"Mum says it's for our own protection. London's just getting too dangerous." It's 1941. Hitler's ruthless Luftwaffe has already started its deadly bombing raids across London. So, when cousins Sam and Lily are evacuated north to a sleepy seaside hamlet, they hope that they'll find safety. Instead, the two children encounter local hostility, a shifty character sending messages in a secretive code, and a treacherous plot. Can Sam, Lily and their new friends crack the code before hundreds are killed? "Introductions!" the man said with a kind smile. "I am King Enk, this is my kingdom – and you," he added with a flash of his dark eyes, "you are the one we have been waiting for, Cole." For as long as Cole can remember, he has always seemed very unimpressive next to his brother and sister. However, when a trip to his grandma's ancient house turns into the adventure of a lifetime, he is given a choice which makes him question everything that he thought he wanted. Hurlled into a strange place where even stranger creatures dwell and fierce powers are at play, Cole must find out where his own talents lie and

put them to good use before time runs out. Follow Cole through the mousehole into Deriuss: a land where all you need is a little belief in yourself to unlock a world of magic. "Is it real?" asked Gabi. "I've never seen anything like it," said Nakeisha. "Am I going crazy or is that thing moving?" asked Faizal. "It's moving," Jacob confirmed, mesmerised. The Jurassic Coast is famous for its fossils of prehistoric creatures and, when Jacob and his friends aren't playing their favourite online game, he loves to explore the cliffs and beaches surrounding their village. One day, though, the four friends stumble upon something the likes of which the village – and the world – has never seen before. Can they keep their discovery a secret long enough to find it a safe home? Follow Jacob, Gabi, Nakeisha and Faizal as they learn an important lesson about trust and friendship, and make an unusual new friend along the way. Enriching ESOL Pedagogy: Readings and Activities for Engagement, Reflection, and Inquiry is a collection of thought-provoking articles and activities designed to engage practicing and prospective ESOL teachers in an ongoing process of reflecting on, critically examining, and investigating theory and practice. Its twofold purpose is to provide a theoretical perspective and to offer ways for making the teaching of English to speakers of other languages (ESOL) meaningful for both teachers and learners. Underlying the activities and the readings themselves is the assumption that teachers need to play a role in exploring, shaping, and theorizing the work they do. The readings included represent a range of genres. They are informed by a common philosophical perspective about language acquisition and treat language teaching and learning holistically. The book is organized into five integrated units that: * raise questions about conventional notions of methods; * take into account the complicated nature of real classrooms; * provide theoretical principles for teaching that promotes language acquisition; * include rich descriptions of actual classroom experiences; and * question assumptions about language and literacy. Each set of readings begin with a "Before Reading" section and is followed by "Reflecting on the Readings," "Reading for Further Reflection," and "Suggested Projects for Inquiry" sections. This volume is a valuable resource for practicing and prospective teachers in the field of TESOL who work with diverse student populations--at all levels--in both mainstream and ESL/bilingual settings.
