New York Yankees Trivia Crossword Puzzle and Word Search Book

Smithsonian Ultimate Puzzle Challenge includes more than 200 puzzles that put a spin on what puzzle fans might normally expect. Each puzzle is designed so that the answers are all based on Smithsonian-themed trivia questions. For example, instead of providing a list of words for a word search, this book provides a list of trivia questions, with the answers being hidden in the word search. Similarly, the answers in a list of word jumbles might all relate to a general trivia question – such as "What were the names of the first 20 presidents of the United States" – which leads off the puzzle. Each puzzle is categorized by themes inspired by the Smithsonian's various museums and world-class zoo. In all, puzzles will cover air & space, history, arts & literature, science & nature, the environment, animals and much more. General trivia questions will be spotlighted in bursts throughout the book for added fun! It's a ton of brain-teasing fun that turns the fun of museum hopping into "do anywhere" pencil puzzle entertainment.
