The Gentleman's Guide to Vice and Virtue

A Kirkus Prize nominee and Stonewall Honor winner with 5 starred reviews! A New York Times bestseller! Named one of the best books of 2017 by NPR and the New York Public Library! "The queer teen historical you didn't know was missing from your life."—Teen Vogue "A stunning powerhouse of a story."—School Library Journal "A gleeful romp through history."—ALA Booklist A young bisexual British lord embarks on an unforgettable Grand Tour of Europe with his best friend/secret crush. An 18th-century romantic adventure for the modern age written by This Monstrous Thing author Mackenzi Lee—Simon vs. the Homo Sapiens Agenda meets the 1700s. Henry "Monty" Montague doesn't care that his roguish passions are far from suitable for the gentleman he was born to be. But as Monty embarks on his grand tour of Europe, his quests for pleasure and vice are in danger of coming to an end. Not only does his father expect him to take over the family's estate upon his return, but Monty is also nursing an impossible crush on his best friend and traveling companion, Percy. So Monty vows to make this yearlong escapade one last hedonistic hurrah and flirt with Percy from Paris to Rome. But when one of Monty's reckless decisions turns their trip abroad into a harrowing manhunt, it calls into question everything he knows, including his relationship with the boy he adores. Witty, dazzling, and intriguing at every turn, *The Gentleman's Guide to Vice and Virtue* is an irresistible romp that explores the undeniably fine lines between friendship and love. Don't miss Felicity's adventures in *The Lady's Guide to Petticoats and Piracy*, the highly anticipated sequel!

The Gentleman's Guide to Getting Lucky

"The queer teen historical you didn't know was missing from your life." — Teen Vogue, on *The Gentleman's Guide to Vice and Virtue* In this funny and frothy novella that picks up where the New York Times bestselling *The Gentleman's Guide to Vice and Virtue* leaves off, freshly minted couple Monty and Percy fumble through their first time together. Monty's epic grand tour may be over, but now that he and Percy are finally a couple, he realizes there is something more nerve-wracking than being chased across Europe: getting together with the person you love. Will the romantic allure of Santorini make his first time with Percy magical, or will all the anticipation and build-up completely spoil the mood?

The Lady's Guide to Petticoats and Piracy

In this highly anticipated sequel to the New York Times bestselling *The Gentleman's Guide to Vice and Virtue*, Felicity Montague must use all her womanly wits and wiles to achieve her dreams of becoming a doctor—even if she has to scheme her way across Europe to do it. A must-have for fans of Mackenzi Lee's extraordinary and Stonewall Honor-winning novel. A year after an accidentally whirlwind grand tour with her brother Monty, Felicity Montague has returned to England with two goals in mind—avoid the marriage proposal of a lovestruck suitor from Edinburgh and enroll in medical school. However, her intellect and passion will never be enough in the eyes of the administrators, who see men as the sole guardians of science. But then a window of opportunity opens—a doctor she idolizes is marrying an old friend of hers in Germany. Felicity believes if she could meet this man he could change her future, but she has no money of her own to make the trip. Luckily, a mysterious young woman is willing to pay Felicity's way, so long as she's allowed to travel with Felicity disguised as her maid. In spite of her suspicions, Felicity agrees, but once the girl's true motives are revealed, Felicity becomes part of a perilous quest that leads them from the German countryside to the promenades of Zurich to secrets lurking beneath the Atlantic.

The Nobleman's Guide to Scandal and Shipwrecks

Return to the enchanting world of the Montague siblings in the finale to the New York Times bestselling and Stonewall Honor-winning series, featuring a teenage Adrian Montague as he desperately seeks the now adult Monty and Felicity—the older siblings he never knew he had. Adrian Montague has a bright future. The sole heir to his father's estate, he is an up and coming political writer and engaged

to an activist who challenges and inspires him. But most young Lords aren't battling the debilitating anxiety Adrian secretly lives with, or the growing fear that it might consume him and all he hopes to accomplish. In the wake of his mother's unexpected death, Adrian is also concerned people will find out that he has the mental illness she struggled with for years. When a newly found keepsake of hers—a piece of a broken spyglass—comes into Adrian's possession, he's thrust into the past and finds himself face to face with an older brother he never knew he had. Henry "Monty" Montague has been living quietly in London for years, and his sudden appearance sends Adrian on a quest to unravel family secrets that only the spyglass can answer. In pursuit of answers about the relic, the brothers chart a course to locate their sister Felicity. But as they travel between the pirate courts of Rabat, Portuguese islands, the canals of Amsterdam, and into unknown Arctic waters, the Montague siblings are thrown into one final adventure as they face a ghostly legend that threatens their whole family.

The Madness Blooms

Mackenzi Lee, bestselling author of *The Gentleman's Guide to Vice and Virtue*, takes on Dutch Tulip Fever! My brother Bastian was born in a tulip field, or so the story goes. The woman at the church orphanage boasted this proudly to the seed merchant who had chosen Bas as his apprentice. Lucky for me, he took us both. When a single tulip bulb sold for the price of Amsterdam's finest houses, the flower shop was supposed to be our future, our survival. But when our master died, there wasn't even money to pay for his coffin. He, too, had caught the tulip fever. Bas and I hatched a dangerous, outrageous plan, a plan I hoped would save our shop—and save us. I would dress as a man, take on a new name, and attempt to sell a fake *Semper Augustus* bulb, the rarest and most valuable tulip of all, to the one merchant in town with the money to pay for it. But then I met his daughter, Elsje, and fell in love with her at first sight. Immediately, we were bound together. And the longer I lived a man's life, the less it felt like a disguise. The trousers fit better than dresses ever had, and my new name dripped from Elsje's tongue like sweet syrup. Now, I hardly know—and must discover—what to do. Who to save. Who to become. Who I am. Mackenzi Lee's *The Madness Blooms* is perfect for the teen and adult fans of Julie Berry, Jessie Burton, Ruta Sepetys, and Sarah Waters.

This Monstrous Thing

A wildly creative Gothic fantasy retelling of *Frankenstein*, *This Monstrous Thing* is a wholly new reimagining of the classic novel by Mary Shelley and is perfect for fans of retellings such as *Cinder* by Marissa Meyer, fantasy by Libba Bray and Cassandra Clare, and alternative history by Scott Westerfeld. In an alternative fantasy world where some men are made from clockwork parts and carriages are steam powered, Alasdair Finch, a young mechanic, does the unthinkable after his brother dies: he uses clockwork pieces to bring Oliver back from the dead. But the resurrection does not go as planned, and Oliver returns more monster than man. Even worse, the novel *Frankenstein* is published and the townsfolk are determined to find the real-life doctor and his monster. With few places to turn for help, the dangers may ultimately bring the brothers together—or ruin them forever.

Charity and Sylvia

Explores the lives of Charity Bryant and Sylvia Drake, two ordinary middle-class women who serve as a window on historical constructs of marriage, gender, and sexuality in late 18th-century and early 19th-century America. Both were born in Massachusetts, but in different towns, 11 years apart. Charity's attachment to women was so blatant that after she turned 20, her father told her to leave the house. She worked as a schoolteacher, but was forced to leave jobs several times because of hurtful gossip about her relationships with other women. In early 1807, Charity moved to Vermont to stay with a friend, and there she met Sylvia. The two fell in love, set up housekeeping, and considered themselves married. Gradually, their family members and the residents of Weybridge did as well. Charity and Sylvia became integral to the community, attending church, running their tailor shop, and contributing to charitable endeavors. Most of all, Charity and Sylvia remained passionately committed to each other and refused to hide their relationship. An important work of history that resonates with one of today's most public debates.

The Key to Rondo

There are four rules to the old, painted music box: Wind the box three times only. Never wind the box while the music plays. Never shut the box while the music plays. Never move the box until the music stops. Leo wouldn't dream of breaking these rules, but his stubborn cousin Mimi never does what

she's told. She winds the box four times--and suddenly the paintings on its side come to life and a powerful witch is released. Now Leo and Mimi must stop the witch, if only they can find the key to the music box--and the magical world it contains.

Winterspell

To find her abducted father and keep her sister safe from the lecherous politicians of 1899 New York City, seventeen-year-old Clara must journey to the wintry kingdom of Cane, where Anise, queen of the faeries, has ousted the royal family in favor of her own totalitarian, anti-human regime.

Vengeance Road

When her father is murdered for a journal revealing the location of a hidden gold mine, eighteen-year-old Kate Thompson disguises herself as a boy and takes to the gritty plains looking for answers -- and justice. What she finds are untrustworthy strangers, endless dust and heat, and a surprising band of allies, among them a young Apache girl and a pair of stubborn brothers who refuse to quit riding in her shadow. But as Kate gets closer to the secrets about her family, a startling truth becomes clear: some men will stop at nothing to get their hands on gold, and Kate's quest for revenge may prove fatal.

A Curse of Ash and Embers

A dead witch. A bitter curse. A battle of magic. Some people knit socks by the fire at night. Gyssha Blackbone made monsters. But the old witch is dead now, and somehow it's Elodie's job to clean up the mess. When she was hired at Black Oak Cottage, Elodie had no idea she'd find herself working for a witch; and her acid-tongued new mistress, Aleida, was not expecting a housemaid to turn up on her doorstep. Gyssha's final curse left Aleida practically dead on her feet, and now, with huge monsters roaming the woods, a demonic tree lurking in the orchard and an angry warlock demanding repayment of a debt, Aleida needs Elodie's help, whether she likes it or not. And no matter what the old witch throws at her, to Elodie it's still better than going back home. Praise for *Winter Be My Shield*: 'Unlikely heroes, villains you will cheer for, and cold that eats your bones. "*Winter Be My Shield*" will take you to an unforgiving place, but you won't want to leave it.' Robin Hobb

The Gentleman's Guide to Cool

According to a Harvard University study, once a bad impression is formed, it takes eight - eight! - subsequent good encounters to correct that initial impression. You never get a second chance to make a first impression. Paul Giles, *News Corp* columnist and former international male model who worked with the biggest fashion houses and designers for over 20 years, shows men how to make the right first impression. 'The Gentlemen's Guide to Cool: Clothing, Grooming, Etiquette' is the book for any man who wants to learn the secrets of making a great first and lasting impression. Learn what to wear, how to portray confidence and simple grooming techniques that will make a difference to all areas of your life.

Rolling in the Deep

Adèle has only one goal: catch the purple-haired thief who broke into her home and stole her exocore, thus proving herself to her new police team. Little does she know, her thief is also the local baker. Claire owns the *Croissant-toi*, but while her days are filled with pastries and customers, her nights are dedicated to stealing exocores. These new red gems are heralded as the energy of the future, but she knows the truth: they are made of witches' souls. When her twin—a powerful witch and prime exocore material—disappears, Claire redoubles in her efforts to investigate. She keeps running into Adèle, however, and whether or not she can save her sister might depend on their conflicted, unstable, but deepening relationship.

Baker Thief

Shakespeare in Love meets Mr. and Mrs. Smith in this witty and thrilling story of star-crossed assassins in Elizabeth England, perfect for fans of *My Lady Jane* and *The Gentleman's Guide to Vice and Virtue*! When Lady Katherine's father is killed for being an illegally practicing Catholic, she discovers treason wasn't the only secret he's been hiding: he was also involved in a murder plot against the reigning Queen Elizabeth I. With nothing left to lose, Katherine disguises herself as a boy and travels to London to fulfill her father's mission, and to take it one step further -- kill the queen herself. Katherine's opportunity

comes in the form of William Shakespeare's newest play, which is to be performed in front of Her Majesty. But what she doesn't know is that the play is not just a play. It's a plot to root out insurrectionists and destroy the rebellion once and for all. The mastermind behind this ruse is Toby Ellis, a young spy for the queen with secrets of his own. When Toby and Katherine are cast opposite each other as the play's leads, they find themselves inexplicably drawn to one another. But the closer they grow, the more precarious their positions become. And soon they learn that star-crossed love, mistaken identity, and betrayal are far more dangerous off the stage than on.

An Assassin's Guide to Love and Treason

From the New York Times bestselling author of *The Downstairs Girl*, Stacey Lee, an evocative novel about a teen aroma expert who uses her extrasensitive sense of smell to help others fall in love—while protecting her own heart at all costs. Perfect for fans of *When Dimple Met Rishi* and *I'll Be the One* and now in paperback. Sometimes love is right under your nose. As one of only two aromateurs left on the planet, sixteen-year-old Mimosa knows what her future holds: a lifetime of weeding, mixing love elixirs, and matchmaking—all while remaining incurably alone. For Mim, the rules are clear: falling in love would render her nose useless, taking away her one great talent. Still, Mimosa doesn't want to spend her life elbow-deep in soil and begonias. She dreams of a normal high school experience with friends, sports practices, debate club, and even a boyfriend. But when she accidentally gives an elixir to the wrong woman and has to rely on the lovesick woman's son, the school soccer star, to help fix the situation, Mim quickly begins to realize that falling in love isn't always a choice you can make. At once hopeful, funny, and romantic, Stacey Lee's *The Secret of a Heart Note* is a richly evocative coming-of-age story that gives a fresh perspective on falling in love and finding one's place in the world.

The Secret of a Heart Note

The most frequently asked question about writing musicals is, "Which comes first, the music or the lyrics?" As anyone on Broadway will tell you, the answer is, "The book." Tony-winning book writer Robert L. Freedman takes you through the process of writing a new musical, including story structure, song placement, dialogue, character development, and more that led to the creation of *A Gentleman's Guide to Love and Murder*, the 2014 Best Musical Tony winner. With candor and insight, Freedman describes the challenging and rewarding growing pains of what the critics called "Hilarious!" and "Ingenious!" and said "Ranks among the most inspired and entertaining new musical comedies I've seen in years."

Lady's Guide to Petticoats and Piracy

"Put down what you're doing and read this book. Right now. The complex characters, intricate world, and blistering pace are off-the-charts amazing." —Marie Lu, author of the Legend trilogy Syd's life is not his own. As a proxy he must to pay for someone else's crimes. When his patron Knox crashes a car and kills someone, Syd is branded and sentenced to death. The boys realize the only way to beat the system is to save each other so they flee. The ensuing cross-country chase will uncover a secret society of rebels, test the boys' resolve, and shine a blinding light onto a world of those who owe and those who pay. This fast-paced thrill ride of a novel is full of breakneck action, shocking twists and heart-hammering suspense that will have readers gasping until the very last page. This edition includes a exclusive bonus story featuring Syd and Knox! "Looking for an awesome YA summer read? Look no further than Alex London's Proxy." —EW.com "Whipping Boy + Blade Runner with a sprinkling of The Hunger Games (plus, of course, a dash of A Tale of Two Cities) = a treat for teen SF fans." —Kirkus Reviews

Notes on the Writing of A Gentleman's Guide to Love and Murder

Sixteen-year-old Prince Tal is on his long-awaited coming-of-age tour when he meets the intriguing and roguish Athlen, and when he is kidnapped by pirates, Athlen is his only hope of escape.

Proxy

Sixteen-year-old Nate is a GEM—a Genetically Engineered Medi-tissue—created by Gathos City scientists as a cure for the elite from the fatal lung rot ravaging the population. As a child, Nate was smuggled out of the laboratory where he was held captive and taken into the Withers—a quarantined, lawless region. He manages to survive by becoming a Tinkerer, fixing broken tech in exchange for food or a safe place to sleep. When he meets Reed, a kind and fiercely protective boy who makes his

heart race, and his misfit gang of scavengers, Nate finds the family he's always longed for—even if he can't risk telling them what he is. But Gathos created a genetic fail-safe in their GEMs—a flaw in their DNA that causes their health to rapidly deteriorate as they age unless they are regularly dosed with medication controlled by Gathos City. When violence erupts across the Withers, Nate's illegal supply of medicine is cut off, and a vicious attack on Reed threatens to expose his secret. With time running out, Nate is left with only two options: work for a shadowy terrorist organization that has the means to keep him alive, or stay—and die—with the boy he loves.

In Deeper Waters

Lesbian Fiction: Historical Fiction - "Luke" Hamilton has always been sure that she'd never marry. She accepted that she would spend her life alone when she chose to live her life disguised as a man. After working in a brothel for three years, Nora Macauley has lost all illusions about love. She no longer hopes for a man who will sweep her off her feet and take her away to begin a new, respectable life. But now they find themselves married and on the way to Oregon in a covered wagon, with two thousand miles ahead of them.

Fragile Remedy

Illustrated stories about dogs that knew how to sit, stay, and witness history—from the loyal Greyfriars Bobby to Lizzie Borden's Boston Terriers. Most dog lovers know Fido and Laika, but how about Martha, Paul McCartney's Old English Sheepdog? Or Peritas, Alexander the Great's trusted canine companion? As long as there have been humans, those humans have had beloved companions—their dogs. From the ancient Egyptians mummifying their pups, to the Indian legend of the king who refused to enter the afterlife unless his dog was allowed there too, to the modern meme and popularity of terms like the corgi sploot, humans are undeniably obsessed with their dogs. Told in short, illustrated essays that are interspersed with both historical and canine factoids, *The History of the World in Fifty Dogs* brings to life some of history's most memorable moments through the stories of the dogs that saw them happen.

Backwards to Oregon

Fame and success come at a cost for Natasha "Tash" Zelenka when she creates the web series "Unhappy Families," a modern adaptation of *Anna Karenina*--written by Tash's eternal love Leo Tolstoy.

The History of the World in Fifty Dogs

Gena and Finn would have never met but for their mutual love for the popular show *Up Below*. Regardless of their differences—Gena is a recent high school graduate whose social life largely takes place online, while Finn is in her early twenties, job hunting and contemplating marriage with her longtime boyfriend—the two girls realize that the bond between them transcends fanfiction. When disaster strikes and Gena's world turns upside down, only Finn can save her, and that, too, comes with a price. Told through emails, text messages, journal entries, and blog posts, *Gena/Finn* is a story of friendship and love in the digital age.

Tash Hearts Tolstoy

Shortlisted for the Waterstones Children's Book Prize 2021! Ollie and Will were a summer fling; now they're classmates. But only one of them is out...SIMON VS THE HOMO SAPIENS AGENDA meets a modern-day, queer re-imagining of *GREASE*. It was the very last Wednesday of August when I realized Disney had been lying to me about Happily Ever Afters. Because, you see, I was four days into mine, and my prince was nowhere to be found. "Please don't lose contact. I need to see you again," he'd said. So why was I here, banging my head against a metaphorical wall, weighing up the pros and cons of sending another message? This wasn't a big deal. It was just a guy texting another guy. A guy who knew all my biggest secrets, and had Seen. Me. NakedTM. A guy who'd convinced me he really, really liked me. A guy who'd better have been abducted by goddamn aliens... When Ollie meets Will over the summer break, he thinks he's found his Happily Ever After. But once summer's ended, Will stops texting him back, and Ollie finds himself short of his fairy-tale ending. A family emergency sees Ollie uprooted and enrolled at a new school across the country - Will's school - and Ollie finds that the sweet, affectionate and comfortably queer guy he knew from summer isn't the same one attending Collinswood High. This Will is a class clown, a basketball jock and, well, a bit of a jerk. Ollie isn't going

to pine after a guy who isn't ready for a relationship. But as school life repeatedly throws them together, from music class to the lunch table, Ollie finds his resolve weakening. With the noisy drama of their friends as the backdrop - from ambitious Juliette and frosty Lara, to big-hearted Darnell and king-jock Matt - Ollie has a decision to make. The last time he gave Will his heart, Will handed it back to him trampled and battered. Ollie would have to be an idiot to trust him with it again. Right? *Don't miss the new queer YA rom-com from Sophie Gonzales - PERFECT ON PAPER is out in March 2021!*

Gena/Finn

Josh Chester loves being a Hollywood bad boy, coasting on his good looks, his parties, his parents' wealth, and the occasional modeling gig. But his laid-back lifestyle is about to change. To help out his best friend, Liam, he joins his hit teen TV show, Daylight Falls...opposite Vanessa Park, the one actor immune to his charms. (Not that he's trying to charm her, of course.) Meanwhile, his drama-queen mother blackmails him into a new family reality TV show, with Josh in the starring role. Now that he's in the spotlight--on everyone's terms but his own--Josh has to decide whether a life as a superstar is the one he really wants. Vanessa Park has always been certain about her path as an actor, despite her parents' disapproval. But with all her relationships currently in upheaval, she's painfully uncertain about everything else. When she meets her new career handler, Brianna, Van is relieved to have found someone she can rely on, now that her BFF, Ally, is at college across the country. But as feelings unexpectedly evolve beyond friendship, Van's life reaches a whole new level of confusing. And she'll have to choose between the one thing she's always loved...and the person she never imagined she could.

Only Mostly Devastated

"The queer teen historical you didn't know was missing from your life." -- Teen Vogue, on *The Gentleman's Guide to Vice and Virtue* In this funny and frothy novella that picks up where the New York Times bestselling *The Gentleman's Guide to Vice and Virtue* leaves off, freshly minted couple Monty and Percy fumble through their first time together. Monty's epic grand tour may be over, but now that he and Percy are finally a couple, he realizes there is something more nerve-wracking than being chased across Europe: getting together with the person you love. Will the romantic allure of Santorini make his first time with Percy magical, or will all the anticipation and build-up completely spoil the mood?

Under the Lights

An epic tale across the realms. A deadly power that spans millennia. A story of struggle and betrayal, this adventure is told through the patchwork past of Marvel's most misunderstood mischief-maker of all time: Loki: Trickster. God of Asgard. Brother.

The Gentleman's Guide to Getting Lucky ()

The girls of Devonairre Street have always been told they're cursed. Any boy they love is certain to die too soon. But this is Brooklyn in 2008, and the curse is less a terror and more a lifestyle accessory—something funky and quaint that makes the girls from the shortest street in Brooklyn special. They wear their hair long and keys around their necks. People give them a second look and whisper “Devonairre” to their friends. But it's not real. It won't affect their futures. Then Jack—their Jack, the one boy everyone loved—dies suddenly and violently. And now the curse seems not only real, but like the only thing that matters. All their bright futures have suddenly gone dark. *The Careful Undressing of Love* is a disturbing and sensual story of the power of youth and the boundless mysteries of love set against the backdrop of Haydu's brilliantly reimagined New York City.

Loki

In a near-future America, a sentient computer program named Charlotte has turned terrorist, but Lee Fisher, the closeted son of an ultraconservative President, is more concerned with keeping his Secret Service detail from finding out about his developing romance with Nico, the new guy at school, but when the spider-like robots that roam the school halls begin acting even stranger than usual, Lee realizes he is Charlotte's next target.

The Careful Undressing of Love

'A kind of magical realism for science fiction ... Quite, quite brilliant' Tor Part pulp adventure, part otherworldly meditation, this is the story of Trafalgar Medrano: intergalactic trader and lover of bitter coffee and black cigarettes. In the bars and cafés of Rosario, Argentina, he recounts tall tales of his space escapades - involving, among other things, time travel and dancing troglodytes. 'A unique brand of science fiction ... unlike anything I've ever read' Los Angeles Review of Books

Willful Machines

Two sisters take off on a wild road trip in this poignant tale for fans of *Counting by 7s* and *Fish in a Tree*. After Mama Lacy's death, Fella was forced to move in with her grandmother, Mrs. Madison. The move brought Fella all sorts of comforts she wasn't used to at home, but it also meant saying goodbye to her sister Zoey (a.k.a. Zany) and her other mother, Mama Shannon. Though Mama Shannon fought hard to keep Fella, it was no use. The marriage act is still a few years away and the courts thought Fella would be better off with a blood relation. Already heartbroken, Fella soon finds herself alone in Mrs. Madison's house, grieving both the death of her mother and the loss of her entire family. Then one night, Zany shows up at Mrs. Madison's house determined to fulfill Mama Lacy's dying wish: to have her ashes spread over the lawn of the last place they were all happy as a family. Of course, this means stealing Mama Lacy's ashes and driving hundreds of miles in the middle of the night to Asheville, North Carolina. Their adventure takes one disastrous turn after another, but their impulsive journey helps them rediscover the bonds that truly make them sisters. A heartrending story of family torn apart and put back together again, *Ashes to Asheville* is an important, timely tale.

Trafalgar

Featured in USA Today's "Best Rom-Coms" of May 2023 and one of the Washington Post's best romances of the year! "The Stand-In is a charming, engaging rom com that drips in glamour and sparkles with banter. Chu's exploration of multi-racial identity was resonant and nuanced. The Stand-In is truly a stand out romance." — USA Today bestselling author Andie J. Christopher Gracie Reed was just fired by her overly "handsy" boss at the worst possible moment. She's been scraping together every extra dollar to get her mother into a top-notch memory care center. To make matters worse, a paparazzo has mistaken her for a famous Chinese actress in town for a new project and the resulting snapshot's gone viral. Gracie's barely holding it all together...until a mysterious SUV rolls up beside her on the street, and she's offered the opportunity of a lifetime. Gracie can't believe what she's hearing: due to their uncanny resemblance, gorgeous actress Wei Fangli wants Gracie to be her stand-in. The catch? Gracie will have to be escorted by Sam Yao, the other half of Chinese cinema's infamous golden couple. Problem is, Sam is the most attractive—and infuriating—man Gracie's ever met. But if it means getting the money she needs for her mother, Gracie's in. Soon Gracie moves into a world of luxury she never knew existed. But resisting her attraction to Sam, and playing the role of an elegant movie star, proves more difficult than she ever imagined—especially when she learns the real reason Fangli so desperately needs to step out of the spotlight. In the end all the effort in the world won't be able to help Gracie keep up this elaborate ruse without losing herself...and her heart. Readers will delight in this glamorous, swoon worthy enemies-to-lovers romance that is as hilarious as it is heart-wrenching.

Ashes to Asheville

Geneticist Kate Warner and counter-terrorism agent David Vale have prevented a fierce plague from wiping out humanity – but the struggle to survive is far from over.

The Stand-In

A teen rockstar has to navigate family, love, coming out, and life in the spotlight after being labeled the latest celebrity trainwreck in Jen Wilde's quirky and utterly relatable novel. As a rock star drummer in the hit band The Brightsiders, Emmy King's life should be perfect. But there's nothing the paparazzi love more than watching a celebrity crash and burn. When a night of partying lands Emmy in hospital, she's branded the latest tabloid train wreck. Luckily, Emmy has her friends and bandmates, including the super-swoonworthy Alfie, to help her pick up the pieces of her life. She knows hooking up with a band member is exactly the kind of trouble she should be avoiding, and yet Emmy and Alfie Just. Keep. Kissing. Will the inevitable fallout turn her into a clickbait scandal (again)? Or will she find the strength to stand on her own? Jen Wilde, author of *Queens of Geek*, which *Seventeen* called, "the geeky, queer book of our dreams" is back with a brand new cast of highly diverse and relatable characters for her fans to fall in love with. Praise for *Queens of Geek*: "The book deals head on with issues of mental health,

body shaming, sexuality, and internet celebrity, handling them with a delicate and skillful touch." —Teen Vogue "This fun book about fierce friendships gives voice to a group of diverse female characters who are so defined by so much more than just their mental health and sexuality." —Bustle "This celebration of geek culture and fandom promotes diversity and being true to oneself." —School Library Journal

The Atlantis World

The second book in the hit series from New York Times best-selling author Mackenzi Lee! This three-book series explores the untapped potential and duality of heroism of popular characters in the Marvel Universe. The first book in the series, *Loki: Where Mischievous Lies*, was an instant New York Times best seller and received two starred reviews! Gamora arrives on Torndune—a once-lush planet that has been strip-mined for the power source beneath its surface—with a mission: collect the heart of the planet. She doesn't know who sent her, why they want it, or even what the heart of a planet looks like. But as the right hand and daughter of Thanos, and one of the galaxy's most legendary warriors, her job is not to ask questions. Her job is to do what she's told, no matter the cost. What she doesn't know is that her sister, Nebula, is in hot pursuit. Nebula has followed Gamora to Torndune in hopes of claiming the planet's heart first and shaming her sister as vengeance for the part she played in Nebula losing her arm. While Gamora falls in with a group of miners attempting to overthrow the tyrannical mining corporation that controls their lives, Nebula allies herself with the Universal Church of Truth, whose missionaries wait on every street corner to recruit more followers and tithes for the Matriarch. Both sisters hope their alliance will give them access to one of the massive diggers capable of drilling to the center of the planet. But the closer they get to the heart of the planet—and to each other—the closer they get to uncovering the truth of what brought them there and the role they may unknowingly be playing in a twisted competition with galactic consequences. A competition they can never win . . . unless they learn to trust each other. And trust is the biggest lie in the galaxy. Complete your Marvel YA collection with these best-selling fan-favorite novels: *Loki: Where Mischievous Lies* by Mackenzi Lee, *Miles Morales: Spider-Man* by Jason Reynolds, *Unstoppable Wasp* by Sa

The Brightsiders

"You'll meet suffragettes who did jujitsu, women warriors who wore lipstick into battle and queens who put women in their rightful places—positions of power." —Ms. Based on Mackenzi Lee's popular weekly Twitter series of the same name, *Bygone Badass BROADS* features fifty-two remarkable and forgotten trailblazing women from all over the world. With tales of heroism and cunning, in-depth bios and witty storytelling, *Bygone Badass BROADS* gives new life to these historic female pioneers. Starting in the fifth century BC and continuing to the present, the book takes a closer look at bold and inspiring women who dared to step outside the traditional gender roles of their time. Coupled with riveting illustrations and Lee's humorous and conversational storytelling style, this book is an outright celebration of the badass women who paved the way for the rest of us. "The author of the first novel, warriors and rulers, scientists and war heroes. History abounds with tales of trailblazing women long forgotten—especially those who were nonwhite, non-Western, or not straight. Take a look at a dozen of the women in *Bygone Badass BROADS* so you can begin to see what you missed in history class." —The Boston Globe "Shar[es] the stories of fifty-two women in history who changed the game forever—even though you've probably never heard of them . . . If you're looking for some inspiration this , you Women's History Month just got it—fifty-two times over." —Bustle "Lee admirably fulfills her stated goal of promoting lesser-known subjects who are awesome, accompanied by brightly colored, full-page artwork." —School Library Journal

Gamora and Nebula

The world turns on moments like these. Crossroad moments; a toss of the coin . . . I see half my face in deep shadow, eyes glittering like diamonds, the resemblance to my father never stronger. Rey Tanic is not like other 14-year-olds. His dad is a mafia boss. His dad is also in jail. When Rey's life explodes, every decision he makes will shape the rest of his life. How far does the apple really fall from the tree?

Bygone Badass BROADS

L. M. Montgomery's classic tale, *Anne of Green Gables*, gets a romantic, charming, and hilarious modern adaptation, set in New York City. After an idyllic girlhood in Avonlea, Long Island, Anne has packed up her trunk, said goodbye to her foster parents, Marilla and Matthew, and moved to the isle of Manhattan for grad school. Together with her best friend, Diana Barry, she's ready to take on the

world and find her voice as a writer. When her long-time archrival Gilbert Blythe shows up at Redmond College for their final year, Anne gets the shock of her life. Gil has been in California for the last five years—since he kissed her during a beach bonfire, and she ghosted him. Now the handsome brunette is flashing his dimples at her like he hasn't a care in the world and she isn't buying it. Paired with the same professor for their thesis, the two former competitors come to a grudging peace that turns into something so much deeper...and sexier than either intended. But when Gil seemingly betrays her to get ahead, Anne realizes she was right all along—she should never have trusted Gilbert Blythe. While Gil must prove to Anne that they're meant to be together, she must come to terms with her old fears if she wants a happily-ever-after with the boy she's always (secretly) loved.

The Flower Girl of the Chateau D'Eau, V.1 (Novels of Paul de Kock Volume XV)

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

The Flower Girl of the Château D'Eau, V. 1 - the Original Classic Edition

Finally available, a high quality book of the original classic edition of The Flower Girl of The Chateau d'Eau, v.1 (Novels of Paul de Kock Volume XV). It was previously published by other bona fide publishers, and is now, after many years, back in print. This is a new and freshly published edition of this culturally important work by Charles Paul de Kock, which is now, at last, again available to you. Get the PDF and EPUB NOW as well. Included in your purchase you have The Flower Girl of The Chateau d'Eau, v.1 (Novels of Paul de Kock Volume XV) in EPUB AND PDF format to read on any

tablet, eReader, desktop, laptop or smartphone simultaneous - Get it NOW. Enjoy this classic work today. These selected paragraphs distill the contents and give you a quick look inside The Flower Girl of The Chateau d'Eau, v.1 (Novels of Paul de Kock Volume XV): Look inside the book: But I know one of those young men, too; the tallest one is an author, -that means a man who writes plays; his name is Jericourt; I've carried letters to his room sometimes from the other one, who isn't so tall; that one has employed me often; just now he's very attentive to an actress at the Folies, a little blonde with black eyes, who plays such parts as Rigolette, -Mademoiselle Dutailis. ...Next, Alfred soon resigned his place, hired a dainty apartment, purchased a cabriolet and a horse, and patronized one of the first tailors in Paris; he affected the society of actresses, choosing those who were most talked about, and who had led their lovers into the most follies; for, although Monsieur Alfred de Saint-Arthur had some inclination for that life of dissipation, of parade and extravagances which some favorites of fortune lead, and which is excusable only in those who really have the means to support it, the thing that especially delighted the young man was to show himself, to put himself in evidence with a fashionable woman, to display himself in the proscenium box of a theatre, or in a caleche in the Bois du Boulogne; to make a great noise when he entered a restaurant, to declare all the private rooms inconvenient, to shout at the waiters, to find fault with everything, always to talk very loud, so that everybody might hear him, to smoke only eight sou cigars, and to see everybody turn to look at him when he was out driving.

The Flower Girl of the Chateau D'Eau

Charles Paul de Kock (1793-1871) was a French novelist. His stories are mostly of middle-class Parisian life, of guinguettes and cabarets and equivocal adventures of one sort or another. The most famous are Andre le Savoyard and Le Barbier de Paris."

The flower girl of the Château d'Éau (v. 1)

"The Flower Girl of The Chateau d'Eau - Volume II" from Charles Paul de Kock. French novelist (1793-1871).

The Flower Girl of the Chateau D'Eau - Volume II

Charles Paul de Kock (1793-1871) was a French novelist. His stories are mostly of middle-class Parisian life, of guinguettes and cabarets and equivocal adventures of one sort or another. The most famous are Andre le Savoyard and Le Barbier de Paris."

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

The Flower Girl of the Chateau D'Eau, V.2 (Novels of Paul de Kock Volume XVI)

Excerpt from The Flower Girl of the Chateau D'eau, Vol. 2 The second year of my marriage passed, and I had already ceased to be happy; my wife desired to pass her life in parties, dissipation, balls; if I ventured to remonstrate, if I seemed disposed to decline an invitation, she would make a scene, she would call me a tyrant! You may imagine that I always ended by giving way; when one is in love, one is very weak, and I was still in love with my wife; I did everything to please her; I said to myself: Her taste for dissipation will pass! With time she will become more sensible, and she will give a little more thought to her husband.' My greatest grief at that time was that I was not a father; I prayed constantly that Lucienne might give me a pledge of her love, but my prayers were not granted. Ah! Many times since then, monsieur, I have thanked God because He did not listen to me; for it is a great misfortune to have children when one cannot set them the example of domestic peace and virtue! About the

Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. The Masterpieces of Charles Paul de Kock: The flower girl of the Chateau d'Eu

Focusing on the arcades of 19th-century Paris--glass-roofed rows of shops that were early centers of consumerism--Benjamin presents a montage of quotations from, and reflections on, hundreds of published sources. 46 illustrations.

The English Catalogue of Books

"This book is a translation of historian Carlo Ginzburg's latest collection of essays. Through the detective work of uncovering a wide variety of stories or microhistories from fragments, Ginzburg takes on the bigger questions: How do we draw the line between truth and fiction? What is the relationship

between history and memory? Stories range from medieval Europe, the inquisitional trial of a witch, seventeenth-century antiquarianism, and twentieth-century historians"--Provided by publisher.

Bookseller

A disgraced magistrate on the run. A daring swashbuckler hunted by an unstoppable assassin. An investigator of the supernatural faced with a corpse that won't stop dancing. Here are eight tales of the Greatcoats, legendary sword-fighting magistrates brought together by an idealistic young king and disbanded after his execution as a tyrant. Follow along through their swashbuckling adventures, their triumphs and defeats, their darkest hours and their moments of shining redemption as they struggle to bring justice to a corrupt kingdom. Praise for the Greatcoats "First-rate fiction, first-rate adventure, first rate full stop." -Conn Iggulden, Bestselling Author of the Wars of the Roses "This is a One-in-a-million Series" -Fantasy Faction "Great rollicking fun combined with an emotional punch." -John Gwynne, Bestselling Author of Malice

Mad Dog!!

"A suspenseful tale, told from the title to the end with wit and warmth by a very talented writer." —Nancy Pickard, award-winning author Summer in Benteen County, Kansas, is a season possessed of all the gentle subtlety of an act of war. Winter, of course, is no better, but remembrance of its frosts and blizzards and winds that begin to suck away your life before you walk a dozen steps has grown faint by the early hours of a Sunday morning in late June. While some try to sleep, and Sheriff English and his ex-wife try sex, the Reverend Peter Simms takes an early walk in the park and encounters someone counting coup. When the Sheriff's part-Cheyenne brother, Mad Dog, arrives to meditate, he finds the Reverend's mutilated corpse. Mad Dog is the obvious suspect and he begins to hang out in the town jail while Sheriff English widens his net. English picks up several suspicious characters, and an increasingly dark history for the Simms family. The case grows stormier, and so does the weather. As a tornado gathers to hurl its fury on the hapless town, the fury of the killer rises to meet it.

The mad dog

Fourteen-year-old Daniel and his friends enjoyed the best that childhood could offer during the summer of 1975 in a northern mining town until someone started brutally killing family pets. Daniel, who wants nothing more than be the hero from his books, convinces his friends to help search for the 'sicko', but this only brings him to the attention of the killer. When evidence surfaces that points at Daniel as the killer and his two friends turn against him, he soon realizes that there is much more to being a hero than what he has read. Running away from home, he enlists two seniors and a neighborhood bully to help trap the real killer.

Mad Dog and Englishman

The long-awaited sequel to the pet/humor classic, *Memoirs of a Papillon: The Canine Guide to Living with Humans without Going Mad*. Genevieve unleashes a scathing analysis of human culture that will have sociologists all over the world looking for new jobs. This item is Returnable.

Mad Dog

When two gangs from the British underworld start a turf war, James Adams, who works for Cherub, must infiltrate the most dangerous gang of all to help the police.

Dictiony of English literature

After trying many tricks, a young boy finally figures out how to deal with the meanest dog in the neighborhood--Mad Dog McGraw. The ideal book for kids who worry about dogs, as well as the kids who already love them. Full color.

The Mad Dog

Roddy Dolan, a surgeon, and Danny Burns, an accountant, are being hunted as prey. Someone is after them with lethal intentions but they don't know who or why.

Mad Dogs

Three of the original characters from *Going out in the Midday Sun* have now combined their talents to open the Mad Dog Cafe on the Southern French coast. Joined by new staff, friends, lovers and family members they pit their wits against bureaucracy, increasingly bizarre weather and life-changing surprises to make their venture a success. Set in France, with forays into London, Scotland and Las Vegas, *The Mad Dog Cafe* is the third part of a trilogy spanning twenty years in which the heroes are challenged with the everyday: the joys, dramas of their new venture as well as stalkers, near death experiences, and quite possibly the end of the world.

Mad Dog Chronicles - the Sequels

The inspiration for this story came about from my daughter's beautiful little red dog, Lady, riding on the front of the motor bike with me as she shows signs of frustration at my riding ability and I'm sure that she felt that she could do much better.

Mad Dog McGraw

Roddy Dolan, a surgeon, and Danny Burns, an accountant, are being hunted as prey. Someone is after them with lethal intentions but they don't know who or why. Whoever it is, and for whatever reason, they and their families are in the crosshairs of killers. Everything they know is unravelling. They must hide; send their families away; abandon their homes; and leave their lives behind. The jaws of the vise grow tighter as the hunters close in. Roddy and Danny are not sure they can even trust each other. The police are not helping. In fact, they're asking all the wrong questions. The second book in the Mad Dog series, *Mad Dog Justice* is a harrowing tale of friendship, morality, betrayal, and dire consequences. "Mad Dog Justice, a tale of friendship, morality, and consequences, is pure Mark Rubinstein. It's smart, it's sophisticated, and it's scary as hell."--Scott Pratt, bestselling author of the Joe Dillard series "Mad Dog Justice speeds along with more turns than a Vespa cruising through traffic. It's a smart, twisting thriller that grows into the weightier issues of friendship, vengeance, and betrayal."--Andrew Gross, bestselling author of *No Way Back* and *Everything to Lose*

Mad Dog Chronicles

Roddy Dolan, a successful suburban surgeon, long ago left behind his past--one that nearly landed him in jail at 17. When he's approached by an old friend about becoming a silent partner in a Manhattan steakhouse, he's understandably wary. So he consults with his lifelong blood brother, Danny Burns. Danny's convinced this "vanity project" is the perfect trophy to illustrate how far they've travelled. Certain he's buried his checkered past, Roddy joins in this venture with serious reservations. Danny is quickly sucked into the high-energy glitz of the restaurant, but Roddy is suspicious. Amidst the glitter of New York's nightlife, amongst Mafia honchos and Russian thugs, events spin out of control and the lives Roddy and Danny knew are over. Hidden shady dealings drag them and their families into life-threatening terrain. Struggling with a monster he thought he'd buried, Roddy must make momentous choices, and none are good. But he has a daring plan . . .

In Love with a Mad Dog

Kirk Bergman and Duncan McBoo are pedigree police: the finest canine cops in all Muttropolis. And they're never short of work. The city is heaving with cunning crooks and malevolent mongrels who would sell their own mother for a bone.

Mad Dog Justice

After being rescued from the city pound and sent to live at the White House, Bad Dog is puzzled by the President's complete lack of smell and the weird ping-pong noise coming from his knee.

The Mad Dog Cafe

Under the new California "three strikes" law, three ex-convicts attempt to live normal lives, but when they find it impossible to do so, they devise a plan to do one more collaborative job that will either land them in prison or put them on easy-street for the rest of their lives

The 'Mad Dog Press' Archives

An old man looks back on his youth, describing the night he was mistaken for Public Enemy Number One John Dillinger, saved from lynching, and inspired to begin a carnival show based on Dillinger's exploits.

Mad Dogs

Professor Rhod Evans encounters deadly conflict when he finds that the supposed suicide of his best friend was actually murder. Pres Davies, his murdered friend, had refused to reveal to Lucius Valentine, a billionaire art pirate, where he had hidden King Arthur's treasures, which he had found in America. Evans is forced to do battle with the same forces that overthrew Arthur in the sixth century. A man of peace must become a warrior, and more than that-- he must find Arthur's treasures before his enemy uses them to become the most dangerous man in the world.

Mad Dog Justice

Reprint of the original, first published in 1873. The publishing house Anatiposi publishes historical books as reprints. Due to their age, these books may have missing pages or inferior quality. Our aim is to preserve these books and make them available to the public so that they do not get lost.

Smile in a Mad Dogs I

John Cunningham becomes involved in a murder investigation when a mysterious American comes to retrieve his dog from the kennel where Cunningham works

The Mad Dog Gang Meets Rotten Fred and Ratsguts

Mad Dogs Books 3 & 4! Extraction Routine training for the Mad Dogs turns out to be anything but routine for Brian Hay. Finally bonded to the rest of the pack, there is only one last step to make him an official Mad Dog: meet the Council representatives. What should have been standard operating procedure between the Mad Dogs and the Council turns into a mission like none other they had been sent on before... to save Markus and Brian. R & R After rescuing Markus and Brian from the clutches of the sadistic Councilwoman, Shanna Crystal, the Mad Dogs are forced on R & R. None of them are happy and none of them want or need 'rest and relaxation' but they have no choice. The campground, Dad T's, is a gay soldier's wet dream for R & R but the Dogs barely have a chance to enjoy all it offers when everything they thought about the supernaturals that inhabit the world is turned upside-down. A leisurely run in the Ocala National Forest turns their R & R into a mission. A mission that almost takes out the Delta Unit. Permanently.

Mad Dog House

Dog has many adventures while searching all over town for the Old Man who forgot to feed him.
