Intro
Accretion is the slow process of growth or acquisition of land, typically when soil is deposited by the natural action of water. Long term accretion can actually increase the size of a property.
Adverse possession is the legal principle in which a person who does not have legal right to a property

acquires legal ownership based on continuous occupation of the land without the permission of its real owner
Air rights are the rights to use the space above the earth
Antitrust Laws are a collection of federal and state government laws that regulate the conduct and organization of business corporations, normally to promote fair competition for the benefit of consumers
Although brokers and agents usually have some understanding of the valuation process, usually they bring in an appraiser to do the job. Appraisers must have detailed knowledge of the methods of valuation and many states require a specific license or certification to perform those duties.
Typically **real estate**, arbitration happens when two ...
Someone authorized to act on behalf of another person, typically in business or for some sort of business transaction.
Avulsion is the immediate action of adding or tearing away land by violent acts from natural causes. An example of avulsion is a dam breaking or a hurricane.
Building codes are the rules and standards of properties for the protection of public safety and welfare
This contingency allows the buyer to cancel the contract if they are unable to sell their current home in a specified amount of time.
Caveat emptor is Latin for Let the buyer or buyers beware'. The concept is that the buyer is responsible for checking the quality of a product before a purchase is made.
A Co-op is a nonprofit corporation, complete with a board of directors, and each resident is a shareholder. Perhaps the largest distinction between a condominium and a co-op is that most co-op associations require that a prospective purchaser be approved by a committee composed of current co-op owners.
The legal concept of a claim to title appearing to be legally valid, but in actuality, the claim is defective
