Garfield Hams It Up

Faster than a jelly donut, able to gobble lasagna in a single gulp . . . It's the one and only feisty furball Garfield—the corpulent cat with an attitude second only to his appetite. So whether he's relishing the fall season (the crinkle of autumn's rustling leaves sounds remarkably like potato chips) or sharpening his claws (quite handy for scratching through a plastic cheese wrapper), rest assured that where Garfield goes, fun—and food—are fast to follow!

Garfield Hams it Up

Garfield is ready for his close-up! The witty kitty is back in the spotlight with a rollicking one-cat show! And this portly performer has an ego as big as his legendary appetite. Garfield Souped Up

Like every great lasagna, Garfield was born in the kitchen of an Italian restaurant on a winter's night in 1978, while outside snow fell like grated Parmesan cheese. He weighed five pounds, six ounces at birth--that's big for a kitten!--and right from the start showed a passion for Italian food. The restaurant owner, forced to choose between Garfield and closing his doors for lack of pasta, sold Garfield to a pet store. Garfield thought he was a goner until Jon Arbuckle walked in the door. The rest is history.
