A Week's Course of Prayers for Families. With a prefatory discourse on family devotion

The 1928 Book of Common Prayer is a treasured resource for traditional Anglicans and others who appreciate the majesty of King James-style language. This classic edition features a Presentation section containing certificates for the rites of Baptism, Confirmation, and Marriage. The elegant burgundy hardcover binding is embossed with a simple gold cross, making it an ideal choice for both personal study and gift-giving. The 1928 Book of Common Prayer combines Oxford's reputation for quality construction and scholarship with a modest price - a beautiful prayer book and an excellent value.

Prayers for families for four weeks, selected from Scott, Gray ... and others, revised by E. Garbett

Reprint of the original, first published in 1859. The publishing house Anatiposi publishes historical books as reprints. Due to their age, these books may have missing pages or inferior quality. Our aim is to preserve these books and make them available to the public so that they do not get lost.

The 1928 Book of Common Prayer

Together We Pray is a book of prayers written especially for families with children. It brings together grandparents, parents, older children, and even the youngest child to give thanks and to ask for God's help and mercy for the family and for the world. The prayers offered in Together We Pray are inspired by the Psalms of the Bible, scripture shared by Jews and Christians. They include prayers for the table, devotional prayers, and memory prayers that young children can easily understand. The prayers for table and devotion begin with a line or two from the Psalm in which the prayer is rooted and celebrate the good things of life just as the Psalms do--food, joy, home, love, and more. They also express a concern for other people and places around the world. For so many families, life today seems fast-paced and chaotic. Stopping for a moment to breathe, pausing and expressing thanks and gratitude to God, can be very powerful, even if the pause is relatively brief. Together We Pray helps families to take that pause, to share in God's love and grace, and to do so in the most profound and lasting way--together as a family.

Prayers for the Use of Families

This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.

Together We Pray: a Prayer Book for Families

• A prayer book for children at home, school, or church • Whimsical, simple illustrations and prayers drawn from Episcopal prayer resources Common Prayer for Children and Families is a collection of prayers and liturgies written for kids and the adults or communities who pray with them. Whimsically illustrated with pen and ink, this book contains prayers for morning, midday, and evening; prayers throughout the Church year; and prayers for all sorts of occasions. At the heart of this book is the belief that prayer shapes our lives and should be accessible and meaningful for children. The prayers in this book are called "common" for a variety of reasons; like the Book of Common Prayer, it seeks to provide a language, form, and theology that binds Episcopalians in shared prayer. In addition, prayers reflect themes with which children are commonly familiar, like home, school, and camps. Most of all, these prayers are held in common—always done within God's holy community that includes family and friends, the living and the dead, saints and sinners, angels, archangels, and the company of heaven.

A Week's Course of Prayers for Families

Reprint of the original, first published in 1866.

Prayers for the Use of Families

Copeland, the author of a remarkable series that revolutionized the way people pray, has created a special edition for families. Each prayer weaves together several Scriptures to help readers pray the heart of God over their lives.

Forms of Prayer to be Used in Families, as Set Forth in the Prayer-book

This reformed and updated edition of A Prayer Book for Catholic Families is an invaluable resource for Catholic families who value traditional prayer but are not always sure how to incorporate it into contemporary life. Designed with the typical modern family in mind, the book teaches families what to pray and how to pray-and does so in a way that doesn't require a lot of time or any special knowledge on their part. It includes all the basic Catholic prayers, covering a broad array of topics and situations in life.

Prayers for the Use of Families

Today's families are busy. Every morning, parents and kids head out for a day full of school, work, sports, music lessons, church activities, and everything else. They return home, often tuning into television, computers, and phones—and tuning each other out. But what would happen if we, as families, pressed “pause” in the middle of packed schedules to gather and pray? Teresa Herbic believes anything can happen when families pray together. Family Prayer Made Easy jump-starts your family prayer time with ten focused devotions. Together, your family can seek God in action-packed, Spirit-driven prayers for each other, for friends, for the community, and more. After prayer comes an optional faith-focused activity, such as writing cards for hospital patients or crafting a thanksgiving jar for the family. Including Scriptures on prayer, classic children's prayers, 100 more interactive ideas for bringing prayer into busy family life, and sample prayers for holidays and special occasions, this book will guide your family into powerful, consistent, loving prayer—with resources you'll return to time and time again.

Common Prayer for Children and Families

Prayers for Faithful Families equips busy parents with simple prayers, written in ordinary language, for a wide variety of occasions. Use this book, and the heartwarming illustrations inside, for everyday family devotions around the dinner table or at bedtime, and for meaningful family milestones such as welcoming a new baby, baptism, or marriage. The perfect gift for newlyweds and new parents. Take a break from the harried pace of family life to reflect on the many blessings God has given us.

Simple family prayers, intended for those in a humbler position. [Followed by] Hymns, &c

From the first Patriarchs to Jesus, Mary and Joseph at home in Nazareth, the Bible is full of family life. Sharing a home with people you love - and who love you in return - is a foretaste of Heaven. It doesn't happen by itself: family life has to be cultivated. The God-centred family reflects God's Nature - which is pure, unselfish love. The giving of happiness to others in God's Name is the finest form of family worship.
