with detailed full-color graphics, Burman provides a comprehensive overview of the countries that are dependent on U.S. trade or investment, or are inhabited by U.S. troops. Liberally illustrated with maps that display America's global footprint, from its military interventions to its trading partners, *The State of the American Empire* interrogates every aspect of this new empire to reveal its roots, its likely duration, and, most important, its impact on the rest of the world.

The State of the U.S.A. Atlas

Here is a fascinating, completely up-to-date reference guide that illustrates, demographically and geographically, the facts behind America's most closely watched and hotly argued issues, bringing the condition of our nation into sharp focus. 34 four-color maps, inset maps, and charts.

Superman: American Alien

Max Landis, acclaimed screenwriter of the hit film *CHRONICLE*, presents seven stories from the life of the man who will be the Man of Steel, seven pivotal moments that turned a sometimes good, sometimes angry, sometimes funny, always human, all-American alien into the world's first superhero. **THIS IS NOT A SUPERMAN COMIC.** This is the story of Clark Kent, a Kansas farm boy who happens to be from another planet. It's the story of a scared young kid with impossible powers, of a teenage delinquent with a lot to learn, of a reporter with a nose for the truth who's keeping the biggest secret the world has ever known. This is not the Superman you know. Not yet. Illustrated by some of the greatest artists in comics today—including Jock (*BATMAN: THE BLACK MIRROR*), Francis Manapul (*DETECTIVE COMICS*), Jae Lee (*BATMAN/SUPERMAN*), Joëlle Jones (*LADY KILLER*), Nick Dragotta (*EAST OF WEST*) and more

with covers by Ryan Sook (ACTION COMICS)-SUPERMAN: AMERICAN ALIEN tells the very human story of the Last Son of Krypton.
