Healing Faith, Christian Self-Help, Annotated Bibliography, Christian Healing, Self-Help Books

Explore an annotated bibliography focusing on Christian self-help books centered around healing and faith. This resource provides a comprehensive overview of literature exploring the intersection of Christian beliefs and personal development, offering valuable insights for individuals seeking guidance and support within a faith-based framework.

Festschrift honoring Kumar Suresh Singh, b. 1935, Indian anthropologist and director-general, Anthropological Survey of India, upon his retirement; comprises articles on Indian anthropology.

Bibliography of Agriculture

Guide to the literature on North American Indians. Includes annotated bibliography arranged by topic and unannotated bibliography arranged alphabetically by tribe. Some Canadian material included.

People of India

This book Tribal Situation and Development in Central India is a comprehensive work prepared with the help of a team of Experts in various fields ranging from social sciences to medical sciences covering contemporary problems and development of the tribals of Madhya Pradesh. It contains an exhaustive account of the geographical location of these tribes, their subdivisions, their way of life, etc. This book also deals with the work done by certain private organizations to help these tribals. Issues, such as land rights, come up for discussion too.

Indian Books in Print

Study conducted at eight districts of southern Orissa, India.

An Annotated Bibliography on Tribal Education in India

"In the middle of India lies a vast land peopled with one of the country's largest tribal populations. Considered as the original inhabitants of this land, with a culture that traces back to pre-Aryan days, the tribals of Madhya Pradesh are as varied as they are vital. Living side by side with their Hindu and Muslim neighbours they have simultaneously managed to enrich and keep separate their cultural identity from theirs." "This book brings to you, for the first time, the exciting world of Madhya Pradesh's many tribes. Interwoven with their myths and legends, and illustrated with stunning colour visuals and with line drawings, here are the textiles and the tattoos, the stonework and the carvings, the totems and the ritual terracottas of the many tribes explained by scholars whose work has led them to spend half a life time with these people."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

Tribal Geography

Being An Important Book, It Gives An Ethnographic Information Of The Tribes Along With A Brief Description Of The Islands, And Includes 1996 Statistical Figures. It Also Highlights The Tribal Distribution Of The Negritos In South East Asia Through Both Text And Maps. Useful Data Has Been Provided In Form Of Numerous Tables, Through Which One Can Get A Glimpse Of The Indian Tribal Situation. This Document Is Of Immense Value As An Indispensable Reference Tool. It Covers Almost All Facets Of Tribals Of Andaman And Nicobar Islands.

Ban-Gujars

It was found necessary to bring out reprint of second edition of this valuable contribution to Indian Sociology (V.Elwin) The Book describes exhaustively and in great details the life and lore of two important tribes living in a close social and economic symbiosis in eastern Madhya Pradesh. For this second edition the author has not only revised and brought up-to-date his data taking due account of the changes which have taken place since the time the book was first published, but he has also added a new chapter in which he describes the measures which the Government of India is taking for the welfare and acculturation of the tribals of India. His expert evaluation of the Government schemes deserves the careful study of Government officials and social workers interested in tribal welfare. Students of Indian Anthropology and sociology of course will value S. Fuchs' monograph for the wealth of information it contains and the systematic treatment of the material.

Indians of North America

The world's most comprehensive, well documented and well illustrated book on this subject. With extensive subject and geographical index. 615 photographs and illustrations - mostly color. Free of charge in digital PDF format on Google Books.

Bulletin - International Association of Orientalist Librarians

Study of the tribes of Bastar District, Madhya Pradesh.

Tribal Linguistics in India

The Book Primarily Deals With The Tribal Social Structure And The Changes Occurring There In. India Has A Large Concentration Of Tribal Population. Though Scattered All Over The Country Their Concentration Is Mainly In The Northern And Central Region. Originally They Lived At Unapproachable Places Where The Land Was Infertile With Limited Means Of Living Resources. They Were Simple, Poor, And Backward. Their Economic Hardships And Encounter With The Non-Tribal At Times Made Them Violent, Criminal, And Rebellious. After Independence Several Efforts Have Been Made Through Five Year Plans And Reservation Policy Etc. For Their Social And Economic Emancipation Yet After More Than Five Decades They Have Not Been Able To Come At Par With The Rest Of The Society. Some Other Aspects Of Tribal Society Viz. India S Nomadic Tribes, Vanishing Tribes, Residence System, Reservation Policy And Development Aspects Have Been Discussed In The Separate Chapters. Separate Chapters Have Been Devoted On Tribes Of Rajasthan And Tribal Development Programmes. At The End Of The Book (In The Appendix) Two Chapters Have Been Added. One On The Nature And Subject Matter Of Anthropology And Second On Some Anthropological Concepts With A View To Enrich The Readers. Readers Interested In Various Aspects Of The Tribal Studies Will Find The Book Informative And Useful.

Bulletin

The world's most comprehensive, well documented, and well illustrated book on this subject. With extensive subject and geographic index. 20 photographs and illustrations - many color. Free of charge in digital PDF format.

North Carolina History

With more than 11,000 entries, this volume is the first extensive bibliography of North Carolina to incorporate books, pamphlets, articles from hundreds of journals, and theses and dissertations from scores of universities. Using the incomparable holdings of the North Carolina Collection as well as other libraries and institutions, Jones includes entries dating from the first written description of North Carolina in 1524 through 1992. Entries are arranged by chronological period, then by subject, with author and subject indexes providing further access. Entries are arranged by chronological period, then by subject, with author and subject indexes providing further access. Among the sources included are some that are seldom found in state bibliographies, such as soil surveys of the counties and articles in small journals, such as *The North Carolina Booklet*. A separate chapter features more than 3,000 entries by county. Another chapter identifies libraries, archives and manuscript repositories, museums, and historic sites.

A separate chapter features more than 3,000 entries by county. Another chapter identifies libraries, archives and manuscript repositories, museums, and historic sites.

The History of Maritime North Carolina

This volume offers a complete listing and description of books published on early America between 2001 and 2005. An extraordinary research tool, *Books on Early American History and Culture, 2001-2005: An Annotated Bibliography* is part of a series listing materials on the history of North America and the Caribbean from 1492 to 1815. This volume includes monographs, reference works, exhibition catalogs, and essay collections published between 2001 and 2005. Each entry provides the name of the work, its author(s) or editor(s), publisher, date of publication, ISBN and/or OCLC number(s), and the Library of Congress call number. Following each detailed citation, there is a brief summary of the work and a list of journals in which it has been reviewed. Organized thematically, the book covers, among many other topics, exploration and colonization; maritime history; environment;

Native Americans; race, gender, and ethnicity; migration; labor and class; business; families; religion; material culture; science; education; politics; and military affairs.

Books on Early American History and Culture, 2001–2005

The world's most comprehensive, well documented, and well illustrated book on this subject. With extensive subject and geographical index. 157 photographs and illustrations. Free of charge in digital PDF format on Google Books.

History of Soybeans and Soyfoods in North Carolina (1856-2017)

Military institutions and methods of warfare in the non-Western world from antiquity through the early 20th century provide the chief subjects of this annotated bibliography of works published before 1967, supplementing an earlier volume covering works published 1967–1997.

World Military History Annotated Bibliography

This summary essay and the heavily annotated bibliography covering the period from the first colonization to 1826 are primarily intended to aid the scholar and student by suggesting areas of further study and ways of expanding the conventional interpretations of early American history. Originally published in 1935. A UNC Press Enduring Edition -- UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print. These editions are published unaltered from the original, and are presented in affordable paperback formats, bringing readers both historical and cultural value.

The Arts in Early American History

The complex, colorful history of South Carolina's southeastern corner In the first volume of *The History of Beaufort County, South Carolina*, three distinguished historians of the Palmetto State recount more than three centuries of Spanish and French exploration, English and Huguenot agriculture, and African slave labor as they trace the history of one of North America's oldest European settlements. From the sixteenth-century forays of the Spaniards to the invasion of Union forces in 1861, Lawrence S. Rowland, Alexander Moore, and George C. Rogers, Jr., chronicle the settlement and development of the geographical region comprised of what is now Beaufort, Jasper, Hampton, and part of Allendale counties. The authors describe the ill-fated attempts of the Spanish and French to settle the Port Royal Sound area and the arrival of the British in 1663, which established the Beaufort District as the southern frontier of English North America. They tell of the region's bloody Indian Wars, participation in the American Revolution, and golden age of prosperity and influence following the introduction of Sea Island cotton. In charting the approach of civil war, Rowland, Moore, and Rogers relate Beaufort District's decisive role in the Nullification Crisis and in the cultivation, by some of the district's native sons, of South Carolina's secessionist movement. Of particular interest, they profile the local African American, or Gullah, population - a community that has become well known for the retention of its African cultural and linguistic heritage.

The History of Beaufort County, South Carolina

A companion volume to *Books on Early American History and Culture, 1991-1995*, this work covers scholarship on early American history, including North America and the Caribbean from 1492 to 1815. This annotated bibliography surveys over 1,000 monographs, essay collections, exhibition catalogs, and reference works published between 1986 and 1990. In thirty-two thematic sections, the book covers such topics as colonization, rural life and agriculture, and religion. This useful guide organizes the recent explosion of scholarly literature on pre-colonial, colonial, and early Republican America.

American History and Civilization

Books on Early American History and Culture, 1971-1980: An Annotated Bibliography continues a series of bibliographies listing book-length works on North America and the Caribbean prior to 1815. Essential for scholars, librarians, and students of early America, the book surveys nearly 1,200 monographs, essay collections, exhibition catalogues, and reference works published between 1971 and 1980. In addition to bibliographic information each entry includes brief annotations, which describe the scope and approach to each item and the book's main thesis. Also included are lists of journals where each work has been reviewed and the number of times the book has been cited in professional

literature, and the number of OCLC member libraries holding the work. In 31 thematic sections, the book covers such topics as: exploration and colonialization, Native Americans, the American Revolutionary War, the Constitution, race and slavery, gender, religion.

Books on Early American History and Culture, 1986-1990

A bibliographical guide to recently published Civil War diaries, journals, letters, and memoirs.

Books on Early American History and Culture, 1971-1980

Contains chapters on the discipline of oral history, especially as it relates to public history; starting an oral history project, including funding, staffing, equipment, processing, and legal concerns; conducting interviews; using oral history in research and writing, including publishing; videotaping oral history; and more.

The North Carolina Historical Review

The only comprehensive bibliography on Reconstruction, this book provides the definitive guide to literature published from 1877 to 1998. In over 2,900 entries, the work covers a broad range of topics including politics, agriculture, labor, religion, education, race relations, law, family, gender studies, and local history. It encompasses the years of the Civil War through the conclusion of the 1876 election and the end of the federal government's official role in reforming the postwar South and protecting the rights of Black citizens. In detailed annotations, the book covers a range of literature from scholarly and popular studies to published memoirs, letters and documents, as well as reference sources and teaching tools. The issues of Reconstruction—civil rights, states' rights and federal-state relations, racism, nationalism, government aid to individuals—continue to be relevant today, and the literature on Reconstruction is large. This book provides a systematic and comprehensive bibliographic guide to that literature. It is organized by topics and geographical regions and states, thereby emphasizing the local diversity in the South. In addition to a variety of literature, it covers the relevant Supreme Court cases through 1883, provides full citations to federal acts and cases cited, and includes the texts of the 13th, 14th, and 15th Amendments to the Constitution. The book will be useful to scholars and students researching a wide range of topics in Southern history, constitutional history, and national politics in post Civil War United States.

Civil War Eyewitnesses

Appalachian women have been the subject of song, story, and report for nearly two centuries. Now for the first time a fully annotated bibliography makes accessible this large body of literature. Works covered include novels, short stories, magazine articles, manuscripts, dissertations, surveys, and oral history tapes -- altogether over 1,200 items. The annotated listings are grouped under broad subject headings, including biography, coal mining, education, fiction, health care, industry, migrants, music, poetry, and religion. An author/title/subject index provides easy access to the listings.

Doing Oral History

This Book was over a dozen years in the making and represents the most comprehensive and documented history of the Lumbee/Tuscarora of the Greater Lumbee Settlement. It compares and contrasts the mixed tribe Lumbees with other tribes in the State of North Carolina and those in South Carolina and Virginia.

The Religious Press in the South Atlantic States, 1802-1865

Radical Reform describes a remarkable chapter in the American pro-democracy movement. It portrays the largely unknown leaders of the interracial Republican Party who struggled for political, civil, and labor rights in North Carolina after the Civil War. In so doing, they paved the way for the victorious coalition that briefly toppled the white supremacist Democratic Party regime in the 1890s. Beckel provides a nuanced assessment of the distinctive coalitions built by black and white Republicans, as they sought to outmaneuver the Democratic Party. She demonstrates how the dynamic political conditions in the state from 1850 to 1900 led reformers of both races to force their traditional society toward a more radical agenda. By examining the evolution of anti-elitist politics and organized labor in North Carolina, Beckel brings a new understanding to party factionalism of the 1870s and 1880s. As racial conditions deteriorated across America in the 1890s, North Carolina Republicans forged a fragile

coalition with Populists. While this interracial pro-democracy movement proved triumphant by 1894, it carried the seeds of its ultimate destruction.

North Carolina Local History

A collection of the total range of scholarly and popular writing on English as spoken from Maryland to Texas and from Kentucky to Florida. The only book-length bibliography on the speech of the American South, this volume focuses on the pronunciation, vocabulary, grammar, naming practices, word play, and other aspects of language that have interested researchers and writers for two centuries. Compiled here are the works of linguists, historians, anthropologists, sociologists, and educators, as well as popular commentators. With over 3,800 entries, this invaluable resource is a testament to the significance of Southern speech, long recognized as a distinguishing feature of the South, and the abiding interest of Southerners in their speech as a mark of their identity. The entries encompass Southern dialects in all their distinctive varieties—from Appalachian to African American, and sea islander to urbanite.

Reconstruction in the United States

The world's most comprehensive, well documented, and well illustrated book on this subject. With extensive subject and geographic index. 57 photographs and illustrations - many color. Free of charge in digital PDF format.

Appalachian Women

An annotated bibliography of more than 700 significant works concerning the function of race in American history. It evaluates the most important historical, sociological, and psychological studies published since 1944. An introductory chapter describes and evaluates key general works on the origin and meaning of race and race relations. After the introduction, chapters are arranged in chronological order. All consequential studies of slavery on the national, state, and local level are included with a brief synthesis of the major findings of the study. The book continues through the Civil War, the Reconstruction, segregation and Jim Crow, up to and including the ongoing Civil Rights movement begun in the late 1950s. A final chapter includes works that attempt to imagine the cost--economically, socially, and politically--of black/white racism and discrimination in the United States.

Implosion

The world's most comprehensive, well documented, and well illustrated book on this subject. With extensive subject and geographical index. 315 photographs and illustrations. Free of charge in digital PDF format.

Resources in Education

The world's most comprehensive, well documented, and well illustrated book on this subject. With extensive subject and geographic index. 268 photographs and illustrations - mostly color. Free of charge in digital PDF format.

Radical Reform

The humor of the Old South -- tales, almanac entries, turf reports, historical sketches, gentlemen's essays on outdoor sports, profiles of local characters -- flourished between 1830 and 1860. The genre's popularity and influence can be traced in the works of major southern writers such as William Faulkner, Erskine Caldwell, Eudora Welty, Flannery O'Connor, and Harry Crews, as well as in contemporary popular culture focusing on the rural South. This collection of essays includes some of the past twenty five years' best writing on the subject, as well as ten new works bringing fresh insights and original approaches to the subject. A number of the essays focus on well known humorists such as Augustus Baldwin Longstreet, Johnson Jones Hooper, William Tappan Thompson, and George Washington Harris, all of whom have long been recognized as key figures in Southwestern humor. Other chapters examine the origins of this early humor, in particular selected poems of William Henry Timrod and Washington Irving's "The Legend of Sleepy Hollow," which anticipate the subject matter, character types, structural elements, and motifs that would become part of the Southwestern tradition. Renditions of "Sleepy Hollow" were later echoed in sketches by William Tappan Thompson, Joseph Beckman Cobb, Orlando Benedict Mayer, Francis James Robinson, and William Gilmore Simms. Several essays

also explore antebellum southern humor in the context of race and gender. This literary legacy left an indelible mark on the works of later writers such as Mark Twain and William Faulkner, whose works in a comic vein reflect affinities and connections to the rich lode of materials initially popularized by the Southwestern humorists.

Civil War Eyewitnesses

The world's most comprehensive, well documented, and well illustrated book on this subject. With extensive subject and geographical index. 115 photographs and illustrations - many color. Free of charge in digital PDF format.

Annotated Bibliography of Southern American English

Fully annotated and completely updated—the most comprehensive guide to reference books in the field of history. Reference Sources in History catalogs atlases, encyclopedias, dictionaries, handbooks, sourcebooks, bibliographies, and chronologies and makes sense of it all. Its broad scope and systematic organization make it an accessible, reliable resource for experienced and inexperienced researchers alike. Fully annotated and updated, the new edition summarizes hundreds of reference works on every conceivable subject in history—from ancient to modern, from Afghanistan to Zimbabwe. This edition also reflects the dramatic impact of the digital revolution on historical research by integrating a wide range of Internet and CD-ROM sources. Reference Sources in History is a time-saving alternative to searching the reference stacks or getting lost in an online thicket of dubious historical websites.

History of Soybeans and Soyfoods in Alabama:

Providing expert analysis of government and politics in all 50 states and the U.S. territories, this innovative two-volume reference fills the critical need for information and analysis of the roles and functions of state government through accessible state-by-state and regional overviews of government and politics.

First Steps in North Carolina History

When the Handbook for Research in American History was first published, reviewers called it "an excellent tool for historians of all interests and levels of experience . . . simple to use, and concisely worded" (Western Historical Quarterly) and "an excellent work that fulfills its title in being portable yet well-filled" (Reference Reviews). The Journal of American History added, "It is not easy to produce a reference work that is utilitarian and enriching and does not duplicate existing works. Professor Prucha has done the job very well." This second, revised edition takes account of the revolution that is occurring in bibliographic science as printed reference works extend to electronic databases, CD-ROMs, and online networks such as the Internet. Focusing on and expanding the major section of the original Handbook, it provides information on traditional printed works, describes new guides and updated versions of old ones, notes the availability of reference works and of some full-text sources in electronic form, and discusses the usefulness to researchers of different kinds of material and the forms in which they are available. Extensive cross-referencing and a detailed index that includes authors, subjects, and titles enhance the book's usefulness.

Black/white Relations in American History

Subtitle; The role played by the scientific societies; scientific journals; natural history museums and botanic gardens; state geological and natural history surveys; federal exploring expeditions in the rise and progress of American botany, geology, mineralogy, palentology and zoology.

Early History of Soybeans and Soyfoods Worldwide (1915-1923)

History of Soybeans and Soyfoods in Indiana (1856-2021)
