82 Advices from Gurdjieff for his daughter. - 82 Advices from Gurdjieff for his daughter. by Michael Garland 143,094 views 10 years ago 9 minutes, 12 seconds

Intro

Always finish what you have begun.

Organize what you have disorganized

Do not seduce

Do not establish useless friendships.

Do not follow fashions

Do not sell yourself

Do not complain.

Do not proselytize your work or ideas.

Do not keep useless objects.

Justify yourself to no one, and keep your own counsel.

When someone asks your opinion about something or someone, speak only of his or her qualities.

Look directly, and do not hide yourself

If you decide to work to help others, do it with pleasure.

If you are hesitating between doing and not doing, take the risk of doing

Never brag about amorous adventures

Never glorify your weaknesses.

Obtain things in order to share them

and a devil appears, make the devil meditate

The Sacred Harvest

Glen Jackson, Jr., an eleven-year-old Ojibway Indian in northern Minnesota, goes with his father to harvest wild rice, the sacred food of his people.

The Sacred Harvest

For we ascend unto the Father together, as it was in the beginning, is now and ever shall be, for such is the nature of Gods Son as his Father created him (A Course in MiraclesT 11: VI: 4: 9)

Sacred Harvest Ojibway Wild Rice Gathering

Glen Jackson, Jr., an eleven-year-old Ojibway Indian in northern Minnesota, goes with his father to harvest wild rice, the sacred food of his people.

Sacred Harvest

Glen Jackson, Jr., an eleven-year-old Ojibway Indian in northern Minnesota, goes with his father to harvest wild rice, the sacred food of his people.

Sacred Harvest

A young, attractive nun escapes from a Guatamalan convent in search of help for herself and her Sisters before they all die at the hands of a psychotic doctor and his diabolical plan.

Celebrating Harvest

Each book in this series covers different aspects of religion, and the part it plays in people's lives - the basic belief of different religions, the places of worship and sacred texts that are used. This text focuses on harvest festivals.

The Gospel and the Harvest

First published in 1923, this book presents a discussion of 'the part played by the Sacred Dance among the peoples of antiquity'. Chapters include 'The origin and purposes of the sacred dance', 'Dances in celebration of victory' and 'The sacred dance as a marriage rite'. The text was written by the well-known theologian and biblical scholar W. O. E. Oesterley (1866-1950). This book will be of value to anyone with an interest in perspectives on anthropology and religion.

The Sacred Dance

The nineteen Teaching Sessions presented in this book also explain the specific steps involved in conducting many ancient ceremonies that, collectively, can create a personal lifestyle that produces peace, harmony, and balance within the Sacred Circle of Life. The words to the songs associated with those ceremonies are printed in the Appendix.

Sacred Journey of the Medicine Wheel

For many, the word Druidry conjures up images of white-robed figures involved in esoteric rituals. But modern Druidry is not wrapped up in a veil of secrecy - it is celebrated openly, in the sunlight of the meadow or the shady leafiness of forest glade. Druids are passionate about the environment, and their worship is above all focused on Nature through the celebration of the changing seasons of the year. *Spirits of the Sacred Grove* is a very personal journey through the seasons seen through the eyes of a modern female Druid. Emma Restall Orr takes the reader through the cycles of nature, from the chaos of Samhain or Hallowe'en into the dark of winter, through the energy of spring and into the bright summer months - then back through autumn to Samhain. At the same time she acts as a guide along the paths of the sacred rituals. *Spirits of the Sacred Grove* reveals Druidry as an accessible and compelling spiritual path that offers enormous potential for personal healing and empowerment. Exploring rites of passage and weaving in references to many other spiritual traditions, this book is an intensely rich mixture of the ideas and images of a Pagan Druid priestess.

Spirits of the Sacred Grove

Dr. Johnny Turner's "The Sacred Art: Growing Faithful Disciples in the 21st Century" is a fresh approach for guiding Christians to reclaim the sacred art of discipleship. Turner combines scholarly research and practical insights and stresses the need for discipleship training. It is critical because discipleship is a sacred art. It is sacred because discipleship is part of the Great Commission. Dr. Turner describes how growing faithful disciples can be accomplished in the church, and he invites the church to become totally involved in the process of growing disciples. After reading, you will discover too that discipleship is truly "The Sacred Art." 'Pastor Johnny Turner has given us a practical, 'first things first' approach to deeply important spiritual matters. It is both thought provoking and inspirational.' Jim Cymbala Senior Pastor, The Brooklyn Tabernacle

The Sacred Art

Poetry is both mystical and mysterious. Through this book, the poet intends to take the readers to a journey of pleasure and pain, awe and wonder, which in turn would lead them through the hills and valleys of life. It will be an enriching experience. It will arouse your longings for the spiritual and spur you to ascend heights beyond the mundane. Arise, then, make this pilgrimage and enter the realm of the spirit as liquid grace pours over you. Be immersed in the warmth of the unknown that you may be filled with the insatiable desire to obtain forever that mystical union with the Supreme Poet, the Almighty, the Source of all knowledge and wisdom. Wishing all a happy inspiring experience. Joe Anthony

A QUEST FOR THE SACRED (Poems to inspire and enthrall)

Smudging is the burning of herbs as a spiritual practice. An herbalist and educator, Harvest McCampbell explains and illustrates this integral part of traditional Native American life that she began learning

about from her Iroquois Onondaga Oswegatchie grandmother. Learn how to make smudge sticks and identify, collect, and grow a wide range of sacred plants for smudging. Discover how to reclaim your own traditions and find your personal healing rituals. Includes sources to purchase herbs and reference materials.

Seed-time and Harvest

The Book of Altars and Sacred Spaces shows you how to curate over 50 magical spaces throughout your home that artfully and intentionally observe seasonal celebrations. Anjou Kiernan, creator of the Light of Anjou online witchery shop and apothecary and named "One of the Magical Women on Instagram You Should Be Following" by Refinery 29, shows you how to create altars and sacred spaces based on the Wheel of the Year. Simple rituals and DIY projects give you the tools you need to mindfully reflect upon the seasonal Sabbats and holidays. Whether building a sacred fire pit for Beltane or Feast Table for the Autumn Equinox, learn how to honor the sacred doorways of the year and bring magic into your daily life.

The Sacred Lyre

Famed historian of religion Mircea Eliade observes that even moderns who proclaim themselves residents of a completely profane world are still unconsciously nourished by the memory of the sacred. Eliade traces manifestations of the sacred from primitive to modern times in terms of space, time, nature, and the cosmos. In doing so he shows how the total human experience of the religious man compares with that of the nonreligious. This book serves as an excellent introduction to the history of religion, but its perspective also encompasses philosophical anthropology, phenomenology, and psychology. It will appeal to anyone seeking to discover the potential dimensions of human existence. -- P. [4] of cover.

The sacred calendar of prophecy; or, A dissertation on the prophecies which treat of the grand period of seven times and especially of its second moiety

The materialist philosophy that has dominated Western civilization for the past four hundred years is coming to an end. In "Only the Sacred: Transforming Education in the Twenty-first Century," we are introduced to a new vision of reality where we sense a more profound world within the material world we know so well. In this remarkable collection of articles originally published in "Chrysalis," a publication of the Center for Education, Imagination and the Natural World, we journey with twenty-three educators through an exploration of fundamental questions of our time, a path of inner schooling for educators, and practices where a new understanding of a sacred universe is actualized in diverse educational settings. Inspired by the mentoring of Thomas Berry, this collection makes it clear that the depth and fullness of the universe, from the stars in the heavens to the dirt beneath our feet, cannot be known by the intellect alone. Only a sense of the sacred, deep within the human soul, will reveal the whole.

Sacred Smoke

LaDuke maintains that a healthy environment and sovereignty for Native nations are requisites for Native American spiritual health.

A General Introduction to the Sacred Scriptures

Provides you with the tools you need to realize the divinity within yourself, recognize the divinity within others, and act on the obligation to manifest God's infinite compassion in your own life.

Hateruma

Recalls the history of St Gertrude's College from its inception in the early 1900s, as a place of learning for young Aboriginal girls, through to the modern learning institution of today.

The Book of Altars and Sacred Spaces

A practical guide to using the sacred herbs of Samhain for healing, divination, purification, protection, magic, and as tools for contacting the Spirits • Explores the identification, harvest, and safe practical and ritual use of more than 70 plants and trees sacred to the Celtic festival of Samhain, the origin of Halloween • Details the most effective plants for protection from the mischief of Fairies, herbs for

releasing the Dead, and visionary plants for divination and shamanic work • Provides instructions and suggestions for a traditional Dumb Supper, offerings to the Land Spirits, Samhain rites, and recipes for the sacred foods of Samhain The ancient Celts separated the year into two halves, the light half and the dark half, summer and winter. The festival of Samhain, from which the modern holiday of Halloween originates, marks the transition from summer to winter, the end of the Celtic year, a time when the barriers between the physical and spiritual world are at their most transparent. The herbs most characteristic of this time have specific magical and healing properties that echo the darker aspect of the year and offer potent opportunities for divination, contact with ancestors and Land Spirits, and journeys in the Otherworld. Presenting a practical guide to the sacred herbs and trees of Samhain, Ellen Evert Hopman details the identification, harvest, and use of more than 70 plants and trees in healing, divination, purification, magic, and as tools for contacting the Spirits wandering the landscape at this liminal time of year. She explores the most effective plants for protection from the mischief of the "Good Neighbors," the Sidhe or Fairies, as well as herbs for releasing the Dead when they are trapped on this plane. Identifying visionary plants used to induce ecstatic trance, Hopman explores how herbs have been used for millennia to aid in psychic travel and shamanic work and shows how one might safely use plants to take a voyage to the Otherworld. Drawing on her knowledge as a master herbalist, she also includes cautions to prevent harm and misidentification, along with advice on basic etiquette and common sense approaches to herb magic. Detailing the history, rites, and traditions of Samhain, Hopman explains how to make an offering to the Land Spirits and provides instructions for the traditional Samhain ritual of the Dumb Supper, complete with recipes for the sacred foods of Samhain, such as Soul Cakes, Colcannon, Boxty bread, and dandelion wine. Woven throughout with mystical tales of folk, Fairy, and sacred herbs, this guide offers each of us practical and magical ways to connect with Nature, the plant kingdom, the Spirits that surround us, and the turning of the year.

A General Introduction to the Sacred Scriptures, in a Series of Dissertations, Critical, Hermeneutical, and Historical

Reprint of the original, first published in 1859. The publishing house Anatiposi publishes historical books as reprints. Due to their age, these books may have missing pages or inferior quality. Our aim is to preserve these books and make them available to the public so that they do not get lost.

The Sacred and the Profane

The person of exile may be considered a wanderer, a nomad, a refugee, or a rebel. People of exile can be the marginalized, the disenfranchised, the outcast, the left out, and the pushed away. Different terms are used, but what defines them all is separation. Exile is a dangerous and dominant theme that runs through Scripture, through the lives of the people of Israel, and through the universal church. Women who have known the sacred place of exile are uniquely qualified to form a women's mission. The case is made for a momentum shift in missiological thinking. There is a desperate and aching need for a women's mission, which could lead the way to a women's missionary movement. The emergence of such a mission/movement is indeed fraught with skepticism and suspicion from many of those inside the church and leaders in the missionary world. But the radical, disruptive, costly following of Jesus to those outside the camp is our calling.

Only the Sacred

Asian and Pacific Islander Americans constitute the fastest-growing racial group in the United States. They are also one of the most religiously diverse. Through them Asian traditions such as Hinduism, Sikhism, Confucianism, and Buddhism have been introduced into every major city and across a wide swath of Middle America. The contributors to this volume provide an essential inter-disciplinary resource for the study of Asian and Pacific Islander American religion.

Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954

After the 1917 Revolution in Russia, the Bolsheviks launched a massive assault on religion. Although we know a great deal about how the Bolsheviks went about doing this&—propaganda, persecution of clergy and laity, seizing church property&—scholars have not devoted much attention to the other side of the story: the people who were being persecuted and how they responded to their persecutors. Glennys Young shows how ordinary Russian peasants devised ways of asserting their religious faith during the difficult period of New Economic Policy, 1921&–28, when the Party-state was ideologically obsessed with eradicating religion. Faced with persecution, torture, and the creation of antireligious

organizations such as the League of the Godless, Orthodox clergy and laity organized themselves against the Bolsheviks. They revived factional politics, even using the village soviets, the intended cornerstone of Soviet power in the countryside, to defend their religious interests. When they achieved some degree of success in their resistance, the Bolsheviks were forced to respond and adapt their strategies—a conclusion that scholars have not put forward previously. Based on extensive research in archives and published sources, Young's book will force historians of Soviet Russia to confront religious issues as central to rural politics. Her work also draws upon cultural anthropology and theories of peasant politics, making it of great interest to any scholars studying the processes of secularization and desacralization in other cultures.
