Desperate Measures

The Alphabet Men is the first book in the Desperate Measures series: a hard look into a not-so distant future, where the consequences for today's apathy are explored and exposed. Loosely tied to the highly acclaimed Desperate Times series, this is a stand-alone work that combines all of the elements desperate readers have come to expect, while shedding light on one of the most explosive issues of our time. When natural gas is discovered hiding deep beneath Paul Hovey's cornfields, the aging farmer is flooded with requests to lease his land to allow drilling. Hovey refuses. He is alone in the world and the money means nothing to him. The farm has been in the Hovey family for generations, the only life he has ever known. The State of Minnesota soon steps in and uses their power of eminent domain to forcibly evict him. Hovey's best friend is Sheriff Mike Brannon, and it is Brannon who is forced to deliver the bad news. Hovey vows to fight his eviction and Brannon takes it upon himself to call a mutual friend, Ken Dahlgren. Dahlgren promises to be there as soon as he can. Brannon eventually leaves the farm and drives back to Alvine, the small farming community he has been elected to protect. Brannon is shocked to find his little town being overrun by thundering herds of semi-trucks. Those trucks are pulling tanker-trailers to haul the (controversial) fluid necessary for the drilling operation. Furthermore, Brannon quickly discovers that another group has descended upon his peaceful refuge. Brannon meets Travis Meeker, the leader of a protest group that is dead-set against the practice of hydraulic fracturing, (which is the method to be used in the drilling operation to extract the natural gas under the Hovey farm.) Meeker contends that the tons of toxic chemicals Blue Sing Energy mixes into the millions of gallons of "fracking" fluid, will eventually work their way up into the groundwater. Brannon, like the natural gas, is stuck between a rock and a hard place. Like so many people, Mike and Joy Brannon heat their home and cook with natural gas. Brannon knows that the discovery is a huge financial boom for his struggling town. Still, he also secretly admires Meeker for standing up for what he believes in and the two men become friends. Brannon even allows Meeker to attend a meeting he has with the drilling people to lay down some ground rules. Blue Sing Energy surprises everyone with news that they plan to use a new, eco-friendly, fracking fluid that they've developed in a partnership with herbicide and fertilizer giant, Sinmanco. Meeker is not only unimpressed by the announcement, he is absolutely livid. He contends that Sinmanco has been poisoning the planet for decades and that the pairing is a match made in hell. Sparks soon fly. People are murdered. The murders are classified as federal crimes and the FBI sends two agents to Alvine to investigate. Special Agent Joshua and his underling, Special Agent Blackwood, seem determined to ignore the obvious and somehow their investigation leads them to the Brannon's. Meeker, who is an attorney and teaches Constitutional Law in Minneapolis, is certain the Brannon's are being framed and steps in to help. Ken Dahlgren enlists some friends to help in Alvine, and Jimmy Logan and Bill Huggins arrive on the scene. Brannon has known Logan for many years, but has never met Bill Huggins. He soon learns that Huggins is a social misfit and quickly wishes they had never met. The resulting tale is a wild, entertaining ride that sheds light on ugly issues swept under the proverbial rug, or worse: patriotically spun by powerful forces, determined to further their own agendas. Desperate Measures is fiction for hungry minds: a literary appetizer, served with hope that readers will further investigate these important issues.

Desperate Measures 2 - the Final Solution

Sheriff Mike Brannon is faced with the toughest decision of his life. He knows too much about a secret government agency and he's been warned to keep his mouth shut. Recovering from the gunshot wound that nearly killed him, Brannon must decide between remaining silent and safe, or going public with information he knows will cost him his life. Joy, his much younger wife, isn't making matters any easier as she continues being drawn into a paranormal world he doesn't begin to understand. Special Agent Joshua Cain wakes up one morning and learns that inexplicably, he's been selected by President Richter as the new Director of Homeland Security. Joshua knows that he wasn't in line for the promotion, but has no choice but to accept it. The former Alphabet Man soon learns that the President has singled him out because he is expendable. Joshua finds something else he did not bargain for at the White House: love, and it changes the way he looks at the world. He soon finds himself at odds with President Richter and fighting for his life. Bill Huggins follows Don Ox and his crime family back to their stronghold in Deadwood. There, Bill and the Don work together on restoring and modifying the Pinto Stallion Bill had been working on back in Alvine. The Don is a gifted mechanic and he and Bill devise a fuel delivery system that enables the antique Ford to run on fumes. Their delivery system will undoubtedly revolutionize the industry, but Bill's self-destructive lifestyle threatens to derail the project and drastic steps are taken to see that Bill changes his ways. The sequel to *The Alphabet Men*, *The Final Solution* will leave you spellbound until the very last page.

Desperate Measures

Sisters Heather and Sally Samuelson have just bought a new place of their own in lovely Lewisburg, Oregon. The real estate agent mentioned something about ghosts, but Heather and Sally are skeptical. They are soon barraged by friendly neighbors and curious guests dropping by for lunch. Their Aunt Myrtle even arrives with furniture for their new place—furniture handed down in their family for generations. Not everything is what it seems in Lewisburg, though. The girls soon discover exotic herbs, hidden treasures, and dead bodies. There's a serial killer in their small town, but puzzle-solver Heather finds herself plunged into circumstances surrounding neighbors' deaths, a missing fortune, and a jewel thief's hidden treasure. What's more, a puzzle left behind by the girls' deceased mother may be the key to stopping a killer. Heather can't help but be distracted by strange happenings in her own home, though, and the kooky neighbors don't help either. Will she be able to solve the murderer's game before someone else ends up dead, or will the killer get away with both murder and a family fortune?

Lessons of American History

Americans sense that protection is the basic purpose of government—remember 9-11? Americans are also capitalists who seek private ownership and freedom. Culture wars have always been part of America. Remember the Civil War? Slogans and pamphlets helped cause our Revolutionary War. Words matter! Money is the plasma of politics, and each new freedom has cost us more in campaign costs. History is certainly humorous! Government's most important power is the power to tax—and boy, are politicians proficient at taxing! Since its early beginnings, public education in America has been decentralized and under local and popular control. It is therefore only natural that there are conflicting answers to the question, "Are the schools doing their job?" And, believe it or not, modern racism is an invention of the 19th Century's reaction to the international abolition movement. Hence, racism is curable! It's up to us!

Crosscurrents in Indigenous Spirituality

The resurgence of indigenous cultures and the reappearance of their ancient spiritualities, during the 1990s, is of great interest to social scientists. Several such cultures are featured in this book. The indigenous populations of struggling multi-ethnic "democracies" in Latin America are demanding to be integrated into the national mainstream, together with their holistic values of family, economics and ecology. Institutional Christianity is being challenged by indigenous theologies that are critical of both traditional Christianity and liberation theology. While some see here a danger of syncretism, these developments can be experienced as a breath of fresh air. "Much has been said about the Mayas, but they have not been allowed to speak for themselves" (anthropologist Rafael Girardi, 1962). This book is an attempt to allow religious spokespersons from a very ancient and creative civilization to share their faith, which has remained hidden for five centuries.

Diagnosing the Destruction of Young Men

The alien threat is real. They fly across our skies, under our oceans, and have disrupted our lives and our safety. At first, man looked upon the aliens with curiosity and a hope that they would be benevolent and improve life on Earth. While this optimistic view was embraced by many, just the opposite was the new reality. After capturing two passenger aircraft out of the sky, their real purpose was revealed. The horrific acts of desecration wrought on the passengers was their calling card. No longer aliens would be a curiosity, but their presence would be a threat to all mankind. In order to counter the alien presence and threat over the years, a top secret organization known as Space Command was born within the United States Navy. Upon its inception, Space Command armed itself with advanced weaponry and was staffed with the best of the best. Its new commander, Rear Admiral Michael Scott, had experience with the alien threat and was committed, as were the men and women of Space Command, to beat back and defeat the aliens no matter the cost. The aliens became more brazen in their attacks on mankind. From destroying a hotel in France, where an international conference on the alien threat was held, to intercepting and shooting down aircraft. It did not end there though. An alien attack was launched against a British and American combat fleet and then an attack on Space Command itself. Admiral Scott knew that a battle was coming. Space Command had to be an offensive force rather than being in a reactive position. The women and men of Space Command inwardly knew that an epic battle was shortly to be fought. It would be a battle fought not only on Earth but also in the cold emptiness of space.

It Begins Part II

An engaging and frank guide to writing the very short story, full of sound advice, exemplary models, and provocative exercises. The history of fiction has been dominated by the novel and the short story. But now a brave new genre has emerged: very brief fiction. FLASH! identifies the qualities that make for excellent flash fiction, demystifies the writing process, and guides writers by exercise and example through the world of the very short story. John Dufresne's characteristic warmth, wit, and humor remind writers of the joy in the creative process, making this a perfect guide for any writer interested in trying a new form.

Global Alphabet

This book is a chronicle of Gunter's family, commencing in Germany with his parents, how the Depression aborts their move to the USA, thus enduring World War II in Nazi Germany. He describes the bombing, separation from family, evacuation and conditions after defeat, all through the eyes of a child. In 1943 brother Gerhard joins the family under peculiar circumstances. They move to the USA in 1949, where they hope to escape war. But Gunter serves in the Army, and brother Gerhard flies helicopters in Viet Nam. As GI in Germany Gunter meets his bride and tells of her family's experience during and after the war. The book emphasizes that life often takes a twist and we must cope. It is a good read, often with a bit of humor mixed in.

FLASH!: Writing the Very Short Story

The boxed set of Books #4, #5, and #6 in the MUTATION Z series contains the final three books in this exciting series. As Journalist Hunter Morgan and a group of scientists begin to understand the complicity of the U.S. government, the U.S. military, the CDC, WHO, and a pharmaceutical corporation in the creation of the Zombie Plague, they become targets of those same groups. Fleeing to a bunker in China, the scientists race for a cure against this devastating disease. This is conspiracy theory fiction in which zombies are used as biological weapons. Boxed Set of NOVELLAS. GENRES: Apocalyptic Science Fiction, Zombie Fiction, Conspiracy Fiction, Horror.

Forks in the Road

From "TimeOut" magazine comes this ninth edition of its film guide that features stills and information on the films covered in the pages of the magazine.

Mutation Z Series, Books 4-6

A Kasey Michaels Alphabet Regency Romance Classic. "Using wit and romance with a master's skill, Kasey Michaels aims for the heart and never misses." -- Nora Roberts Lady Penelope is a rather singular miss in that she wants nothing to do with a London Season, and nothing to do with marriage. Lucien Kenrick, Earl of Leighton, shares those same sentiments, so when the two are thrown together,

there should be no problems, with neither of them in the least marriage-minded. Then again, there's always that thing about best-laid plans... especially once both, through design and accident, end up residing under the roof of one Lucinda Benedict. Enjoy the entire Alphabet Regency Romance series! The Tenacious Miss Tamerlane The Savage Miss Saxon Moonlight Masquerade The Somerville Farce The Mischievous Miss Murphy A Difficult Disguise The Rambunctious Lady Royston The Wagered Miss Winslow The Belligerent Miss Boynton The Lurid Lady Lockport The Haunted Miss Hampshire The Playful Lady Penelope Nine Brides and One Witch: A Regency Novella Duo

Time Out Film Guide

The squirrely little professor Stanley Kosiewski occupies an unstable place in the world located between two realities: an imagined one in which he socializes and converses with some of the most famous characters of world literature and the academic world of dysfunctional Winston University. The latter is defined by his relationship with four colleagues. Together with K, they comprise the Fellowship of the Fire, a literary clique of philosophically minded, antiquated intellectuals with antiquated opinions on everything from soup to nuts. When faced with the prospect of retirement from academia, the odd little professor, affectionately known as the gerbil by students and colleagues alike, begins to reflect on the purpose and meaning of his life and his career. Waiting to be discovered in the vague space between these realities is something of an answer to his perplexing questions about his relevance.

Waldie's Select Circulating Library

The book dramatizes the plight of abolitionist Quakers living in eastern North Carolina during the Civil War. As the war rages from 1861 to 1865, both Union and Confederate forces tramp through the region to destroy whatever they come upon and confiscate, as the war drags on, anything of value. A Quaker family entrenched in rural tradition and a faith emphasizing peace quietly resists the brutality of war but is made to suffer. As Southerners, Union soldiers see them as the enemy. As abolitionists going against the grain of Southern culture, Confederate soldiers despise and harass them. When they refuse to pay the exemption tax, their men are required to go into the army. Refusing to bear arms, their mettle is severely tested at Gettysburg and Petersburg. The book is about courage and endurance in the maw of adversity. It is closely based on historical fact, Confederate records, and Quaker tradition.

The Select Library

The authority on grammar, usage, and style.

Examiner

When first published, Marshall McLuhan's *Understanding Media* made history with its radical view of the effects of electronic communications upon man and life in the twentieth century.

The Playful Lady Penelope (Alphabet Regency Romance)

'Cool and intelligent, unsettling and deeply felt, Naudé's voice is something new in South African writing.' – Damon Galgut From an ancient castle in Bavaria and a pre-War villa in Milan, to a winter landscape in Lesotho and the suburban streets of Pretoria, the stories in *The Alphabet of Birds* take an acute look at South Africans at home and abroad. In one story, a strange, cheerful Japanese man visits a young South African as he takes care of his dying mother; in another, a woman battles corrupt bureaucracy in the Eastern Cape. A man trails his lover through the underground dance clubs of Berlin, while in London a young banker moves through layers of decadence as a soul would through purgatory. Pulsating with passion, loss, and melancholia, S J Naudé's collection *The Alphabet of Birds* is filled with music, art, architecture, myth, the search for origins and the shifting relationships between people.

K

A history of our time.

Against the Grain

National Book Award Finalist: "This man's ideas may be the most influential, not to say controversial, of the second half of the twentieth century."—Columbus Dispatch At the heart of this classic, seminal book is Julian Jaynes's still-controversial thesis that human consciousness did not begin far back in animal

evolution but instead is a learned process that came about only three thousand years ago and is still developing. The implications of this revolutionary scientific paradigm extend into virtually every aspect of our psychology, our history and culture, our religion—and indeed our future. “Don’t be put off by the academic title of Julian Jaynes’s *The Origin of Consciousness in the Breakdown of the Bicameral Mind*. Its prose is always lucid and often lyrical...he unfolds his case with the utmost intellectual rigor.”—The New York Times “When Julian Jaynes . . . speculates that until late in the twentieth millennium BC men had no consciousness but were automatically obeying the voices of the gods, we are astounded but compelled to follow this remarkable thesis.”—John Updike, The New Yorker “He is as startling as Freud was in *The Interpretation of Dreams*, and Jaynes is equally as adept at forcing a new view of known human behavior.”—American Journal of Psychiatry

Garner's Modern English Usage

Few soldiers on the Western Front had heard of the Australian Electrical and Mechanical Mining and Boring Company, even after it had been renamed the Alphabet Company by an AIF wag. Yet many knew the work of this tiny unit which numbered fewer than 300 at full strength. Despite its small size, the Alphabet Company's influence was enormous and spanned the entire British sector of the Western Front, from the North Sea to the Somme. This is the story of the Alphabeticals who, led by Major Victor Morse, DSO, operated and maintained pumps, generators, ventilation fans, drilling equipment and other ingenious devices in extreme circumstances. Given the horrendous conditions in which the troops lived and fought, this equipment was desperately needed, as were the men who operated it in the same, often nightmarish setting. This is the first account of the dynamic little unit that was the Alphabet Company, a unit that has been neglected by history for a century. It is the story of the men, their machinery and the extraordinary grit they displayed in performing some of the most difficult tasks in a war noted for the horrific conditions in which it was waged. They do not deserve to be forgotten.

The Examiner

An invaluable source of information on the personalities and organizations of the literary world.

Understanding Media

This book discusses the many meanings of “sustainability,” explores the importance of economics in environmental policy-making, and highlights the schools of thought in environmental ethics. It concludes that public administrators can play an important role in ensuring that environmental sustainability is an integral part of American government.

The Alphabet of Birds

The ancient Greeks gave us our alphabet and much of our scientific, medical and cultural language; they invented democracy, atomic theory, and the rules of logic and geometry; laid the foundations of philosophy, history, tragedy and comedy; and debated everything from the good life and the role of women, to making sense of foreigners and the best form of government, all in the most sophisticated terms. But who were they? In *Eureka!*, Peter Jones tells their epic story, which begins with the Trojan War and ends with the rise of the Roman Empire, by breaking down each major period into a series of informative nuggets. Along the way he introduces the major figures of the age, including Homer, Socrates, Plato, Aristotle, Alexander the Great, Euclid and Archimedes; explores the Greek myths and the role of the gods; provides fascinating insights into everyday life in ancient times; and shows us the very foundations of Western culture. *Eureka!* is both entertaining and illuminating, and will delight anyone who ever wanted to know more about our ancient ancestors.

STAR TREK: COUNTDOWN TO DARKNESS is the can't-miss lead-in to the new adventures of the Enterprise crew!

Star Trek: Countdown to Darkness

First issue in an four issue series! The countdown to the motion picture event of 2013 begins here, in this blockbuster 4-issue prequel mini-series that sets the stage for the upcoming STAR TREK film! Like the best-selling STAR TREK: COUNTDOWN in 2009, this all-new series leads directly into the next movie, with a story by STAR TREK writer/producer Roberto Orci and Mike Johnson (STAR TREK ongoing series), and drawn by the original STAR TREK: COUNTDOWN artist, David Messina! STAR TREK: COUNTDOWN TO DARKNESS is the can't-miss lead-in to the new adventures of the Enterprise crew!

Star Trek: Countdown to Darkness #1

Second issue in an four issue series! Don't miss the next chapter in this exclusive comics prequel to next summer's blockbuster STAR TREK movie! New characters and new conflicts threaten Captain Kirk and the crew of the Enterprise in this all-new story overseen by STAR TREK movie writer/producer Roberto Orci!

Star Trek - countdown to darkness

Fourth issue in an four issue series! This is it! Don't miss the shocking conclusion of this official prequel to next Spring's STAR TREK film sequel! Overseen by STAR TREK writer/producer Roberto Orci, this climactic issue leads directly into the upcoming blockbuster as Kirk, Spock and the rest of the Enterprise crew fight for fate of the Galaxy!

Star Trek: Countdown to Darkness #2

The graphic novel prequel to blockbuster movie, 'Star Trek Into Darkness'. New characters and new conflicts threaten Captain Kirk and the crew of the Enterprise in this all-new story.

Star Trek: Countdown to Darkness #4

The graphic novel prequel to blockbuster movie, 'Star Trek Into Darkness'. New characters and new conflicts threaten Captain Kirk and the crew of the Enterprise in this all-new story.

Star Trek

The Romulan villain Nero continues his vengeful crusade against the Federation.

Star Trek - Countdown to Darkness Movie Prequel (Art Cover)

The countdown to STAR TREK INTO DARKNESS continues here in the pages of the hit ongoing comics series! This issue puts the brave and beautiful Uhura in the spotlight as we learn new secrets about her past and witness her first meeting with Spock! Don't miss this all-new tale overseen by Trek movie writer/producer Roberto Orci!

Star Trek: Countdown #3

Witness the shocking origin of Khan Noonien Singh from his earliest years through his rise to power during the epic Eugenics Wars! Behold the events that led to his escape from Earth aboard the Botany Bay! Learn the truth behind his re-awakening by Admiral Marcus and Section 31! It's the origin of Star Trek's greatest villain!

Star Trek #18

Leading into the movie, STAR TREK INTO DARKNESS, the crew of the ENTERPRISE becomes embroiled in a decades-old conflict between two factions of indigenous people on a remote planet. The flames of their conflict have been fanned by the unexpected presence of a former captain of the ENTERPRISE, long presumed dead. Plus, witness the shocking origin of Khan Noonien Singh from his earliest years through his rise to power during the epic Eugenics Wars and behold the events that led to his escape from Earth aboard the Botany Bay.

Star Trek: Khan

The new adventures of the Starship Enterprise continue with stories featuring the new crew, in the new timeline. After the events of Star Trek Into Darkness, the U.S.S. Enterprise embarks on a new five-year mission of exploration. Collects the stories "The Khitomer Conflict," "Parallel Lives," "I, Enterprise," and "Lost Apollo" from issues #25–34 of the ongoing Star Trek series.

Star Trek: Countdown Collection Volume 2

Witness the events leading to the new CBS All Access series PICARD in this graphic novel where new characters are introduced and secrets will be revealed. Before he retired to his vineyard, Jean-Luc Picard was the most decorated admiral in Starfleet. Then one mission changed his life forever. What could make this dedicated and disciplined leader question his calling?

Star Trek: New Adventures Volume 3

The After Darkness 3 issue story begins here! The hit ongoing STAR TREK series picks up right where this year's blockbuster sequel STAR TREK INTO DARKNESS leaves off! Don't miss the all-new adventures of the crew as they go boldly into the unknown, in a story overseen by STAR TREK writer/producer Roberto Orci!

Star Trek: Picard—Countdown

In the 2009 movie, STAR TREK, audiences were introduced to Nero, the mysterious Romulan that ultimately threatened the survival of the entire universe. Find out his origin and what drove him to perform such heinous deeds as well as what he did in those cold, dark, lonely years he spent waiting for his nemesis to arrive.

Star Trek #21: After Darkness

Don't miss this special anniversary issue that kicks off an epic new 3-part adventure! For the first time, the crew of the new movie franchise will meet its evil Mirror counterpart! It's Enterprise vs. Enterprise, Federation vs. the Terran Empire, with the fate of two universes at stake!

Star Trek: Countdown Collection Volume 1

Witness the events leading to the epic series Star Trek: Picard. The Countdown starts here! Before he retired to his vineyard, Jean-Luc Picard was the most decorated admiral in Starfleet. Then one mission changed his life forever. After discovering that a looming supernova threatens the entirety of the Romulan Empire, the Federation launches a mission of unparalleled scale. Admiral Jean-Luc Picard heads to the colony to plan the evacuation but makes a shocking discovery! Written by Star Trek: Picard co-creator and supervising producer Kirsten Beyer and fan-favorite Mike Johnson with art by Angel Hernandez! Also contains an interview with Kirsten Beyer discussing the development and creation of the TV series and how the comic fits into its world and a special look into how the U.S.S. Verity was designed by Thomas Marrone, Lead Ship & UI Artist for Star Trek Online. Featuring cover art by Jim Salvati.

Star Trek, Countdown

JJ Abrams, Alex Kurtzman and Roberto Orci present the official comics adaptation of their blockbuster film STAR TREK! The creative team behind the best-selling STAR TREK: COUNTDOWN returns to continue the story as Kirk and Spock meet for the first time at Starfleet Academy! Don't miss this exclusive mini-series, which includes scenes not included in the film!

Star Trek #50

Jean-Luc Picard has traveled to the furthest reaches of the galaxy, defeated impossible foes, and survived in the face of unthinkable odds, but it's the end of this one mission that will change his life forever. The official countdown to CBS All Access's *Star Trek: Picard* ends here, and things will never be the same...

Star Trek: Picard: Countdown

An original novel based on the thrilling new *Star Trek* movies! Based on the "Kelvin Universe" movie saga! Captain James T. Kirk and the *Enterprise* crew escort Spock's father, Ambassador Sarek of Vulcan, to a dilithium-rich planet called Akiron. They arrive to find this world under siege by creatures that some of the planet's denizens believe are demons. Sarek orders Kirk to abandon the mission, but the young captain won't turn his back on people in danger. After a harrowing encounter with the dark-energy "demons," Kirk's belief in a rational universe is challenged by a mystic who insists that it wasn't coincidence that brought Kirk to Akiron, but the alien equivalent of a Karmic debt. Meanwhile, aboard the *Enterprise*, Sarek's young Vulcan aide L'Nel has a sinister agenda—and its chief objective appears to be the cold-blooded murder of Spock!

Star Trek: Movie Adaptation #3

The New Adventures of the *Starship Enterprise* continue with stories focusing on the new crew in the new timeline that takes place between the first and second movies plus the story "After Darkness," which picks up where *Star Trek Into Darkness* leaves off, all with creative collaboration with writer/producer Roberto Orci! Collects issues #13–24 of the ongoing *Star Trek* series.

Star Trek: Picard—Countdown #3

Special bundled edition -- 6 issues for the price of 5! JJ Abrams' blockbuster revitalization of the *Star Trek* franchise was the most thrilling film of the 2009. Now, under the direction of Abrams and screenwriters Roberto Orci and Alex Kurtzman, comes the highly anticipated graphic adaptation of the film! Additionally, new scenes and moments cut from the movie are revealed - an event no *Star Trek* fan can dare miss! The *Star Trek* Movie Adaptation is the latest offering in IDW Publishing's series of Digital Graphic Novels. We've assembled the best of favorite brands and respected creators for you to collect on your digital bookshelf. Story: Robert Orci, Alex Kurtzman, Mike Johnson and Tim Jones Art: David Messina, Claudio Balboni, Gaetano Carlucci, Giaovanna Niro and Ilaria Traversi Lettering: Robbie Robbins and Neil Uyetake Editors: Scott Dunbier and Justin Eisinger Features: - Page by page viewing, pinch and zoom for details - Tap user controls or swipe to turn pages - "See all" table of contents - Extra features and content found in the full printed collection

Star Trek - Countdown

The countdown to the *Star Trek Into Darkness* continues here! In "The Redshirt's Tale," experience life on the *Enterprise* through a redshirt's eyes! Also, find out how Scotty and his alien sidekick, Keenser, first meet. Plus, an all-new re-imagining of the classic "Mirror Universe" story! All overseen by *Star Trek* writer/producer Roberto Orci! Collects issues 13-16.

More Beautiful Than Death

The official comics adaptation of the blockbuster film *STAR TREK* comes to an epic conclusion in this mini-series presented by J.J. Abrams, Roberto Orci and Alex Kurtzman! Kirk, Spock and the crew of the *Enterprise* fight to save Earth from Vulcan's fate! Brought to you by the creative team behind the best-selling *STAR TREK: COUNTDOWN*, this series includes scenes not included in the original film!

Star Trek: New Adventures Volume 2

The *Enterprise* discovers a lifeless Federation research vessel, orbiting a planet hidden behind a mysterious energy shield. Over the strong objections of his senior officers, Captain Picard and an away team beam over in search of the missing crew -- And vanish. But soon his captain's disappearance is not the only problem facing Commander Riker. For a mysterious disease has begun ravaging the *Enterprise* crew. Now Riker must unravel the secrets of the planet below in order to rescue Picard -- a prevent the starship's destruction.

Star Trek: Movie Adaptation

Few films have been so keenly awaited or the subject of so much internet debate as the twelfth Star Trek movie -- the first since 2002 -- which is scheduled to be released in May 2009. Directed by J.J. Abrams, creator of cutting-edge cult television shows *Lost* and *Alias*, the film is expected to launch the Star Trek franchise into a new stellar era. Going back to the very beginnings of the classic Star Trek, the film tells how James T. Kirk, the half-Vulcan Spock, Dr McCoy, engineer Montgomery Scott and crew members Chekov, Sulu and Uhura first came together as rookie Starfleet recruits, and how they embraced the destiny that would later send them out across the galaxy accompanied by the immortal words: 'These are the voyages of the Starship Enterprise...' A largely brand new cast including Chris Pine as Kirk, Zachary Quinto (*Heroes*) as Spock, Simon Pegg as Scotty, Karl Urban as McCoy alongside Eric Bana, Winona Ryder and Leonard Nimoy will bring Star Trek to a whole new audience, while at the same time Alan Dean Foster's novelization will enthrall both existing fans and a new generation of readers.

Star Trek - Countdown to Darkness - Kapitel 1

Star Trek, Vol. 6 picks up right where this year's blockbuster sequel *Star Trek Into Darkness* leaves off! Captain Kirk and the crew of the Enterprise face a dire new threat rising in the wake of the movie's momentous events! Collects issues #21–24.

Star Trek Volume 4

The countdown to the next STAR TREK movie continues here. In "The Return of the Archons!" Kirk, Spock, and the crew search for a lost Starfleet ship that may hold clues to the future of the entire Federation and in "The Truth About Tribbles!" the crew of the Enterprise encounters the classic alien species in an ALL-NEW story inspired by the fan-favorite episode. Collects Star Trek #9-12.

Star Trek: Movie Adaptation #6

As the situation on the Romulan colony continues to unravel, Picard finds himself faced with a difficult choice that will affect millions. The official countdown to the Star Trek: Picard series on CBS All Access continues here!

A Call to Darkness

You've seen the trailer... now, witness the events leading to CBS All Access's *Picard*. Before he retired to his vineyard, Jean-Luc Picard was the most decorated admiral in Starfleet. Then one mission changed his life forever. The Countdown starts here!

Star Trek

'After Darkness' picks up right where this year's blockbuster sequel 'Star Trek: Into Darkness' leaves off! Captain Kirk and the crew of the Enterprise face a dire new threat rising in the wake of the movie's momentous events!

Star Trek, Vol. 6: After Darkness

All-new origin stories of the Enterprise crew in the new movie timeline! Find out how Doctor Leonard "Bones" McCoy found himself on a shuttle to Starfleet Academy with James T. Kirk! Learn new secrets about Uhura's past and witness her first meeting with Spock! Discover what led young Montgomery Scott to devote himself to engineering. Witness Sulu's and Chekov's first meeting at Starfleet Academy, and learn how their paths intertwined all the way to the bridge of the Enterprise! All overseen by Trek writer/producer Roberto Orci! Collects issues 17-20 of the Star Trek ongoing series from IDW.

Star Trek Vol. 3

William Riker, former first officer of the USS Enterprise in *Star Trek: The Next Generation*, takes command of the new USS Titan in this white-knuckled adventure perfect for longtime and new Star Trek fans. After almost a decade of strife against foes such as the Borg, the Cardassians, the Klingons, and the Dominion, the United Federation of Planets is at the dawn of a new era. Starfleet is renewing its mission of peaceful exploration, diplomacy, and the expansion of knowledge. Among the starships spearheading that endeavor is the USS Titan, commanded by Captain William T. Riker and manned by the most biologically varied and culturally diverse crew in Starfleet history. But their mission does not

begin according to plan. In the wake of Star Trek: Nemesis, Praetor Shinzon, slayer of the Romulan Senate, is dead. The power vacuum created by his demise has put the Romulan Star Empire, longtime adversary of the Federation, at the brink of civil war. Competing factions now vie for control of their fragmenting civilization, and if the empire should fall, that entire area of the galaxy may destabilize. To restore order to the region, Titan's long-anticipated mission of exploration is delayed as Starfleet assigns Riker to set up power-sharing talks among the Romulan factions. But even as the first tentative steps are taken toward building a new Romulus, the remnants of the Tal Shiar, the dreaded Romulan intelligence service, are regrouping behind the scenes for a power play of their own. With no other help available, Riker and the Titan crew become the last hope to prevent the quadrant from falling into chaos.

Star Trek: Picard—Countdown #2

What could drive a man to abandon all he knows and go to live with the Federation's sworn enemy? In the follow-up series to the smash hit Star Trek: Countdown movie prequel, we see for the first time the real motivations behind Spock's decision to live on Romulus, and follow as he looks back on what brought him to this place in his life. From the team that brought you Star Trek: Mirror Images!

Star Trek: Picard—Countdown #1

The adventures of the Starship Enterprise continue in this series of stories that take place between the first and second movies! Featuring the new cast of the film, these issues feature re-imagined stories from the original series in the alternate timeline as well as brand-new missions, all with creative collaboration with Star Trek writer/producer Roberto Orci. Collects the first 12 issues of the new ongoing Star Trek series.
