Sins of the South

An investigation into the true circumstances of the April 1956 shooting of Southern Illinois nightclub owner Lester "Shot" Winchester, which the original investigation ruled a suicide.

Sins of the South: A True Crime Case Collection To Advocate For

In their first non-fiction book, Professor of Psychology and Criminal Justice Mandy McNeely and Investigative Journalist and victim advocate Raven Rollins share an analysis of three of the coldest cases in Oklahoma from their investigations of them for their podcast, Sirens A Southern True Crime Podcast. They take you to 2004 Maysville, Oklahoma, to look into the unsolved homicide of Sheila Deviney, who was burned alive in her own home. They send you to 1995 Ada, Oklahoma, to dive into the case of Daniel Furr, a 15-year-old boy who ended up at the bottom of an abandoned brick quarry pit. Or did he? Finally, they revisit 1994 Henryetta, Oklahoma, and the case of Shawna Jones, a single mother whose New Year's Eve celebration turned deadly. Join them in their search for justice. Debuted as a #1 New Release on the Amazon True Crime Charts in Sexual Assault & #4 in Missing & Abductions. Find more about the podcast and the authors at www.thesirensodcast.com.

The Sins of the Father

DigiCat Publishing presents to you this special edition of "The Sins of the Father" (A Romance of the South) by Thomas Jr. Dixon. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

The Sins of the Father

Excerpt from The Sins of the Father: A Romance of the South The young editor of The Daily Eagle and Phoenix straightened his tall figure from the pile of papers that smothered his desk, glanced at his foreman who stood waiting, and spoke in the quiet drawl he always used when excited: "Just a moment - 'til I read this over - " The foreman nodded. He scanned the scrawled pencil manuscript twice and handed it up without changing a letter: "Set the title in heavy black-faced caps - black - the blackest you've got." He read the title over again musingly, his strong mouth closing with a snap at its finish: The Black League And The Ku Klux Klan Down With All Secret Societies The foreman took the manuscript with a laugh: "You've certainly got 'em guessing, major - " "Who?" "Everybody. We've all been thinking until these editorials began that you were a leader of the Klan." About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

The Sins of the Father

This Is A New Release Of The Original 1912 Edition.

The Sins of the Father [microform] : a Romance of the South

This Is A New Release Of The Original 1912 Edition.

The Sins of the Father

This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.

The Sins of the Father

The young editor of The Daily Eagle and Phoenix straightened his tall figure from the pile of papers that smothered his desk, glanced at his foreman who stood waiting, and spoke in the quiet drawl he always used when excited: "Just a moment-'til I read this over--" The foreman nodded. He scanned the scrawled pencil manuscript twice and handed it up without changing a letter: "Set the title in heavy black-faced caps-black-the blackest you've got." He read the title over again musingly, his strong mouth closing with a snap at its finish: THE BLACK LEAGUE AND THE KU KLUX KLAN DOWN WITH ALL SECRET

SOCIETIES The foreman took the manuscript with a laugh: "You've certainly got 'em guessing, major--" "Who?" "Everybody. We've all been thinking until these editorials began that you were a leader of the Klan." A smile played about the corners of the deep-set brown eyes as he swung carelessly back to his desk and waved the printer to his task with a friendly sweep of his long arm: "Let 'em think again!"

The Sins of the Father

Southern Secrets is a riveting fictional story based on true facts of the adventures of the last slaves brought to America. Almost fifty years after the importation of slaves was outlawed; a mysterious group of southern gentlemen made an unforgettable bet that would change the south forever. Strength, unity, and perseverance were crucial to the last slaves building their new lives in America. African-American history, American history and African history take root in this spellbinding story. This untold story that never made it into the pages of history books is a must read. The past is what makes the present coherent and the past will remain horrible for exactly as long as we refuse to assess it honestly. James Baldwin

The Sins of the Father

Life on the plantation in the Old South prior to, during, and after the Civil War. This is the story of one of those plantations and the trials and tribulations of its owners and its slaves during a tumultuous time when the Ku Klux Klan received its infamous beginning.

Southern Secrets

The United States was not founded as a Christian nation, since slavery was in the Constitution but Jesus was not. The Covenanters, America's first Christian nationalists and earliest abolitionists, advanced that argument to the Founding Fathers and to generations of Americans. From their brief reign over Scotland to their failed attempts to amend the American Constitution to acknowledge Christ, Covenanters infused themselves into the long tradition of Christian nationalism that forged the modern religious Right. This book examines the forgotten history of America's first Christian nationalists.

The Maitresse and the Slave

" Today, Thomas Dixon is perhaps best known as the author of the best-selling early twentieth-century trilogy that included the novel *The Clansman* (1905), which provided the core narrative for D.W. Griffith's groundbreaking and still-controversial film *The Birth of a Nation* . It was *The Sins of the Father* , however, that Dixon regarded as the most aesthetically satisfying child of his Ku Klux Klan saga. In this novel he telescopes the trilogy's sprawling historical canvas into one tightly scripted narrative. A best-seller in 1912, the novel's themes of interracial sex and incest outraged many upon its publication. Nearly a century later, Dixon's work is undergoing a critical reevaluation. A new introduction by Steven Weisenburger lends a valuable historical and critical perspective to this important and divisive classic of American literature. Thomas Dixon (1864-1946) was born in Shelby, North Carolina. He is also the author of *The Clansman* and *The Flaming Sword*. Steven Weisenburger, Mossiker Chair in Humanities at Southern Methodist University, is the author of several books, including *Modern Medea: A Family Story of Slavery and Child- murder from the Old South*.

Founding Sins

How many times have you thought, "this has got to be true—no one could make this up?" Well, in 1929, Huston Curtiss was seven years old, living with his beautiful, opinionated mother (whose image is on the cover of this book), and surrounded by their romantic, fiercely independent, and often certifiably insane relatives. Huston has never before written about that time—an era of racism and repression, a time when this country was still relatively young, an age of quirky individualism and almost frontier-style freedom that largely has ceased to exist. Fearful he would not be believed, on one hand, but desirous of the freedom to embellish, on the other, Curtiss chronicles that time in *Sins of the Seventh Sister*, a book he characterizes as "a novel based on a true story of the gothic South." It is his story and the story of the people of Elkins, West Virginia, a small town whose inhabitants included his mother, Billy-Pearl Curtiss, and her many sisters—all stunning blondes. Billy-Pearl would prove to be an irresistibly romantic figure in her son's life. She was the seventh of eleven children, all girls to her father's consternation. By the time of her arrival, her father felt he had been patient enough and insisted on calling her Billy; he taught her everything he had intended to impart to his firstborn son. She would grow up to be one of the

most beautiful women in the county, but also one of the most opinionated and liberal. Her aim was so precise that she was barred from the local turkey shoot because none of the men had a chance against her. When a Klansman accused her of attempted homicide after she shot him through the shoulder to stop him from setting fire to the home of her black neighbors, she told the sheriff, "If I had meant to kill him, he'd be dead." And with that defense, she was exonerated. Curtiss Farm was large and the house had many rooms, which Billy-Pearl got in the habit of gathering people to fill, especially the downtrodden who had nowhere to go. In May 1929, Billy-Pearl brought home a boy from the local orphanage. Stanley was sixteen, the age at which the orphanage kicked children out, and Billy-Pearl, knowing his sad history, could not allow him to end up on the streets. Stanley had witnessed his father beat his mother to death in a drunken rage and had taken a straight razor and slit his father's throat while he slept. A country judge had the boy castrated to control his aggressive ways. Not a boy, but not yet a man, Stanley was tall, willowy, and frightened as a colt upon his arrival at Curtiss Farm—not at all the playmate for whom Huston had hoped. But quickly a friendship developed between the two that would last a lifetime—a friendship that would survive murder, suicide, madness, and Stanley's eventual transformation into Stella, a singer who would live her adult life as a glamorous woman. *Sins of the Seventh Sister* is brilliantly conceived and masterfully written, as alive with flamboyant characters and wildly uncontained emotions as any book to come out of the South.

The Sins of the Father

Maureen Hughes was first introduced to Countess Marajen Chinigo in the 1980s in a hospital room in Champaign, Illinois. Assigned to provide personal security to the Countess, Hughes knew few details about the woman she was protecting. Little did she know that Countess Chinigo was a woman connected to some of the most notorious and famous or infamous people of the twentieth century. Hughes did not see the Countess again until a few years later at a local art museum. Intrigued by the impeccably dressed woman who strolled through the crowd like a queen, Hughes vowed to find out all she could about the mysterious Countess. As Hughes shares the fascinating story she uncovered after conducting three years of research and in-depth conversations with friends of the Countess, she unveils a time period where mobsters, presidents, celebrities, and countesses all mingled among dark, captivating secrets. Hughes reveals details about the famous figures the Countess hobnobbed with like Frank Sinatra, Joan Crawford, and Lucky Luciano, her marriage to Johnny Rosselli, and her eventual entanglements with the Mafia. The Countess and the Mob paints a compelling portrait of the kaleidoscopic shapes and colors that made up the extraordinary and unforgettable life of Countess Marajen Stevick Chinigo.

Sins of the Seventh Sister

A month of sin from Flash Fiction Fest 2013 56 pieces of Flash Fiction from eight of December House's authors. Lust, Gluttony, Greed, Sloth, Wrath, Envy, Pride and everything in between. *Deadly Sins* brings you the best Flash Fiction focussed on the worst of mankind.

Sins of the Seventh Sister

William Faulkner more than any other writer is intimately associated with the South about which he wrote. This book reveals the man and his family and the ways in which southern culture and his own life were wound around one another in his greatest works.

The Countess and the Mob

An extraordinarily brave memoir about faith, family, shame and addiction - an Observer, New Statesman and Sunday Times Book of the Year Matt Rowland Hill grew up the son of a minister in an evangelical Christian church. It was a childhood fraught with bitter family conflict and the fear of damnation. After a devastating loss of faith in his late teens, Matt began his search for salvation elsewhere, eventually becoming addicted to crack and heroin - an ordeal that stretched over a decade and culminated in a period of hopeless darkness. Recklessly honest, and as funny as it is grave, *Original Sins* is an extraordinary memoir of faith, family, shame and addiction. It's about looking for answers to life's big questions in all the wrong places, how hope can arrive in the most unexpected forms, and how the stories we tell might help us survive. 'Remarkable, funny, arrestingly well-written... Brings to mind Edward St Aubyn's Patrick Melrose novels, but is also entirely, exhilaratingly its own thing' The Times 'Electric... Artfully structured with novelistic verve... Hill is a blazing talent' Observer 'A beautifully controlled tale of a life spiralling out of control... One of the best books I've read this year' Sunday

Times LONGLISTED FOR THE BAILLIE GIFFORD PRIZE FOR NON-FICTION AND SHORTLISTED FOR THE SLIGHTLY FOXED BEST FIRST BIOGRAPHY PRIZE

Deadly Sins

In this mystery/thriller, set in the deep south in the state of Mississippi, Beth Barrington must enter the sometimes sinister world of Mississippi politics to solve her sister's murder. It is all set in motion by the horrific firebombing of a local minority-owned newspaper, the Jackson Liberator, years before.

William Faulkner and Southern History

Two families plunged into a bitter feud of class, scandal and revenge... Pride. Gazing from his magnificent Chawbury Manor, Miles Straker has it all. A society wife who runs his home like clockwork, four gorgeous children, a smart stucco in West London and, most importantly of all, his multi-national PR business. Greed. Utterly ruthless in both business and pleasure, Miles is a man who gets what he wants in a heartbeat, with a web of power that can bring a company to its knees or get you splashed on every front page. Envy. When self-made millionaire Ross Clegg buys the land adjoining the Straker Chawbury estate, Miles is overcome with jealousy. Not only are Ross and his family welcomed by the country elite, Ross's booming business means he's hailed as a hero of the people. Wrath. But Miles Straker is a dangerous enemy and he vows to take the Clegg empire apart piece by piece, starting with his obnoxious family... Battle rages from the boardroom to the bedroom as old money takes on the new, and two families are plunged into a bitter feud.

Original Sins

This thrilling mystery in the "compelling, passionate, and gritty" (Daily Mail, UK) Captain Carmine Delmonico series finds Carmine swept up in the hunt for not one, but two depraved killers. It's August 1969 in the sleepy college town of Holloman, Connecticut, and police Captain Carmine Delmonico is away on vacation. Back at home, first one, then two anonymous male corpses turn up, emaciated and emasculated. After connecting the victims to four other bodies, Sergeant Delia Carstairs and Lieutenant Abe Goldberg realize that Holloman has a psychopathic killer on the loose. Luckily, Carmine comes back early from vacation. Carmine's team begins to circle a trio of eccentrics, who readily admit to knowing all the victims, but their stories keep changing. They share family ties, painful memories, and a dark past. When another vicious murder rocks the town, Carmine faces the revelation that two killers are at large—even as he barely escapes being next in the body count. Suddenly the summer isn't so sleepy anymore. With Colleen McCullough's trademark "mind-boggling, murderous plots" (Kirkus Reviews), *Sins of the Flesh* "will be welcomed by readers who just love that creepy feeling," (Publishers Weekly).

Southern Sins

Torn from his parents as a small child in the 1870s, Stephen Mzamane is picked by the Anglican church to train at the Missionary College in Canterbury and then returned to southern Africa's Cape Colony to be a preacher. He is a brilliant success, but troubles stalk him: his unresolved relationship with his family and people, the condescension of church leaders towards their own native pastors, and That Woman—seen once in a photograph and never forgotten. And now he has to find his mother and take her a message that will break her heart. In this raw and compelling story, Marguerite Poland employs her considerable experience as a writer and specialist in South African languages to recreate the polarised, duplicitous world of Victorian colonialism and its betrayal of the very people it claimed to be enlightening.

Deadly Sins

A Historical Fiction set in Houston GA in 1864. With the War Between the States raging across the south and the ports along the southern seaboard blockaded by the Union navy, Captain Beauregard Jackson is desperate to save his honor and way of life. But when he turns to piracy he realizes too late the devastation it will have on his family. After robbing the USS Dragoon of its gold, Captain Jackson and his crew are caught in a violent storm that strands on a desolate island in the Caribbean. Maurice LeBlanc, the Shamrock's First Mate, loves only one thing more than Veronica Jackson, Captain Jackson's young, flirtatious wife, and that is gold. Driven to rid himself of the curse of Ramesses, which has plagued his family for decades, Maurice will stop at nothing to find its cure. Little does he know that he and Captain

Jackson share the same curse, a curse that taints everything they touch, including Captain Jackson's children. Set in the late 1800s, Hilltop Manor, located on the outskirts of Hoschton, Georgia, is the scene of lust, murder, and mayhem. *Sins of the Fathers* plumbs the depths of mankind's depravity and demonstrates the lengths God will go to rescue ruined, broken, and damaged lives.

Sins of the Flesh

In this stunning novel, #1 New York Times bestselling author Fern Michaels conjures an unforgettable story of love, betrayal, and redemption . . . When Reuben Tarz and Daniel Bishop met, they were hardly more than boys, brought together by their connection to beautiful, worldly Marchioness Michelene Fonsard, known to all as Madame Mickey. Twenty years later, Reuben is a Hollywood mogul and Daniel has become a renowned Washington D.C. lawyer. Life has rewarded both with riches, success, and beautiful wives, if not always contentment. Out of the blue, an urgent telephone call from Mickey summons Daniel to France to rescue Philippe, the son Reuben never knew existed, and bring him to America. Philippe's arrival will be the catalyst that changes everything—unearthing old secrets and betrayals and forging surprising new bonds. And with each revelation comes that rarest of gifts: a chance to learn from the sins of the past and forge a path to happiness at last . . . “A tale of love and intrigue.” —Library Journal “Engaging...compelling...as polished as they come.” —Publishers Weekly

Treasury of Thought

Sins and Sinners: Asian Perspectives brings together essays by leading scholars of Asian religions to explore the diversity of beliefs about sin and its remedies.

A Sin of Omission

Colossal in concept, dazzlingly plotted, filled with vivid, jaw-dropping violence, *Sins of the Assassin* confirms Robert Ferrigno as the modern master of the futuristic thriller. In the second book of Ferrigno's spectacular *Assassin Trilogy*, Rakkim Epps battles radical fundamentalist forces in a futuristic America, now a divided blood-soaked dystopia. Will he survive? Can America ever be unified again? The year is 2043. New York and Washington, D.C., have been leveled by nuclear bombs. New Orleans is submerged beneath fifty feet of water and treasure hunters scavenge its watery ruins. The United States no longer exists, and in its place two new nations maintain an uneasy coexistence. To the west stretches the Islamic Republic, seemingly governed by a moderate president but hollowed from within by the violent, repressive Black Robes, a shadowy fundamentalist group intent on crushing all those who do not follow Allah's path. In this frightening world, freedom is controlled by the state, and non-Muslims are either second-class citizens, hidden underground, exiled, or executed. To the east and south lies the Christian Bible Belt, itself torn by conflict from warring factions, each claiming to be more righteous than the others. Meanwhile the former United States is being nibbled away at the edges: South Florida, known as "Nuevo Florida," is independent; the Aztlán Empire, formerly Mexico, encroaches from the south; and Canada has laid claim to huge swaths of territory along the United States's former northern border. What stability exists between the warring empires is threatened when the president of the Islamic Republic discovers that a Bible Belt warlord, known simply as the Colonel, is searching for a superweapon hidden inside a remote mountain decades earlier by the old United States regime. Rakkim Epps, retired shadow warrior, is sent on a perilous mission to infiltrate the Belt and steal or destroy the weapon. Accompanying Rakkim is Leo, a naive nineteen-year-old whose technologically enhanced brain is crucial to their success. Together they sneak through the Belt, a lawless territory where a bloodthirsty, drug-addled militia prepares for the End-Times. When Rakkim and Leo finally reach the Colonel's mountain, Epps is forced to rely on his shadow warrior's ability to kill any and all who would halt his quest. Opposing him is the Colonel's enforcer, a sadistic, carbon-skinned killer named Gravenholtz, and the Colonel's wife, the alluring, sexually rapacious Baby, who wants -- and gets -- more of everything. Meanwhile, the Old One, the ancient and immensely rich Muslim fanatic who seeks to rule both American nations, plots his attack from the safety of his ocean liner. Rakkim Epps, he realizes, must be stopped, controlled, or killed. A terrific stand-alone read, *Sins of the Assassin* is a cinematic feast of action and plot, and verifies Robert Ferrigno's *Assassin Trilogy* as a monumental imaginative work of suspense.

Sins of the Fathers

Huston Curtiss's early life in West Virginia reads like fiction, but every word is true. In 1929, when Huston (known to his family as Hughie) was seven years old, his mother took in a boy from the local orphanage.

Not just any boy, Stanley was a 16-year-old who had been hauled into jail at the age of 10 for slicing his drunk father's throat with a straight razor after the man beat his mother senseless one time too many. As punishment, the boy was castrated and sent to an orphanage before coming to live with the Curtisses, a family of eccentric and affectionate Southerners. The relationship that develops between Hughie and Stanley will last a lifetime and span Stanley's metamorphosis into Stella, a world-famous opera star who lived her entire life as a woman, married and became a mother without anyone -- save Huston -- knowing about her past. Filled with fascinating characters that leap off the page, this beautifully written memoir of the gothic South is similar to the works of Eudora Welty or Flannery O'Connor in its ability to both transport and entertain and give us characters we feel we have always known.

Sins of the Flesh

Six people. Six events. Six lives destroyed. What is the connection? Detective Sergeant Melissa (Mel) Cooper has two major investigations on the go. The first involves six apparently unrelated individuals who all suffer inexplicable life-altering events. Mel is also pursuing a serial blackmailer but just as she's about to prove the link between this man and the six bizarre events, she's ordered to back off. So why are her bosses interfering with her investigations? Who are they trying to protect? And how far will they go to stop her? The answers come from a totally unexpected source.

Sins and Sinners

When the mutilated remains of a woman are retrieved by local fisherman, it falls to DI Tom Janssen and his team to identify how she came to be in the water and what put her there.

Sins of the Assassin

DIV We live with the idea of sin every day – from the greatest transgressions to the tiniest misdeemeanours. But surely the concept was invented for an age where divine retribution and eternal punishment dominated the collective consciousness? In this lively collection of new writing, Nicola Barker, Dylan Evans, David Flusfeder, Todd McEwen, Martin Rowson, John Sutherland and Ali Smith go head to head with the capital vices to explore what we really mean when we talk about sin. The resulting mixture of erudite and playful essays and startling new fiction might not make you a better person, but it will certainly give you pause for thought when you're next laying the law down or – heaven forfend – about to do something beyond the pale yourself. /div

Sins of the Seventh Sister

For decades it seemed that whenever a Mafia Capo died, people, directly or indirectly, associated with him start dying. The death of Don Carlo Gambino, the Capo di tutti Capi of the American Mafia, was no exception. UNREDEEMABLE SINS begins on October 16, 1976 and traces the lives of select characters, some with prior involvement with the Mafia, from 1900 through the mid 1970's. It's a crime/thriller laced with intrigue, revenge, deceit, betrayal and murder, as well as some sex, suspense and surprises. The story takes place in many locations throughout the world, with New York's "Hell's Kitchen" and the South Bronx as the primary sites. It includes actions in several 20th Century wars, namely the Anglo-Irish War, the First World War, the Second World War and Vietnam. The main characters, three New Yorkers who grew up in different parts of the city under far different circumstances became almost inseparable after Vietnam. They are each embroiled in dangerous careers. A mobbed-up diamond smuggler, a fearless "for hire" thug and hit man and a New York City cop make up this odd trio who cared for and watched out for each other. Since I am a serious history buff, 60% of the novel is factual with people, places and events that are historically accurate. The remaining 40% is artfully merged into the story in a no-nonsense, believable way. My family came from Ireland, when I was five, and settled in the South Bronx just across the Willis Avenue Bridge from Harlem. This was a tough area in the 1950's and 60's. Many lessons were learned and stories shared on those streets. And I took notes. I attended Bronx schools and it was in high school that I was introduced to the Mafia lifestyle. At that time certain sections of the Bronx was a haven for mobsters, and I went to school with some of their children. And I kept taking notes. The novel is written in "street talk," the way New Yorkers really talk to and about each other.

Be Sure Your Sins

Five childhood friends with big plans face the changing realities of life in Tennessee in the 1960s in this novel from bestselling author Lisa Alther. As Sally and Emily, Prince and Jed, Raymond, and Donny Tatro sit under their beloved Castle Tree in rural, segregated Tennessee, they dream big dreams. But the journey from these dreams to reality is a long one. As they move into their teens, each faces challenges they could never have imagined. Sally and Jed may take a traditional route as head cheerleader and football captain in their sports-frenzied town, but can their love survive some unexpected bumps in the road? Emily and Raymond, always the outsiders, move north during the civil rights movement and must consider their connection to Southern roots and traditional gender roles. And Donny, as an African-American teen, will endure the effects of generations of discrimination and class boundaries as he tries to live out his dreams in their small factory town. Along the way, the five will fall in love, change one another's lives, grow apart, and come together again. In this sweeping novel, Alther brings to life characters both tragic and comic as they live through the changing American socio-economic landscape of the 1950s and '60s. This ebook features an illustrated biography of Lisa Alther, including rare photos from the author's personal collection.

Kill Our Sins

'Michael is living proof that love always has the power to bring you home.' Charlie Mackesy 'A cracking read. Really gets to the bottom of the madness of a man fighting his demons.' Ray Winstone 'His life may have had its ups and downs, but it is wonderful example of God's transforming power.' Nicky Gumbel, Vicar of HTB & pioneer of ALPHA 'Take it from me, Michael got up to some mischief. And to find some peace at the end of it all! You really need to hear this story.' Former London Crime Boss Growing up, Michael wanted nothing more than to follow in his dad's footsteps and join the family business. Aged 18, he did just that and entered into the glamorous, dangerous world of organised crime. Michael's father, a career criminal and contemporary of the infamous Krays, was a wayward role model. Soon Michael's criminal activities were funding a reckless lifestyle of drugs, sex, and violence. But the high couldn't last. In 1993 both men were arrested for their involvement in a £13-million smuggling operation. Michael was sentenced to twelve years, serving time in the same prison as his dad. Inside HMP Exeter, Michael found something he had never expected: answers. A chance encounter in the prison chapel led to an experience that would shake the foundations of his life. This is a true story of trauma and transformation, one man's search for redemption, and the struggle to become the father he never had.

The Seven Deadly Sins

For Felicity, growing up with her unmarried mother and grandparents in a tiny bungalow in Scarborough, life could be frightening and confusing. Why did her beloved granddad just make excuses when her gran subjected her to physical and psychological abuse? Why did her dad, who lived alone nearby, call her by a different name and hide her from his family? What was wrong with her? Sick of it all, Felicity ran away from home aged fifteen and for years she struggled to find her way until she qualified as a teacher and found a career she loved. But at the age of fifty, a successful woman, she still felt hollow inside. Needing to understand why her gran had abused her, she started to research her family's history and uncovered their secrets one by one, including a shocking truth kept buried out of shame. Her great-grandmother Emily Swann, a brutalised wife, had been hanged for the murder of her violent husband... Powerful and moving, *Sins of the Family* shows how tragedies can impact generations to come but understanding and forgiveness can heal the past. PREVIOUSLY PUBLISHED AS *GUARD A SILVER SIXPENCE*

Unredeemable Sins

In their first non-fiction book, Professor of Psychology and Criminal Justice Mandy McNeely and Investigative Journalist and victim advocate Raven Rollins share an analysis of three of the coldest cases in Oklahoma from their investigations of them for their podcast, *Sirens A Southern True Crime Podcast*. They take you to 2004 Maysville, Oklahoma, to look into the unsolved homicide of Sheila Deviney, who was burned alive in her own home. They send you to 1995 Ada, Oklahoma, to dive into the case of Daniel Furr, a 15-year-old boy who ended up at the bottom of an abandoned brick quarry pit. Or did he? Finally, they revisit 1994 Henryetta, Oklahoma, and the case of Shawna Jones, a single mother whose New Year's Eve celebration turned deadly. Join them in their search for justice.
