The Penny Pinchers Club

When Kat discovers that her husband, Griff, has been hiding a secret bank account, her joyful consumerism suddenly loses its appeal. Are their fights about money more serious than she understood? Is he, as her friends suggest, preparing for a divorce? Just in case, Kat decides it's time to start saving and she joins an eclectic but lovable group of savers called the Penny Pinchers Club who teach her that saving time with family is as important as saving money. An irresistible and wonderfully warm-hearted novel about the unexpected ways hardship can lead to happiness.

The Penny Pinchers Club

Living in suburban New Jersey, Kat has a pretty serious retail habit. Now it looks like her husband Griff is having an affair...and setting up a secret bank account in preparation for a divorce. Suspecting her spending habits may be driving him away, Kat's determined to save her marriage by saving some money. But when her rich ex-fiancé turns up with a tempting bargain, she'll have to decide whether love conquers mall...

The Penny Pincher's Passport to Luxury Travel

Reveals the secrets of how to access a world of first class travel, and preferred customer status at a fraction of the usual cost regardless of your level of travel experience.

The Secret Lives of Fortunate Wives

After a whirlwind overseas romance, down-home girl Claire Stark has moved to her new husband's hometown, Hunting Hills, Ohio, where the men earn seven figures, the women wear size two, and if everything isn't absolutely perfect, you're expected to pretend it is.... But Claire's having trouble pretending. For one thing, John's previous girlfriend still lives here—and with all the bed-hopping in Hunting Hills, she may not be Claire's only potential rival. For another, Claire's constantly hearing vicious gossip—including rumors about herself. And though she also misses her reporting career, John isn't thrilled with the idea of her working at the local paper. She might just have to be satisfied mingling with the Hunting Hills moms, who like to borrow their daughters' Seven jeans and their sons' Ritalin. That is, until scandal threatens to shatter the stylish facade of this exclusive gated community—and behind the salon highlights and sunlamp tans, true colors start shining through....

Penny Pincher's Almanac

Every page of this frugal handbook is packed with dollar-stretching strategies to help you make the most of every cent you have. With this amazing collection of tightwad tactics, you'll learn how to: Beat the high cost of medicine and prescription drugs, Keep your home spotless at little or no cost (your friends will think you've hired a maid!), Find insider discount fares and tour packages and slash your vacation costs-no matter what the destination, Know the right time of month to buy that new car (or how to keep your old one in tiptop shape for minimal cost), Live the life of luxury with super bargains on home entertainment, sporting events, and theater, And much more! If you think you can't afford to live the good life, then you haven't seen the power of pinching your pennies! Book jacket.

National Consumer Directory

Two sisters, opposite in every way: twenty-eight-year-old Emily is a CFO of an internet start-up, twenty-three-year-old Jess is a graduate student in philosophy. Pragmatic Emily is making a fortune in Silicon Valley, romantic Jess works in an antiquarian bookstore. Emily's boyfriend is fantastically successful. Jess's boyfriend is an environmental activist. But the dot-com bubble must burst, while Jess's work on a cache of rare cookbooks uncovers strange erotic drawings and marginalia that bring her closer to their mysterious collector... Rich in ideas and characters, *The Cookbook Collector* is a novel of substitutions: reading cookbooks instead of cooking, speculating instead of creating, collecting instead of living. But above all it is about holding on to what is real in a virtual world: love that lasts.

All New Sophie Leavitt's Penny Pincher's Cookbook

A wickedly funny fairytale for modern women from the 'laugh-out-loud funny' (Washington Post Book World) author of *The Cinderella Pact*. Genie's commitment-phobic boyfriend is finally proposing-on national television. To the woman he's been seeing on the side. It's a major wake-up call for a girl who's hit the snooze button on her life a few too many times. With no names mentioned on the broadcast, Genie finds herself flooded with presents and congratulations. It's up to her to explain the mistake, but sometimes waking up is hard to do. When her parents start planning the reception, she can't help enjoying herself. Why call off the so-called engagement just yet? It's fun to play princess. But unless a prince shows up-and soon-this dream could start getting weird.

The Cookbook Collector

Provides easy-to-follow tips and tricks for conserving gasoline, from driving and maintenance tips and trip planning to what to look for when buying a new or used car.

The Sleeping Beauty Proposal

the book that broke the camel's back...And much more! Personal finances in college just became that much easier

365 Ways to Save Gas

The author offers a scholarly dissection of "chick lit" from a post-feminist perspective. She analyzes the novel Bridget Jones' Diary and the HBO series Sex and the City while making parallels back to writings of Jane Austen and the Victorian novel in general. She looks at what these works say about women in society and whether they are just an escape or a serious reflection of women's concerns.

A Penny Pincher's Guide to College

Sir Arthur Wellesley's 1808–1814 campaigns against Napoleon's forces in the Iberian Peninsula have drawn the attention of scholars and soldiers for two centuries. Yet, until now, no study has focused on the problems that Wellesley, later known as the Duke of Wellington, encountered on the home front before his eventual triumph beyond the Pyrenees. In Wellington's Two-Front War, Joshua Moon not only surveys Wellington's command of British forces against the French but also describes the battles Wellington fought in England—with an archaic military command structure, bureaucracy, and fickle public opinion. In this detailed and accessible account, Moon traces Wellington's command of British forces during the six years of warfare against the French. Almost immediately upon landing in Portugal in 1808, Wellington was hampered by his government's struggle to plan a strategy for victory. From that point on, Moon argues, the military's outdated promotion system, political maneuvering, and bureaucratic inertia—all subject to public opinion and a hostile press—thwarted Wellington's efforts, almost costing him the victory. Drawing on archival sources in the United Kingdom and at the United States Military Academy, Moon goes well beyond detailing military operations to delve into the larger effects of domestic policies, bureaucracy, and coalition building on strategy. Ultimately, Moon shows, the second front of Wellington's "two-front war" was as difficult as the better-known struggle against Napoleon's troops and harsh conditions abroad. As this book demonstrates, it was only through strategic vision and relentless determination that Wellington attained the hard-fought victory. Moon's multifaceted examination of the commander and his frustrations offers valuable insight into the complexities of fighting faraway battles under the scrutiny at home of government agencies and the press—issues still relevant today.

Chick Lit and Postfeminism

Jennifer Weiner, author of Good in Bed, In Her Shoes and the forthcoming Who Do You Love, explores the nuances of female friendship with relish... Addie Downs and Valerie Adler were eight when they first met and decided to be best friends forever. But, in the wake of tragedy and betrayal during their teenage years, everything changed. Val went on to fame and fortune. Addie stayed behind in their small Midwestern town. Destiny, however, had more in store for these two. And when, twenty-five years later, Val shows up at Addie's front door with blood on her coat and terror on her face, it is the start of a wild adventure for two women joined by love and history who find strength together that they could not find alone.

National 4-H Club News

A beginner's guide to step-by-step investing for all the sassy females who've ever wanted to take control of their finances! From penny-pinchers to free-(spirited!) spenders, this fun and engaging activity workbook allows women from all educational backgrounds to learn more about money and how to build a secure financial future. Too often, women rely on others to manage their finances. Whether it is their spouse or financial advisors, many find themselves in a complacent spot with their money. Worse, when money is sitting on the sidelines not earning anything, women are short-changing themselves on the potential to earn thousands over a lifetime. From education to execution, this colourful activity workbook takes women of all ages and life stages through the necessary steps to financial literacy and independence. It is meant to put the power back in the hands of all hardworking women, inspiring all to take a more active role in managing and saving their money. Gain confidence through education. Investing does not have to be intimidating.

Wellington's Two-Front War

Twenty-nine-year-old Rayann Germaine, betrayed by her lover, flees in grief and rage. She meets book store owner Louisa Thatcher, a woman many years her senior, who offers shelter and work... and soon, passion, and a loving place in her life. But Rayann encounters challenges to this new love—from friends who question its wisdom, from her mother who disapproves of this liaison with a woman her own contemporary, from Louisa's son who learns for the first time his mother's true sexuality. And there are profound differences between Rayann and Louisa themselves, two women who come from dramatically different places in the spectrum of age and life experience. Their only common ground seems to be the searing attraction that they both try to deny...

Best Friends Forever

From *Danger*, a savings expert and savvy shopper, comes this handbook for the best ways to save money at the grocery.

The Sassy Investor

When life gives you lemons, call your best girlfriends and whip up some lemon martinis. Such is the mantra for the Ladies' Society for the Conservation of Martinis, which is established after one fateful PTA meeting, when four young mothers discover they have more in common than they ever thought possible.

Touchwood

50 stylish projects from the aisles of the home improvement center *In Home* from the Hardware Store, artist and designer Stephen Antonson and his wife, Kathleen Hackett ply the aisles of the home improvement center and emerge with a host of ideas for clever, original decorative objects any interior designer would love. Antonson and Hackett cast their eyes on pedestrian materials—drain covers, cork matting, plumbing parts, light sockets, brass nails—and see lamps, wallpaper, table runners, side tables, even cuff links. Organized by decorating challenge, chapters include ideas for lighting, windows and walls, furniture, tabletop, and storage. Beautiful full-color photos, including how-to pictures along with clear, concise, yet friendly instructions, accompany every project. Sidebars and quick tips are scattered throughout, providing DIYers with gentle reminders and instructions for basic tool and equipment use. Design lovers, crafters, and penny pinchers alike will find much to inspire in *Home* from the Hardware Store.

A rare art history classic that *The New York Times* calls a “delightful, scholarly and gossipy romp through the character and conduct of artists from antiquity to the French Revolution.” *Born Under Saturn* is a classic work of scholarship written with a light and winning touch. Margot and Rudolf Wittkower explore the history of the familiar idea that artistic inspiration is a form of madness, a madness directly expressed in artists’ unhappy and eccentric lives. This idea of the alienated artist, the Wittkowers demonstrate, comes into its own in the Renaissance, as part of the new bid by visual artists to distinguish themselves from craftsmen, with whom they were then lumped together. Where the skilled artisan had worked under the sign of light-fingered Mercury, the ambitious artist identified himself with the mysterious and brooding Saturn. Alienation, in effect, was a rung by which artists sought to climb the social ladder. As to the reputed madness of artists—well, some have been as mad as hatters, some as tough-minded as the shrewdest businessmen, and many others wildly and willfully eccentric but hardly crazy. What is certain is that no book presents such a splendid compendium of information about artists’ lives, from the early Renaissance to the beginning of the Romantic era, as *Born Under Saturn*. The Wittkowers have read everything and have countless anecdotes to relate: about artists famous and infamous; about suicide, celibacy, wantonness, weird hobbies, and whatnot. These make *Born Under Saturn* a comprehensive, quirky, and endlessly diverting resource for students of history and lovers of the arts. “This book is fascinating to read because of the abundant quotations which bring to life so many remarkable individuals.”—*The New York Review of Books*

The first critical guide to the new genre of crunch lit surveys how contemporary writers have dealt with the 2008 financial crisis.

Kindred Spirits

NATIONAL BESTSELLER • In this witty and warm-hearted account, Peter Mayle tells what it is like to realize a long-cherished dream and actually move into a 200-year-old stone farmhouse in the remote country of the Lubéron with his wife and two large dogs. He endures January's frosty mistral as it comes howling down the Rhône Valley, discovers the secrets of goat racing through the middle of town, and delights in the glorious regional cuisine. *A Year in Provence* transports us into all the earthy pleasures of Provençal life and lets us live vicariously at a tempo governed by seasons, not by days.

United States Civil Aircraft Register

Lost in love and don't know much? Paul Feig knew even less... Like any other red-blooded, straight young man, Paul Feig spent much of his teenage years trying to solve the mystery of women. Unlike most red-blooded, straight teenage boys, however, Paul Feig was sadly at a considerable disadvantage. He was tall and gangly. He had a love for musical theater. And, perhaps the death knell for his burgeoning sex life, Paul was a tap dance student. (And we have the pictures to prove it—see the front cover.) Infused with the same witty and infectiously readable style of his first book, *Kick Me*, *Superstud* chronicles the trials and tribulations of Feig's young dating life with all the same excruciating detail as an on-air gastric bypass—and you just won't be able to tear yourself away. Feig's series of shudder-to-think but oddly familiar (come on—we've all been dumped by someone we didn't even like that much) anecdotes include: his first date, at an REO Speedwagon concert with the most endowed girl in school, who leaves him sitting next to a puddle of puke; his first breakup, accomplished by moving across the country; his mortifying date with his secretly bigoted girlfriend; his discovery of a new self-love technique that almost lands him in the hospital; and his less-than-idealistic "first time," which he nevertheless elevates to biblical proportions. In *Superstud*, Paul Feig tells all in a hilarious but true testament to geekdom, love, and growing up.

Home from the Hardware Store

An analysis of the investment approach of the world's top investors, showing how to achieve market-beating returns It is possible to beat the market. Taking this as a starting point, *Excess Returns* sets out to explore how exactly the most famous investors in the world have done it, year after year, sometimes by huge margins. *Excess Returns* is not a superficial survey of what investors have said about what they do. Rather, Frederik Vanhaverbeke applies a forensic analysis to hundreds of books, articles, letters and speeches made by dozens of top investors over the last century and synthesises his findings into a definitive blueprint of how exactly these investment legends have gone about their work. Among the legends whose work has been studied are Warren Buffett, Benjamin Graham, Anthony Bolton, Peter Lynch, Charles Munger, Joel Greenblatt, Seth Klarman, David Einhorn, Daniel Loeb, Lou Simpson, Prem Watsa and many more. Among the revealing insights, you will learn of the striking similarities in the craft of great investors, crucial subtleties in their methods that are ignored by many, and the unconscious errors investors commonly make and how these are counter to successful investing. Special attention is given to two often overlooked areas: effective investment philosophy and investment intelligence. The investing essentials covered include: • Finding bargain shares • Making a quantitative and qualitative business analysis • Valuation methods • Investing throughout the business cycle • Timing buy and sell decisions • And much, much more! *Excess Returns* is full of timeless and practical insights, presented in a unique style, to help investors focus on the most promising opportunities and lead the way to beating the market.

Born Under Saturn

Providing more than 50 fiction display descriptions, this book identifies themes for the entire year and includes titles for signage, annotated book lists, prop and material ideas, as well as photographs that show how to pull it all together. Proper library merchandising doesn't have to be prohibitively expensive, time-consuming, or constitute a huge headache. *Ready-Made Book Displays* explains the principles behind effective displays and presents a wide variety of ready-made book displays that can be easily replicated, providing catchy titles, materials and props lists, reproducible hand-outs, and photographs to guide librarians in quickly assembling successful displays. These display ideas can be utilized in several different venues—in-shelf, point-of-checkout, display case, and others—and can be targeted

to coincide with events, holidays, and celebrations, as well as for general book promotion. Each of the 55 fiction displays includes a prop idea list, a related Dewey subject list, media tie-ins, and an annotated and reproducible booklist. It's everything the busy librarian needs to create appealing, successful book displays—all contained in one handy guidebook.

The New York Times bestseller that gives “readers with an entrepreneurial turn of mind . . . road maps on how millionaires found their niches” (USA Today). The author of the blockbuster bestseller *The Millionaire Next Door: The Surprising Secrets of America's Wealthy* shows how self-made millionaires have surmounted shortcomings such as average intelligence by carefully choosing their careers, taking calculated risks, and living balanced lifestyles while maintaining their integrity. Dr. Thomas J. Stanley also builds on his research from *The Millionaire Next Door* and takes us further into the psyche of the American millionaire. Stanley focuses in on the top one percent of households in America and tells us the motor behind the engine; what makes them tick. His findings on how these families reached such financial success are based on in-depth surveys and interviews with more than thirteen hundred millionaires. “A very good book that deserves to be well read.” —The Wall Street Journal “Worth every cent . . . It's an inspiration for anyone who has ever been told that he wasn't smart enough or good enough.” —Associated Press “A high IQ isn't necessarily an indicator of financial success . . . Stanley tells us that the typical millionaire had an average GPA and frugal spending habits—but good interpersonal skills.” —Entertainment Weekly “Ideas bigger than the next buck.” —Orlando Sentinel

The Director

Triskaidekaphobia: fear of the number 13 If thirteen people sit down at a table, will one die within a year? Why did five U.S. presidents join the Thirteen Club? What is the only major New York hotel that has a thirteenth floor? In *13*, a fascinating cultural history-cum-detective story, Nathaniel Lachenmeyer gets to the root of how one superstition—the fear of the number 13—developed among wildly divergent societies. A book about mythmaking, *13* explores why people believe what they believe, and the real reason Friday the 13th is the most unlucky day in the world.

Crunch Lit

Few authors have achieved such renown as World Fantasy Life Achievement honoree and Science Fiction Writers of America Grand Master Andre Norton. With the love of readers and the praise of critics, Norton's books have sold millions of copies worldwide. In our world he was Garin, jet pilot and explorer. In the lost land of Tav, he was Garan, who would supply the link with their most ancient past. And in a world far distant in space and time, he was Garan of Yu-Lac, who would stand alone between a planet's doom and the ones he loved. *Garan the Eternal* is a web of wonders woven by a master writer. It is the story of three lives tied by a recurrent destiny—that of Kepta the Ambitious, of Thrala the Divine, and of Garan himself, man of three worlds.

DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

Superstud

Commoditization—a virulent form of hypercompetition—is destroying markets, disrupting industries, and shuttering long-successful firms. Conventional wisdom says the best way to combat commoditization is differentiation. But differentiation is difficult and expensive to implement, and keeps you ahead of the pack only temporarily. In *Beating the Commodity Trap*, Richard D'Aveni provides a radical new framework for fighting back. Drawing on an in-depth study of more than thirty industries, he recommends first identifying the commoditization trap you're facing: -Deterioration: Low-end firms enter with low-cost/low-benefit offerings that attract the mass market—as Zara did to high-end fashion companies. -Proliferation: Companies develop new combinations of price paired with several unique benefits that attack part of an incumbents' market—as Japanese motorcycle makers did to Harley-Davidson.

-Escalation: Players offer more benefits for the same or lower price, squeezing everyone's margins-as the iPhone did in mobile devices. The author provides a tool for diagnosing your competitive position and shows how to strengthen it while also boosting your pricing power-by destroying the commoditization trap confronting you, escaping it, or turning it to your advantage. Illustrated with a wealth of examples, this concise, practical guide gives you the framework and tactics you need to battle commoditization.
