No Huyas de Mi Amor

Para Charlotte, la idea de casarse con el poderoso empresario Valentine Thorp, es tan atrayente como aterradora. Pertenecientes a clases distintas, tienen mucho más en contra que a favor, algo que a ella jamás le importó... hasta esa noche. Ahora, a menos de una semana de la boda, la confianza en sí misma y en su futuro en común se tambalea y hace que emprenda una desesperada huida. Lo que Charlie no sabe, es que su prometido está dispuesto a hacer hasta lo imposible por recuperarla y demostrarle que lo único que realmente le importa, es ella y nadie más que ella.

Si te gustan los libros sinceros, escritos más con el corazón que con la cabeza: si te sientes decepcionado de muchas cosas, pero todavía sigues creyendo en la oración: si has descubierto que la oración es y será siempre una de las más bellas y fascinantes actividades humanas: si sabes -o al menos intuyes- que el camino místico es camino de máxima fidelidad a todo lo auténticamente humano y a todos los valores de este mundo: si te has dado cuenta de que la vida interior del hombre es su mejor garantía de fidelidad a sí mismo, así como de libertad y felicidad en la tierra: si Jesucristo te entusiasma -tal vez te enamora- por su Humanidad universal, cálida y desbordante: si Dios significa para ti algo distinto -y aún mucho más- que la posible existencia de un Legislador y Juez lejano y frío: si crees que estás llamado a experimentar y gustar en tu propio corazón la presencia viva de Dios: si los graves problemas de la humanidad actual te preocupan y hasta te duelen, y eres de los que resisten a aceptar que no tienen solución: si alguna vez, al leer la Biblia, ha resonado en tu interior como un texto que se ha escrito pensando en ti, como una declaración de amor dirigida a tu propia persona..., entonces tal vez no quedes defraudado con la lectura de este libro. Su autor, Antonio López Baeza, sacerdote y poeta, ha escrito como fruto de su dedicación al ministerio de la contemplación y con el deseo de contribuir a que la Experiencia Mística -hoy más necesaria que nunca- ocupe el lugar que le corresponde en nuestra Iglesia y en nuestro Mundo.

Comedias escogidas de don Agustín Moreto y Cabaña

Joan B. Pastor Aicart (Beneixama, 1849-1917) va ser metge rural i un escriptor molt prolífic, tant en castellà com en valencià. Si bé ha estat conegut com a poeta, la seua obra abraça tot tipus de gèneres literaris: assaig, teatre, articles de premsa, crítica literària, narrativa curta, etc. Fins ara, la seua figura ha passat desapercebuda dins del moviment de la Renaixença valenciana, tot i ser l'autor més premiat al llarg dels territoris de parla catalana durant aquells anys de renaixement lingüístic. El caràcter conservador i religiós d'una bona part de la seua obra i el seu tarannà social discret, que el va fer viure lluny de la capital i sempre més atent al treball que no a l'aparició en els cenacles literaris de l'època, han mantingut probablement oculta la importància dels seus escrits. Aquest llibre, que intenta ser una reconstrucció de la seua biografia intel·lectual, presenta també una breu selecció dels seus textos més rellevants.

Comedias escogidas de Agustín Moreto y Cabaña

Esta novela es de un género dramático, ya que muchos de sus pasajes recrean el tiempo de la dictadura vivida en el país. Está llena de suspenso, de amoríos imprevistos y a la vez de grandes sucesos costumbristas. Con el infalible argumento de la poesía, en esos tiempos de percances existenciales. De una forma fascinante se escribió este libro, que consta de tres relatos cortos, agrupados en una sola novela, y relacionada a vivencias familiares. Por cierto, desde el principio hasta el final es sumamente cautivante e inspira al lector a no dejar de leerla hasta el final. Porque no sólo vemos cómo se desarrolla la poesía dentro de las historias, también descubrimos el efecto positivo de la misma, como parte íntima de su línea de cuento y su virtud figurativa. Me atrevo a dedicarla, a todas las personas que se complacen con la buena y entretenida lectura, porque la obra está llena de poesías épicas, de gracia, y de la misteriosa picardía de mi tierra Guaraní, el Paraguay. Pero sobre todo, ésta novela refleja innumerables experiencias vividas. Y mi gran deseo es que al final de la lectura, tanto

el apreciado lector como yo quedemos satisfechos y nos demos un fervoroso y simbólico apretón de manos como señal de satisfacción mutua.

Comedias

La obra, compuesta de dos tomos, fue considerada una obra folletinesca (subgénero, que en Francia se conoció como feuilleton-roman, en boga entre finales del siglo XIX y principios del siglo XX) probablemente para restarle importancia a la durísima crítica contra la Compañía de Jesús que esta obra contiene. Blasco Ibañez la escribió en su juventud, y más tarde la repudiaría, al no incluirla en sus Obras completas. Blasco Ibañez dedicó gran parte de su tiempo al estudio de la Iglesia y su funcionamiento. Éste es el germen de la novela, en la cual se narra la historia de los Baselga, una familia noble de la España de comienzos del siglo XIX, íntimamente relacionada con los Jesuitas. En la novela, la Compañía de Jesús teje con infinita paciencia una tela de araña contra esta acaudalada familia con el fin de apropiarse de su fortuna. A lo largo de toda la novela se trata esta relación, analizando el comportamiento y funcionamiento de la Compañía de Jesús de una forma extensa.

La Virgen de la Paloma: Drama en cinco actos y en prosa y verso, etc

Recopilatorio de las novelas románticas: Nombre en clave: Romeo Cuando Cupido Mete la Pata No huyas de mi amor

La virgen de la Paloma

Un pequeño niño insomne, que teme que el olvido sea su dueño, busca inmortalizarse a través de este poemario de ochentavas partes, siendo cada una fina oveja salta vallas; quizás aburrida, pero que le permite pensar en dormir. Ese niño imagina ángeles que no dejen morir sus etapas. Imagina rápido, y con la misma rapidez su corazón escapa a ser feliz o triste; reflexiona lento, pero se enamora otra vez, y, cómo otras veces, vuelve a arrepentirse. Reflexiona tanto que lo hace complejo y no simple, ya que abstrae su vida como reflejo de su arte, y no al revés. A pesar de que se ancle a figuras familiares, lo que predomina son las figuras que no termina de entender, ya que su ser escapa a sus memorias de dolor; sus fallos no tienen esquema predeterminado, son rayones de tintas que le queman, pues la vida no es grafito y borrador. Su inmortalidad, si es que la obtiene, será una consecuencia de bucear en sí mismo. Pobre niño, que en su superficie tiene pretensiones nostálgicas de ser más que un poemario, pretensiones básicas de que ya no se formen lágrimas, y de ser más que algunas noches de una vida que quiere ser contada, así sea de forma tácita, y así sea un poco en vano.
