Brick Shakespeare

Enjoy four of Shakespeare's tragedies told with LEGO bricks. Here are Hamlet, Macbeth, Romeo and Juliet, and Julius Caesar enacted scene by scene, captioned by excerpts from the plays. Flip through one thousand color photographs as you enjoy Shakespeare's iconic poetry and marvel at what can be done with the world's most popular children's toy. Watch the brick Hamlet give his famous "To be or not to be" soliloquy, and feel brick Ophelia's grief as she meets her watery end. Lady Macbeth in brick form brings new terror to "Out, out, damn spot!" and brick Romeo and Juliet are no less star-crossed for being rectangular and plastic. The warm familiarity of bricks lends levity to Shakespeare's tragedies while remaining true to his original language. The ideal book for Shakespeare enthusiasts, as well as a fun way to introduce children to Shakespeare's masterpieces, this book employs Shakespeare's original, characteristic language in abridged form. Though the language stays true to its origins, the unique format of these well-known tragedies will give readers a new way to enjoy one of the most popular playwrights in history.

With over two thousand color photographs depicting the most well-known scenes in some of Shakespeare's most well-known plays, this bind-up is the perfect gift for your LEGO- and Shakespeare-loving friends and family! Fall in love with LEGO Juliet on her balcony as Romeo proclaims his love. See the full effect of Lady Macbeth's manic "Out, out, damn spot!" in a whole new way. Laugh along with LEGO Puck as he mischievously hassles the lovers in the woods. Cast a storm with brick Prospero as he strands his usurping brother on his deserted island. With this beautiful, two-book collector's set, you can continue to be amazed by Shakespeare as illustrated by your favorite toy.

With this beautiful, two-book collector's set, you can continue to be amazed by Shakespeare as illustrated by your favorite toy. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Brick Shakespeare

Never before have Shakespeare's plays been depicted in LEGO bricks, and now Brick Shakespeare: The Tragedies—Hamlet, Macbeth, Romeo and Juliet, and Julius Caesar and Brick Shakespeare: The Comedies—A Midsummer Night's Dream, The Tempest, Much Ado About Nothing, and The Taming of the Shrew are available in one extraordinary hardcover box set. With over two thousand color photographs depicting the most well-known scenes in some of Shakespeare's most well-known plays (including a bonus double-sided, full-color poster), this box set is the perfect gift for your LEGO- and Shakespeare-loving friends and family! Fall in love with LEGO Juliet on her balcony as Romeo proclaims his love. See the full effect of Lady Macbeth's manic "Out, out, damn spot!" in a whole new way. Laugh along with LEGO Puck as he mischievously hassles the lovers in the woods. Cast a storm with brick Prospero as he strands his usurping brother on his deserted island. Brick Shakespeare

Explore four of Shakespeare's comedies like never before—with LEGO bricks! This book presents Shakespeare's most delightful comedies, A Midsummer Night's Dream, Much Ado About Nothing, The Taming of the Shrew, and The Tempest, in one thousand amazing color photographs. This unique adaptation of the world's most famous plays stays true to Shakespeare's original text, while giving audiences an exciting new perspective as the stories are retold with the universally beloved construction toy. Get caught up in hilarious misadventures as brick Puck leads the lovers astray through the brick forests of Athens. Watch Cupid kill with traps in the plot to marry Beatrice and Benedict. Marvel at the changing disguises of the men vying for brick Bianca's affections, and feel the churn of the ocean as Prospero sinks his brother's ship into the brick sea. These iconic stories jump off the page with fun, creative sets built brick by brick, scene by scene! This incredible method of storytelling gives new life to Shakespeare's masterpieces. With an abridged form that maintains original Shakespearean language and modern visuals, this ode to the Bard is sure to please all audiences, from the most versed Shakespeare enthusiasts to young students and newcomers alike!

Shakespeare's Tragedies

The emphasis of this book is that each of Shakespeare's tragedies demanded its own individual form and that although certain themes run through most of the tragedies, nearly all critics refrain from the attempt to apply external rules to them.

Tragedies

H. B. Charlton focuses on Shakespeare's tragedies specifically as plays along with the themes of man and morality.

Shakespeare's Tragedy of Cymbeline

Meet the Greek gods as you have never seen them—in LEGO form! Enjoy these fascinating myths, reimagined through elaborate scenes and colorful LEGO bricks in one thousand color photographs! This book shares a unique retelling of some of the most widely known and loved Greek myths, from the stories of Athena, Poseidon, and Pandora to the twelve labors of Hercules. Watch Athena spring from the head of Zeus, and see Poseidon as he rules the seas with his mighty trident. Maintain hope with Pandora as her curiosity gets the best of her, and beware the Nemean Lion as Hercules repents for his misdeeds. Be awestruck by the amazing Mount Olympus made completely from LEGO bricks! These exciting retellings of ancient tales are consistent with the mythology behind them, while also capturing the creativity and whimsy of the stories with elaborate brick scenery. Brick Greek Myths will be a delight for LEGO tinkerers of all ages, a fun introduction to the tales for young readers, and an enchanting return to the stories for even the most devoted admirer of mythology. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
