Before We Fall

The third book in the Beautifully Broken series. Sometimes before we fall . . . we fly. One dark moment was all it took to turn twenty-four-year-old Dominic Kinkaide's world black. On the night of his high school graduation, a single incident changed him forever, and he became a hardened man - famous in the eyes of the world, but tortured inside. Now all he cares about is losing himself in the roles that he plays. At twenty-three years old, Jacey Vincent doesn't realise how much her father's indifference has affected her. She tries to find acceptance in the arms of men to fill the void - a plan that has worked just fine for her, until she meets Dominic. When jaded Dominic and strong-willed Jacey are thrown together, the combination of his secrets and her issues turns their attraction into the perfect storm. It could change their lives for good - if it doesn't tear them both apart . . .

Before We Fall

In the bestselling tradition of J.A. Redmerski and Jessica Sorensen come the next novel in Courtney Cole's New York Times bestselling Beautifully Broken Series... Sometimes before we fall . . . we fly. One dark moment was all it took to turn twenty-four-year-old Dominic Kinkaide's world black. On the night of his high school graduation, a single incident changed him forever, and he became a hardened man-famous in the eyes of the world, but tortured inside. Now all he cares about is losing himself in the roles that he plays. At twenty-three years old, Jacey Vincent doesn't realize how much her father's

indifference has affected her. She is proof that sometimes it isn't one specific moment that wrecks a person, but an absence of moments. She tries to find acceptance in the arms of men to fill the void—a plan that has worked just fine for her, until she meets Dominic. When jaded Dominic and strong-willed Jacey are thrown together, the combination of his secrets and her issues turns their attraction into the perfect storm. It could change their lives for good—if it doesn't tear them both apart . . .

If You Stay

The first book in the Beautifully Broken series. Twenty-four-year-old Pax Tate is not always a nice guy. He's a tattooed, rock-hard bad boy with a bad attitude to match. But he's got his reasons. His mother died when Pax was seven, leaving a hole in his heart filled with guilt. As Pax grew up, he tried to be the perfect golden boy but his dad couldn't overcome his grief long enough to notice. Pax couldn't keep up the impossible perfect façade, so he slipped far, far from it. Now, he uses drugs and women to cope with the ugly, black void in his heart. Until he meets sweet, beautiful Mila Hill. Mila is a carefree smile to his hardened frown, the beauty to his beast. When memories of his mother's death resurface, Mila is there to help him mend his broken heart . . . but only if he can stop being a jerk long enough to allow it. Pax says he's working on it. But is that enough to make her stay?

Until We Fly

Nora Greene works to rekindle her relationship with ex-Army Ranger Brand Killien while Brand is home for a family emergency.

If You Leave

The second book in the Beautifully Broken series. Ex-army soldier Gabriel Vincent is a badass hero. Or he used to be. Home from Afghanistan, Gabe can't stop thinking about that one horrible night on the battlefield, a night that changed his life for ever. He knows he's messed up, but with the help of a little beer and a lot more women, he's keeping it together. Until he meets Madison Hill. Madison is happily single - or so she thinks. After the tragic death of her parents, she took on the responsibility of running the family restaurant, and that's all she has time to worry about. Until she meets Gabriel. Though they don't know, realise it at first, Gabe and Maddy will soon develop a weakness: each other. They need to be together to be whole, but can they find a way to heal the past . . . before they lose each other?

Saving Beck

From New York Times bestselling author Courtney Cole comes “a raw, powerful, heart-wrenching read” (Robyn Harding, international bestselling author of *The Party*) about a son's heroin addiction and its harrowing effects on both him and his mother, reminiscent of the #1 New York Times bestselling memoir *Beautiful Boy*. There comes a time when offering your life for your child's doesn't work, when you realize that it'll never be enough. The cold needle in his warm vein was a welcome comfort to my son at first. But then it became the monster that kept us apart. Heroin lied, and my son believed. It took him to a world where the last year didn't happen, to a place where his father was still alive. What Beck didn't understand was that it couldn't bring his father back from the dead. It couldn't take away his pain, not permanently. You think it can't happen to you, that your kids, your family, will never be in this situation. I thought that too. But you're wrong. Step into our world, and see for yourself. Watch my golden boy become a slave to this raging epidemic. Watch me try and save him. Drug addiction comes with a price. Trust me, you're not equipped to pay it. Don't miss this heartwrenching, evocative, yet hopeful novel—“it will rip your heart out but then leave you knowing there is a light at the end of the tunnel” (Nikki Sixx, New York Times bestselling author of *The Heroin Diaries*).

Such Dark Things

A HORRIFIC RECURRING NIGHTMARE IS THREATENING TO STEAL HER SANITY... Dr. Corinne Cabot is living the American dream. She's a successful ER physician in Chicago who's married to a handsome husband. Together they live in a charming house in the suburbs. But appearances can be deceiving—and what no one can see is Corinne's dark past. Troubling gaps in her memory mean she recalls little about a haunting event in her life years ago that changed everything. She remembers only being in the house the night two people were found murdered. Her father was there, too. Now her father is in prison; she hasn't been in contact in years. Repressing that terrifying memory has caused Corinne moments of paranoia and panic. Sometimes she thinks she sees things that aren't there, hears words

that haven't been spoken. Or have they? She fears she may be losing her mind, unable to determine what's real and what's not. So when she senses her husband's growing distance, she thinks she's imagining things. She writes her suspicions off to fatigue, overwork, anything to explain what she can't accept—that her life really isn't what it seems.

Mine

"The USA TODAY and New York Times bestselling author of the "raw, powerful, heart-wrenching" (Robyn Harding) *Saving Beck* delivers a riveting and heart-pounding story of a crumbling marriage rocked by an affair--as betrayal and jealousy begin to consume both wife and mistress, forever intertwining their fates" --

Confessions of an Alli Cat

Fifty Shades of Grey meets hilarious Contemporary Romance in this witty and sexy novel by Courtney Cole. Caution! Only read this book if you want to laugh and are not offended at adult themes and language. This is not a Young Adult book. ***** "You know what they say...a happy vagina is a happy woman. Well, they might not say that, but they should." -Alli Thirty-five year-old Allison "Alli" Lancaster has it all-a fabulous job, a beautiful 15 year-old daughter, a hilarious BFF and a gorgeous house with a pool and Jacuzzi in an exclusive Las Vegas neighborhood. What she doesn't have is a husband, because she kicked her lousy, cheating ex to the curb nine months ago. Since then, Alli has paid her dues with seemingly endless self-improvement and seemingly endless mourning. Now she's ready to move on and try new things. Alli's idea of "trying new things" is nothing like that devil-of-a-best-friend of hers. Somehow, Sara, the devil of a best friend, talks Alli into trying out a sex toy, sleeping with a younger man and letting a stranger in a lab jacket put hot wax on a place that should never, ever, ever see wax. And that's only the beginning. Alli never saw her life going quite like this. She also never thought she'd meet someone else who had the very real potential to change her life forever. But she did. Enter the new guy. He's gorgeous, refined and mature. He's also marriage material. But that poses a problem for Alli, who renounced the institution of marriage when she renounced her ex. What's a girl to do? They say that what happens in Vegas, stays in Vegas. But what the heck happens when you can't leave Vegas? Well, you spin the wheel, of course. You play the game and let the chips fall where they may. Alli just hopes she can find them all.

Hamilton's Battalion

Love in the time of Hamilton... On October 14, 1781, Alexander Hamilton led a daring assault on Yorktown's defenses and won a decisive victory in America's fight for independence. Decades later, when Eliza Hamilton collected his soldiers' stories, she discovered that while the war was won at Yorktown, the battle for love took place on many fronts... **PROMISED LAND** by Rose Lerner Donning men's clothing, Rachel left her life behind to fight the British as Corporal Ezra Jacobs--but life catches up with a vengeance when she arrests an old love as a Loyalist spy. At first she thinks Nathan Mendelson hasn't changed one bit: he's annoying, he talks too much, he sticks his handsome nose where it doesn't belong, and he's self-righteously indignant just because Rachel might have faked her own death a little. She'll be lucky if he doesn't spill her secret to the entire Continental Army. Then Nathan shares a secret of his own, one that changes everything... **THE PURSUIT OF...** by Courtney Milan What do a Black American soldier, invalided out at Yorktown, and a British officer who deserted his post have in common? Quite a bit, actually. * They attempted to kill each other the first time they met. * They're liable to try again at some point in the five-hundred-mile journey that they're inexplicably sharing. * They are not falling in love with each other. * They are not falling in love with each other. * They are.... Oh no. **THAT COULD BE ENOUGH** by Alyssa Cole Mercy Alston knows the best thing to do with pesky feelings like "love" and "hope": avoid them at all cost. Serving as a maid to Eliza Hamilton, and an assistant in the woman's stubborn desire to preserve her late husband's legacy, has driven that point home for Mercy—as have her own previous heartbreaks. When Andromeda Stiel shows up at Hamilton Grange for an interview in her grandfather's stead, Mercy's resolution to live a quiet, pain-free life is tested by the beautiful, flirtatious, and entirely overwhelming dressmaker. Andromeda has staid Mercy reconsidering her worldview, but neither is prepared for love—or for what happens when it's not enough.

The Christmas Dress

An enchanted Christmas dress brings two generations of women together for the magic of the season in this delightful holiday story from New York Times bestselling author Courtney Cole. One Dress. Two Women. The Magic of the Holiday Season. When hopeful fashionista Meg Julliard must return to her hometown of Chicago to manage her late father's apartment building, she thinks her dreams of making it in the fashion business are over. Add in her father's eclectic roster of tenants who all need Meg's attention (ASAP!), a host of building related disasters, and a handsome handyman she keeps embarrassing herself in front of, and this has all the makings for the worst Christmas she's ever had. Ellie Wade, one of the building's longtime residents, is also not feeling the Christmas Joy this year. She is preparing to move into a nursing home (reluctantly), and is in the process of sorting through her belongings to downsize. Every corner of her apartment holds memories, some good, some bad. But there's one dress she hesitates to pack up as it represents both the best and worst night of her life. Ellie and Meg strike up an unlikely friendship and the story of Ellie's dress comes out. Ellie gifts the gorgeous dress to Meg, hoping that it will bring her more luck, on the condition that she wear it to the building's Christmas party. The dress magically fits, and while it eventually leads to the best night of Meg's life, it also acts as inspiration for Meg to follow a life-long dream of her own, a dream that will help save the crumbling Parkview West, and restore it to its former glory, and keep it as a safe home for all of the current tenants. The dress and the magic of the holiday season helps both Meg and Ellie find their own happy endings.

Last thing I expect is to encounter Jana Carter at a painting class. Don't ask why I was there. I can hardly keep my eyes off of her. She's a shy, sultry vixen, and she grabs a hold of me so hard, I can't let go. Just when I thought I'd built strong walls around my heart, I discover her walls are reinforced with steel. She's so pure, so innocent. Against all odds, I want her. I'll do anything to have her, to make her mine.

Lord of London Town

Cheska Harlow-Wright was born into a life of luxury and privilege. She has never wanted for anything. A comfortable future as a married London socialite awaits her. But since the age of thirteen, Cheska has harbored a secret—an unshakeable fixation on a boy who could never offer her anything close to comfort. A boy steeped in sin and draped in depravity. A boy born into the possessive embrace of darkness. When Cheska's seemingly perfect world is ripped apart by an unknown but deadly enemy, there's only one person she can run to. One person in the world who has the power to keep her safe. The one person her weak and shattered heart craves. Arthur Adley. The new head of the most feared crime family in London. Forced too young to take the helm of the Adley firm, Arthur has become even more ruthless, formidable, and cold than ever before. His enemies are circling, and he must fight—and kill—to maintain his family's place at the top of the London crime underworld. There is no room for weakness, emotion, or loss of control. But then Cheska smashes back into his life with the force of a wrecking ball. She has no place in this dark, vicious, and bloodthirsty world. And worse, she is the solitary chink in his impenetrable armor. He's already pushed her away once, but this time she desperately needs him. She's broken, lost, and in danger, and he is the only one who can help. Arthur must protect her. He must destroy those who dare to threaten her, hunt down those who would take what is his. He would raze all of London to the ground to keep her safe... but can he also protect himself? The infamous Dark Lord of London Town faces his most brutal battle yet—the crippling weight of the past, the unrelenting

enemies lurking in the shadows... and the havoc that Cheska's presence is wreaking on the granite fortress that was once his heart.

The Stationery Shop

A poignant, heartfelt new novel by the award-nominated author of *Together Tea*—extolled by the *Wall Street Journal* as a “moving tale of lost love” and by *Shelf Awareness* as “a powerful, heartbreaking story”—explores loss, reconciliation, and the quirks of fate. Roya, a dreamy, idealistic teenager living amid the political upheaval of 1953 Tehran, finds a literary oasis in kindly Mr. Fakhri’s neighborhood stationery shop, stocked with books and pens and bottles of jewel-colored ink. Then Mr. Fakhri, with a keen instinct for a budding romance, introduces Roya to his other favorite customer—handsome Bahman, who has a burning passion for justice and a love for Rumi’s poetry—and she loses her heart at once. Their romance blossoms, and the little stationery shop remains their favorite place in all of Tehran. A few short months later, on the eve of their marriage, Roya agrees to meet Bahman at the town square when violence erupts—a result of the coup d’etat that forever changes their country’s future. In the chaos, Bahman never shows. For weeks, Roya tries desperately to contact him, but her efforts are fruitless. With a sorrowful heart, she moves on—to college in California, to another man, to a life in New England—until, more than sixty years later, an accident of fate leads her back to Bahman and offers her a chance to ask him the questions that have haunted her for more than half a century: Why did you leave? Where did you go? How is it that you were able to forget me?
