Prayer is a spiritual weapon that God has given to humanity to enable the world to experience His perfect will and glorious Kingdom. When prayer is answered it brings joy to people and glory to God. Answered prayer also motivates more prayer, and generates miracles, which fuel revival and soul winning into the kingdom of God. Furthermore, answered prayer paralyzes satanic forces, and it creates conducive atmospheres for fruitfulness, personal development and church growth. Unfortunately, many people pray and do not receive answers to their prayer because they "e;pray amiss."e; Therefore, they give up praying and just "e;live"e;, accepting whatever comes their way. Prayer must yield results, and for prayer to yield results it must be done right. In Answered Prayer, Rev. Martinson Sarfo provides insight into the dynamics of prayer, and factors that guarantee answered prayer. This book will show you how to pray right and receive answers to your prayers.

Again and Again God Answers Prayer

There are those who go through life never realizing the power of prayer. We were not purposed to tackle lifes situations and problems on our own. We have an advocate, the Holy Spirit, who empowers us in prayer. But you will receive power when the Holy Ghost comes upon you; and you will be my witnesses, in Jerusalem, and in all Judea and Samaria, and to the ends of the earth (Acts 1:8 NIV). We can change situations and turn the very obstacles of adversity in another direction. Throughout this book, you will read of instances where God has repeatedly answered prayer. At one time, He took a heart that was devoted to him to meet a need because of prayer. Through prayer, God signified his unmerited love. And still yet, God answers prayer in a most astounding way, using one vessel to speak to another vessel who heard his word and acted on it. We serve an almighty God who loves us unconditionally. His word never fails. Prayer is the key that unlocks every door to answered prayers. Just knowing that God will show up and answer prayer is comforting, but it can be the most exciting when we encounter him in a most unassuming way. Again and again, God answers prayer.

I'm Confused about Prayer

John Cowart,World's Foremost Authority on unanswered prayer, says, "I've prayed for more things and didn't get them than anyone else I know." But many other people also wonder why their prayers seem

to get nowhere. So John's amusing book addresses such issues as: Is Anybody out there to answer prayers? If God is able to answer, then why doesn't he? Is God as mean as a snake? Is there something wrong with my faith, my sins, my breath? If God did speak to me during prayer, would I hear him? If I don't have a whole lot of faith, will God answer me anyhow? Am I praying, or just wishing? And as John worries such questions, he presents his famous Skunk Proof for the existence of a loving God. He dedicates the book to his wife with the words, "I prayed 35 years ago to get over loving you. I'm so glad that God did not answer my prayer"..... NOTE: This book was previously published as "Why Don't I Get What I Pray For?" (IVP, 1993)

It Ain't Over Till It's Over

Have you spent hours, days, or even years in prayer for a specific need? Victory is on the way. One of the greatest strategies of the enemy is to convince Christians to give up on their faith. If he can't succeed at that, then his objective is to get them to settle for less than what God has planned for them. As a result, many people give up when victory is just around the corner. For anyone who has felt like throwing in the towel, this book brings encouragement. Don't give up! Keep running the race. Not only can you finish, but you can finish well. There is more! It's not over! Stir your faith to believe for: Miracles that you never thought possible Restoration for the most seemingly un-mendable marriages The return of prodigal sons and daughters Healing of life threatening diseases, hearts and minds Financial provision and blessing and much more!

Called to Pray

Most of us have felt it: that unexplained prompting in our hearts to stop and pray for a friend, a loved one, or even a stranger. Sometimes we dismiss the feeling as a stray thought about friends, families, or situations. Sometimes we are even awakened from a deep sleep with an even deeper need to go to God in prayer. Where do those urges come from? Are they truly from God? And do those prayers have any effect on the one we're praying for? In Called to Pray, Linda Evans Shepherd shares dozens of inspiring true stories of people who have felt God's call to pray--and the astonishing results of those impromptu prayers. For those who wonder if prayer has any effect or doubt that God communicates with us personally, this heart-stirring book will amaze, inspire, and equip them to respond to those holy promptings.

How to Pray...And Get Prayers Answered!

I wrote this book for the purpose of teaching people how to understand and develop personal relationships with God. I feel that understanding who your heavenly father is and how he operates through relationship is the foundation for not only praying, but in getting prayers answered. At the age of eighteen I began to desire an intimate relationship with God after witnessing my best friend pray to God and instantly get a response. I saw firsthand how alive the God we serve was, and how this type of intimate relationship could be achieved with the right direction. I believe the problem is not that God does not speak to his people, but that his people do not know how to hear his voice. This book will teach: * The proper perception we must have of God to form an intimate relationship. * How to pray prayers that can actually be answered * Hinderances that prevent prayers from being answered * Certain requirements that must be present for a prayer to be answered. * How to hear God's voice * And much more!....As a bonus blessing, I have also included for my readers: "The Seven Steps to Victory in a Crisis Situation."

Prayer

This book is an eclectic study of some dimensions of prayer. It is a Bible-based analysis (KJV). While recognizing that the concept, prayer, is widely viewed with numerous contexts, this book is anchored in the Judeo-Christian perspective. It makes no claim to present a universally accepted definition of prayer, the appropriate time for prayer, place of prayer, nor the one to utter the petition. The book is rather a collection of sermons based on texts lifted from scripture found in the Bible. The intent of this book is to present a focused study on selected topics on prayer as found in the Bible and viewed within the Judeo-Christian religion. This book is a valuable resource for addition to the innumerable sources on the topic of prayer. It is focused on prayer based on the Bible (KJV). It excludes the many social foci—so often overshadowing meaning and utilization of prayer—what is prayer, when to pray, where to pray, the time to prayer, the day to pray, who should lead in prayer, how to know when prayer is answered! This book is an easy reading resource that requires no extensive formal nor religious education. It can be likened unto reading the newspaper, emails, magazines, or TV aids. However, its message has relevance for daily living, the ultimate transition and eternal existence. Thus, its many usages include personal study, Bible study classes, and evangelism.

No Is Not an Answer

"No Is Not An Answer" is challenging and rewarding reading! In the book, pastor Holder challenges the idea that God answers prayer sometimes by saying, No!" Pastor Holder believes the suggestion that God answers prayer in three ways, "Yes, No and Wait," is incorrect, and he sets out to challenge this "mistaken" theory. He believes what he refers to as "the three-way theory" weakens our faith and confidence in receiving from God the things for which we ask. In his exhortations, pastor Holder uses over 250 Bible verses as evidence to show that, if all the Biblical conditions for answered prayer are adhered to, God will most assuredly give all His children the things for which they ask.

Prayer

The effectual fervent prayer of the righteous man availeth much. James 5:16 KJV I wanted to pray and see my prayers answered in a powerful way. Was it possible for me to be a prayer warrior? Was I good enough? How should I pray? I had these questions and many more. One Sunday morning Dr. Gregory Frizzell spoke on pray at my church. He suggested that if we wanted to be prayer warriors and see our prayers answered, study James. I did study James and applied it to my prayers. I share both the lessons I have learned from James and the answered prayers. Spend the next 21 days with me in studying the book of James and see GOD answer prayers. You can see answers to your prayers. You can know the will of GOD when praying. You can pray boldly. It's not as hard as you might think to pray and know GOD will answer your prayers. May GOD bless you with wisdom as you study James and pray.

Praying in God's Will

This is a Scriptural based book on prayer. It cites over 200 references in both the New and Old Testaments. The Bible has much to say about prayer. It is a very important topic. This book answers many questions that believers have about prayer. Why their prayers are not answered. Which prayers are always answered. It explains how to pray. Where to pray. How often one should pray. When to decline praying and numerous Scriptural details that can help an individual's prayer life. Prayer is a significant part of a believer's relationship with the Father. It also discusses the things that have

produced ineffective prayers. The key problem with most people's prayers is unforgiven sins. The solution is both simple and complex: sincerely praying forgiveness prayers. The author identifies three basic prayers that when prayed correctly and sincerely are always answered in the affirmative. God expects us to be honest with Him. The key is Jesus' prayer in the Garden of Gethsemane: Matthew 26:39-44 When Jesus was facing a terrible death on the cross He asked if possible that the Father would spare Him. Nevertheless, He gave believers the example that they should always ask that the Father override our wants in favor of His will being done! Prayer is not reciting a series of magic words that cause things to happen! God is sovereign! He can do anything that He chooses to do. The Holy Bible mentions some of the answers that He has already pre-determined. He is consistent and does everything in agreement with His written Word. God is perfect. If He were to change He would be other than perfect!

My Prayer Journal

Journaling is an intimacy between you and your thoughts. It allows you to transfer your thoughts onto paper, while releasing those things that cloud your mind and weigh lightly or heavily on your heart. A prayer journal reflects an intimacy between you and God. It allows you to focus on your prayers and keep track of your prayer requests and answers. Prayer journals can truly be a blessing in your spiritual life as you experience growth in prayer. Sometimes God speaks through dreams or otherwise. It is a good idea to journal those things in which God has spoken and keep track as they unfold. I was inspired to create this prayer journal through a vision God has revealed to me and placed on my heart. You will find that this journal will bless you and help you to experience spiritual growth and closeness with God. Whether you are having a good day or a bad day, or whether you have a prayer request for yourself or someone else, journal what you want and watch as the power of God unfolds. Remember, these are your personal thoughts, requests, and intimate time with God. Ask, be patient, and receive... As you journal your requests and pray, allow God some time to fulfill those requests as He will do so on His time and if it is His will for you.

The Uncommon Book of Prayer

"If my people, who are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land." - 2 Chronicles 7:14 God invites His people to pray and promises healing and forgiveness in response to those prayers. But how many Christians pray as the Bible teaches? This practical guide delves into the discipline of praying, seeking to help you understand the privilege, power, and purpose that can be derived from prayer. In *The Uncommon Book of Prayer*, Reverend Larry W. Ellis explores Jesus's model of prayer and why it must become our primary focus. Based on his belief that the ministry of prayer is no longer common among God's people, Reverend Ellis clearly explains how prayer has great power to change circumstances. Believers can improve their personal lives, change the condition of their communities, improve the economies of their nations, and ultimately bring hope to the world—all through prayer. Each chapter includes questions for reflection and suggests ways to add discipline to prayer life. Making prayer a daily practice will ultimately bring you into a more intimate relationship with God.

Daniel in the Lions' Den

Mike Cater has extensive experience in Bible Church Service. He has attended classes at Baptist Bible College in Springfield, Missouri, (1962–64). He has taught in a high school Sunday school in Paola, Kansas. He was Sunday school director at Cornerstone Baptist Church and served as youth director at Fellowship Baptist Church in Lawrence, Kansas, (2010). He has filled the pulpit in six Baptist churches during his church ministry: Paola, Olathe, Oak Grove, Marysville, and Lawrence. Mike Cater graduated from Pomona High School in 1961. He retired from Honeywell Avionics Incorporated in September 2009 after thirty years service as a facilities technician. Mike Cater now resides in Lawrence, Kansas. To my readers: This is "My Answers to Prayer" book following my first book on prayer, "Teach Us How To Pray" (a bible study). My reason for writing this book on prayer is to reintroduce everyone to the real basics for a successful prayer life. I want to give everyone a true sense of a relationship with a real all-powerful God. Our Savior-God wants a relationship that is totally honest concerning a Holy God and His Chosen People. Christian prayers are not being answered today for several reasons. God's word is trying to give us a peaceful heart through our baptism by faith in Jesus Christ. Since we have been 'quicken'd' or made alive with God in Christ Jesus we need to put our will worship aside and worship

our savior Jesus Christ. Matthew 6:1-15 I want to let God's word help us rediscover our hypocrisy in our Christian prayer life. To do this, we need to re-examine our views of The Living All Powerful God of the Universe! The best place to begin is to in Matthew 6, where Jesus tries to introduce us to proper prayer life. Then, after we re-examine Our Heavenly Father, I want us to examine the hindrances to a successful prayer life that we commit because of our sinful daily walk according to James 4:1-17. I want to also discuss the 5 ways that God does answer prayer. I realize that there are many ways to examine this part of our study, but we only have so much patience for God's Word. By the time you get to the end of this book, you will be thoroughly worn out or disgusted. I hope so. That is my goal! Mike Mike Cater and His Wife, Barbara Hook Cater, of 52 years

MY ANSWERS

Jesus said, "... everyone who asks, receives..." Mathew 7-8 (NIV) "God answers prayer in the best way – not just sometimes, but every time. However, the evidence of the answer in the area we want it may not always immediately follow." Oswald Chambers

The Bible History of Answered Prayer

They were just ordinary people--a loyal servant, a woman who desperately wanted a child, an old man who still had hope, and a young teenager who couldn't quite believe God's great love. Ordinary people who prayed extraordinary prayers to an extraordinary God. They weren't always eloquent. They weren't always the type of person you might think God would listen to. But they trusted God and his plans for their lives, and that made all the difference. Life-Changing Prayers tells their stories and shares their desperate, hopeful, and gratitude-filled prayers, inspiring and emboldening readers to ask God for the desires of their own hearts. Anyone who desires to pray life-changing prayers, as well as anyone whose prayer life has grown stagnant or nonexistent, will find here the encouragement to pray confidently and expectantly to the God who always hears--and always answers.

Only He Can Answer Prayers!

"O come let us worship and bow down, let us kneel before the Lord our Maker, for He is our God and we are the people of His pasture and the flock under His care." Today, if only you would hear His voice, do not harden your hearts as you did at Meribah, as you did that day in Massah in the wilderness. (Psalm 95:6-8) You may wonder why a book about storming heaven begins with a prayer about bowing and kneeling. It's because it is from this position of humility and submission that we find our answers and win our battles. In understanding Him, we learn He won't deny us our requests. In pouring out our heart to Him, we learn He would never break our heart. Not only do we grow to understand our place in His Kingdom, we grow to understand His amazing love toward us. He is waiting and longing and expecting to answer our prayers and give us our heart's desire. We are members of His household, children of the King of Kings. We are heirs to all of His incredible promises and recipients of His matchless grace. Like most people, I've had experience with prayers that seem to fall on deaf ears, prayers that appear for all practical purposes to go unanswered. In fact, at one point in my life, I actually told people if there was a God, He was a serious underachiever. It's amazing to me that He still loves me after such an insult. I'd lost family to devastating illnesses. I tried without success to ease the terrible suffering experienced by four members of my six person family. I watched them die untimely and painful deaths. In some cases it was more like seeing them tortured to death. If there was a formula to reverse suffering or to talk Jesus into showing mercy, I certainly couldn't find it. It was a very black time of my life. That's why I'm excited to share this book. I spent years studying prayer, reading about prayer, praying prayers. For more than twenty years my life has been devoted to discovering how to pray effectively. I don't believe there is a formula, really, though I believe the format of The Lord's Prayer is an excellent blueprint. Daniel, David and Solomon give us beautiful prayers as well. The endorsement I give for the prayers in this book is: they worked. It's not because of what I studied, read or wrote. It's because during the process of learning what touches the heart of God, what He wants, what pleases Him, I learned to pray His Word.

Discovering how to Pray

My reason for writing this Bible study guide on prayer is to reintroduce everyone to the real basics for a successful prayer life. I want to give everyone a true sense of a relationship with a real all-powerful God. Our Savior-God wants a relationship that is totally honest concerning a Holy God and His Chosen People. Christian prayers are not being answered today for several reasons. God's word is trying to give us a peaceful heart through our baptism by faith in Jesus Christ. Since we have been quickened or made alive with God in Christ Jesus we need to put our will worship aside and worship our savior Jesus Christ. Matthew 6:1-15 I want to let God's Word help us rediscover our Christian prayer life. To do this, we need to re-examine our views of The Living, All Powerful God of the Universe! The best place to begin is in Matthew 6, where Jesus tries to introduce us to proper prayer life. Then, after we re-examine our Heavenly Father, I want to examine the hindrances to a successful prayer life that we commit because of our sinful daily walk, according to James 4:1-17. I want to also discuss at least 5 ways that God does answer prayer. I realize that there are many ways to examine this part of our study, but we need to be honest with ourselves. Mike

Should We Pray to God the Father Or Our Saviour Jesus?

The utmost possibilities of prayer have rarely been realized. The promises of God are answered to those who truly pray. His promises to answer, to do, and to give "all things," "anything," "whatsoever," and "all things whatsoever" are so very large, so very great, and so exceedingly broad that it almost staggers our faith and causes us to hesitate with astonishment. All God asks is that, when we pray, we believe Him and trust that His promises in His Word are true.
