Robinson's guide to Richmond

Best known as the capital of the Confederacy, Richmond's history encompasses much more than the Civil War. Visit the state capitol, designed by Thomas Jefferson, and tour Shockoe Bottom, one of the

city's oldest neighborhoods. Follow the route that enslaved people took from the ships to the auction block on the Richmond Slave Trail. Go back to Gilded Age Richmond at the Jefferson Hotel and learn the history of the statues that once lined the famed Monument Avenue. See lesser-known sites like the Maggie Walker Home and the Black History Museum in the historically African American Jackson Ward neighborhood. Local author Kristin Thrower Stowe guides a series of expeditions through the River City's past.

A Guide to Richmond and the Neighbourhood, Including Rokeby, Etc. [With a Map.]

This book offers a step-by-step guide to historic house museums to make them more informative and sustainable through an inclusive, visitor-centered paradigm of the shared experience of human habitation.

Simpson's illustrated guide to Richmond and Kew gardens

In real estate, it's a buyer's market - and here is the buyer's bible... Buying a home is the single most important financial move in most people's lives. This book covers a variety of topics including inspecting, evaluating, negotiating, financing, contracts, and legal issues. It also breaks down the roles of the key players and what these professionals, agents, brokers, and inspectors are responsible for - and when to go it alone. The thorough advice, covering everything from buying houses at auctions to what neighborhood to live in, will provide reassurance for every soon-to-be homeowner. - A necessary tool for those who plan to buy homes and even current homeowners in order to keep up with an ever-changing market. - Will be published in time for spring, when most people start looking into buying new homes. - Covers a broad range of buying options and homeowner's needs.

Guide to Richmond Park

Provides an informative guide to all aspects of home buying, including negotiating a price, dealing with legal issues, arranging finance, inspecting the property, and investigating the neighborhood.

A guide to Hampton Court, Richmond, and Kew

Excerpt from Richmond, Va: A Guide to and Description of Its Principal Places and Objects of Interest Sept. 19, 1733. - \when we got home we laid the foundation of two large cities, one at Shacco's, to be called Richmond, and the other at the falls of Appo mattox river, to be named Petersburg. These Maj. Mayo oferedto lay out into lots without fee or re ward. The truth of it is, these two places being the uppermost landing of James and Appomattox riv ers, are naturally intended for marts where the traffic of the outer inhabitants must centre. Thus we did not build castles only, but also cities in the air. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

History Lover's Guide to Richmond, A

The new Rough Guide to England is the definitive insider's guide to a country rich in history, heritage and culture. Now in full colour throughout, this fully updated guide has clear maps, detailed itineraries and regional highlights. Now available in PDF format. There's practical information and advice on visiting England's beautiful countryside and coastline, as well as the many diverse cities, towns and picture-postcard villages. Whether you're camping on a remote Cornish peninsula, hiking in the Peak District, being pampered in a spa town or browsing markets in London's East End, explore every corner of this superb country with easy-to-use maps and detailed sights information. Make the most of your time on Earth™ with The Rough Guide to England.

Anarchist's Guide to Historic House Museums

Visitor's Guide to Richmond and Vicinity - Embracing a sketch of the city, social statistics and notices of all places in and about the city of interest to the tourist is an unchanged, high-quality reprint of the original edition of 1871. Hansebooks is editor of the literature on different topic areas such as research and science, travel and expeditions, cooking and nutrition, medicine, and other genres. As a publisher we focus on the preservation of historical literature. Many works of historical writers and scientists are available today as antiques only. Hansebooks newly publishes these books and contributes to the preservation of literature which has become rare and historical knowledge for the future.

The Complete Idiot's Guide to Buying a Home

Excerpt from Walks About Richmond: A Story for Boys, and a Guide to Persons Visiting the City, Desiring to See the Principal Points of Interest Tredegar Iron Works, on Canal, between it and the River, just above the Armory. Belle Isle, James River, about three quarters of a mile above the city, accessible only from the south side, but visible from the Canal bank. National Cemetery, Williamsburg Road, three miles southeast of Richmond. Pump House, or Water Works, on J. R. K. Canal, one mile from the city. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

The Complete Idiot's Guide to Buying a Home

Explore the historic city of Richmond, Virginia with the "Illustrated Richmond Souvenir Guide and Official Map." This beautifully illustrated guidebook is packed with information about Richmond's notable landmarks, including the state capital, the Confederate White House, and St. John's Church. Whether you're a history buff or just looking for a fun day trip, this guide is the perfect companion. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. The Rough Guide to England

Combining the most extraordinary aspects of both wild and cosmopolitan New Zealand, this Rough Guide offers unparalleled coverage of activities and accommodations. of color photos. 80 maps.

Visitor's Guide to Richmond and Vicinity

Through the centuries, Richmond soil has supported everything from forest to farms to fairways. Long ago, textile mills were strung along the waterways and more than a dozen one-room schools dotted the landscape. In Richmond, rediscover those bygone places and other cherished scenes: country churches, farm boys, mill employees, state road crews with their horses, ladies in elegant

hats, small-town doctors hurrying out in early automobiles, and Richmond boys in baseball and army uniforms. Meet schoolteacher Florence Richmond, legislator Lucy Rawlings Tootel, Civil War veteran David Kenyon, historian Eleanor Smith, and clothier Chet Sherman. Explore the villages of Carolina, Usquepaugh, Tug Hollow, Arcadia, Hillsdale, Wyoming, Alton, Woodville, and Wood River Junction. These people and places make Richmond a rural treasure.

Walks about Richmond

Guide to London's Contemporary Architecture provides a guide to the wealth of architecture completed in London. The book first offers information on the buildings located in the City of London and the Docklands. These include the Broadgate Complex, Alban Gate, Bracken House, Whitechapel Art Gallery, Queen Street offices, Girozentrale Vienna, Minster Court, Billingsgate Securities Market, Canary Wharf, Financial Times Printing Works, Isle of Dogs Neighborhood Center, Reuters Technical Services Centre, and the David Mellor building. The publication examines the structures found in the East End, West End, and north London. Discussions focus on Sainsbury Wing, National Gallery, Sackler Gallery, Queen Elizabeth II Conference Center, Richmond House, Clore Gallery, Lauriston Studios, Leyton Fire Station, Lisson/Bell Street galleries, Lisson Grove offices and flats, Sainsbury supermarket and housing, Crowndale Centre, Nightingale house, and the Bisterne Avenue apartments. The text takes a look at the edifices located in west London, including Richmond Riverside, Sterling Hilton Hotel, Thames Wharf Studios, St Mary's Church, Barnes, Metropolis Studios, and the Fowler/Jestic house. The publication is a dependable reference for architects and design engineers interested in the architecture of London.

Illustrated Richmond; Souvenir, Guide, and Official Map, Containing Elaborate List of Richmond Views

Great Expectations is epic! Hundreds of pages, dozens of characters and settings--it's easy to lose track of things. Let BookCaps help with this comprehensive annotated study guide that is complete with character profiles (with pronunciations for names harder to pronounce), chapter summaries, analysis of themes, historical context, and much more! This annotated edition includes the original book with a comprehensive study guide and biography about the life and times of Charles Dickens. We all need refreshers every now and then. Whether you are a student trying to cram for that big final, or someone just trying to understand a book more, BookCaps can help. We are a small, but growing company, and are adding titles every month.

Guide Book of the City of Richmond

The Friars Accommodation Guide quickly established a reputation as a beautiful handbook of top-class accommodation throughout New Zealand, complete with full colour photographs of the venues and descriptive text of special features and amenities. Now in their 14th year of publication, the Friars Guide continues to offer the discerning traveller reliable information on the best places to stay in New Zealand. Featuring top of the range bed and breakfast and self-contained accommodation, along with the best accommodation offering fine dining, this guide is the definitive reference to top New Zealand accommodation.

Robinson's Guide to Richmond

The official guide to New York's must-see buildings profiles a host of new landmarks and includes 80 two-color, easy-to-read maps, and more than 200 photographs. This new edition will make every visitor feel like a native--and turn every native into a wide-eyed tourist. Includes a Foreword by Mayor Michael R. Bloomberg.

Glasgow and west of Scotland educational guide

New York's 18,000 restaurants guarantee an almost infinite diversity and choice. They also make settling on a place to eat an extremely challenging prospect. This guide aims to make that process a little simpler. There are 350 reviews covering all budgets and boroughs, from Brooklyn's Indian eateries to the finest French restaurants on the Upper East Side. The only criterion for entry into the book is a thorough recommendation.

The Rough Guide to New Zealand

A guide to the former Confederate capital of Richmond, Virginia, with “a good deal of historical information, much of it neglected in histories of the war” (The NYMAS Review). “On To Richmond!” cried editors for the New York Tribune in the spring of 1861. Thereafter, that call became the rallying cry for the North’s eastern armies as they marched, maneuvered, and fought their way toward the capital of the Confederacy. Just 100 miles from Washington, DC, Richmond served as a symbol of the rebellion itself. It was home to the Confederate Congress, cabinet, president, and military leadership. And it housed not only the Confederate government but also some of the Confederacy’s most important industry and infrastructure. The city was filled with prisons, hospitals, factories, training camps, and government offices. Through four years of war, armies battled at its doorsteps—and even penetrated its defenses. Civilians felt the impact of war in many ways: food shortages, rising inflation, a bread riot, industrial accidents, and eventually, military occupation. To this day, the war’s legacy remains deeply written into the city and its history. This book tells the story of the Confederate capital before, during, and after the Civil War, and serves as a guidebook including a comprehensive list of places to visit: the battlefields around the city, museums, historic sites, monuments, cemeteries, historical preservation groups, and more.

Guide to Richmond and the Battle-fields

Evade the Tourist Herds and Enter Into An Insider’s Guide to Northern Virginia. Known and unknown history, hidden delights and fascinating stories pervade the history of Northern Virginia. This kaleidoscope of discovery, personalities, egos, scandals, conflict framed by sheer beauty creates a vivid tapestry defining over three centuries. This guide transports you to the precise famous and infamous locations where history occurred. The scenes may sometimes appear ordinary, weird, but often illuminate the physical background and descriptions behind events. Many of the narratives defy believability, yet they are true. This Twisted Tour Guide is your alternative to conventional travel. It accommodates the restless visitor, tourist and resident seeking a unique and different perspective to traditional tourism. Northern Virginia remains one of the most beguiling, historic and enchanting regions of the United States. Arlington Preserving the Declaration of Independence, Arlington National Cemetery, Actress Pola Negri’s Lovenest, Watergate’s Deep Throat, Serial Kill Timothy Spencer, Vincent Foster’s Suicide, Spy Aldrich Ames, 9/11 Memorial and Congressman William Jefferson. Richmond Patrick Henry, John Marshall, Theatre Fire, Confederate White House and Civil War Museum, Canal Walk, Hollywood Cemetery, William Grant House, Union Spy Elizabeth Van Lew, Belle Isle, Samuel Putney House, Civil War Abandonment, Robert E. Lee, Jefferson Davis and Ulysses S. Grant, Stewart-Lee House, Church Hill and Monte Maria Academy and WRVA Complex, Washington Monument, Collectible Trading Cards, Former City Hall Building, Valentine Museum, Main Street Train Depot, Edgar Allen Poe Shrine, Public Bath Houses, First National Bank Building, State and Local Politic Scandals, Oliver Hill, Tobacco Row, Richmond’s Gay Godfather, Golden Years Serial Killer(s), Baron Otto von Bressensdorf, School Board Eviction and Removal of Confederate Civil War Monuments.

Richmond

Unlike some other reproductions of classic texts (1) We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Guide to London's Contemporary Architecture

Discover Sri Lanka with the most incisive and entertaining guidebook on the market. Whether you plan to explore the ancient ruins of Sigiriya, wander amid Ella's verdant tea plantations or explore the cave temples of Dambulla, The Rough Guide to Sri Lanka will show you the ideal places to sleep, eat, drink, shop and visit along the way. - Independent, trusted reviews - written with Rough Guides' trademark blend of humour, honesty and insight, to help you get the most out of your visit, with options to suit every budget. - Full-colour chapter maps throughout - to find your way amid Colombo's bustling bazaars or the museums and temples in Kandy without needing to get online. - Stunning images - a rich collection of inspiring colour photography. Things not to miss - Rough Guides' rundown of the best sights and experiences in Sri Lanka. - Itineraries - carefully planned routes to help you organize your trip. - Detailed coverage - this travel guide has in-depth practical advice for every step of the way. Areas covered include: Colombo, Kandy, Ella, Galle, Sigiriya, Mirissa, Arugam Bay, Kataragama, Weligama, Horton Plains, Jaffna, Dambulla. Attractions include: Adam's Peak, Temple of the Tooth, Yala National Park, World's End, Anuradhapura, The Pettah. - Basics - essential pre-departure practical information including getting there, local transport, accommodation, food and drink, health, the media, festivals, outdoor activities, national parks, culture, shopping, travelling with children and more. - Background information - a Contexts chapter devoted to history, Sri Lankan Buddhism, Buddhist art and architecture, wildlife, tea and books, as well as a helpful language section and glossary. About Rough Guides : Escape the everyday with Rough Guides. We are a leading travel publisher known for our "tell it like it is" attitude, up-to-date content and great writing. Since 1982, we've published books covering more than 120 destinations around the globe, with an ever-growing series of ebooks, a range of beautiful, inspirational reference titles, and an award-winning website. We pride ourselves on our accurate, honest and informed travel guides.

Guide Book of the City of Richmond

A guidebook for visitors, locals and newcomers to Richmond, Va.

Richmond and Its Neighbourhood

Folkestone resident and globe-trotting travel writer Simon Richmond turns the spotlight on his home county in this brand new title, part of Bradt's award-winning series of Slow travel guides to UK regions. Walkers, cyclists, families, food and art lovers, and wildlife enthusiasts are all catered for, with coverage of a wide range of attractions, as well as all the practical information you could need to plan and enjoy time spent in this delightful corner of England. The diversity of Kent is striking, from Canterbury Cathedral, part of a Unesco-listed World Heritage Site, to Dungeness, Kent's southernmost point, Britain's only officially recognised desert and home to artist and film-maker Derek Jarman's Prospect Cottage. The village of Pluckley was once named England's most haunted by the Guinness World Records, while St Leonard's Church in Hythe has the largest and best-preserved collection of ancient human skulls and bones in Britain. This in-depth guide covers all the most popular places as well as many of the lesser-known ones, dividing the county into five easy-to-follow chapters. Explore Dover and spend time at its iconic White Cliffs, saunter through Vita Sackville-West's gorgeous gardens at the National Trust's Sissinghurst estate, visit the grave of Pocahontas in Gravesend, and contemplate the delightful and thought-provoking public art of the revitalised seaside town of Folkestone. History has been made in Kent, at Hever Castle, where Anne Boleyn spent her childhood and which was later restored by William Waldorf Astor, and at Chartwell, the family home and garden of Sir Winston Churchill. Kent's food and drink offering is increasingly celebrated, with a growing reputation for high quality restaurants and boutique wineries, not to mention the world's oldest brewer and largest collection of fruit trees at Faversham. From flora and fauna to castles, watersports, beaches and wildlife, discover Kent with Bradt's unique Slow guide.

A Great Expectations in Plain and Simple English (Includes Study Guide, Complete Unabridged Book, Historical Context, Biography

HERE IS HOW YOU FLIP YOUR LIFE FOR UNLIMITED FINANCIAL SUCCESS... Have you ever thought that real estate investing is old news, and most big "industry dogs" have already taken their place in the market? I heard that as well, and that's exactly what people speak who had never made a dollar in this "gold mining market." And you definitely don't want to fall in the same category... Would you like to take a proven money-making approach and start creating wealth and passive income for years ahead? That is what I am talking about. Now that you have left all the useless excuses behind, we can talk some real business... I would like to represent a project that I have been working on for more than 3 years-putting together knowledge, experience, and wisdom of the most successful people in the industry. Inside this book, I am going to teach you about arguably the most profitable niche in the real estate investing market called House Flipping- a skyrocketing business opportunity for people who want to retire early and create real passive income for years ahead. And here are just a few things you are going to discover: - Why House Flipping over other businesses? - A Step-by-Step Preparation Guide, what do you need to do before the actual start? - How to get the money for your first investment? Success guaranteed! - Your first House - what Mistakes To Avoid In Your First Profitable Deal - 70% Real Estate Investment Rule - what it is, and how do you use it? - 5 Strategies For Flipping Houses - complete renovation guide - Rules to succeed in Rental Property Investing - How to build a passionate dream team for successful future investments? - And much much more... And keep in mind that even if you had never invested a single dollar in any financial market, including real estate, this book will take you by the hand and lead you through every single step. Why this book over other real estate books?

The Rough Guide to the Caribbean

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

The Rough Guide

This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.
