

britain and europe since 1945

[#Britain Europe relations](#) [#Post-war European history](#) [#UK European integration](#) [#Brexit context](#) [#European Union history UK](#)

Explore the complex and evolving relationship between Britain and Europe since 1945, tracing key political, economic, and social developments. This insightful overview delves into the UK's journey from post-war reconstruction through its engagement with European integration, including the formation of the EEC, its eventual European Union membership, and the historic decision of Brexit, examining the profound impacts of these interactions on both sides.
