Find out more here

English File - Beginner

Balanced, integrated-skills syllabus with clear grammar focus Grammar, vocabulary, skills work, and Everyday English in every unit 14 units (6 or 8 pages long) Reference material - tapescripts, grammar, word lists, pairwork, irregular verbs, and phonetic symbols

New Headway: Beginner Third Edition: Student's Book

Still the world's most trusted adult English course - American Headway Third Edition combines a perfectly-balanced syllabus with more conversation, assessment and digital teaching and learning resources than ever before.

American Headway

Aimed at absolute beginners, this title provides a measured, step-by-step approach that aims to build both skills and confidence. It contains a mix of language work and many practice material that help learners to consolidate their knowledge of key points before proceeding further. The vocabulary syllabus focuses on high-frequency survival terms.

New Headway English Course

This completely revised International Express, with 100% new material, meets all the practical language needs of adult professional learners. The series retains the popular student-centred approach and strong communicative focus, while adding a range of new features. The Student's Book and Workbook are now combined, and every unit is supported by stunning new video footage, bringing the outside world into the classroom.

NEW HEADWAY PLUS INTERMEDIATE WORKBOOK WITH KEY AND AUDIO CDS.

Providing a foundation in the structure of the language by gradually building students' understanding of the basic grammar, vocabulary, and functions of English.

New Headway: Elementary Fourth Edition: Student's Book and iTutor Pack

Notes with hints, suggestions, and 'possible problems' feature Photocopiable activities for every unit. Answers to Grammar Reference exercises from the Student's Book Teacher's Resource Disc.

International Express - Beginner

The long-awaited, totally new edition of the Advanced level, providing a real challenge and stimulus for Advanced learners.

American Headway 1

Expanding vital core grammar in exploratory language focus sections, this title includes texts from a variety of sources that aim to provide the rich vocabulary input that learners need at this level.

New Headway: Intermediate Fourth Edition: Teacher's Book + Teacher's Resource Disc

The first four levels of a new video series to accompany the New Headway. It can be used as an additional component to the New Headway, or as a supplement to any course at the appropriate level. Key Features Each level consists of six self-contained comedy stories looking at the lives and misadventures of four people in their twenties who share a house. The syllabus is closely linked to the New Headway. Each episode provides a natural context to consolidate the grammatical, functional and lexical areas covered by the course, and to develop listening skills. Key language is controlled and contextualized throughout. Each episode provides clear grammar and functional language, with an emphasis on developing communicative skills. The video is supported by an Activity Book for students and a Video Guide for teachers. Teacher's Book Teaching notes for each episode Help on using video in the classroom Cultural information Optional activities Answers to exercises where appropriate

New Headway

90% new, with refreshed content and new features.

New Headway

Smart leaders know that they would greatly increase productivity and innovation if only they could get everyone fully engaged. So do professors, facilitators and all changemakers. The challenge is how. Liberating Structures are novel, practical and no-nonsense methods to help you accomplish this goal with groups of any size. Prepare to be surprised by how simple and easy they are for anyone to use. This book shows you how with detailed descriptions for putting them into practice plus tips on how to get started and traps to avoid. It takes the design and facilitation methods experts use and puts them within reach of anyone in any organization or initiative, from the frontline to the C-suite. Part One: The Hidden Structure of Engagement will ground you with the conceptual framework and vocabulary of Liberating Structures. It contrasts Liberating Structures with conventional methods and shows the benefits of using them to transform the way people collaborate, learn, and discover solutions together. Part Two: Getting Started and Beyond offers guidelines for experimenting in a wide range of applications from small group interactions to system-wide initiatives: meetings, projects, problem solving, change initiatives, product launches, strategy development, etc. Part Three: Stories from the Field illustrates the endless possibilities Liberating Structures offer with stories from users around the world, in all types of organizations -- from healthcare to academic to military to global business enterprises, from judicial and legislative environments to R&D. Part Four: The Field Guide for Including, Engaging, and Unleashing Everyone describes how to use each of the 33 Liberating Structures with step-by-step explanations of what to do and what to expect. Discover today what Liberating Structures can do for you, without expensive investments, complicated training, or difficult restructuring. Liberate everyone's contributions -- all it takes is the determination to experiment.

Find out more here

American Headway

General English for University Students is a book which helps to learn General English or Basic English for non English Department/Major students at university level. This book comprises six units which start from Hello World to Daily Routines. It can be used for 12 until 14 meetings in a semester. Furthermore, each unit can be taught for 2 until 3 meetings. It is because each unit comprises many sub-units including objectives, reading, vocabulary, grammar focus, writing, exercise, and speaking. This book is designed to be more practical rather than theoretical. There are several reading texts for each unit. The reading texts have been adapted to Indonesian culture and norms. There are also many exercises to deepen students' knowledge and skills. Useful phrases, meaningful words, and grammar focus are provided to maximize students' language input. In addition, writing and speaking are available to train students' productive skills. Finally, the author hopes that this book can bring many advantages for lecturers and students especially.

Headway

This edited volume provides detailed analyses of multifunctional forms in English and offers hands-on approaches exemplifying relevant implications and useful applications to language and literacy educators in TESOL, ESL/EFL/EAL and research students in applied linguistics and education. The chapters cover: The multifunctionality of utterances in spoken and multimodal corpora, the multifunctionality of linguistic creativity in different genres, multifunctional pronouns in hard and soft sciences, and professional discourse in the university and secondary school contexts. The volume also offers a comparison of the multifunctionality of verbs between ESL textbooks, native written and spoken English corpora, and between ESL and L1 university students in writing a particular genre; comparisons of the multifunctionality of discourse markers between different registers and between L1 and L2 English speakers, as well as multifunctional metadiscourse markers in different disciplines and paradigms. With detailed analysis of authentic corpus data representing different varieties of English, specialized use in different contexts and disciplines, and practical teaching and learning applications, the volume bridges theory and practice, providing a creatively designed resource for students, educators and researchers looking to understand multifunctional forms in English.

Words Are Important

Backpacker brings the outdoors straight to the reader's doorstep, inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, Backpacker is the world's first GPS-enabled magazine, and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. Backpacker's Editors' Choice Awards, an industry honor recognizing design, feature and product innovation, has become the gold standard against which all other outdoor-industry awards are measured.

Children's Books in Print

This comprehensive report focuses on the fact that millions of people in poor countries remain uneducated and illiterate - which prevents them from developing the skills they need to escape poverty. The book looks at the underlying causes of the problem and sets out a clear agenda for reform.

Books in Print

In *Bach's Testament: On the Philosophical and Theological Background of The Art of Fugue*, Göncz probes the philosophic-theological background of *The Art of Fugue*, revealing the special structures that supported the 1993 reconstruction. *Bach's Testament* investigates the reconstruction's metaphysical dimensions, focusing on the quadruple fugue. As a summary of Zoltán Göncz's extensive research over many years, which resulted in the completion of the fugue, this work explores the complex combinatorial, philosophical and theological considerations that inform its structure. *Bach's Testament* is ideally suited not only to Bach scholars and musicologists but also intellectual historians with particular interests in 18th-century religious and philosophical ideas.

Paperbound Books in Print

As a result of his visits to classrooms across the nation, Brown has compiled an engaging, thought-provoking collection of classroom vignettes which show the ways in which national, state, and local school politics translate into changed classroom practices. "Captures the breadth, depth, and urgency of education reform".--Bill Clinton.

Children's Books In Print 1998

This indispensable manual provides a comprehensive guide to one-on-one instruction for struggling readers in grades 1 to 3. The book addresses the "hows," "whats," and "whys" of setting up a volunteer or professional tutoring program, supplies assessment guidelines and reproducible forms, and presents in-depth case studies that demonstrate the nuts and bolts of tutoring three children at different stages of early literacy over an entire school year. Case study chapters offer clear descriptions of lesson

plans, instructional activities, and informal assessment procedures, illustrated with realistic examples of student work.

Paperbound Books for Young People

The Nighantus are the glossaries or lists of rare and obscure words occurring in the Vedic hymns. According to Yaska they were collected and classified by the descendants of ancient sages for the easier understanding of the Vedic texts. The Nirukta is a famous work of Yaska. It is the oldest Indian Treatise on Etymology, Philology and Semantics. This being a commentary on the Nighantus, collection of obscure words which tradition ascribes also to Yaska, follows the three-fold division of the contents of the Nighantus. There are three sections in the Nirukta, viz., Naighantuka Kada (consisting of lists in which Vedic words are collected under certain main ideas), Naigama Kanda or Aikapadika (containing a list of ambiguous and particularly difficult words of the Vedas) and Daivata- Kanda (classification of deities according to the three regions: earth, sky and heaven). The book is divided into three parts. These contain Introduction, Translation and Sanskrit Text, accompanied by exegetical and critical Notes, Indices and Appendices.

Books in Print Supplement

The Nighatus are the glossaries or lists or rare and obscure words occurring in the Vedic hymns. According to Yaska they were collected and classified by the descendants of ancient sages for the easier understanding of the Vedic texts. The Nirukta is a famous work of Yaska. It is the oldest Indian Treatise on Etymology, Philology and Semantics. This being a commentary on the Nighantus collection of obscure words which tradition ascribes also to Yaska, follows the three-fold division of the contents of the Nighantus.

Subject Guide to Books in Print

Hepatitis, the leading indication for liver transplantation, is a straight-forward disease when it comes to diagnosis: it is a disease of pathology and is diagnosed by liver biopsy, with the result being either positive or negative. There is only one effective treatment: interferons. Nonetheless, new interferons are appearing on the market and Drs Foster and Goldin examine the use of each of these in the management of chronically infected patients. The authors have written a succinct, highly illustrated text for all those interested in the management of viral hepatitis.

The Oxfam Education Report

While Embodied Cognition has now been accepted as mainstream in Cognitive Science, the study of its potential contribution to understanding child development and ageing, as well as its potential applications, is still in its infancy. This collection of articles explores the contribution of Embodied Cognition to

studying the lifespan and potential applied fields. The contributions are theoretical and empirical and offer an important framework for future research and its applications.
