## The Mayan Code

Bestselling author Barbara Hand Clow shows how the Mayan Calendar is a bridge to galactic wisdom that fosters personal growth and human evolution • Unearths the meaning behind the calendar, its message for modern civilization, and what will happen when the calendar ends • Reveals how time acceleration is a manifestation of the acceleration of consciousness • By the author of The Pleiadian Agenda The Mayan Code is a deep exploration of how, as we approach the end of the Mayan Calendar, time and consciousness are accelerating, giving us a new understanding of the universe. Using Carl Johan Calleman's research, as well as the ideas of other Mayan Calendar scholars, Barbara Hand Clow examines 16.4 billion years of evolution to decode the creative patterns of Earth--the World Mind. These great patterns culminate in 2011, and then during 2012 major astrological influences will inspire us to attain oneness and enlightenment. The Mayan Code shows how the time cycles of the Calendar match important periods in the evolutionary data banks of Earth and the Milky Way Galaxy. These stages of evolution are converging during the final stage of the Calendar, the period between 1999 and 2011. War and territoriality, resource management and separation from nature, are all part of daily events we must process during these few short years: evidence of the tightening spiral of time that we experience as time speeding up. Barbara Hand Clow counsels that our own personal healing is the most important factor as we prepare to make this critical leap in human evolution--now referred to as the awakening of the World Mind.

## Awakening the Planetary Mind

Completing our conscious evolution by releasing our collective fear of catastrophes • Explains how we are on the cusp of an era of incredible creative growth • Shows how we are about to overcome the collective fear caused by ancient catastrophes as we awaken to the memories of our lost prehistory • Examines legendary cataclysms and scientific evidence of a highly advanced global culture that disappeared 11,500 years ago In this completely revised and expanded edition of Catastrophobia, bestselling author Barbara Hand Clow explains how we are on the cusp of an age of incredible creative

growth made possible by restoring our lost prehistory. Examining legendary cataclysms--such as the fall of Atlantis and the biblical Flood--and the mounting geological and archaeological evidence that many of these mythic catastrophes were actual events, she reveals the existence of a highly advanced global maritime culture that disappeared amid great earth changes and rising seas 14,000 to 11,500 years ago, nearly causing our species' extinction and leaving humanity's collective psyche deeply scarred. Tracing humanity's reemergence after these prehistoric catastrophes, Clow explains how these events in the deep past influence our consciousness today. Guided by Carl Johan Calleman's analysis of the Mayan Calendar, she reveals that as the Earth's 26,000-year precessional cycle shifts, our evolution is accelerating to prepare us for a new age of harmony and peace. She explains how we are beginning a collective healing as ancient memories of prehistory awaken in our minds and release our unprocessed fear. Passed from generation to generation, this fear has been responsible for our constant expectations of apocalypse. She shows that by remembering and moving beyond the trauma of our long lost past, we bring the era of cataclysms to an end and cross the threshold into a time of extraordinary creative activity.

### The Mind Chronicles

A record of past lives experienced through hypnotic regression • Unlocks the primordial memory bank of planetary consciousness • Explores the past lives of spiritual teacher Barbara Hand Clow at sacred sites during historical periods critical to the development of human consciousness • With illustrations by Angela Werneke, illustrator of Medicine Cards • First editions collectively sold 60,000 copies Combined for the first time in one updated and revised volume, the three books of The Mind Chronicles Trilogy--Eye of the Centaur, Heart of the Christos, and Signet of Atlantis--show that all the places, times, and beings we have ever known exist now in our memory banks. Using the mind state produced during 100 sessions of hypnotic regression, Barbara Hand Clow unlocks the primordial memory bank--the records of time in which all humans participate--offering readers critical information to reflect upon now. In The Mind Chronicles, Clow guides readers through 100,000 years of human history, using in-depth experiences of initiations and sacred ceremonies to illuminate the forgotten wisdom of our ancestors. She shows that this ancient knowledge, which is contained deep within all of us, is becoming even more relevant as the Mayan Calendar comes to a close and a new stage of evolution begins.

### The Global Mind and the Rise of Civilization

How the global mind drives the evolution of both consciousness and civilization • Explains how our brains receive consciousness from the global mind, which upgrades human consciousness according to a pre-set divine time frame • Reveals how the Mayan Calendar provides a blueprint for these consciousness downloads throughout history • Examines the mind shift in humans and the development of pyramids and civilization in ancient Egypt, Sumer, South America, and Asia beginning in 3115 BCE In each culture the origins of civilization can be tied to the arising of one concept in the human mind: straight lines. Straight and perpendicular lines are not found in nature, so where did they come from? What shift in consciousness occurred around the globe that triggered the start of rectangular building methods and linear organization as well as written language, pyramid construction, mathematics, and art? Offering a detailed answer to this question, Carl Calleman explores the quantum evolution of the global mind and its holographic resonance with the human mind. He examines how our brains are not thinking machines but individual receivers of consciousness from the global mind, which creates holographic downloads to adjust human consciousness to new cosmological circumstances. He explains how the Mayan Calendar provides a blueprint for these downloads throughout history and how the global mind, rather than the individual, has the power to make civilizations rise and fall. He shows how, at the beginning of the Mayan 6th Wave (Long Count) in 3115 BCE, the global mind gave human beings the capacity to conceptualize spatial relations in terms of straight and perpendicular lines, initiating the building of pyramids and megaliths around the world and leading to the rise of modern civilization. He examines the symbolism within the Great Pyramid of Giza and the pyramid at Chichén Itzá and looks at the differences between humans of the 6th Wave in ancient Egypt, Sumer, South America, and Asia and the cave painters of the 5th Wave. He reveals how the global mind is always connected to the inner core of the Earth and discusses how the two halves of the brain parallel the civilizations of the East and West. Outlining the historical, psychological, geophysical, and neurological roots of the modern human mind, Calleman shows how studying early civilizations offers a means of understanding the evolution of consciousness.

### The Alchemy of Nine Dimensions

This is a revised and expanded edition of Barbara and Gerry Clow's classic 2004 text. This sequel to the bestselling underground classic *The Pleiadian Agenda* outlines their theory of the nine dimensions of human consciousness and how those nine dimensions have become essential to our evolutionary survival. Incorporating the research and insight of the Swedish biologist Carl Calleman, the Clows demonstrate how recent scientific discoveries validate their theories. The existence of the nine dimensions of human consciousness can be proved by science. The most controversial aspect of this book is their exploration of the Mayan prophecies. Counter to much of the prevailing opinion, the fulfillment of the prophecies will not result in the Apocalypse, but will usher in a new and expanded era of human consciousness. They also assert that the beginning of this new era begins not on December 21, 2012—but on October 28, 2011—making the time of the great shift in consciousness just around the corner. Provocative and informative, the Clows have provided an explanation and roadmap for the future. It will be embraced by all who are interested in the evolution of human consciousness.

### Time of the Quickening

A guide to the science of prophecy, why so many predictions never come to pass, and the Golden Age ahead • Presents a mathematical means of divining the future, revealed in the Oahspe Bible, using the Egyptian Tables of Destiny, a 12,000-year-old system so exact it can foretell every day of the year • Reveals that we are not headed for Rapture and the Apocalypse but for “the Quickening,” the embryonic stage of a Utopian Age • Examines the cycles of history and explains why many prophecies have not come true Reviewing the cycles of history from biblical times to the present and prophecies of the future from Nostradamus to Edgar Cayce and Jeane Dixon, Susan B. Martinez reveals that our current “time of troubles” is not the beginning of Rapture, the Apocalypse, or Armageddon, but of the embryonic stage of a Utopian Age--the “Quickening” of the human race. Reviving the lost science of prophecy, Martinez explains why so many “great prophecies” have failed and presents the 12,000-year-old Egyptian system of prediction so exact it can foretell every day of the year, a method based not on the planets, astrology, or intuition but on Earth's magnetic rhythms. Using Earth science, historical research, religious texts, spiritualism, and patterns within the cycles of war and political milestones, she demonstrates that the past is the hidden key to the future and uncovers the prophetic numbers of Earth's cycles--11, 33, 99, and 363--as set forth in the Egyptian Tables of Destiny, ancient texts brought to light by the 19th-century Oahspe Bible. Explaining how readers can use the Tables of Destiny to make their own predictions of the future, she presents her own forecasts of the risks and costs of technological progress, the destiny of America, the up-and-coming global religion, the truth behind climate change and the cause of earthquakes, and the true life expectancy of planet Earth as well as offering a preview of the Paradigm Shift and Golden Age ahead, a time of global unity and awakening of the soul of the world.

### 2013

2013: THE END OF DAYS OR A NEW BEGINNING examines all the popular myths, prophecies, and predictions concerning 2012, including the Mayan teachings of time acceleration and global awakening on a consciousness level. It also takes an in-depth look at lesser-known predictions and prophecies, and at the more scientific and reality-based challenges we will face.

### Baldr's Magic

A guide to using ecstatic trance to connect with your ancestors, rediscover your extrasensory powers, and reclaim the peaceful nature of humanity • Illustrates ecstatic trance postures to connect with the ancient Nordic people, to journey to exact points in time, and to access powers such as seeing into our future • Explains how the coming new age of peace and veneration for Mother Earth was predicted in Norse mythology as the rebirth of the compassionate god Baldr • Expands on the stories of the early Nordic gods and goddesses from the Prose Edda and the Poetic Edda Connecting Norse mythology, ecstatic trance, the Universal Mind, and the dawn of a new age of peace and veneration for Mother Earth, Nicholas Brink reveals how we can use ecstatic and hypnotic trance to learn more directly and deeply from our distant ancestors, rediscover our extrasensory powers, and reclaim the original magical nature of humanity. The imminent rebirth of a peaceful, balanced, connected world was predicted in Norse mythology as the return of Baldr, the gentle and compassionate Nordic god of truth, healing, and rune work. Illustrating ecstatic trance postures to connect with the ancient Nordic people and their beliefs, to journey to exact points in time, and to access specific powers, such as seeing into our future, Brink explores humanity's evolving cycle of consciousness from the era when the Great Mother goddess was the center of life through the transition to the worship of power and physical strength in

the Bronze Age and the world of the Vikings. He explores the coming return of Baldr and the imminent new age of peace and respect for the earth. Through hypnotic divination, the author expands the stories of the early Nordic gods and goddesses from the Prose Edda and the Poetic Edda, in particular the fertility deities of the Vanir, such as Freyr, Freyja, and Idunn, who came before the warrior deities of the Æsir, such as Odin, Thor, and Loki. He details the epic battle of Ragnarök and the birth, life, death, and rebirth of Baldr. Brink shows how these ancient stories happen outside of time, in the past, present, and future, thus Baldr's return is replayed in our death-rebirth experiences of life, in each dawn, with each spring, and now with the birth of a new age that we see happening all around us. Through the power of trance at this time of rebirth, we move full circle to reclaim the magic of the earliest times, the times of the Garden of Idunn.

### How the English Language Controls the World

This book offers a very clever and provocative look at the origins of the English language and how it controls the thoughts of the masses; It takes the reader deep into the mystery surrounding the origins of the English Language, the most ingenious and diabolical mind control tool ever devised by man. The material in this book lays out clearly how language shapes human thoughts (via the media), and how large bodies of human thought energy shapes events. How could anything be more powerful, dictatorial, and persuasive than this? This book has the answers, painstakingly brought forth by its author over many years of hard research.

### 2013: the End of Days or a New Beginning? (Envisioning the World After the Events of 2012) (Easyread Super Large 24pt Edition)

A guide to aligning your life with the frequencies of the Nine Waves of Creation • Explains the quantum physics behind the Waves of the Mayan Calendar system and how their holograms shape the human mind • Shows how throughout history each revolution in human consciousness has been driven by the activation of one of the Nine Waves of Creation • Reveals how we can consciously work to deactivate the negative patterns of the Sixth Wave and manifest the unity consciousness of the Ninth Wave In the past few years the world has witnessed changes in social consciousness whose sudden development the ruling scientific paradigm has not been able to explain. These changes correspond with the activation of new Waves of Creation emanating from the center of the universe that influence human thinking. From the Big Bang to the present, these Waves guide the evolution of the universe and, through their holographic resonance with the human mind, profoundly shape revolutions in religion, technology, economy, and social consciousness. Presenting a quantum-holographic perspective on world history and human consciousness, Carl Calleman explains the quantum physics behind the Waves of the Mayan Calendar system and how these Waves allow us to understand the shifting eras on Earth as well as the possibilities of the future. He describes how, prior to the activation of the 6th Wave in 3115 BCE, our social systems were based on a unified cosmic order, but the hologram of this Wave shifted society to an all-consuming focus on Good and Evil, leading to the rise of patriarchal religious structures, slavery, and warfare. He explores how later Waves and their new holograms helped humanity survive the negative effects of the 6th Wave, such as the Industrial Revolution of the 7th Wave and the Digital Revolution of the 8th Wave. In 2011, the 9th Wave was activated, bringing with it an accelerated push for a more egalitarian world, a rising awareness of unity consciousness, and access to the full power of all Nine Waves of Creation. Calleman explains how our individual resonance with each Wave plays a role in the quality of our lives and how we must consciously work to resonate with the higher Waves. Revealing how we can become quantum activists in a holographic world by aligning with the 9th Wave, the author shows how we each can help manifest the destiny of humanity hinted at in ancient texts.

### The Nine Waves of Creation

### 2013: the End of Days or a New Beginning? (Easyread Comfort Edition)

Use ecstatic trance to journey to the time of Beowulf and learn first hand the ancient magic of the early Nordic people • Reveals a hidden side to the epic of Beowulf through the perspective of Queen Wealhtheow • Shows how Grendel respected and would not harm Queen Wealhtheow because she practiced the ancient magic of the Mother Goddess Freyja • Explains how the magic practices of Queen Wealhtheow provide a blueprint for our emergence from the warlike nature of the past millennia into a time of peace and compassion for our Great Mother Earth Using the altered state of ecstatic trance to access the memories of the Universal Mind, Nicholas Brink takes us back to ancient Scandinavia, to the time of the epic of Beowulf, the oldest piece of literature written in the English language. Sharing his ecstatic trance techniques along the way, his journey allows us to re-experience the life and shamanic practices of Queen Wealhtheow, the wife of King Hrothgar, the king rescued by Beowulf from the torment of the monster Grendel. Revealing a hidden side to the epic of Beowulf, Brink details how Grendel respected and would not harm Queen Wealhtheow and her teacher Vanadisdottir, a priestess of the goddess Freyja, for they practiced the ancient magic of the earlier hunter-gatherer era when the Great Mother Earth was worshipped. In the time of the queen the peaceful and compassionate traditions of this era were becoming forgotten, succumbing to settlements, kingdoms, and territorial disputes. We gain first-person experience of Wealhtheow and Vanadisdottir's veneration of the Great Mother and the ancient magic of the early Nordic people as practiced by the seiðr workers, seers, and spirit travelers, the shamans of the time. These practices include divination through the goddess Freyr, contacting Bear spirits, and spirit journeying to various realms. As we experience our own time of transition and turmoil much like that of Beowulf's time, Nicholas Brink reveals how the original magic of our ancestors, as practiced by Queen Wealhtheow, provides a blueprint for our emergence from the warlike nature of the past into a time of peace and compassion for our Great Mother Earth.

### The World I Dream of

A tour through the new science of the Omniverse, its spiritual and physical dimensions, and its incalculable intelligent civilizations • Reveals the key travel and communication technologies of the Omniverse: time travel, teleportation, and telepathy • Unveils newly disclosed state secrets about these technologies, about the findings of the NASA Mars rover missions, and about a secret colony and life on Mars • Explains through science how souls are holographic fragments of God and how they help create planets, solar systems, galaxies, and universes in the multiverse We are all citizens of the Omniverse, the overarching matrix of energy, spirit, and intelligence that encompasses all that exists: all universes within the multiverse as well as the spiritual dimensions centered on the divine Source that many call God. In this scientific guide to the Omniverse, Alfred Lambremont Webre reveals startling replicable evidence about extraterrestrial and extra-universal life, the intelligent civilizations created by souls in the afterlife, top-secret alien technology, and the existence of a secret base as well as life on Mars. The author explains how our souls are holographic fragments of God/Source and how souls and Source are co-creating planets and galaxies as virtual realities for soul development. He addresses Grey alien control over soul reincarnation and also sheds light on the presence of invisible hyperdimensional controllers known as the Archons, who feed off negative energy. Revealing the key technologies of the Omniverse, the author explains how hyperdimensional civilizations communicate telepathically, teleport interdimensionally, and travel through time. He unveils newly disclosed state secrets about government possession of these technologies, the findings of the NASA Mars rover missions, and the secret Mars colony whose permanent security personnel is age-reversed and shot back through time to their specific space-time origin points--with their memories blocked. Integrating science and spirituality, this map of the dimensions of the Omniverse sounds the call for scientific inquiry into the holographic origins of the soul, the potential of time travel, and our role as divine co-creators with Source.

### Beowulf's Ecstatic Trance Magic

Keys to Remembering is an energy game played with words. The energy of the words conveys clearly how each word is defined. The words are keys to a conscious awareness of who you truly are. HANDBOOK The handbook Keys to Remembering is a teaching text designed to expand your understanding and to give more comprehensive ideas of the world. The work was designed in mind for those who are rather new to metaphysic, however, all can benefit from the game. This handbook will serve as a tool to: 1) Give you a clearer understanding on your ability to create your life through your own words. 2) Gain a new perspective of blending thought and feeling or emotion to consider the meaning of words in a new way. 3) Assist with finding the balance between the polarized feeling of words, thus allowing newer levels of awareness as integration, or bringing together, takes place. 4) Examine the four aspects of human nature: physical, emotional, mental and spiritual and to bring about the understanding

that all are a collective of all four components - We are one. **INTEGRATION CARDS** The Integration Cards that come with this handbook can be obtained online at <http://www.rememberinginsights.com>. Though people look different, when it comes to the foundational issues of life, each of us is looking for answers to many of the same question. "Who am I?" "How do I find love?" "How do I become acceptable?" The key to the lock is first allowing that we are all one, which is the integration. The object of the cards is to discover how you feel about the positive and negative aspects of each word, which you will find in the handbook. How you feel about the word can be as informative as how the integration deck is played.

### The Omniverse

The expanded companion book to the #1 documentary film about 2012! The 2012 meme has evolved beyond any debates about the relevance of the Maya Long Count calendar to the lives of contemporary human beings. 2012 is about us on planet Earth at this time. December 21, 2012: will the world really change forever on this date, the end of a 5,125-year calendar last used over a thousand years ago? Certainly Hollywood would like you to think so. Indeed, a not-so-small industry has arisen around the date, hawking everything from t-shirts to teleseminars. Clearing a path between fantasy and reality, Alexandra Bruce surveys the entire 2012 landscape, asking questions such as: Is the Earth losing its Mojo? How did 2012 come to mean "The End of Time"? Did psychedelics facilitate the Maya "Cosmovision"? Should we worry about Earth Crustal Displacement? What the hell is "Planet X"? Uniquely amongst a vast array of 2012 literature, this book features interviews with the leading experts—including Graham Hancock, John Major Jenkins, Daniel Pinchbeck and many others—and insightful, detailed analysis of the broad spectrum of opinion, debate, research and myth regarding the most compelling "end times" prediction of the 21st century.

### Keys to Remembering

A guide to the expansion of consciousness possible during the Galactic Alignment of 2012 • Reveals the new era that will be ushered in as the current perception of time collapses and spiritual perception expands • Explains the psycho-spiritual preparations necessary to transition into this new era • Shows how the alignment of the sun with the Galactic Center will allow humans to experience awareness normally reserved for shamans, pharaohs, and sages This is an extraordinary time in the planet's history. In 2012, for the first time in almost 26,000 years, our sun will be most closely aligned to the Galactic Center. This Galactic Alignment, which began with the Harmonic Convergence in 1987 and will conclude in 2023, presents a thirty-six-year window of opportunity for humanity to participate in the creation of a new era of expanded consciousness. Christine Page explains that, as the source of all creation, our galaxy is the Great Mother and its center, her heart. Auspiciously aligning Earth with the heart of the Great Mother, the Galactic Alignment heralds a rebirth of the divine feminine qualities of the Triple Goddess--intuition, emotional creativity, and renewal. Drawing on alchemy and mythology, Page details how to connect with and use the sacred spiritual tools unlocked during the alignment to merge with the Great Mother, a spiritual transformation that allows us to expand our awareness and experience ourselves as eternal beings.

### 2012

Mayan daykeeper Hunbatz Men reveals the multi-calendar system of the Maya that guided the lives of his ancestors and how it can guide us today • The first book to reveal the secrets of the Mayan Pleiades calendar: the Tzek'eb • Explains how the Maya used their astronomical knowledge to guide their lives on Earth The Mayan Calendar has taken on special prominence with the imminent arrival of 2012, a date that many claim is the end of that calendar. However, as Mayan elder and daykeeper Hunbatz Men shows, the cosmological understanding of his ancestors was so sophisticated that they had not one, but many calendars, each based on the cycles of different systems in the cosmos. In this book he reveals for the first time the Tzek'eb, or Pleiades, Calendar of 26,000 years, which charts the revolution of our solar system around Alcyone, the central star of the Pleiades system. He also discusses the K'uuk'ulcan Calendar of the 4 seasons of the solar year and the wheel of the K'altunes Calendar, which is composed of 13 cycles of 20 years each that form a calendar of 260 years. In traditional Mayan culture the computation of time was not determined by simple economic or social motives. The calendars served the higher purpose of synchronizing the lives of human beings and their societies to the great cosmic pulsation, to the rhythm of the annual seasons, and to the other cycles that dictate changes upon Earth. Mayan understanding of the cosmic cycles was so exact that

this knowledge could be used to influence all stages of life--from planning when to conceive (parents could choose not only the sex of their child but its vocation and future destiny) to plotting out the course of the entire society. Pyramids played a crucial role in applying this wisdom because, as Hunbatz Men shows, they were able to produce and transform energy in accordance with the cosmic cycles charted by the calendars. This book reveals for the first time the wisdom of the multi-calendar Mayan system and how it can help guide our modern world.

### 2012 and the Galactic Center

Identifying the Mayan World Tree with the central axis of the cosmos, the author shows how evolution is not random • Shows how the evolution of the universe emanates from the cosmic Tree of Life • Explains the origin and evolution of biological life and consciousness and how this is directed Using recent findings within cosmology, coupled with his broad understanding of the Mayan Calendar, biologist Carl Johan Calleman offers a revolutionary and fully developed -alternative to Darwin's theory of biological evolution--and the theory of randomness that holds sway over modern science. He shows how the recently discovered central axis of the universe correlates with the Tree of Life of the ancients. This provides an entirely new context for physics in general and especially for the origin and evolution of life and suggests that we look upon ourselves as parts of a hierarchy of systems that are all interrelated and evolve in a synchronized way. Calleman's research demonstrates that life did not just accidentally "pop up" on our planet, but that Earth was a place specifically tagged for this. He demonstrates how the Mayan Calendar describes different quantum states of the Tree of Life and presents a new explanation for the origin and evolution of consciousness. Calleman uses his scientific background in biology and cosmology to show that the idea of the Purposeful Universe is real. He explains not only how DNA but also entire organisms have emerged in the image of the Tree of Life, a theory that has wide-ranging consequences not only for medicine but also for the origin of sacred geometry and the human soul. With this new theory of biological evolution the divide between science and religion disappears

### The 8 Calendars of the Maya

A contemporary and practical guide to Mayan astrological techniques • Discusses the logic and meaning of the 20 day-signs of the Mayan calendar • Explains the many cycles of Mayan astrology, such as the 9-day cycle of the Night Lords and the 13-day trecena • Contains extensive tables of Mayan astrological data, allowing readers to cast their own Mayan horoscopes How to Practice Mayan Astrology presents a contemporary guide to one of the most sophisticated astrological systems ever developed. Like other ancient peoples, the Maya looked to the cycles of the planets as markers of time and designators of order. The predictable cycles they observed became codified in the Mayan calendar and astrological system as a way of organizing the seeming chaos of human life. Mayan astrology is based on 20 named days that are cycled 13 times to create a 260-day calendar, the Tzolkin. The authors explain the symbolism, logic, and meaning of the 20 day-signs; how these signs reflect 260 possible personality types; and how they can be used for divination. They also explain the important role of the Four Directions and the planet Venus in one's personality matrix and life issues. Included are extensive, easy-to-use tables of Mayan astrological data, allowing readers to determine their day-signs, to see how these signs are also influenced by the cycle of the Night Lords and the 13-day trecena, and to cast their own horoscopes.

### How to Practice Mayan Astrology

• Bestselling author Barbara Hand Clow examines legendary cataclysms and shows how we are about to overcome the collective fear they have instilled in us. • The long-awaited follow-up that continues the revelations begun in The Pleiadian Agenda, which has sold more than 60,000 copies. • Explains why, contrary to many prophets of doom, we are actually on the cusp of an era of incredible creative growth. The recent discovery of the remains of ancient villages buried beneath the Black Sea is the latest instance of mounting evidence that many of the "mythic" catastrophes of history--the fall of Atlantis, the Biblical Flood--were actual events. In Catastrophobia Barbara Hand Clow shows that a series of cataclysmic disasters, caused by a massive disturbance in the Earth's crust 11,500 years ago, rocked the world and left humanity's collective psyche permanently scarred. We are a wounded

species, and this unprocessed fear, passed from generation to generation, is responsible for our constant expectations of apocalypse, from Y2K to the famed end of the Mayan calendar in 2012. Catastrophobia reveals the insidious global forces that have used these collective fears to control humanity for thousands of years. But we are in the midst of a tremendous shift in the Earth's 26,000-year precessional cycle, and there is every indication that the changes in consciousness over the last 30 years are the beginnings of a collective healing from these deep fears, heralding a new age where we will see that the era of cataclysms is ending and a time of extraordinary creative activity is at hand.

### Catastrophobia

An initiatic novel based on ancient teachings and astrological wisdom from bestselling author Barbara Hand Clow A debut novel from bestselling author Barbara Hand Clow • An intricately layered erotic thriller that reveals esoteric teachings on prophecy, power, ritual, and divination • Includes dramatic insights into the suppressed discoveries of the first Christian heretics and secret power rituals at work in the Vatican • From the author of The Pleiadian Agenda and The Mayan Code In her debut as a novelist, bestselling author and acclaimed spiritual teacher Barbara Hand Clow weaves an erotically charged story of romance, deep earth forces, psychic powers, aristocracy, and Vatican world control centered on an ancient ruby that inspires mystical visions. Set in Rome in 2012, the story follows Sarah Adamson, a beautiful young Catholic graduate student from Boston studying at the Vatican Library for her thesis on the first Christian heretic, Marcion of Pontus. She is being courted by two utterly different men: Simon Appel, a descendent of the kabbalist Isaac Luria who covers Vatican affairs for the New York Times, and Armando Pierleoni, the heir to an ancient Italian aristocratic family with strong ties to the Vatican. After a terrible encounter with the dark side at a castle in Tuscany, Sarah is given a ring set with a ruby crystal, a powerful stone that was once the third eye of an ancient Buddha statue in Nepal. With the mystic ring on her finger, Sarah's visionary abilities are ignited. She remembers her past life as the Sibyl of Cumae, a Roman oracle whose powers are now being channeled by the Vatican to maintain world control. As Sarah's research and visions reveal the cause of evil in the Church and Simon's reporting exposes the depth of the sexual abuse scandals surrounding the Vatican, the two form an alliance with an ex-lover of both Simon and Armando, Claudia, who describes secret priestly power rituals going on in Vatican City. As the heightened energies of the winter solstice of 2012 arrive and 2013 dawns, will Simon and Sarah be able to harness their divine powers for transformation? Will the Vatican seek new direction as it elects a new pope? Revealing the very nature of how evil gets into the world, this novel of romance, mystery, heresy, and spirituality uncovers the esoteric foundations for the emergence of a golden new age.

### Visionary Shamanism

A well-researched work of fiction from bestselling author Barbara Hand Clow • A contemporary spiritual and erotic thriller that reveals esoteric teachings on Jesus and Mary Magdalene, holy relics, sacred sexuality, and art • Contains hidden secrets on the use of crystals as well as extraordinary information about secret societies • Continues the story from *Revelations of the Ruby Crystal* • From the bestselling author of *The Pleiadian Agenda* (98,000 copies sold) and *The Mayan Code* (57,000 copies sold) Shortly after his wedding at his family's ancient castle in Tuscany, sophisticated and mysterious Armando Pierleoni reveals his richly symbolic painting of the love between Jesus and Mary Magdalene to his bride Jennifer. Deeply affecting all who view it, the alchemical portrayal leads Armando, Jennifer, and their friends on a contemporary journey into the esoteric mysteries of divine marriage, sacred sexuality, the Black Madonna, and the transformative power of holy relics. The group of friends--Jennifer's journalist brother Simon, his mystical wife Sarah, Jungian analyst Lorenzo, exotically beautiful and insightful Claudia, and Armando and Jennifer--discover past-life connections and the power of sacred sex as a path to the divine. They explore how the Knights Templar collected the bones of the Jesus family from the Talpiot tomb in Jerusalem and eventually placed them in reliquaries throughout the world--including within the Medici Chapel in Florence and in the Four Corners region of the American Southwest. When Armando's magical painting of Jesus and Mary Magdalene goes on display in the Medici Chapel and is viewed by thousands, the painting's power coalesces with Aquarian vibrations to trigger a mass kundalini rising within the Chapel, activating the sacred bones in the reliquaries. The activated bones enable the Light to flow into the world, awakening Christ Consciousness around the globe.

### Revelations of the Ruby Crystal

Author Robert Sitler's immersion in Mayan culture began with a transformative spiritual experience more than three decades ago in the ruins of Palenque, Mexico. Led by a local to a nearby Mayan village, Sitler discovered firsthand what traditional Mayan life was like—a community of people living in peace with each other and their physical surroundings. In *The Living Maya*, he shares this experience and many that followed. In the process, he immerses readers in a rich indigenous culture and offers a fresh view of the 2012 phenomenon, focusing on the valuable lessons Mayan culture can teach us in this time of transition. Personal anecdotes are interwoven with factual information about the roots of traditional Mayan customs and traditions, presenting a rare multifaceted view of their simple yet profound way of life. The book showcases Mayan infant care, community building, ties to nature, attitudes toward the elderly, and orientation to spirituality. In *The Living Maya*, Sitler shows how following “the Mayan way” can help us ground our lives in harmony with nature, broaden our perspectives on human existence, connect us with our capacity for compassion, and use the vaunted cataclysm of 2012 as a unique chance for growth.

She explains how kundalini energy--the “liquid light of sex” that lies at the base of the spine--is activated during these planetary transits, rising through the chakras and triggering the process of spiritual emergency, and in many cases, a cascade of health, emotional, and relationship problems as well as extreme anxiety. She shows that by understanding these astrological transits, you can be prepared for turbulent periods and successfully navigate them by creatively channeling the spiritual fire of kundalini. Clow provides astrological charts--now updated through 2050 for those born between 1930 and 2000--detailing the cycles of Saturn, Uranus, and Chiron, so you do not need your birth

chart to use this book. She explains how to use the charts to predict the onset and completion of each kundalini activation and corresponding crisis. She shares tools for individuals and therapists to cope with the intensity of spiritual emergency and too much fire energy, unblock the chakras, and integrate the power of kundalini for physical, emotional, and spiritual growth. Reflecting on 20 years of success stories since the book's initial publication, Clow presents a road map for using celestial cycles to navigate positively and productively in times of great life change.

Map Detailing Ancient Olmec and Maya States that Rimmed the Gulf of Mexico It seems that the human race has an abiding tendency to know what surrounds our often routine, mundane lives. There is an even greater tendency to involve ourselves in perceived mystery, particularly when it involves prophecy and doomsday scenarios. The astronomical Alignment on December 21, 2012 is just such an event that encompasses all the elements of a great mystery, including doomsday prophecy and more. The book chronicles what a group of noted scientists say we can expect to happen, as the sun and earth align with the center of our own galaxy. The reader is cautioned to hold on tight, and be mentally prepared for mind-bending surprises, as a cabal of our best scientific minds slug it out over the portent of the Alignment during a symposium at the Institute for Advanced Study, Princeton, NJ.

### Spiritual Wisdom for a Planet in Peril

Reader, you may wonder: Is this a science fiction story with human clones? Or is this a spiritual novel related to God? It is both. Two ETs come to Earth, for a vacation. They analyze and they worry about what is happening on our planet. They don't understand why the elite control the lives of people. They don't comprehend why ordinary Humans so feebly react to that. But the beginning of the 21st century was a time of Great Awakening. The pivotal moment was the subtle split of Earth's magnetic field. It allowed the creation of two densities, two worlds. Follow the thrilling events that lead to that moment. Read the story of people who softly act and change their worldview. Read about Humans as spiritual beings in a material world. Those two ETs teach them to have a dialogue with the Divine Self Within. They help Humans to be aware, like themselves, of being clones of God. Then they can be empowered and change the world for good. With those two ETs and enlightened Humans, embark on this odyssey!

### The Alignment

Trance-inducing postures for shamanic journeying, initiation, healing, divination, and transformation of the soul • Provides practices from Mayan, Egyptian, African, Native American, Sumerian, and other ancient and indigenous traditions • Shows how these practices can detoxify the energy body The human need for ecstasy--the ability to be free of the limitations of ordinary consciousness--is as imperative as the need for food. Renowned anthropologist Felicitas Goodman claimed that being deprived of ecstasy was the fundamental cause of all forms of addiction. Indigenous cultures and the civilizations of antiquity were aware of this and developed specific rituals to induce and channel trance energies to detoxify and nourish the subtle body in order to experience the ecstatic reality that gives life to matter. The body postures seen in ancient art from Mayan, Egyptian, African, Native American, Sumerian, and other ancient and indigenous traditions are a doorway to inducing this kind of ecstatic trance. People who assume these postures in a ritual context are able to experience expanded and transformative states of consciousness. Following up on the groundbreaking introduction of this practice in her first book, *Ecstatic Body Postures*, Belinda Gore provides a new series of 20 sacred postures and exercises that allow for a deeper understanding and utilization of these shamanic practices. She shows how to use the energy awakened by these practices for healing, shapeshifting, initiations into the mysteries of death and rebirth, divination, spirit journeying, and restoring balance to the cosmic patterns disrupted by destructive human activity.

### Clones of God

Every 13,000 years on Earth a sacred and secret event takes place that changes everything. Mother Earth's Kundalini energy emerges from its resting place in the planet's core and moves like a snake

across the surface of our world. Once at home in ancient Lemuria, it moved to Atlantis, then to the Himalayan mountains of India and Tibet, and with every relocation changed our idea of what spiritual means. And gender. And heart. This time, with much difficulty, the Serpent of Light has moved to the Andes Mountains of Chile and Peru. Multi-dimensional, multi-disciplined, and multi-lived, for the first time in this book, Drunvalo begins to tell his stories of 35 years spent in service to Mother Earth. Follow him around the world as he follows the guidance of Ascended Masters, his two spheres of light, and his own inner growing knowledge. His story is a living string of ceremonies to help heal hearts, align energies, right ancient imbalances, and balance the living Earth's Unity Consciousness Grid-- in short to increase our awareness of the indivisibility of life in the universe. We are all--rocks and people and interdimensional beings--one!

### The Ecstatic Experience

Have you ever asked yourself why you are on planet Earth? And what the ultimate purpose for your life might be? Well, Jack Canfield asked himself this very question and came up with a surprising answer—part of which included a vision revealing that he is part of a "Golden Motorcycle Gang"—a gang whose intent is to have fun, but also to make significant contributions to the well-being of humanity. During a joyful dinner many years ago in Santa Barbara, California, Jack told his friend William Gladstone about the Gang. Upon hearing this account, William had an epiphany that Jack's story held a powerful underlying truth not only explaining Jack's true purpose, but William's as well. For more than ten years, William encouraged Jack to write a book based on the story of the Gang, so they have now collaborated on this work to show you its relevance to this critical moment in the history of human civilization . . . and also to you, personally. As you read, you will be introduced to some of the extraordinary members of the Golden Motorcycle Gang, including visionary thinkers such as Barbara Marx Hubbard, the originator of the concept of Conscious Evolution. The mystery and adventure inherent in this book reveals that there is now the opportunity for all of us on planet Earth to make a quantum leap in real time toward choosing the actual course of our evolution. Along the way, we are meant to experience the joy that comes from recognizing who we really are. Perhaps, as you embark on Jack's journey along with him . . . you will find that you are also a member of the Golden Motorcycle Gang! So get ready for the adventure of your life!

### The Golden Motorcycle Gang

The Apocalypse of Enoch and Bhu[unda The Apocalypse of Enoch and Bhu[unda challenges the underlying assumptions of the classical roots of civilization by restoring the original context of creation mythology. In this second volume of A Chronology of the Primeval Gods and the Western Sunrise, ancient myths from multiple geographies are correlated to spikes in cosmic rays over the past 120,000 years – as documented in ice core data. The chronology and content of these myths tell us that the primary forces behind these cataclysms were the most ancient gods - hyper-nova at the Galactic

Center associated with Sgr A\*(The Dragon), Sgr West (The Beast) and Sgr East (Hiranyâksha and Hiranyakas'ipu), with secondary supernova seen as the birth of new, destructive gods. Ancient myth has documented the cataclysmic destruction of the world on at least twenty occasions with four major geo-polar migrations, which has resulted in a shift of the earth's equator on at least one occasion. Multiple myths are shown to represent a view of the sky that can only be seen from the Antarctic region. Multiple versions of the myths of Orion are analyzed, showing clear linkages between the Vedic myth of Trisanku, the Book of Genesis, Senmut's Tomb, and the myths of Prajapati Daksa representing the oldest version of the Orion myth – older than Trishanku and Genesis by 20,000 years! The stunning conclusion explains how the "Watchers" of Enoch were the Vedic descendants of Ila and Ikshvaku. These descendants of the seventh Manu had been observing and recording the stars as a source of cataclysm for at least 15,000 years prior to Enoch, thus allowing Enoch to prophesize a 'new heaven.' That prophecy became the foundation for St John's Book of Revelations, which is shown to be a description of a series of cataclysms attributed to Sgr West. The book offers a new theory for explaining geo-polar migration. That theory suggests small shifts in the location of the earth's center of gravity underlie each migration, but that there are multiple causes for the shifts.

Compiled from more than four hundred hours of channeling by Barbara Marciniak, Bringers of the Dawn imparts to us the wisdom of the Pleiadians, a group of enlightened beings who have come to Earth to help us discover how to reach a new stage of evolution. Master storytellers and humorists, they advise us to become media free, to work in teams, and to eliminate the words "should" and "try" from our vocabularies. We learn how to go beyond fear, how the original human was a magnificent being with twelve strands of DNA and twelve chakra centers, and who our "gods" are. Startling, intense, intelligent, and controversial, these teachings offer essential reading for anyone questioning their existence on this planet and the direction of our collective conscious--and unconscious. By remembering that we are Family of Light, that we share an ancient ancestry with the universe around us, we become "bringers of the dawn," consciously creating a new reality, a new Earth.
