Raised on an Eagle Feather

The author shares his interpretations and personal experiences of Native Culture within his book, "Raised On An Eagle Feather." The reader will follow a path of discovery through many traditional teachings such as the Medicine Wheel, Seven Grandfather Tea

Eagle Feather

"A book about the adventures of a boy named Eagle Feather, from the Lakota tribe of native Americans. Between 1700 and 1800. All events take place near the lake (the modern name is Sylvan lake) Territory South Dakota Black Hills. A fantasy children's story invented by the author has nothing to do with real people"

An Eagle's Feather

A white man raised as the son of the Sioux Chief... Grey Eagle had been a babe when he'd been taken from a white woman. Their gods blessed his father that day, so he allowed the white woman to live. Some in the tribe still hated him. Yet he abhorred the white eyes as much as they did. Yet, the woman he'd captured had gotten under his skin.

Siha Tooskin Knows the Sacred Eagle Feather

For as long as Paul could remember there were eagle feathers around him...but how had they come to be in all of those places in his life? Paul Wahasaypa--Siha Tooskin--can find these feathers in Ade's truck, on the dream catcher above his bed, on his Uncle Lenard's bustle, and in with the smudge bowls in all of his relatives' homes. Paul already knows that the eagle is important because of the way that his family respects and cares for eagle feathers. Now he's old enough for the teachings of where the feathers come from and why they are so sacred. Walk with Paul and Mitoshin (his grandfather) so you too will understand the teaching of the sacred eagle feather.

Macous Knows

A children's book about a Native American boy who goes on a journey to retrieve a sacred eagle feather, learning important lessons about bravery and respect along the way. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. The Eagle's Feather

Grade level: 4, 5, 6, 7, e, i.

Eagle Feather

Quiet Water, a white boy who was adopted by Indians, is finally accepted by the tribal elders when he and his two friends fulfill their coming-into-manhood journey and climb the Sacred Mountain to see an eagle fly.

Quest for the Eagle Feather

An Indian girl follows her grandfather's instructions and, with the help of an eagle and a coyote, manages to find his stolen headdress and learn the secret that has made him a great leader.

The Sacred Eagle Feather

A young Native American boy who has left his tribe in favor of living with a "white" family at the local sawmill must choose between them and his own people when his father, chief of the tribe, is murdered. By tradition he now becomes the new chief at age 15. Ironically it is a red-tailed hawk that helps make the decision. The story plays out in mid 1800 Michigan during the logging and lumbering era

The Secret of the Eagle Feathers

Little One, a blind Native American boy, wonders if he can be an asset to his tribe and win the respect of the braves who are able to hunt and fight, or if he will be forced to live a more sheltered life.

Eagle Feather

The modern day world clashes with Native American traditions as Jeff travels the road to his destiny. To get a college education Jeff receives a scholarship with the stipulation he must spend five years teaching on an Indian reservation. Although he would like to stay at home on the Lac du Flambeau reservation in Northern Wisconsin, he is sent to a Blackfoot Reservation in Montana. As soon as he crosses into South Dakota during his travel to Montana, Jeff experiences visions of the people who once exclusively called the region home. In addition to the visions, he receives a gift from the Great Spirit of a Blue Eagle Feather. Little does he know the significance of either the visions or the gift until he arrives on the reservation and meets the old man who can explain the meaning of both. Once all is revealed Jeff's life changes forever.

Eagle Feather Boy Chief

A rhyming picture book for young children about how to live a good and virtuous life by following the eagle's teachings.

Eagle Feather

Eagle Feather owes a debt to his father's cousin and must work it off during the long summer. But his father's cousin mistreats him, and finally Eagle Feather can bear it no longer and runs away.

Blue Eagle Feather

-- Award-winning author Michael Furtman.-- Examines eagles through the seasons.

The Eagle Feather

In the '50s and '60s, Susan, a golden eagle with a ferocious temper and a tender heart, lived in captivity with Cecil and Adele Hyndman at Featherland, their bird and animal sanctuary. Over the years, the Hyndmans and Susan participated in a bizarre triangle that saw a man and a woman become closer to a bird of prey than to each other. Cecil possessed an undying love for the magnificent bird even after he became her worst enemy and his wife took his place as Susan's favorite in their "golden affair."

Dusty White Eagle Feather

Charlie Little Otter, a Crow Indian boy growing up in the Pryor Mountains, dreams of the "time-before-now" and finds himself caught up in a dark and mystical adventure.

Black Eagle's Feathers

Kalayaan, a Great Philippine Eagle shot by a hunter, is rescued by kind villagers and eventually released back into the wild with his companion Pinpin, in a book that focuses on the conservation efforts of the Philippine Eagle Foundation.

Eagle Feather

Presents a selection of folktales which reflect the life and character of the Cheyenne Indian

The Eagle Feather Prize

Symbol of power, strength, and freedom, the American bald eagle appears on coins, dollar bills, postage stamps, identification cards, and the presidential seal. It is seen everywhere except in the sky, although that is changing; nearly extinct in 1970, the bald eagle has made a modest comeback. In *Eagle's Plume*, Bruce E. Beans recounts the compelling, centuries-old story of the bald eagle's place in American culture and landscape and its struggle for survival. Reviled by western stockmen as a killer of lambs and calves, the bald eagle has been deified by environmentalists as a reminder of America's natural heritage. When the great national bird was robbed of its habitat and poisoned with pesticides, federal and environmental groups and local communities rallied to save it. Their heroic efforts are chronicled in the book, which also takes the measure and pulse of the bird that so impressed ancient storytellers.

Sky Spirit

Marrakech is Southern California's newest premier country club and promises a lifetime of privileged membership for those who have reached the pinnacle of financial and social acceptance. Four golfing friends-Wolfgang Martini, Donald Diedrich, Mark Huntington, and Richard Nelson-decide to join. But they soon discover that the membership also includes con men, lechers, Mafiosi, and at least one murderer. After they become members, all four men suddenly take on roles that threaten their friendship. Martini becomes the leader of the Founding Members who are embroiled in a divisive feud with the Regular members. Nelson is a Pulitzer Prize-winning reporter who sarcastically documents Marrakech's hedonism. Diedrich takes on the dual role as the club's Don Juan and proponent for the Juanenos Indian tribe, who claim the club has usurped their land, which they need for casino development. But it's mysterious Mark Huntington who raises suspicions-he's either a government agent or a hit man. When the bodies of members start to pile up, it's anybody's guess who is responsible. Is it a member of the Mafia, someone from the Indian tribe, or one of the friends themselves?

Raising Susan

Eagles Don't Flock With Pigeons, is an adventurous journey of an eagle named Eager who somehow loses his way in life only to find himself living amongst a flock of pigeons. During this journey, he struggles to find a sense of identity and is faced with the challenge to discover his true identity and self-surface in the process of adapting to the basic characteristics of a pigeon.

Eagle Feather for a Crow

A baby bald eagle is raised by attentive parents in a tall tree overlooking the Chesapeake Bay. A story overflowing with eagle facts and information, feathered with humor, and nested in a commentary on the fate of the bald eagle in North America.

An Eagle's Feather

Creatures have growing pains. A Young baby Bald Eagle cracks its way into the world. Carefully raised and encouraged by its parents. The Eaglet grows feathers and learns to fly. Follow the life of a young eagle as it grows and matures into a beautiful adult.

Eagle Feathers

In the desert, water means life. In the Valley of Two Rivers, the canals have allowed countless generations to farm this harsh land. Too much water, however, can mean death. After winter floods destroy the canals, the farming clans of Serpentgate fear that their last days have come--the time of desperation and division spoken of in the Prophecy of the Rainbow Knife. Mysterious deaths, accusations of witchcraft, and a clash between rain priests and the priestesses of the mother goddess have set parents against children, men against women, clan against clan. To prevent this calamity, Waterstrider, one of the Watermasters who long ago built the canals, is called home out of exile. Waterstrider and his allies must survive a web of intrigue to restore the vast canal system and preserve their way of life. Volume 2 of Tales of the Watermasters Dramatic action and memorable characters drive an epic story of an ancient civilization. In these captivating novels set in the prehistoric Southwest, the People of Two Rivers are shown at the height of their glory as they face a catastrophe that threatens to destroy them utterly. Before written history began in what we now know as Arizona, a vibrant culture of builders, dreamers, and artists known as the Hohokam flourished there for a thousand years. And then they vanished. What became of these people? To find out, you'll have to wait for Bitter Wind, the third volume of the Tales of the Watermasters. Praise for the series: "Enthralling stories" . . . "vividly written" . . . "timeless human concerns" . . . "meticulously researched prehistoric world" Sally Bennett Boyington's re-creation of the Hohokam world is sure to enchant readers of Jean M. Auel's beloved Clan of the Cave Bear and W. Michael Gear and Kathleen O'Neal Gear's award-winning First North American series. Take the first step on your own adventure . . . walk with the Watermasters today!

By Cheyenne Campfires

Broken Landscape is a sweeping chronicle of Indian tribal sovereignty under the United States Constitution and the way that legislators have interpreted and misinterpreted tribal sovereignty since the nation's founding. Frank Pommersheim, one of America's leading scholars in Indian tribal law, offers a novel and deeply researched synthesis of this legal history from colonial times to the present, confronting the failures of constitutional analysis in contemporary Indian law jurisprudence. He demonstrates that the federal government has repeatedly failed to respect the Constitution's recognition of tribal sovereignty. Instead, it has favored excessive, unaccountable authority in its dealings with tribes. Pommersheim argues that the Supreme Court has strayed from its Constitutional roots as well, consistently issuing decisions over two centuries that have bolstered federal power over the tribes. Closing with a proposal for a Constitutional amendment that would reaffirm tribal sovereignty, Broken Landscape challenges us to finally accord Indian tribes and Indian people the respect and dignity that are their due.

Eagle's Plume

Historical novel based on the history of the Sioux nation in the 19th century, giving a perspective on events that confronted the native peoples with the arrival of Europeans in western North America.

Unplayable Lies

In a dream, the Great Spirit reveals to the descendant of a Sioux warrior how children will help bring peace to the tormented spirits of Arapaho ghost dancers. Two mysterious young visitors join forces with two boys in a small Oklahoma town, and are led to Little Fox, the great-niece of a revered Cheyenne medicine man. The children uncover a long-forgotten journal of the medicine man, which describes a Cherokee formulae used many years before to cure Arapaho chief Watonka of cancer. The warrior's descendant suffers from the same disease, as does Gentle Bear, a Cheyenne friend of Little Fox. Spirits of the ghost dancers, led by Watonka, appear to the children and in doing so reveal the healing plants used in the formulae. With the help of Little Fox, the children gather the plants and prepare the medicines, which relieve Gentle Bear's suffering. Unfortunately, Gentle Bear's drunken and violent husband, Horace Calicott, tries to steal the now-valuable journal from the children. This sets up a tense and dramatic climax to the story, with the ghost dancers' symbolic redemption and the descendant's life hanging in the balance. The surprise ending reveals the true purpose of the mysterious visitors, and the Great Spirit's possible motives for interceding on behalf of the ghost dancers.
