Kabbalah and Tarot of the Spirit

Welcome to Pacific Mystery School. Enter the Great Oracle. Embrace the Mysteries of Time, Space, Birth, Love, Death and Resurrection. Meet your Mystic Teachers, master the energies of Fire, Water, Wind and Earth, learn to wield the Ten Powers of the Tree of Life and pass through the Twenty-One Key Initiations. KABBALAH AND TAROT OF THE SPIRIT is the complementary and supplementary companion to The Lightning Papers: Ten Powers of Evolution, also by Pamela Eakins, as well as the Tarot of the Spirit book and deck by Pamela and Joyce Eakins. Tarot of the Spirit has been highly acclaimed and recommended by Angeles Arrien, Rachel Pollack, James Wanless, Mary Greer, Brian Thomas Swimme, Gareth Knight, Arisa Victor, U.S. Games Systems, Inc., and Samuel Weiser, Inc. The Black & White Edition of KABBALAH AND TAROT OF THE SPIRIT contains three complete Books: The Minor Arcana & Daath, The Tarot Family, and The Major Arcana. • Book One, The Minor Arcana and Daath, is a comprehensive guide to the Minor Mystery cards: 1-10 of Fire, Water, Wind and Earth. The ten cards in each element/suit correspond to the Ten Spheres of the Tree of Life. The four elements correspond to the Four Worlds of the Kabbalah. One additional card, the Mystery Card, represents the secret Sphere Eleven of the Tree of Life, "Daath," the doorway into other dimensions. Book One also elucidates the foundations of Pacific Mystery School, the architecture of the Kabbalistic Tree of Life as a paradigm for New Consciousness, and the fundamentals of Tarot reading with Tarot of the Spirit. • Book Two, The Tarot Family, describes the sixteen Family Cards, also known as "court cards" and "face cards." These cards, too, are part of the Minor Arcana or Minor Mysteries. Each of these "cosmic beings" represents a specific complex of personified Kabbalistic and elemental energies. The Cosmic Family – Father, Mother, Brother and Sister – are mystical Guides and Guardians as well as aspects of the individual and collective psyche. Each oversees and enhances specific Minor Arcana cards as well as specific seasons and days of the year. • Book Three, The Major Arcana, expounds upon the twenty-two Key or Initiation cards, each of which represents one of the interconnecting branches of the Tree of Life. As we pass through these Initiations, we are forever transformed. The three Books of KABBALAH AND TAROT OF THE SPIRIT are also available in three separate Full Color Collector's Editions. Tarot of the Spirit

Illustrated with the Tarot of the Spirit deck painted by Joyce Eakins. Centered on the Qabbalistic Tree of Life, this symbolism clearly explores the Minor Arcana as a representation of the four components of life: spirit, emotion, intellect, and body; while it reveals the Major Arcana to be the keys to our emotional response patterns to the symbolic universe in which we live. Includes seven monthly meditations, individual readings, and layouts.

Raising Our State of Consciousness to Fulfill Our Soul's Growth (Black and White Edition)

Black and White Edition: Tarot is greatly misunderstood and mostly associated with divination, but its true purpose moves far beyond the realm of fortune telling; it is a powerful tool that can be used for personal development, gaining wisdom and understanding, and raising our state of consciousness. Tarot can also help restore and maintain our physical, mental, emotional, and spiritual balance. This book holds a collection of personal experiences, Divine knowledge received from my personal guide and spiritual mentor, and spiritual growth exercises that will set you on your path to fulfill your soul's growth. It also includes enlightening exercises as working with the letters of the Hebrew alphabet to manifest positive changes within and working with the Kabbalah (The Tree of Life) to understand and improve human relationships.

Tarot and the Gates of Light

An innovative, spiritual workbook that integrates the Tarot and the Kabbalistic tradition of Counting the Omer • Explores the origins and meaning of the 49-day Kabbalistic meditative practice of Counting the Omer and how it can lead to spiritual revelation, personal insight, and connection with the Divine • Reveals the correspondence of the Tarot's minor arcana with the Sephirot of the Tree of Life and explains how both relate to the Omer meditation • Provides a daily practice workbook that explores the related Sephirot and Tarot cards for each day, examines their Kabbalistic and spiritual meanings, and provides questions for daily reflection and meditation guidance The 49-day mystical practice known as Counting the Omer is an ancient Jewish ritual observed between the holidays of Passover and Shavuot (also known as Pentecost). As practiced by Kabbalists, it is designed to cleanse and purify

the soul in preparation for spiritual revelation and a personal connection with God. The ritual creates a spiritual inner journey that follows the path of the ancient Israelites from the moment of their physical freedom from slavery in Egypt to the establishment of their spiritual freedom forty-nine days later when they arrived at Mt. Sinai. Adeptly integrating this mystical practice with the transformative symbolism of the Tarot, Mark Horn uses the ritual of Counting the Omer as a template for a guided meditative practice that gives readers insight into their personal life journey and help in overcoming the issues that hinder their growth and spiritual awakening. Examining the correspondence of the Tarot's minor arcana with the Sephirot of the Kabbalistic Tree of Life, he shows how using the cards in connection with Counting the Omer can unlock the gates to a deep experience of the sacred. In the detailed daily practice workbook section, Horn provides day-by-day descriptions of the 49-day meditative practice of Counting the Omer. He divides the journey into seven week-long segments, which in turn are broken down into seven daily practices. For each day, he explains the related Sephirot and Tarot cards and their Kabbalistic and spiritual meanings, providing the reader with questions for daily reflection, guidance for meditation, and insight from traditional Jewish texts as well as teachings from Christian, Buddhist, Hindu, and Muslim traditions. Unveiling the relationship between Tarot and the Kabbalah, Horn shows readers how uniting these two practices can open them to a deeper experience of the Divine.

Kabbalistic Tarot

An introduction to the ancient kabbalistic origins and meanings of the tarot • Reveals the intimate relationship of the tarot to the esoteric teachings of the Torah and the Kabbalah • Provides kabbalistic interpretations for all 78 traditional tarot cards • Includes a detailed kabbalistic reading and interpretation of the Tree of Life spread When the Greeks invaded Israel and forbade study of the Torah, the Jewish people began a secret method of Toranic study that appeared to be merely a simple way to fill time: playing cards. These first tarot decks enabled study of the Torah without detection. Once the Maccabees expelled the Greeks from Israel and Israel once again became a Jewish kingdom, tarot cards dropped from sight. Fifteen hundred years later, in response to Jewish disputations with Catholic theologians, political and religious persecutions, and ultimately the Inquisition, the cards resurfaced as a secret learning tool of the Torah. In Kabbalistic Tarot, Dovid Krafchow details how the true meaning of the tarot is locked within the Kabbalah. He shows the correspondence between the 22 Major Arcana cards and the 22 letters of the Hebrew alphabet and how the four suits correspond to the four kabbalistic worlds of Briah, Yitzerah, Asiyah, and Atzilut. He describes the kabbalistic meanings of each of the 78 cards and their relations to the Torah and provides insight into the Tree of Life spread through several kabbalistic readings.

Rachel Pollack's Tarot Wisdom

This guidebook features innovative ways to interpret and use Tarot.

A Walk through the Forest of Souls

"For forty years," writes Neil Gaiman, "Rachel Pollack has been one of the finest writers and thinkers about Tarot, and A Walk through the Forest of Souls feels like a distillation of everything she has been trying to get us to see. A must for people who want the Tarot in their lives or just for people like me who want it in our stories." The author of beloved Tarot classic *Seventy-Eight Degrees of Wisdom* presents a magical journey that illuminates Tarot's many hidden meanings, leading readers on an exploration of their own spiritual and personal path. In over 350 illustrations, selected by the author, Pollack presents samples of Tarot cards ranging from the 15th-century Sforza to contemporary decks. Taking advantage of the Tarot's most distinctive feature—its artistry—this book creates a breathtaking overview as we walk with Pollack through the landscape of Tarot. In words and images we're shown how to explore unknown territory—in ourselves and in the world outside us, and in the sacred mysteries and riddles of existence. Using symbols and myths to illuminate the hidden mysteries and spiritual truths of the Tarot, Rachel Pollack explores the connections and relationships between Tarot and such wide-ranging subjects as mythology, mythography, folklore, Kabbalah, divination, quantum physics, time travel, and more. *A Walk through the Forest of Souls* is a dazzling journey through the mysteries of Tarot—suitable for Tarot masters, but accessible to newcomers, too. This book was previously published in 2002 under the title *Forest of Souls: A Walk through the Tarot*. This new edition has been extensively revised and updated by the author.

Alchemy and Kabbalah

The most ancient sciences in the world are Alchemy and Kabbalah, which constitute the practical, spiritual knowledge hidden in the depths of every great religion and mystical tradition. Modern scientists are only recently discovering what these ancient teachings have always known: that we are a part of a multidimensional universe, and that our consciousness, our awareness, can expand to perceive matter and energy that are invisible to the flesh. Just as physics and chemistry illuminate our understanding of the physical world, Alchemy and Kabbalah constitute a scientific method to awaken the consciousness and fully develop the human being, opening the doors to vast worlds that are hidden from the physical senses. This awakening or alchemical birth requires a precise scientific method, for everything that exists depends upon causes and conditions. Hidden in centuries of mystical texts and obscure drawings are the specific instructions that lead towards the opening of their inner senses and the entrance into a higher life. The Philosopher's Stone, the secret of transmuting lead into gold, and many other sacred mysteries long restricted to initiates who had proven their trustworthiness were publicly revealed for the first time by the author Samael Aun Weor. These mystical sciences are hidden in the twenty-two primary Tarot cards, whose origins and precise meanings have never before now been publicly revealed. Now, see for yourself how these ancient traditions are all truly one science. Discover the keys to unlock the mysteries hidden in scriptures, mystical texts, and enigmatic images, and most importantly the mysteries hidden within us.

Tree Spirit Tarot

This is a book only, the tarot deck must be purchased separately. Tree Spirit Tarot recounts the mythical and historical stories of 78 featured trees and their impact on our personal and collective understanding. By seeing how we are interrelated with trees, we can begin to reconnect to ourselves and each other. By bringing these shared stories to consciousness we awaken the tree of life within. This awakening is symbolic of our return to wholeness. Trees are reflections of our selves and our world. They are cross-cultural and archetypal symbols of the human condition. The Tarot was an illustrated deck of 78 cards that originated in 15th century Italy, its original name was "trionfi" meaning "triumphs," symbolizing the paths one takes through life. The tarot is divided into two groups: The Major Arcana, and the Minor Arcana. The journey of the Wonderer (Fool/Hero) is also reflected in the teachings of Kabbalah, known as the Tree of Life. The Kabbalah shows the path of the soul as it descends through the Tree of Life to become human and then transcends to spiritual oneness. Tree spirits by their very nature are wise, nurturing and without judgment. Their goal is to support us on our journey and to provide guidance whenever we need it. Their guidance is one of insight based on their unique history and botany. The card deck can be purchased at: <https://www.printerstudio.com/sell/designs/tree-spirit-tarot-deck.html>

The TOTEM Tarot Deck

Providing a superior spiritual technology with a smarter tool: the TOTEM Tarot Deck. The TOTEM Tarot Deck encapsulates and embodies the mission of TOTEM Readings, a Chicago-based shamanic consultancy that has been working with hundreds of clients for almost a decade. The TOTEM Tarot Deck harnesses the power of cross-cultural and multi-generational archetypes, all within a modern and high-impact tarot deck. A true collaboration between gifted shaman Rachel White and talented graphic designer Emma Cook, the TOTEM Tarot Deck offers a high-end spiritual software to meet the needs of an emerging community of spiritually-curious individuals.

Pathworking the Tarot

Enhance Your Tarot Skills and Expand Your Spirituality by Delving Deeper into Each Card's Story Just as using a tarot deck is a journey through a story, so is pathworking a journey through an inner landscape to find higher awareness and spiritual growth. This practical book's approach to pathworking will deepen your connection to the cards and encourage you to evolve spiritually. As you pathwork through the deck, you'll learn how to meditate on your readings and uncover so much more than you thought you could. Leeza Robertson introduces you to three pathworking styles: intentional (intentionally selecting cards based on theme), intuitive (letting the cards guide you), and wandering (combining a little of both the intentional and intuitive styles). Using straightforward techniques and hands-on exercises, she guides you through the seventy-eight cards and the stories they tell. This remarkable book inspires you to go further, deeper, and wider with your tarot practice and find spiritual enlightenment through new experiences with your deck.

The Kabbalah Tree

2005 Coalition of Visionary Resources (COVR) 2nd Runner Up in Non-Fiction category! Kabbalah's most famous symbol, the Tree of Life, has become the organizing principle behind our human efforts to understand the world. Using Hermann Haindl's lush depiction of the Tree of Life, Rachel Pollack examines the message behind this ancient symbol. She takes a non-denominational approach - drawing upon unusual sources such as tribal and shamanic traditions, modern science, contemporary Kabbalists, tarot interpreters, and a comic book writer - to explore the Tree's meaning. Along the way, we learn more about Kabbalah's history, texts, mystical concepts, and why this esoteric tradition has sprung up again in the twenty-first century.

CS06 The Sacred Tarot

This is the sixth book in the 21 Brotherhood of Light Course series by C. C. Zain on the Hermetic Sciences, Astrology, Alchemy, Tarot, Kabbalah and the Occult. The Sacred Tarot is a favorite of metaphysics students everywhere and companion to The Brotherhood of Light Egyptian Tarot Cards. This timeless volume draws comparisons between the Tarot and Tarot, Kabbalah, Astrology, Alchemy, Magic, Numerology, Mystery School Initiation, Biblical references, and Freemasonry. This profusely illustrated book is indexed and contains descriptions for twelve different tarot spreads. Also included is a table of correspondences which draws correlations between the tarot arcanum and herbs, gems, minerals, the Hebrew, Egyptian, and Roman alphabets, numbers, and astrological symbols. With this book, the student may readily determine the astrological correspondence of any number, name, color, gem or other object. This book may be used with any tarot deck including the popular Rider-Waite deck. The concepts presented, however, demonstrate the advantages to the tarot reader, and student of the occult, of using the The Brotherhood of Light Egyptian Tarot Cards.

Ancient Teachings on the EGO

This is the Black & White issue, a full color issue is available under the same title on createspace.com The Mysteries of our spiritual evolution concealed in the Tarot has taken a considerable amount of time to come to light for the masses. Most people tend to think that Tarot cards first appeared in the Middle Ages, however, many believe the basic images of the Major Arcana may have existed for thousands of years. In general, the Tarot was treated as a tool for divination. Then in the early 20th century Arthur Edward Waite commissioned Pamela Coleman Smith to create a new deck using the mystical teachings of the Golden Dawn. Known as the Rider-Waite-Smith deck, it was published in 1910, and began a revival of interest in understanding the deeper messages in the Tarot images. One such investigator was a Jewish rabbi, who studied the images from the Kabbalistic perspective. Taking his investigation as far as he could, the rabbi sought out a Jesuit priest who became so intrigued that he left the priesthood and devoted the next 40 years to its study. My involvement began when after meeting the ex-priest in the mid-70s, he became my mentor and close confidant. One day he handed me a box full of papers with the instructions that I was to collate the information and after adding my interpretation of the symbols, arrange it into a manuscript for publishing. This proved to be no easy task and required me establishing my own publishing company to bring the book to print in 1987. Following my publication of the book, Llewellyn Publishers became interested and published two printings of the book in the early

90s. In 2007, I decided to revise the manuscript and as owner of the copyright, publish this new version through my publishing company. Looking for endorsements for the back cover, I contacted Craig and Suzzan Babcock asking them if I could use excerpts of the letter they sent me endorsing the book. Not surprisingly they agreed, which started our long association together. Suzzan confided that she had experienced an extremely detailed a powerful vision connecting the 22 Major Arcana with the Tree of Life. It seemed to me that she was being motivated to add another level to the work, but it was not until she contacted me in 2014 suggesting that we republish The Rabbi's Tarot that I saw what her contribution would be. First, she has recolored all the cards according to my symbolism, bringing them to life in a very real way. Still, this was not her most important role. That has come from her inspired commentary, which brings in many other aspects and takes the messages of the cards to another level. In this book resides the following sentence. "The teaching of Tarot and the esoteric teaching of Scripture narrative is that the self-conscious, by assiduous endeavor, may bring into your body (and your body is your self-conscious) more and more of the superconscious in the form of Cosmic Mind-Stuff." It is this Cosmic Mind-Stuff, an energetic manifestation of sorts, which finds its way into our world when allowed. I believe it found not only the Rabbi and the Priest before me, but also Suzzan in its effort of coming forth for all humanity.

The Magician's Kabbalah

In this book for the first time is clearly laid out the entire map of spiritual progress in the western esoteric initiatory system illustrated by tarot on the Tree of Life. Drawing on three decades of experience and using previously unpublished material from the original archives of the Golden Dawn Society of 1888 and ground-breaking research on A. E. Waite, you will discover how Kabbalah is used as a tool of spiritual initiation. Complete with exercises, tables and diagrams to allow you to explore the Kabbalah and Tarot for your own magical and mystical development. This book has been written to provide all students and practitioners an essential guidebook to an authentic path of western spiritual development. Discover more at www.westernesotericism.com.

The Syzygy Oracle - Transformational Tarot and The Tree of Life

Syzygy? Jung used the term to describe the balancing of the opposites. Astronomically, syzygy (pronounced si-zi-gee) refers to a specific conjunction of the sun, moon and earth. On Mother Earth, the planet we call home, we are profoundly influenced by the radiance of the sun as well as the reflected light of the moon as we walk between light and darkness, physically and metaphorically. Solar energy evolves the ego and lunar energy evolves our essence. We learn the balance the two as we travel the twenty-two pathways of Kabbalah's Tree of Life. Honoring The Sacred Feminine, the spiritual practice offered here is an invitation to recognize and welcome intuitive wisdom more definitively into everyday awareness. A fresh interpretation of the traditional Major Arcana for women, here the patriarchal layering of the cards is lifted to reveal a timeless and timely revelation of intuitive

wisdom in a sequence of insightful, profound, and empowering teachings for any woman who wishes to read her own life story as more substantive than superficial. Twenty-two of these cards reinterpret the Tarot's Major Arcana. Aligning the cards with the twenty-two letters of the Hebrew alphabet, we access three levels of soul consciousness, in Hebrew known as nefesh, ruach and neshamah through the specific letter, number and story of each card. Meet inspirational archetypes from world culture to light the way. Through meditations and mantras, discover your personal hero's journey that is a crucial part of evolving consciousness. Ten additional cards representing the sefirot or energy centers, offer the Tree of Life as an experiential introduction to Kabbalah. Coincidence and kabbalah, symbols and synchronicities, metaphors and mantras enrich and deepen life's experience. This mythic and metaphoric interpretation liberates these cards solely from the realm of prognostication and presents a meditative and inspirational tool for a daily personal practice. Heather Mendel's elegant, powerful images, full of mystery and complexity, will forever change the way you view the wisdom of the ancient Tarot. ,

The True Nature of Tarot, 10th Anniversary Edition

Learn the Tarot to Bring Divine Guidance to Your Daily Life Tarot empowers those who connect with its wisdom. As a tool of enlightenment, it guides, reveals hidden insights, and reflects the hopes, fears, and energies of the practitioner and seeker. Based in Universal Law, the cards form a book of metaphysics. Their interpretations change with your level of understanding to help you navigate your life path and generate alternatives. It is a boundless tool that allows you to tap into ancient wisdom that promotes deep transformation of the self and the way in which you experience interactions with the physical, spiritual, emotional, and mental realms. "The True Nature of Tarot is expertly crafted to demystify common misconceptions and empower the reader to discover and explore the truth of tarot traditions for themselves. This book is a profound tool not only for increasing one's knowledge of this discipline, but for ushering the reader confidently and curiously along on their path of personal expansion and even enlightenment." -- Kaí Henderson, host of Our Daily Magic podcast "The True Nature of Tarot is the book to read for anyone interested in tarot as a hobby or as a professional. You will be inspired to be best in these pages and become an A+ tarot reader by following Diane Wing's guidance. Diane infuses kindness and spirituality into her work and shows the reader how easy it is to be helpful even when turning up a card that could have negative interpretations." -- Kac Young PhD, ND, DCH, author of Essential Oils for Beginners "For the beginner or advanced student, Diane's book is a wealth of information, direction, and application of the Tarot. She teaches through extensive principles for understanding while still inviting the reader to play with their intuitive abilities and unique disposition. Starting with grounding to begin, through to contemplation ideas after each card, Diane sets the foundation for true tarot interpretation." -- Lyn & Erika Hicks, The Magical Healing Arts podcast (YouTube) Learn more at www.DianeWingAuthor.com From Marvelous Spirit Press

Tarot and the Tree of Life

Though many books are available on the 22 major Tarot cards, few look in depth at the 56 Minor Arcana, or suit cards. Simple, accessible, and easy to understand, these "overlooked mirrors" of everyday life can help us access our inner knowing and learn more about ourselves. In refreshingly down-to-earth terms and with a joyous, commonsense wisdom, Kliegman demystifies the Tarot by revealing its "small secrets."

Tarot of Awakening

There are many mistaken ideas about spiritual awakening. One is that you must embrace eastern philosophies in order to achieve enlightenment. This book is intended for serious students who want to achieve awakening, or Initiation, on a western path. The western path, called the Western Mystery Tradition, has been walked by spiritual aspirants for millennia. This well-researched book focuses on two strands of the Western Mystery Tradition, Kabbalah and Tarot, to outline a modern perspective on these ancient traditions. In addition to dispelling false ideas, wishful thinking, and foolish stereotypes, it teaches us how to use individual Tarot cards as a means of staying in touch with what's really happening inside us as we change in response to the many challenges presented by the spiritual quest. This book provides solid, 21st century advice on how to deal with the personal, real-world issues that arise on the journey toward Initiation.

The Sacred Tarot

This is the sixth book in the 21 Brotherhood of Light Course series by C. C. Zain on the Hermetic Sciences, Astrology, Alchemy, Tarot, Kabbalah and the Occult. The Sacred Tarot is a favorite of metaphysics students everywhere and companion to The Brotherhood of Light Egyptian Tarot Cards. This timeless volume draws comparisons between the Tarot and Kabbalah, Astrology, Alchemy, Magic, Numerology, Mystery School Initiation, Biblical references, and Freemasonry. This profusely illustrated book is indexed and contains descriptions for twelve different tarot spreads. Also included is a table of correspondences which draws correlations between the tarot arcanum and herbs, gems, minerals, the Hebrew, Egyptian, and Roman alphabets, numbers, and astrological symbols. With this book, the student may readily determine the astrological correspondence of any number, name, color, gem or other object. This book may be used with any tarot deck including the popular Rider-Waite deck. The concepts presented, however, demonstrate the advantages to the tarot reader, and student of the occult, of using the The Brotherhood of Light Egyptian Tarot Cards.

The Way of Tarot

Filmmaker Alejandro Jodorowsky's insights into the Tarot as a spiritual path • Works with the original Marseille Tarot to reveal the roots of Western wisdom • Provides the key to the symbolic language of the Tarot's "nomadic cathedral" • Transforms a simple divination tool into a vehicle for self-realization and healing Alejandro Jodorowsky's profound study of the Tarot, which began in the early 1950s, reveals it to be far more than a simple divination device. The Tarot is first and foremost a powerful instrument of self-knowledge and a representation of the structure of the soul. The Way of Tarot shows that the entire deck is structured like a temple, or a mandala, which is both an image of the world and a representation of the divine. The authors use the sacred art of the original Marseille Tarot--created during a time of religious tolerance in the 11th century--to reconnect with the roots of the Tarot's Western esoteric wisdom. They explain that the Tarot is a "nomadic cathedral" whose parts--the 78 cards or "arcana"--should always be viewed with an awareness of the whole structure. This understanding is essential to fully grasp the Tarot's hermetic symbolism. The authors explore the secret associations behind the hierarchy of the cards and the correspondences between the suits and energies within human beings. Each description of the Major Arcana includes key word summaries, symbolic meanings, traditional interpretations, and a section where the card speaks for itself. Jodorowsky and Costa then take the art of reading the Tarot to a depth never before possible. Using their work with Tarology, a new psychological approach that uses the symbolism and optical language of the Tarot to create a mirror image of the personality, they offer a powerful tool for self-realization, creativity, and healing.

The Spiritual Roots of the Tarot

Learn the path to enlightenment and inner peace encoded by the Cathar in the Major Arcana of the Marseille Tarot • Reveals how the secret wisdom teachings of the heretical Cathar sect were hidden in plain sight in the imagery of the Major Arcana of the Marseille Tarot deck • Decodes each of the cards in detail and shows how they offer clear instructions for recalibrating human consciousness and achieving enlightenment • Shares the author's self-development program, based on the wisdom of the cards, for creating a lifestyle filled with peace, joy, good health, and meaning The Holy Grail has been discovered. Not a cup or chalice as myth leads us to believe, the Holy Grail is sacred knowledge of the path to enlightenment and inner peace. While author Russell Sturgess was conducting research on the Marseille Tarot, he found evidence that this tarot deck, while masquerading as a simple card game, held the teachings of an ancient heretical religious group from southern France, the Cathar, believed to be the keepers of the Holy Grail. To avoid persecution by the papacy, this sect used portable art like illuminations to convey their Gnostic Christian teachings, in the same way the stained glass windows of churches spoke to their congregations. This portable Cathar art then inspired the creation of the Tarot. After his breakthrough discovery of a hidden key on the Magician and Strength cards, Sturgess examined the Major Arcana cards further and used the key to unlock their symbolism, discovering clear instructions for recalibrating human consciousness and achieving enlightenment, with specific cards representing pivotal points in making the journey from ignorance to awareness. Decoding the cards in detail, the author shows how they reveal a journey of transformed consciousness that can result in finding what the Cathar called “the kingdom of heaven.” Calling this sacred knowledge “the Cathar Code,” Sturgess reveals his personal development program based on the Code that opens access to a meaningful lifestyle filled with peace and joy and that naturally fosters health and well-being. He shows how these teachings offer a clear path that transforms a life burdened by fear of failure, rejection, and scarcity into one with clarity of purpose, self-honoring, kindness, and the abundance that comes with making a fulfilling difference in the world.

Tarot of the Most High

The 'Tarot of the Most High' is a tarot card deck inspired by the Bible. **WARNING: THIS IS ONLY A GUIDEBOOK AND DOES NOT INCLUDE A DECK OF TAROT CARDS.** It includes depictions of events from the Old Testament, New Testament, and the Apocrypha. Each card includes an image, a key word (describing the overall theme of the card), and a section containing relevant Bible verses - providing ample symbolism/themes for enhanced tarot readings. These are not cards with fluffy inspirational Bible verses on them, but like the Bible, contain mature content documenting the interaction between God and human-beings, and human's struggles with evil throughout history. You can learn from the sins, temptations, adversity, and struggles of Biblical characters, for your personal growth, and/or reflect on God's interaction with mankind in the past, present, and future.

Qabalah Made Easy

Discover how to use the spiritual teachings of the Tree of Life to learn more about yourself, improve your experience on Earth, and fulfill your life purpose. The Qabalah is a Western non-religious mystic tradition (differing from the Kabbalah, which is an aspect of Jewish mysticism) offering teachings on the nature of divinity, the creation, the origin and fate of the soul, and the role of human beings. It consists of meditative, devotional, and mystical practices, including astrology, tarot, and magic. The central organizational system of the Qabalah is the Tree of Life - a mystical symbol consisting of ten interconnected spheres and considered to be a map of the universe and the psyche, the order of the creation of the cosmos, and a path to spiritual illumination. This introductory book breaks down the ideas of the Tree of Life into an easy to follow path, and shows how to use it effectively in our lives. Readers will learn: -the meaning of each of the spheres -a ritual and a meditation for each sphere -the gods, archangels, crystals, and magical tools connected to each sphere and how to work with them -how to set up a personal temple and create their own magical symbol -how to chant the Qabalistic prayer to draw down the Archangels for protection This book was previously published in the Hay House Basics series.

The Sangreal Tarot

This is not just another book about the tarot. It can be used with any deck of cards, for it looks at the symbols of the tarot from the Sangreal viewpoint to teach you a new way of meditation that will enhance your pursuit of the Western Mystery Tradition. Gray combines the symbolism of the Quabbalistic Tree of Life with the symbolism inherent in the tarot so you can learn the secret language of the tarot while looking at it through the lens of the mystical path. The ten fundamental types of consciousness will be explored using the four worlds of the qabalah that also appear in the four suits in the tarot, and Mr. Gray will explain how he works with the meanings of the major and minor arcana. Also included is the Journey of the Fool, that mystical journey of the soul that each person who quests for the Holy Grail must take. Mr. Gray does recommend that you use the cards for fortunetelling, but rather that you use them to help your spiritual growth. By working with the cards, they will begin to talk to you, and as you better understand the symbolism, you will learn the true value of what you hold within yourself.
