Lafcadio Hearn was one of the most extraordinary figures in American literature, a journalist and novelist who became, later in life, a major literary icon in his adopted nation of Japan. Some Chinese Ghosts (1887), a stylized retelling of ancient legends, was one of his earliest books, a foreshadowing of his later fascination with Asian themes. This collection of six stories reveals his deep fascination with the "weird beauty" of Chinese folk-tales. Because he himself knew little of the Chinese language, Hearn relied on European Sinologists to help him create his own versions and understand the historical and linguistic allusions. "To such great explorers," he acknowledged in a preface, "the realm of Cathayan story belongs by right of discovery and conquest; yet the humbler traveller who follows wonderingly after them into the vast and mysterious pleasure-grounds of Chinese fancy may surely be permitted to cull a few of the marvellous flowers there growing."

The Almost Complete Collection of True Singapore Ghost Stories

Tales of horror have long been an integral part of Singapore's storytelling culture, and they continue to dominate the imagination in the 21st century. But even as the horror folklore of yesteryear—along with its creatures, the pontianak and the jiangshi—recedes from collective memory, new fears have risen to take its place. Horror strikes deepest when it hits close to home. This collection aims to uncover the secret fears that lurk within the Singapore psyche, the unspoken fears often obscured by the lights and hubbub of modern city living. Whether it is the unknown skulking out there in the shadows or the existential angst that no amount of modernity can help shake off, we remain very much captive to the dark creatures that unceasingly stalk our minds. The 13 stories in this collection explores our discomfiture, our unease about the things we cannot see, understand or hope to easily overcome. Sometimes they are the things that threaten our humanity; yet at other times nothing appears to be of a greater threat to humankind than our very own humanity.

Discover one family's fascinating story in this beautiful, sweeping, multigenerational memoir, spanning 19th century south China to modern day Singapore 'A captivating, compelling story of history, family loyalty, and personal sacrifice. A fascinating and richly textured multigenerational tale' Charmaine Wilkerson, New York Times bestselling author of *Black Cake* 'I would learn that when families tell stories, what they leave out re-defines what they keep in. With my family, these were not secrets intentionally withheld. Just truths too painful to confront . . .' _____ In the last years of her life, Teresa Lim's mother, Violet Chang, had copies of a cherished family photograph made for those in the portrait who were still alive. On the back is the place and date: Hong Kong, 1935. Teresa would often look at this photograph, enticed by the fierceness and beauty of her great-aunt Fanny looking back at her. But Fanny never seemed to feature in the told and retold family stories. Why? she wondered. This photograph set Teresa on a journey to uncover her family's remarkable history. Through detective work, serendipity, and the kindness of strangers, she was guided to the fascinating, extraordinary life of her great-aunt and her world of sworn spinsters, ghost husbands and the working-class feminists of 19th century south China. But to recover her great-aunt's past, we first must get to know Fanny's family, the times and circumstances in which they lived, and the momentous yet forgotten conflicts that would lead to war in Singapore and, ultimately, a long-buried family tragedy. _____ *The Interpreter's Daughter* is a beautifully moving record of an extraordinary family history. For fans of *Wild Swans*, *The Hare With Amber Eyes*, and *Falling Leaves* this is the next classic in the making.

Finalist for the 2020 Epigram Books Fiction Prize In 1970s Thailand, three young people meet each other with fateful results. Det has just lost his mother, the granddaughter of a king. He clings to his best friend Chang, a smart boy from the slums, as they go to college; while there, Det falls for Lek, a Chinese immigrant with radical ideals. Longing for glory, Det journeys into his friends' political circles, and then into the Thai jungle to fight. During Thailand's most famous period of political and artistic openness, these three friends must reconcile their deep feelings for one another with the realities

of perilous political revolution. Reader Reviews: "Epic in sweep but precise in its details, *A Good True Thai* shines on all fronts. Time and again, Sunisa Manning resists easy answers, reaching for nuance, for complexity, for truth. An astounding debut from a talented new voice." —Kirstin Chen, bestselling author of *Bury What We Cannot Take* "Sunisa Manning understands deeply and innately that politics is woven through the strongest and most ambitious fiction, just as it is through life itself." —Rachel Kushner, Booker-shortlisted author of *The Mars Room* "The story of Thailand's democracy movement in the 1970s is almost unknown in the rest of the world, but Sunisa Manning insists on recapturing and preserving it in this beautiful and astonishing novel. Read and immerse yourself in a narrative that speaks so profoundly to the condition of Thailand, and the world, today." —Jess Row, award-winning author of *Your Face in Mine* "Sunisa Manning brings to life a tortured, misunderstood nexus in the painful evolution of Thailand's democracy with immediacy and vividness, never losing her sharply-drawn characters in the labyrinth of history. Mingling narratives of insider and outsider in a terse, swiftly-moving style, she drags the past into the present, unveiling complex truths with a remarkable clarity of vision." —SP Somtow, multi-award-winning author of *Jasmine Nights* "The 1970s leftist and anti-authoritarian protests that drive the characters in Manning's authentic and engaging novel are among the most important and controversial political events in modern Thai history. Frighteningly, the general context of conflicts that the novel covers is still very relevant today. Foreigners who want to understand the long-lasting crisis in Thai society, and the complex psyche behind the famous 'Thai smile', should read this book." —Prabda Yoon, award-winning author of *The Sad Part Was*

True Philippine Ghost Stories #3

There are ghosts on the Black Isle. Ghosts that no one can see. No one...except Cassandra. Uprooted from Shanghai with her father and twin brother, young Cassandra finds the Black Isle's bustling, immigrant-filled seaport, swampy jungle, and grand rubber plantations a sharp contrast to the city of her childhood. And she soon makes another discovery: the Black Isle is swarming with ghosts. Haunted and lonely, Cassandra at first tries to ignore her ability to see the restless apparitions that drift down the street and crouch in cold corners at school. Yet despite her struggles with these spirits, Cassandra comes to love her troubled new home. And soon, she attracts the notice of a dangerously charismatic man. Even as she becomes a fearless young woman, the Isle's dark forces won't let her go. War is looming, and Cassandra wonders if her unique gift might be her beloved island's only chance for salvation . . . Taking readers from the 1920s, through the Japanese occupation during WWII, to the Isle's radical transformation into a gleaming cosmopolitan city, The Black Isle is a sweeping epic--a deeply imagined, fiercely original tale from a vibrant new voice in fiction.

“Reluctant readers and fans of the Wimpy Kid series and its ilk will appreciate the book’s dynamic type, graphics galore, cartoonish illustrations, and ironic footnotes.”—Kirkus Don’t call him scaredy-cat Sam, because Sam Wu IS NOT AFRAID of ghosts! Except . . . he totally is. Can he conquer his fear by facing the ghost that lives in the walls of his house? After an unfortunate (and very embarrassing) incident in the Space Museum, Sam goes on a mission to prove to the school bully, and all his friends, that he’s not afraid of anything—just like the heroes on his favorite show, Space Blasters. And when it looks like his house is haunted, Sam gets the chance to prove how brave he can be. A funny, touching, and charming story of ghost hunting, escaped pet snakes, and cats with attitude!

Classic Singapore Horror Stories

Years before his political career took off, Othman Wok pioneered the writing of ghost stories and horror fiction in Singapore and Malaysia. Othman Wok left an indelible mark on Singaporean politics and society: signing the Independence of Singapore Agreement 1965, overseeing the construction of Singapore’s first large-scale sporting arena, working to advance the quality of social welfare services, developing the Mosque Building Fund, and being (in the words of PM Lee Hsien Loong) “steadfast and unwavering in believing in a multiracial, multi-religious, meritocratic Singapore”, among many other accomplishments. In addition, he pioneered the writing of ghost stories and horror fiction in Malay while working as a young reporter for Utusan Melayu and Mustika magazine between 1952 and 1956. These stories were fantastically popular, making him a household name in the Malay-speaking world, years before his political career took off. In fact, these tales may have been the first examples of horror fiction in either Singapore or Malaysia, in any language. A Mosque in the Jungle assembles two dozen of the best stories from his three fiction collections in English: Malayan Horror (1991), The Disused Well (1995) and Unseen Occupants (2006). Curated by award-winning poet and fictionist Ng Yi-Sheng, this book provides an entry point into Othman’s fiction, and a window into the work of a “literary genius” (Farouk A. Peru, Malay Mail Online)

The Children's Ghost Story in America

Ghost stories have played a prominent role in childhood. Circulated around playgrounds and whispered in slumber parties, their history in American literature is little known and seldom discussed by scholars. This book explores the fascinating origins and development of these tales, focusing on the social and historical factors that shaped them and gave birth to the genre. Ghost stories have existed for centuries but have been published specifically for children for only about 200 years. Early on, supernatural ghost stories were rare--authors and publishers, fearing they might adversely affect young minds, presented stories in which the ghost was always revealed as a fraud. These tales dominated children's publishing in the 19th century but the 20th century saw a change in perspective and the supernatural ghost story flourished.

A Warning to the Curious and Other Ghost Stories

Montague Rhodes James, OM, MA, (1 August 1862 - 12 June 1936), who used the publication name M. R. James, was an English mediaeval scholar and provost of King's College, Cambridge (1905-1918) and of Eton College (1918-1936). He is best remembered for his ghost stories, which are regarded as among the best in the genre. James redefined the ghost story for the new century by abandoning many of the formal Gothic cliches of his predecessors and using more realistic contemporary settings. However, James's protagonists and plots tend to reflect his own antiquarian interests. Accordingly, he is known as the originator of the "antiquarian ghost story." (wikipedia.org)

Scottish Ghost Stories

No one is more interested in Psychical Investigation Work than Miss Torfrida Vincent, one of the three beautiful daughters of Mrs. H. de B. Vincent, who is, herself, still in the heyday of life, and one of the loveliest of the society women I have met. Though I have known her sisters several years, I only met Torfrida for the first time a few months ago, when she was superintending the nursing of her mother, who had just undergone an operation for appendicitis. One day, when I was visiting my convalescent friend, Torfrida informed me that she knew of a haunted house in Edinburgh, a case which she felt sure would arouse my interest and enthusiasm. "It is unfortunate," she added somewhat regretfully, "that I cannot tell you the number of the house, but as I have given my word of honour to disclose it to no one, I feel sure you will excuse me. Indeed, my friends the Gordons, who extracted the promise from me, have got into sad trouble with their landlord for leaving the house under the pretext that it was haunted, and he has threatened to prosecute them for slander of title." The house in question has no claim to antiquity. It may be eighty years old--perhaps a little older--and was, at the time of which I speak, let out in flats. The Gordons occupied the second storey; the one above them was ...

Ghost Stories

Collected here are some of the best ghost stories ever written, to be experienced as they were meant to be--read aloud. From Angeline or the Haunted House by Emile Zola to The Moonlit Road by Ambrose Bierce, these are classic writers working in an ever-popular genre of apparitions, mystery, and murder.

Eudora Welty and Mystery

Contributions by Jacob Agner, Sarah Gilbreath Ford, Katie Berry Frye, Michael Kreyling, Andrew B. Leiter, Rebecca Mark, Suzanne Marrs, Tom Nolan, Michael Pickard, Harriet Pollack, and Victoria Richard Eudora Welty's ingenious play with readers' expectations made her a cunning writer, a paramount modernist, a short story artist of the first rank, and a remarkable literary innovator. In her signature puzzle-texts, she habitually engages with familiar genres and then delights readers with her transformations and nonfulfillment of conventions. Eudora Welty and Mystery: Hidden in Plain Sight reveals how often that play is with mystery, crime, and detective fiction genres, popular fiction forms often condescended to in literary studies, but unabashedly beloved by Welty throughout her lifetime. Put another way, Welty often creates her stories' secrets by both evoking and displacing crime fiction conventions. Instead of restoring order with a culminating reveal, her story-puzzles characteristically allow mystery to linger and thicken. The mystery pursued becomes mystery elsewhere. The essays in this collection shift attention from narratives, characters, and plots as they have previously been understood by unearthing enigmas hidden within those constructions. Some of these new readings continue Welty's investigation of hegemonic whiteness and southern narratives of race—outlining these in chalk as outright crime stories. Other essays show how Welty anticipated the regendering of the form now so characteristic of contemporary women mystery writers. Her tender and widely ranging personal correspondence with the hard-boiled American crime writer Ross Macdonald is also discussed. Together these essays make the case that across her career, Eudora Welty was arguably one of the genre's greatest double agents, and, to apply the titles of Macdonald's novels to her inventiveness with the form, she is its "underground woman," its unexpected "sleeping beauty."

A Warning to the Curious and Other Ghost Stories

The Turn of the Screw is an 1898 horror novella by Henry James that first appeared in serial format in Collier's Weekly magazine (January 27 - April 16, 1898). In October 1898 it appeared in The Two Magics, a book published by Macmillan in New York City and Heinemann in London. Classified as both

gothic fiction and a ghost story, the novella focuses on a governess who, caring for two children at a remote estate, becomes convinced that the grounds are haunted.

The Turn of the Screw Illustrated

The thrill and chill of the ghost story is displayed in all its variety and vitality through this marvellous anthology. Ranging from the early 19th century to the 1960s, the collection reveals the development of the genre, and showcases many of its greatest expositors - from Sir Walter Scott, H. G. Wells, M. R. James, T. H. White, Walter de la Mare, and Elizabeth Bowen in the UK to Edith Wharton in America. Though its heyday coincided with the golden age of Empire in the nineteenth century, the ghost story enjoyed a second flowering between the two World Wars and its popularity is as great as ever.

The Oxford Book of English Ghost Stories

A terrifying ghost story by the bestselling author of *The Woman in Black*. Late one summer evening, antiquarian bookseller Adam Snow is returning from a client visit when he takes a wrong turn. He stumbles across a derelict Edwardian house and, compelled by curiosity, approaches the door. Standing before the entrance, he feels the unmistakable sensation of a small cold hand creeping into his own, 'as if a child had taken hold of it'. At first he is merely puzzled by the odd incident but then begins to suffer attacks of fear and panic, and is visited by nightmares. He is determined to learn more about the house. But when he does, he receives further, increasingly sinister, visits from the small hand.

Ghost story

Selected and introduced by the bestselling author of *The Time Traveler's Wife* and *Her Fearful Symmetry*—including Audrey Niffenegger's own stunning illustrations for each piece—this is a “spine-tingling” (Chicago Tribune) collection of some of the best ghost stories of all time. From Edgar Allen Poe to Kelly Link, MR James to Neil Gaiman, HH Munro to Audrey Niffenegger herself, *Ghostly* spans the whole history of the ghost story genre from gothic horror to the modern era. Each story is introduced by Audrey Niffenegger, with short original commentary and background on why she chose to include it. Also included is Niffenegger's own story, “A Secret Life with Cats.” Perfect for the classic and contemporary ghost story aficionado, this haunting volume showcases the best of the best in the field—including Edgar Allan Poe, Kelly Link, Neil Gaiman, Edith Wharton, P.G. Wodehouse, Ray Bradbury, and so many more. “Audrey Niffenegger is a master of the supernatural...She knows a good horror story when she sees one. *Ghostly* is her collection of the best of the genre” (Bustle).

The Small Hand

Over 25 short story masterpieces from writers such as Louis de Bernières and Ian Rankin - modern literary tales to chill the blood. This spine-chilling new anthology of 20th and 21st century tales by big name writers is in the best traditions of literary ghost stories. It is just a little over a hundred years ago that the most famous literary ghost story, *The Turn of the Screw* by Henry James, was published and in the intervening years a great many other distinguished writers have tried their hand at this popular genre - some basing their fictional tales on real supernatural experiences of their own.

A Trick of the Light

Hauntings, gruesome legends and tales of the unexplained make up this collection of Nottinghamshire's legacy of the supernatural.

Ghostly

The only annotated edition of M. R. James's writings currently available, *Count Magnus and Other Ghost Stories* contains the entire first two volumes of James's ghost stories, *Ghost Stories of an Antiquary* and *More Ghost Stories of an Antiquary*. These volumes are both the culmination of the nineteenth-century ghost story tradition and the inspiration for much of the best twentieth-century work in this genre. Included in this collection are such landmark tales as “Count Magnus,” set in the wilds of Sweden; “Number 13,” a distinctive tale about a haunted hotel room; “Casting the Runes,” a richly complex tale of sorcery that served as the basis for the classic horror film *Curse of the Demon*; and “Oh, Whistle, and I'll Come to You, My Lad,” one of the most frightening tales in literature. The appendix

includes several rare texts, including “A Night in King's College Chapel,” James's first known ghost story.

The Mammoth Book of Modern Ghost Stories

Gathers ghost stories by Edith Wharton, Etten Glasgow, Norah Lofts, Fay Weldon, and Mary Webb.

Ghosts and Legends of Nottinghamshire

The stunning mountains of Virginia offer spectacular views and endless outdoor activities, yet they also hold secrets. A nineteenth-century cache of gold is buried in the hills. Nine-foot giants once walked the ridges, pre-Columbian explorers built homes on isolated mountaintops and a ghost town lies deep in the Jefferson National Forest. The mountains conceal canines that walk upright, black panthers and a resurgent mountain lion population. The hide-and-seek champion of the world, Bigfoot, lurks in the dark hollows, phantom dogs pace the back roads and aggressive monkeys swing through the trees. UFOs crisscross the skies, and ghosts haunt the caverns below. Join Denver Michaels, local author and explorer of the unexplained, as he explores these mysteries and many more.

A Thin Ghost and Others

A masterful collection of ghost stories that have been overlooked by contemporary readers—including tales by celebrated authors such as Charles Dickens, Sir Walter Scott, Mark Twain, and Edith Wharton—presented with insightful annotations by acclaimed horror anthologists Leslie S. Klinger and Lisa Morton. The ghost story has long been a staple of world literature, but many of the genre's greatest tales have been forgotten, overshadowed in many cases by their authors' bestselling work in other genres. In this spine-tingling anthology, little known stories from literary titans like Charles Dickens and Edith Wharton are collected alongside overlooked works from masters of horror fiction like Edgar Allan Poe and M. R. James. Acclaimed anthologists Leslie S. Klinger (*The New Annotated Sherlock Holmes*) and Lisa Morton (*Ghosts: A Haunted History*) set these stories in historical context and trace the literary significance of ghosts in fiction over almost two hundred years—from a traditional English ballad first printed in 1724 through the Christmas-themed ghost stories of the Victorian era and up to the science fiction-tinged tales of the early twentieth century. In bringing these masterful tales back from the dead, *Ghost Stories* will enlighten and frighten both longtime fans and new readers of the genre. Including stories by: Ambrose Bierce, Wilkie Collins, Charles Dickens, Olivia Howard Dunbar, Nathaniel Hawthorne, Henry James, M. R. James, Arthur Machen, Georgia Wood Pangborn, Mrs. J. H. Riddell, Elizabeth Stuart Phelps, Edgar Allan Poe, Sir Walter Scott, Frank Stockton, Mark Twain, and Edith Wharton.

The Virago Book of Ghost Stories

This study explores the prevalence of bigamy in Victorian fiction to challenge traditional understanding of the period's social and narrative conventions.

Strange Tales from Virginia's Mountains: The Norton Woodbooger, The Missing Beale Treasure, the Ghost Town of Lignite and More

In these twenty-two interviews with verse novelists from the UK, USA, Australia and Canada, Linda Weste explores the uniqueness of storytelling through poetry and the genre of the verse novel. Her subjects are notable representatives of countries where the genre thrives; among them is Bernardine Evaristo, joint winner of the Booker Prize in 2019; and what they have to say enriches our understanding of the many ways poetry and narratives can meld to create a unique reading experience.

Ghost Stories: Forgotten Classic Tales

Bony tony and Skelly Nelly were visiting the fair next to Creepy Castle. But without money they couldn't do anything!

Book Review Digest

I myself have never seen a ghost (I am by no means sure that I wish ever to do so), but I have a friend whose experience in this respect has been less limited than mine. Till lately, however, I had never heard the details of Lady Farquhar's adventure, though the fact of there being a ghost story which she

could, if she chose, relate with the authority of an eye-witness, had been more than once alluded to before me. Living at extreme ends of the country, it is but seldom my friend and I are able to meet; but a few months ago I had the good fortune to spend some days in her house, and one evening our conversation happening to fall on the subject of the possibility of so-called "supernatural" visitations or communications, suddenly what I had heard returned to my memory.

The Bigamy Plot

An unexpectedly entertaining collection of writing by poets discussing the creative inspiration and artistic form of their work.
