You Might Have a Ton of Equity in Your Primary Residence and You Don't Even Realize It because You're Not Tracking Your Net Worth and You Don't Know You Have Equity There You Might Have a Car with a High Value That You Could Go Take a Short Term Auto Loan on You Might Be Able To Take a Business Loan because You Have a Business It's Making a Lot of Money if You Track Your Entire Net Worth You'll See Where You Have Assets with Equity in Them and You'll Have Opportunities To Borrow Money To Buy More Real Estate Brand and I Talk about All the Time You Get that First Deal under Your Belt and You Do Well in It It's Probably GonNa Buy Your Second Deal and Then Your Third That's What Drives You Forward It's Not Always the Skills those Can Come as You Go Your Journey It's the Compelling Reasons That Really Drive It So for Me that's What It Was and I Should Throw On There the Other Reason You Should Listen to Me Is that I Retired at Age 35 and I'M Making \$ 10 , 000 a Month Passive Lea from Real Estate Income

And It Was Killing Me the Gas Mileage Was Killing Me Most of the Time It Was a 5000 Pound Vehicle Carrying around a 200 Pound Man Not a Very Efficient Equation and I Got to the Point Where I Was Like I GotTa Sell this Thing but I Owed \$ 10 , 000 on the Loan I Did Not Have that Much Savings To Pay this Truck Off and It's Killing Me at like \$ 300 a Month in the Payment So I'M like I Don't Know How To Sell a Truck That I Have a Loan on because the State Holds the Title to It They'Re Not GonNa Release It till It's Paid Off

And Then We Could Go to the Notary once I Get the Title in Hand and He's like I'M Not GonNa Do that Which You Shouldn't Do that It Would Be Stupid so What We Do Is this He Gives Me Five Hundred Dollars as a Deposit He's like Just See if You Can Free Up Ten Grand Man Here's \$ 500 To Hold that Truck and Then Figure It Out
