Language Arts, Grade 5

Illustrative Mathematics for Primary Classes is an exciting and innovative series which is based on the latest features of the National Education Policy (NEP) 2020 and National Curriculum Framework (NCF) 2023. This series is suitable for all schools affiliated with CBSE, New Delhi. Each chapter has been meticulously crafted to conform with the NCF's Panchpadi, ensuring a comprehensive and cutting-edge learning experience. The concept based age-appropriate activities and assessment section are based on Panchakosha and Pramanas, aiming for the holistic development of the learner. To improve the learning experience, we have seamlessly incorporated 21st century skills and the Sustainable Development Goals (SDGs) into this edition. The components of this series are: • Illustrative Mathematics Books 1 to 5 for primary classes (with online support). • Illustrative Mathematics Teacher's Resource Books 1 to 5 for primary classes. Salient Features of the books in this series are: • A graded and spiralling approach has been used, keeping in mind the age and level of understanding of the child. • Eye-catching illustrations and a child-friendly layout capture the imagination of the child and create an interest in the subject. • Each chapter begins with the heading Warm Up, which refreshes the concepts learnt in the previous class. • Maths Lab Activity helps the children develop different problem-solving strategies. • Puzzles I Riddles encourage children to think critically, analyse information, and apply problem-solving strategies to find solutions. • Games/ Activities to enhance engagement, learning retention, and critical thinking skills while making learning more enjoyable. • Art Integration Activities foster creativity, enhance comprehension, and connect mathematical concepts with Art and Culture. • Sustainable Development Goals (SDGs) to develop insights into critical issues around the world such as poverty, inequality, and environmental sustainability to create a better future for all. • Multiple Choice Questions (MCQs) for better understanding of the lesson. • Value-Based Questions to inculcate moral values in the children. • Fun Time contains out of the box questions which challenge the understanding

capacity of the children. • Assignments under Mental Maths not only enhance the mathematical and calculation skills of the children but also cement the concepts learnt. • Competency-Based questions to improve analytical and logical reasoning, and observation skills. • Case Study Based questions to inspire the students to apply the mathematical knowledge acquired, to solve real life problems. Salient Features of the Teacher's Resource Books are: • Learning Objectives of the Lesson • Overview of the Lesson • Teaching-Learning Strategies • Hints for some Selected Problems Salient Features of Online Support are: • Animated Videos/Video Lectures • Interactive Exercises • Chapter-wise Worksheets • Maths Glossary It is hoped that the series will meet the requirements of students, teachers and parents alike. Suggestions and constructive criticism for the improvement of the books would be highly appreciated. -The Publishers

Illustrative Mathematics for Class 2

How to Dazzle at Maths Crosswords, Book 2 is an innovative book of photocopiable maths crosswords which allows you to set differentiated tasks without the burden of marking sets of different answers. They will drastically cut down your preparation and marking time and give your pupils differentiated maths work that's fun to do and really develops their numeracy skills. The book contains 40 crosswords covering all aspects of numeracy and ranging from level 1 to level 7 of the National Curriculum. The crosswords are ideal for using as numeracy starters, classwork, revision, and homework. They can be used in just about every class of a secondary school as well as the top years of junior school. The harder crosswords have more questions, whilst the easier ones have fewer.

Maths Puzzles with Answers for Class 5: Mathrax Puzzles

Our new semester series, Rosemary-An Activity-based Integrated Course for Classes 1 to 5, has meticulously followed the National Education Policy (NEP), 2020, and the National Curriculum Framework (NCF), 2023. Pramanas, Panchakosha Vikas, and Panchpadi, the three main constituents, have been

used significantly through the explanations, examples, and exercises used in this series. It means the focus has shifted to the process of learning. This series envisages conceptual understanding as a continuous process. The books for Classes 1 and 2 include English, Mathematics, Environmental Studies, and General Knowledge. For Classes 3 to 5, the subjects expand to include English, Mathematics, Science, Social Studies, and General Knowledge. In developing this educational series, considerable attention has been focused on creating an engaging and enjoyable learning environment. This approach aims to establish a solid educational foundation for young learners, contributing to their all-around growth and development at every educational level. The series is characterised by several notable features: • Integrates key educational concepts with visually appealing activities, interactive games, and practical real-world examples • Methodically structured and comprehensive exercises, ensuring thorough assessment and understanding • Robust online support, including animated tutorials, interactive modules, subject-specific videos, and digital books (exclusively for teacher use), tailored to meet the needs of each topic

ENGLISH: Combines with historical and contemporary elements, it focuses on interest-based selections to engage learners and improve memory retention. It emphasises the four key language skills (Listening, Speaking, Reading, Writing) with clear grammar explanations.

MATHEMATICS: With engaging and thorough presentation of concepts, it is suitable for all learning levels, using a graded and age-appropriate approach.

ENVIRONMENTAL STUDIES: It focuses on analysis and inquiry, encouraging learning through discussion, observation, and conversation.

SCIENCE: It offers meaningful learning by connecting scientific concepts to students' everyday experiences and the natural world.

SOCIAL STUDIES: In this subject, innovative teaching methods are used to enhance life skills, civic understanding, and prepare students for life's challenges.

GENERAL KNOWLEDGE: It is designed to incite curiosity and a passion for learning about the world. Online support in the form of animated Lesson, interactive exercises, topic-wise videos and E-books (for Teachers only) as per the requirement of the subject. Teachers' Resource Book (TRB) includes Lesson Plan and Learning Objectives along with the answers of the questions to facilitate teaching. Feedback from students, teachers, and parents is welcomed for consideration in future updates and editions.
