

foucault sport and exercise power knowledge and transforming the self

[#Foucault sport](#) [#Power knowledge exercise](#) [#Self transformation](#) [#Philosophy of sport](#) [#Foucauldian analysis](#)

Explore the profound insights of Michel Foucault on how sport and exercise function as sites for the interplay of power and knowledge. This analysis delves into the mechanisms through which physical activity and its discourses shape and transform the self, offering a critical perspective on the disciplines and practices embedded within athletic cultures.
