The Front Row

Anupama Chopra's The Front Row hosted some of the biggest names from Bollywood, Hollywood and world cinema. There were candid, intelligent discussions on stardom, craft, fame, relationships, work-life balance and much more. The Front Row broke the mould of the celebrity chat show, reflecting instead the thoughtful, straight-talking nature of the host herself. It brought to bear on the conversations Chopra's own deep understanding of cinema and of the world behind it. This book is a selection of the

very best of The Front Row. From Salman Khan to Madhuri Dixit, Priyanka Chopra to Nicole Kidman, Raju Hirani to Rohit Shetty, they are all here. The insightful discussions range from the Rs 100-crore club, supporting actors and villains in Hindi cinema, to the making of some of the most celebrated movies in recent times. While Ang Lee talks about surrendering to the movie god, Amitabh Bachchan discusses what it is like to be called God. If Aamir Khan owns up to how Satyamev Jayate changed him as a person, Shah Rukh Khan talks about what it is like to be 'just an employee of the Shah Rukh Khan myth'. Johnny Depp reacts to Tim Burton's verse about him - 'There was a young man, people thought he was handsome, so he tied up his face and held it to ransom' - Martin Scorsese wrestles with the question of how a film-maker can combine artistic integrity with commercial success, and Spielberg acknowledges how he 'wouldn't know how to make a Martin Scorsese movie' and how that makes him sad. Engaging, penetrating and great fun, The Front Row: Conversations on Cinema is essential reading for all movie buffs.

Freeze Frame

Freeze Frame is a book of conversations with film people, actors, directors, writers, producers. These interviews, conducted between 2007 and 2011, by author and film critic, Anupama Chopra, capture a place and a time. They offer an insight into the magic and madness of making movies; the heartache and malice of the business; the craft, creativity and inevitable compromises of cinema. "I never thought about why people love me so much. I won't think about why people hate me now." Shah Rukh Khan "Not every Bollywood film is perfect and some people say, 'Oh, it is so ridiculous.' I say, yes, like Shakespeare is ridiculous. Like human beings are ridiculous. Ridiculous not meaning idiotic. Ridiculous meaning, not necessarily a reflection of realism." Baz Luhrmann Anupama Chopra is an award-winning author and film critic. She has hosted popular review shows on television and written extensively about cinema. Her articles have been published in India Today, The New York Times, Los Angeles Times, Variety, Sight & Sound and Vogue India. Her first book, *Sholay: The Making of a Classic* won the 2001 National Award for Best Book on Cinema. She has also authored *Dilwale Dulhania Le Jayenge (The Brave-hearted Will Take The Bride)* (2002) published by the British Film Institute as part of their Modern Classics Series; *King of Bollywood: Shah Rukh Khan and the Seductive World of Indian Cinema*, and *First Day First Show: Writings from the Bollywood Trenches*, a compilation of her articles on Hindi cinema over two decades. She lives and works in Mumbai. Key Features: Based on 'Picture This', an NDTV film-based programme Interviews by well-known film journalist and author, Anupama Chopra, Amitabh Bacchan, Shah Rukh Khan, Anurag Kashyap, Aamir Khan, Farhan Khan, amongst others, speak of their vision and experience of cinema. Interviews of internationally renowned cinema personalities like Tom Hanks, Werner Herzog, Luc Besson, Baz Luhrmann, as well Worldwide readership/market Cinema buffs, directors, actors, film historians, artists, teachers and students of film studies, special-edition collectors, libraries, museums, cultural and educational institutions, general-trade readers.

A Place in My Heart is a many-splendored thing. It is a listicle. It is a celebration of the power of storytelling. It is also an account of a life lived in the Bollywood trenches. National Award-winning author, journalist and film critic Anupama Chopra writes about fifty films, artistes and events that have left an indelible impression on her and shaped her twenty-five-year-long career. Shah Rukh Khan is here. So are Super Deluxe and the Cannes Film Festival. A Place in My Heart is a blend of recommendations and remembrances, nostalgia and narratives. It is a smorgasbord of cinematic delights, written, as Marie Kondo would say, to 'spark joy.' Above all, it is a testament to Chopra's enduring love for all things cinema.

A Place in My Heart

Dilwale Dulhania Le Jayenge ('The Brave-hearted Will Take the Bride'), universally known as DDLJ, opened to huge popular acclaim in India in 1995. This work points out that it is a paradoxical film which affirms old-fashioned values of pre-marital chastity and family authority, affirming the idea that Westernization need not affect an essential Indian identity.

Dilwale Dulhania le Jayenge: (The Brave-Hearted Will Take the Bride)

Here is the astonishing true story of Bollywood, a sweeping portrait about a country finding its identity, a movie industry that changed the face of India, and one man's struggle to become a star. Shah Rukh Khan's larger than life tale takes us through the colorful and idiosyncratic Bollywood movie industry,

where fantastic dreams and outrageous obsessions share the spotlight with extortion, murder, and corruption. Shah Rukh Khan broke into this \$1.5 billion business despite the fact that it has always been controlled by a handful of legendary film families and sometimes funded by black market money. As a Muslim in a Hindu majority nation, exulting in classic Indian cultural values, Shah Rukh Khan has come to embody the aspirations and contradictions of a complicated culture tumbling headlong into American style capitalism. His story is the mirror to view the greater Indian story and the underbelly of the culture of Bollywood. "A bounty for cinema lovers everywhere." -- Mira Nair, Director, *The Namesake* and *Monsoon Wedding* "King of Bollywood is the all-singing, all-dancing back stage pass to Bollywood. Anupama Chopra chronicles the political and cultural story of India with finesse and insight, through fly-on-wall access to one of its biggest, most charming and charismatic stars." -- Gurinder Chadha, director of *Bend it Like Beckham* "The "Easy Rider Raging Bull" of the Bollywood industry and essential reading for any Shah Rukh Khan fan." --Emma Thompson, actress "Anu Chopra infuses the pivotal moments of Shah Rukh Khan's life with an edge-of-your-seat tension worthy of the best Bollywood blockbusters." -- Kirkus

King of Bollywood

The longest-running film ever. The coming-of-age of Indian cinema's all-time superstar, Shah Rukh Khan. The template for what we now know as Bollywood cinema. *Dilwale Dulhania Le Jayenge*, playing continuously for twenty years (and counting) in a Mumbai theatre, heralded a new era in Hindi films. Heck, even Barack Obama referenced it in one of his speeches. One of the earliest contemporary Hindi films to focus on Indian residents abroad, *DDLJ* addressed a newly liberalized nation with its heady cocktail of European locations, flashy cars and gorgeous mansions. It was also - perhaps not quite surprisingly - a conformist film, upholding traditions of premarital chastity and family authority, affirming an essential 'Indian' identity in the face of the forces of westernization and liberalization. Critic, author and analyst Anupama Chopra's *Dilwale Dulhania Le Jayenge: A Modern Classic* is a deep dive into the movie, examining the making of it as well as the impact it had on popular culture and Hindi cinema. A loving tribute to an iconic film, this book is the definitive account of a Bollywood - indeed, Indian - phenomenon.

Dilwale Dulhania Le Jayenge

National Award Winner: 'Best Book On Film' Year 2000. Film Journalist Anupama Chopra Tells The Fascinating Story Of How A Four-Line Idea Grew To Become The Greatest Blockbuster Of Indian Cinema. Starting With The Tricky Process Of Casting, Moving On To The Actual Filming Over Two Years In A Barren, Rocky Landscape, And Finally The First Weeks After The Film'S Release When The Audience Stayed Away And The Trade Declared It A Flop, This Is A Story As Dramatic And Entertaining As *Sholay* Itself. With The Skill Of A Consummate Storyteller, Anupama Chopra Describes Amitabh Bachchan'S Struggle To Convince The Sippys To Choose Him, An Actor With Ten Flops Behind Him, Over The Flamboyant Shatrughan Sinha; The Last-Minute Confusion Over Dates That Led To Danny Dengzongpa'S Exit From The Film, Handing The Role Of Gabbar Singh To Amjad Khan; And The Budding Romance Between Hema Malini And Dharmendra During The Shooting That Made The Spot Boys Some Extra Money And Almost Killed Amitabh.

Sholay

For more than a hundred years now, Indians have watched movies made in the subcontinent, sung the songs and gossiped about the stars. Bollywood has been a pion, a popular tradition and a shared national conversation. In recent decades, as India has experienced economic and social change, both the film industry and the entertainment it produces have transformed themselves as well. *First Day First Show* is Anupama Chopra's guide to this dazzling world of lights, cameras and stars but also to its shadowing darkness. She takes us into the lives of the stars and into the struggles of those who never make it to centre stage; she lets us participate in the making of legendary hits like *Sholay* and *Dilwale Dulhaniya Le Jayenge* and also the hard-won successes of independent film-makers; she shows us the glamour as well as the murky links with the underworld. There is also the odd story of the royal bodyguard of Bhutan who became a scriptwriter; of the embarred Pakistani soldiers at Wagah border who did not allow their favourite Indian superstars to shoot.

Dilwale Dulhania Le Jayenge, Which Opened To Huge Popular Acclaim In 1995, Has Since Become The Longest-Running Film In The History Of Indian Cinema. Directed By First-Time Film-Maker Aditya Chopra, Ddlj Was One Of The Earliest Contemporary Hindi Films To Focus On Indian Residents Abroad. The Film Is A Heady Cocktail Of European Locations, Flashy Cars, Gorgeous Mansions And The Hearty, Rustic Traditions Of Punjab. It Has Spawned Numerous Imitations And Epitomizes Popular Indian Cinema Today. But, As Anupama Chopra Points Out, It S A Surprising Film In That It Upholds Old-Fashioned Values Of Premarital Chastity And Family Authority. Whereas The Lobbers Of A Previous Generation Might Have Attempted To Flee From Their Interfering Families, Ddlj S Lovers Need The Approval Of Their Elders. The Film Thus Affirms The Idea That Westernization Need Not Affect An Essentially Indian Identity. Having Conducted In-Depth Interviews With The Film-Makers, Chopra Gives Us The Definite Account Of A Bollywood Phenomenon. Anupama Chopra Is A Special Correspondent With The India Today. She Is The Author Of Sholay: The Making Of A Classic (2000), Which Won The Prestigious National Award For The Year S Best Book On Indian Cinema

In Conversation with the Stars

In this book, film scholars, anthropologists, and critics discuss star-making in the contemporary Hindi-language film industry in India, also known as “Bollywood.” Drawing on theories of stardom, globalization, transnationalism, gender, and new media studies, the chapters explore contemporary Hindi film celebrity. With the rise of social media and India’s increased engagement in the global economy, Hindi film stars are forging their identities not just through their on-screen images and magazine and advertising appearances, but also through an array of media platforms, product endorsements, setting fashion trends, and involvement in social causes. Focusing on some of the best-known Indian stars since the late 1990s, the book discusses the multiplying avenues for forging a star identity, the strategies industry outsiders adopt to become stars, and the contradictions and conflicts that such star-making produces. It addresses questions such as: What traits of contemporary stars have contributed most to longevity and success in the industry? How has filmmaking technology and practice altered the nature of stardom? How has the manufacture of celebrity altered with the recent appearance of commodity culture in India and the rise of a hyper-connected global economy? By doing so, it describes a distinct moment in India and in the world in which stars and stardom are drawn more closely than ever into the vital events of global culture. Hindi films and their stars are part of the national and global entertainment circuits that are bigger and more competitive than ever. As such, this is a timely book creates opportunities for examining stardom in other industries and provides fruitful cross-cultural perspectives on star identities today. "Grounded in rigorous scholarship as well as a palpable love of Hindi cinema, this collection of 19 essays on a dizzying array of contemporary Hindi film stars makes for an informative, thought-provoking, illuminating, and most of all, a joyful read. Pushing boundaries of not only global Star Studies but also film theory as a whole, this de-colonised and de-colonising volume is a must read for film scholars, students and cinephiles!" Dr. Sunny Singh, Senior Lecturer - Creative Writing and English Literature, Sir John Cass School of Art, Architecture & Design, London Metropolitan University "A wide-ranging overview of Hindi cinema’s filmi firmament today, focussing on its most intriguing and brightest-burning stars. The variety of approaches to stardom and celebrity by both established and upcoming scholars reveals a web of interconnecting stories and concerns that provide fascinating new insights into the workings of today's Hindi film industry, while shining fresh light on contemporary India and the world we live in." Professor Rosie Thomas, Centre for Research and Education in Arts and Media (CREAM), College of Design, Creative and Digital Industries, University of Westminster

Dilwale Dulhania Le Jayenge

An authentic, heartfelt and compelling narrative – straight from the horse's mouth – that reveals for the first time numerous unknown aspects of the life and times of one of the greatest legends of all time who stands out as a symbol of secular India. Dilip Kumar (born as Yousuf Khan), who began as a diffident novice in Hindi cinema in the early 1940s, went on to attain the pinnacle of stardom within a short time. He came up with spellbinding performances in one hit film after another – in his almost six-decade-long career – on the basis of his innovative capability, determination, hard work and never-say-die attitude. In this unique volume, Dilip Kumar traces his journey right from his birth to the present. In the process, he candidly recounts his interactions and relationships with a wide variety of people not only from his family and the film fraternity but also from other walks of life, including politicians. While seeking to set the record straight, as he feels that a lot of what has been written about him so far is 'full of distortions and misinformation', he narrates, in graphic detail, how he got married to Saira Banu, which reads like a fairy tale! Dilip Kumar relates, matter-of-factly, the event that changed his life: his meeting with Devika Rani, the boss of Bombay Talkies, when she offered him an acting job. His first film was *Jwar Bhata* (1944). He details how he had to learn everything from scratch and how he had to develop his own distinct histrionics and style, which would set him apart from his contemporaries. After that, he soon soared to great heights with movies such as *Jugnu*, *Shaheed*, *Mela*, *Andaz*, *Deedar*, *Daag* and *Devdas*. In these movies he played the tragedian with such intensity that his psyche was adversely affected. He consulted a British psychiatrist, who advised him to switch over to comedy. The result was spectacular performances in laugh riots such as *Azaad* and *Kohinoor*, apart from a scintillating portrayal as a gritty tonga driver in *Naya Daur*. After a five-year break he started his 'second innings' with *Kranti* (1981), after which he appeared in a series of hits such as *Vidhaata*, *Shakti*, *Mashaal*, *Karma*, *Saudagar* and *Qila*.

Stardom in Contemporary Hindi Cinema

A wide-ranging analysis of modern South Korean cinema.

Bollywood and Globalization

This book presents a feminist mapping of the articulation and suppression of female desire in Hindi films, which comprise one of modern India's most popular cultural narratives. It explores the lineament of evil and the corresponding closure of chastisement or domesticity that appear as necessary conditions for the representation of subversive female desire. The term 'bad' is used heuristically, and not as a moral or essential category, to examine some of the iconic disruptive women of Hindi cinema and to uncover the nexus between patriarchy and other hierarchies, such as class, caste and religion in these representations. The twenty-one essays examine the politics of female desire/s from the 1930s to the present day - both through in-depth analyses of single films and by tracing the typologies in multiple films. The essays are divided into five sections indicating the various gendered desires and rebellions that patriarchal society seeks to police, silence and domesticate.

India Today International

The book is a detailed and wonderful study on the Offbeat cinema in India. The author through the title says that the offbeat genre, more than the mainstream, truly reflects the conscience of the Indian people.

The Official Dictionary of Unofficial English

This book examines the phenomenon of prime time soap operas on Indian television. An anthropological insight into social issues and practices of contemporary India through the television, this volume analyzes the production of soaps within India's cultural fabric. It deconstructs themes and issues surrounding the "everyday" and the "middle class" through the fiction of the "popular". In its second edition, this still remains the only book to examine prime time soap operas on Indian television. Without in any way changing the central arguments of the first edition, it adds an essential introductory chapter tracking the tectonic shifts in the Indian "mediascape" over the past decade – including how the explosion of regional language channels and an era of multiple screens have changed soap viewing forever. Meticulously researched and persuasively argued, the book traces how prime time soaps in India still grab the maximum eyeballs and remain the biggest earners for TV channels. The book will be of interest to students of anthropology and sociology, media and cultural studies, visual culture studies, gender and family studies, and also Asian studies in general. It is also an important resource for media producers, both in content production and television channels, as well as for the general reader.

World-famous economist, Lord Meghnad Desai writes on his film idol, Dilip Kumar, with insights into the socio-economic changes in India that mirror the actor's career.

Rabbit Hole (movie tie-in)

Since its release on September 1, 2006, Lage Raho Munna Bhai has been watched by millions, broken box-office records, won unprecedented praise from the masses and critics alike, and most importantly, forced a nation of one billion people and the world's largest democracy to revisit their much misunderstood icon, Mahatma Gandhi. Following the release of the film, there has been a four hundred percent increase in the sale of literature about Gandhi. Schools and universities have introduced courses on Gandhigiri - a phrase from the film that has become a part of India's collective consciousness. Websites, fan clubs, discussion forums, and citizen groups have sprung across the nation to discuss the film's

unique ideas. The Washington Post called the film, “A phenomenon that made Gandhi a pop icon.” Amazingly, the movie that has inspired such an astonishing response is an unassuming comedy. A gangster has hallucinations that he can see Gandhi! With this simple premise, the movie explores the relevance of Gandhian ideals in the contemporary world beleaguered by violence and hate, while never forgetting to be, as The Guardian points out, “A magnificent entertainment.”

Sura's Year Book 2006 (English)

From the cinema to the recording studio to public festival grounds, the range and sonic richness of Indian cultures can be heard across the subcontinent. Sound articulates communal difference and embodies specific identities for multiple publics. This diversity of sounds has been and continues to be crucial to the ideological construction of a unifying postcolonial Indian nation-state. Indian Sound Cultures, Indian Sound Citizenship addresses the multifaceted roles sound plays in Indian cultures and media, and enacts a sonic turn in South Asian Studies by understanding sound in its own social and cultural contexts. “Scapes, Sites, and Circulations” considers the spatial and circulatory ways in which sound “happens” in and around Indian sound cultures, including diasporic cultures. “Voice” emphasizes voices that embody a variety of struggles and ambiguities, particularly around gender and performance. Finally, “Cinema Sound” make specific arguments about film sound in the Indian context, from the earliest days of talkie technology to contemporary Hindi films and experimental art installations. Integrating interdisciplinary scholarship at the nexus of sound studies and South Asian Studies by questions of nation/nationalism, postcolonialism, cinema, and popular culture in India, Indian Sound Cultures, Indian Sound Citizenship offers fresh and sophisticated approaches to the sonic world of the subcontinent.

Star Dust

The release of No Time To Die in 2021 heralds the arrival of the twenty-fifth installment in the James Bond film series. Since the release of Dr. No in 1962, the cinematic James Bond has expedited the transformation of Ian Fleming's literary creation into an icon of western popular culture that has captivated audiences across the globe by transcending barriers of ideology, nation, empire, gender, race, ethnicity, and generation. The Cultural Life of James Bond: Specters of 007 untangles the seemingly perpetual allure of the Bond phenomenon by looking at the non-canonical texts and contexts that encompass the cultural life of James Bond. Chronicling the evolution of the British secret agent over half a century of political, social, and cultural permutations, the fifteen chapters examine the Bond-brand beyond the film series and across media platforms while understanding these ancillary texts and contexts as sites of negotiation with the Eon franchise.
