The Courage Consort

Three novellas filled with “gallows humor and a sense of real peril,” by the acclaimed author of *The Book of Strange New Things* (The New York Times). The bestselling author of *The Crimson Petal and the White* “draws his characters with assured comic efficiency” (The Guardian), using “evocative language” to offer up “intriguing glimpses of unfamiliar worlds” (Los Angeles Times), in these acclaimed novellas. In “The Courage Consort,” an a cappella vocal ensemble is sequestered in a Belgian château to rehearse a monstrously complicated new piece, but competing artistic temperaments and sexual needs create as much discordance as the avant-garde music. In “The Hundred and Ninety-Nine Steps,” a lonely woman joins an archaeological dig at Whitby Abbey and unearths a mystery involving a long-hidden murder. And in “The Fahrenheit Twins,” strange children, identical in all but gender, are left alone at the icy zenith of the world by their anthropologist parents to create their own ritual civilization. From a wildly inventive author whose novel *The Book of Strange New Things* was named one of 2014’s best reads by everyone from the New Yorker to io9, *The Courage Consort* is an eclectic collection of well-told tales, in which Michel Faber “marches on, establishing himself as one of the most versatile fiction writers working today” (Kirkus Reviews). “Readers will again be immersed in the intense worlds he creates.” —Publishers Weekly

The Courage Consort

Equal parts historical thriller, romance and ghost story, this is an ingenious literary page-turner and is completely unforgettable.

The Hundred and Ninety-Nine Steps

Deft and lyrical, this paperback edition of Michel Faber's collection of stories is his first since his auspicious debut, *Some Rain Must Fall*. It has sealed his reputation as one of Britain's most daring and original authors. Acclaimed for his pitch-perfect prose and brilliant characterisation, Faber is also celebrated for his mastery of contrasting styles. From achingly sad lost lives, through moments of exquisitely distilled happiness, to biblical innocence and savagery, Faber's characters are redeemed, abandoned, beloved and laid bare.

The Fahrenheit Twins and Other Stories

Deft and lyrical, this paperback edition of Michel Faber's collection of stories is his first since his auspicious debut, *Some Rain Must Fall*. It has sealed his reputation as one of Britain's most daring and original authors. Acclaimed for his pitch-perfect prose and brilliant characterisation, Faber is also celebrated for his mastery of contrasting styles. From achingly sad lost lives, through moments of exquisitely distilled happiness, to biblical innocence and savagery, Faber's characters are redeemed, abandoned, beloved and laid bare. From the achingly sad lost lives of 'The Safehouse' through moments of exquisitely distilled happiness in 'Vanilla-Bright Like Eminem' to the biblical innocence and savagery of 'The Fahrenheit Twins', we are redeemed, abandoned, beloved and laid bare but we are always recognisable. This is a writer at the height of his powers.

The Fahrenheit Twins

'I am with you always, even unto the end of the world . . .' Peter Leigh is a missionary called to go on the journey of a lifetime. Leaving behind his beloved wife, Bea, he boards a flight for a remote and unfamiliar land, a place where the locals are hungry for the teachings of the Bible - his 'book of strange new things'. It is a quest that will challenge Peter's beliefs, his understanding of the limits of the human body and, most of all, his love for Bea. *The Book of Strange New Things* is a wildly original tale of adventure, faith and the ties that might hold two people together when they are worlds apart. This momentous novel, Faber's first since *The Crimson Petal and the White*, sees him at his expectation-defying best. WINNER OF THE SALTIRE BOOK OF THE YEAR AWARD SHORTLISTED FOR THE ARTHUR C. CLARKE AWARD AS HEARD ON BBC RADIO 4

The Book of Strange New Things

The debut work, a short story collection from the bestselling, critically acclaimed author of *Under the Skin*, *The Crimson Petal and the White* and *The Book of Strange New Things*. Michel Faber's short stories reveal an extraordinarily vivid imagination, a deep love of language and an adventurous versatility. Playful, yet profoundly moving, wickedly satirical yet sincerely humane, these tales never fail to strike unexpected chords. 'Some Rain Must Fall' juxtaposes the tragic circumstances of traumatised schoolchildren with the interior monologue of a teacher/psychologist enlisted to aid their recovery. In the pseudo-sci-fi 'Fish' a mother tries to protect her child in a terrifying world where fish swim through the streets and lurk in alleyways. Faber's collection is rich and assured, with a dazzling reach.

Some Rain Must Fall And Other Stories

The novel centres around a female character, Isserly, who seems to be obsessed with picking up male hitch-hikers, as long as they are muscular and fit. As the story unfolds, the reader comes to realise that Isserly's motives are rather unusual.

Under the Skin

From the bestselling author of *The Crimson Petal and the White*, "a satire of the modern entertainment industry . . . hilariously entertaining" (*The Sunday Telegraph*). Michel Faber's *The Fire Gospel* is a wickedly funny, acid-tongued, media-savvy picaresque that delves into our sensationalist culture. Theo Griepenkerl, a Canadian linguistics scholar, is sent to Iraq in search of artifacts that have survived the destruction and looting of the war. While visiting a museum in Mosul, he finds nine papyrus scrolls tucked in the belly of a bas-relief sculpture: they have been perfectly preserved for more than two thousand years. After smuggling them out of Iraq and translating them from Aramaic, Theo realizes the extent of his career-making find, for he is in possession of the Fifth Gospel, and it offers a shocking and incomparable eyewitness account of Christ's crucifixion and last days on Earth. A hugely entertaining, and by turns shocking story, *The Fire Gospel* is a smart, stylish, and suspenseful novel. "Most insightful when describing fatuous superficiality . . . *The Fire Gospel* coasts cleverly and blithely."—*The New York Times* "The satire is so entertaining, the pace so sharp, the writing so witty . . . *The Fire Gospel* can be read easily in one sitting. It's effortless to consume, but with plenty of bite."—*The Observer* "A fun and tender retelling of the Prometheus myth . . . there's a tenderness about humankind and our inarticulate, profound need to believe that shines through Faber's tale."—*The Plain Dealer* "Faber writes with humor, intelligence, and a keen eye for our modern culture. Readers will laugh at the book and maybe a little at themselves."—*Booklist*

The Fire Gospel

The bestselling author of "*The Crimson Petal and the White*" presents this collection of 16 stories that move from unspeakable sadness to moments of exquisitely distilled happiness.

Vanilla Bright Like Eminem

One of the most talked-about novels of the year, this international bestseller gives new meaning to the term "unputdownable." Reviewers and readers everywhere have been eagerly abandoning their everyday lives for days and even weeks on end, refusing to leave Michel Faber's vividly realized fictional world. They are captivated by Sugar, an enigmatic nineteen-year-old prostitute whose story begins in a hellish nineteenth-century London brothel. Struggling to lift her body and soul out of the gutter, Sugar claws her way up the social ladder to gain refuge in the wealthy family of her besotted lover, William Rackham, unwilling heir to a perfumery. Now in the popular Perennial format, *The Crimson Petal and the White* is a gripping tale, extraordinarily rich, intricate and intoxicating to the final page.

Crimson Petal And The White

A collection of short stories about the lives of Agnes, William, Sugar, Sophie, and other characters from *Silver Street*.

The Apple

Winner of the Saltire Prize for best first work of Scottish fiction, here is a story collection by "a hot new talent, a master of the short story form" (*"The Times Literary Supplement"*).

Some Rain Must Fall

Enjoy more Sugar . . . Take a saunter down Silver Street once more for an early Christmas encounter with the determined heroine of *The Crimson Petal and the White*, and find out more of what became of her. In this collection, Michel Faber revisits the world of his bestselling novel, briefly opening doors onto the lives of its characters to give us tantalising glimpses of where they sprang from and what happened to them. All of us can vividly remember *The Crimson Petal and the White*, Michel Faber's compelling historical novel released in 2002. In it we came to know Sugar, the alluring nineteen-year-old in Mrs Castaway's brothel, and followed her rise through 1870s London society. *The Crimson Petal* was not only a wonderful story, it created an entire, extraordinary world. Now, with the wonderful new stories in *The Apple*, Michel Faber has opened the door once again onto that world, and takes us into the lives of the characters we came to love.

Crimewave

In this volume, Polygon, The Macallan, and "Scotland on Sunday" are pleased to offer the very best of contemporary Scottish story writing selected from more than 2,000 entries to the 2001 Macallan / "Scotland on Sunday" Short Story Competition, including the winner, the five other shortlisted stories, and the best of the remaining entries. Selections include: "The Incomprehensible Mortality of Karen Mack, " by Sophie Cooke; "A Storm Gathering, " by Jonathan Falla; "Mango, " by Fiona J. Thackeray; and "Clear Thunder, " by Alan Bissett.

The Apple

Anne O'Brien's new novel, *Queen of the North*, is available to pre-order now *England's Forgotten Queens* strong 'Anne O'Brien has joined the exclusive club of excellent historical novelists.' - Sunday Express strong **ENGLAND'S MOST RUTHLESS QUEEN.**

The Apple

How can you say goodbye to the love of your life? In *Undying* Michel Faber honours the memory of his wife, who died after a six-year battle with cancer. Bright, tragic and candid, these poems are an exceptional chronicle of what it means to find the love of your life. And what it is like to have to say goodbye. All I can do, in what remains of my brief time, is mention, to whoever cares to listen, that a woman once existed, who was kind and beautiful and brave, and I will not forget how the world was altered, beyond recognition, when we met.

The Clearing

Set in England when Vikings are on the brink of invasion, this is an epic tale of seduction, war, and unrequited love from an outstanding new voice in historical fiction

Shorts 4

A cult classic of Italian literature, published in English for the first time, with an afterword by André Aciman, author of *Call Me By Your Name*. 'A masterpiece' - *Le Figaro* 'Dazzling in every detail' - *Elle* In the late 1960s, Leo Gazzara leads a precarious life in Rome. He spends his time in an alcoholic haze, bouncing between hotels, bars, uninspiring jobs, romantic entanglements and the homes of his rich friends. Leo drifts, aimless and alone. But on the evening of his thirtieth birthday, he meets Arianna. All night they drive the city in Leo's run-down Alfa Romeo, talking and talking. They eat brioche for breakfast, drink through the dawn, drive to the sea and back. A whirlwind beginning. What follows is the story of the year Leo fell in love and lost everything. Intense, romantic, witty and devastating, *Last Summer in the City* is a forgotten classic of Italian literature which offers an intoxicating portrait of two lonely people, pushing and pulling each other away and back again. 'The most beautiful love story of the year' - *Il Giornale*

Devil's Consort

SHORTLISTED FOR THE BOOKER PRIZE 2020 LONGLISTED FOR THE WOMEN'S PRIZE FOR FICTION 2021 WINNER OF THE SUSHILA DEVI AWARD 2021 NEW YORK TIMES 100 NOTABLE BOOKS OF 2021 A searing debut novel about mothers and daughters, obsession and betrayal - for fans of Jenny Offill, Deborah Levy, Rachel Cusk and Diana Evans 'Beautifully written, emotionally wrenching and poignant in equal measure' The Booker Prize Judges 2020 'An unsettling, sinewy debut, startling

in its venom and disarming in its humour from the very first sentence' Guardian 'I would be lying if I said my mother's misery has never given me pleasure.' This is a tale of obsession and betrayal. This is a poisoned love story. But not between lovers - between mother and daughter. Tara and Antara, a woman and her angry shadow. But which one is which? Sharp as a blade and compulsively readable, *Burnt Sugar* slowly untangles the knot of memory and rumour that binds two women together, revealing the truth that lies beneath. 'A work of extraordinary insight, courage and sophistication' Washington Post 'Arresting and fiercely intelligent, disarmingly witty and frank' Sunday Times 'A sly, slippery, often heartbreaking novel about the role memory plays within families' Stylist 'Extraordinary... Come for the effortlessly stylish writing, stay for the boiling wrath' Observer

Undying

"He makes me feel safe again." Finn Blakely can't help but be attracted to his new boss. Tamsin is confident and successful - everything that Finn isn't. Pursuing him is a completely different matter, though. Finn's got to keep his head down and his nose to the grindstone if he ever wants to pay off his father's medical bills. "I only want to care for him." Christopher Tamsin enjoys breaking new boundaries with his corporate law practice, but when it comes to his personal life, he's got very specific tastes. He wants someone to nurture and protect - and his new intern hits every one of his buttons. But with Finn adamantly against accepting anything he sees as charity, Tamsin decides to approach Finn about joining The Billionaire Club as his consort, instead. Acquiring Finn's trust and love is more fulfilling than Tamsin ever would have expected - but when the woman who abused Finn comes back to shatter Finn's illusion of safety, Tamsin is forced to choose: his career, or the young man who has captured his heart? Welcome to The Billionaire Club, where men of certain means are able to match themselves with high quality singles who agree to a relationship bound by contract. The final book in the series, this steamy BDSM book features a gentle Dom, a submissive waking to his own inner courage, and the strength to overcome the ghosts of the past.

Shadow on the Crown (The Emma of Normandy, Book 1)

It is April 1900, in the Levant, on the imaginary island of Mingheria-the twenty-ninth state of the Ottoman Empire-located in the eastern Mediterranean between Crete and Cyprus. Half the population is Muslim, the other half are Orthodox Greeks, and tension is high between the two. When a plague arrives-brought either by Muslim pilgrims returning from the Mecca or by merchant vessels coming from Alexandria-the island revolts. To stop the epidemic, the Ottoman sultan Abdul Hamid II sends his most accomplished quarantine expert to the island-an Orthodox Christian. Some of the Muslims, including followers of a popular religious sect and its leader Sheikh Hamdullah, refuse to take precautions or respect the quarantine. And then a murder occurs. As the plague continues its rapid spread, the Sultan sends a second doctor to the island, this time a Muslim, and strict quarantine measures are declared. But the incompetence of the island's governor and local administration and the people's refusal to respect the bans doom the quarantine to failure, and the death count continues to rise. Faced with the danger that the plague might spread to the West and to Istanbul, the Sultan bows to international pressure and allows foreign and Ottoman warships to blockade the island. Now the people of Mingheria are on their own, and they must find a way to defeat the plague themselves. Steeped in history and rife with suspense, *Nights of Plague* is an epic story set more than one hundred years ago, with themes that feel remarkably contemporary.

Last Summer in the City

Utopia is a work of fiction and socio-political satire by Thomas More published in 1516 in Latin. The book is a frame narrative primarily depicting a fictional island society and its religious, social and political customs. Many aspects of More's description of *Utopia* are reminiscent of life in monasteries.

Burnt Sugar

NEIL GAIMAN: 'Glorious. A story that will be found and enjoyed and dreamed about for years to come' A celebration of friendship, courage and imagination inspired by *Alice in Wonderland*, *The Chronicles of Narnia* and *The Wizard of Oz*. _____ It all starts on the morning the letter D disappears from the language. First, it vanishes from her parents' conversation at breakfast, then from the road signs outside. Soon the local dentist and the neighbour's Dalmatian are missing, and even the Donkey Derby has been called off. Though she doesn't know why, Dhikilo is summoned to the home of her old history teacher Professor Dodderfield and his faithful Labrador, Nelly Robinson. And this is

where our story really begins. Set between England and the wintry land of Liminus, a world enslaved by the monstrous Gamp and populated by fearsome, enchanting creatures, *D (Tale of Two Worlds)* is a mesmerising tale of friendship and bravery in an uncertain world. Told with simple beauty and warmth, its celebration of moral courage and freethinking is a powerful reminder of our human capacity for strength, hope and justice. 'Dhikilo is a splendid heroine for our time: She stands for kindness, honesty and humanity' DIANE SETTERFIELD 'Young adult readers will love it, but Faber's brio and bubbly ingenuity will delight adult readers too.' Daily Mail

Trusting In Tasmin

Swirl of Emotions is about candid revelations of sweet romance, sex, human relationships, sheer promises of undying affections, commitments, believe and hope, faith and religion. It makes use of some funny animal characters, ambles their proclivity swiftly with humans to show how we dispel inhibitions when we are in the throes of a conquest. It also depicts the exchange of emotions and gait that we share and show when we unfold our need or desire for love.

Nights Of Plague

Reimagines the story of Henry VIII's sixth wife, Kateryn Parr, who after being forced to marry the king struggles against dangerous adversaries to observe her own faith and promote religious reforms.

Utopia

In a world where humans are genetically designed, altered and sold for pleasure and breeding, a young prince of the powerful Cassian Dynasty decides to take a mate and sire heirs. Not wishing to saddle himself with royal and meddlesome in-laws, and a wife he would have no desire to bed, Prince Edward goes to Heritage Breeders, and finds far more than just a warm body to carry on his lineage. Percy is the result of a master DNA architect designing himself his own personal slave and breeder. Yet when his creator and Master dies, leaving Percy alone at the mercy of the callous stable masters and the new owner of Heritage, he fears his future. Afraid he'll be bought by a wretched old man or a deviant monster, Percy is terrified when he is dragged from his cell and presented to the most prestigious client Heritage has ever welcomed...a Cassian Royal. Prince Edward is immediately infatuated with the shy, nervous and enchantingly beautiful Percy, and claims him for his own. Yet not everyone is pleased by a royal purchasing a breeder, especially one like Percy, and tensions rise both in Heritage and in the palace. Torn between need, duty, a king's command and the innermost desires of their hearts, Edward and Percy are set on path that is anything but easy. Can Percy trust Edward with his heart as he does his body? Can Edward keep an angry king and unseen enemies away from the young slave who is steadily stealing his heart? And what happens when Nature takes its course, and Percy's true purpose is fulfilled?

D (A Tale of Two Worlds)

Nicomachean Ethics Aristotle - The *Nicomachean Ethics* is one of Aristotle's most widely read and influential works. Ideas central to ethics—that happiness is the end of human endeavor, that moral virtue is formed through action and habituation, and that good action requires prudence—found their most powerful proponent in the person medieval scholars simply called "the Philosopher." Drawing on their intimate knowledge of Aristotle's thought, Robert C. Bartlett and Susan D. Collins have produced here an English-language translation of the *Ethics* that is as remarkably faithful to the original as it is graceful in its rendering. Aristotle is well known for the precision with which he chooses his words, and in this elegant translation his work has found its ideal match. Bartlett and Collins provide copious notes and a glossary providing context and further explanation for students, as well as an introduction and a substantial interpretive essay that sketch central arguments of the work and the seminal place of Aristotle's *Ethics* in his political philosophy as a whole. The *Nicomachean Ethics* has engaged the serious interest of readers across centuries and civilizations—of peoples ancient, medieval, and modern; pagan, Christian, Muslim, and Jewish—and this new edition will take its place as the standard English-language translation.

Swirl of Emotions

An instant New York Times bestseller! Return to Nalini Singh's darkly passionate Guild Hunter world, where human-turned-angel Elena Deveraux, consort to Archangel Raphael, faces a new challenge

that threatens the balance of the world. Wings of silver. Wings of blue. Mortal heart. Broken dreams. Shatter. Shatter. Shatter. A sundering. A grave. I see the end. I see . . . The world is in chaos as the power surge of the Cascade rises to a devastating crescendo. In furiously resisting its attempts to turn Elena into a vessel for Raphael's power, Elena and her archangel are irrevocably changed . . . far beyond the prophecy of a cursed Ancient. At the same time, violent and eerie events around the world threaten to wipe out entire populations. And in the Archangel Lijuan's former territory, an unnatural fog weaves through the land, leaving only a bone-chilling silence in its wake. Soon it becomes clear that even the archangels are not immune to this deadly evil. This time, even the combined power of the Cadre may not be enough . . . This war could end them all.

The Taming of the Queen

The Odyssey is one of the oldest works of Western literature, dating back to classical antiquity. Homer's epic poem belongs in a collection called the Epic Cycle, which includes the Iliad. It was originally written in ancient Greek, utilizing a dactylic hexameter rhyme scheme. Although this rhyme scheme sounds beautiful in its native language, in modern English it can sound awkward and, as Eric McMillan humorously describes it, resembles "pumpkins rolling on a barn floor." William Cullen Bryant avoided this problem by composing his translation in blank verse, a rhyme scheme that sounds natural in English. This epic poem follows Ulysses, one of the Greek leaders that brought an end to the ten-year-long Trojan war. Longing for home, he travels across the Mediterranean Sea to return to his kingdom in Ithaca; unfortunately, our hero manages to anger Neptune, the god of the sea, making his trip home agonizingly slow and extremely dangerous. While Ulysses is trying to return home, his family in Ithaca is also in danger. Suitors have traveled to the home of Ulysses to marry his wife, Penelope, believing that her husband did not survive the war. These men are willing to kill anyone who stands in their way. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

Bred for Love

The first book in the critically acclaimed Obsidian and Blood trilogy: Year One-Knife, Tenochtitlan the capital of the Aztecs. Human sacrifice and the magic of the living blood are the only things keeping the sun in the sky and the earth fertile. A Priestess disappears from an empty room drenched in blood. It should be a usual investigation for Acatl, High Priest of the Dead--except that his estranged brother is involved, and the the more he digs, the deeper he is drawn into the political and magical intrigues of noblemen, soldiers, and priests--and of the gods themselves... REVIEWS: 'gripping mystery steeped in blood and ancient Aztec magic. I was enthralled.' — Sean Williams 'An Aztec priest of the dead tries to solve a murder mystery, and finds that politics may be even more powerful than magic. A vivid portrayal of an interesting culture in a truly fresh fantasy novel.' — Kevin J. Anderson 'Amid the mud and maize of the Mexica empire, Aliette de Bodard has composed a riveting story of murder, magic and sibling rivalry.' — Elizabeth Bear 'The world-building is exquisite and we *believe* we are transported to the 15th century Tenotichtlan and together with the superb voice they formed the main reason I enjoyed this book so much... Highly recommended... Ms. de Bodard is a writer to watch.' — Fantasy Book Critic

Nicomachean Ethics

NEW YORK TIMES BESTSELLER Around the year 1049, William, Duke of Normandy and future conqueror of England, raced to the palace of Baldwin V, Count of Flanders. The count's eldest daughter, Matilda, had refused William's offer of marriage and publicly denounced him as a bastard. Encountering the young woman, William furiously dragged her to the ground by her hair and beat her mercilessly. Matilda's outraged father immediately took up arms on his daughter's behalf. But just a few days later, Baldwin was aghast when Matilda, still recovering from the assault, announced that she would marry none but William, since "he must be a man of great courage and high daring" to have ventured to "come and beat me in my own father's palace." Thus began the tempestuous marriage of Matilda of Flanders and William the Conqueror. While William's exploits and triumphs have been widely chronicled, his consort remains largely overlooked. Now, in her groundbreaking Queen of the Conqueror, acclaimed author and historian Tracy Borman weaves together a comprehensive and illuminating tapestry of this noble woman who stood only four-foot-two and whose role as the first crowned Queen of England had a large and lasting influence on the English monarchy. From a wealth of historical artifacts and documents, Matilda emerges as passionate, steadfast, and wise, yet also utterly ruthless and tenacious in pursuit of her goals, and the only person capable of taming her formidable husband—who, unprecedented for the period, remained staunchly faithful to her. This

mother of nine, including four sons who went on to inherit William's French and English dominions, confounded the traditional views of women in medieval society by seizing the reins of power whenever she had the chance, directing her husband's policy, and at times flagrantly disobeying his orders. Tracy Borman lays out Matilda's remarkable story against one of the most fascinating and transformative periods in European history. Stirring, richly detailed, and wholly involving, *Queen of the Conqueror* reveals not just an extraordinary figure but an iconic woman who shaped generations, and an era that cast the essential framework for the world we know today. Praise for *Queen of the Conqueror* "[Tracy Borman] brings to life Queen Matilda's enormous accomplishments in consolidating early Norman rule. Alongside her warrior husband, William I, Matilda brought legitimacy, a deeper degree of education, diplomatic savvy and artistic and religious flowering to the shared Norman-English throne. Borman . . . the chief executive of Britain's Heritage Education Trust, fleshes out the personality of this fascinating woman, who set the steely precedent for subsequent English female sovereigns by displaying great longevity and stamina in a rough, paternalistic time. . . . A richly layered treatment of the stormy reign that yielded the incomparable Bayeux Tapestry and the Domesday Book."—Kirkus Reviews "Tracy Borman tells this story with a steady eye and a steady hand, tracing what can be known of Matilda's part in the events that were to change the course of English history."—Helen Castor, *Literary Review*

Archangel's War

China, 1700s. Lady Qing has spent the past seven years languishing inside the high red walls of the Forbidden City. Classed as an Honoured Lady, a lowly-ranked concubine, Qing is neglected by the Emperor, passed over for more ambitious women. But when a new concubine, Lady Ying, arrives, Qing's world is turned upside down. As the highest position at court becomes available and every woman fights for status, Qing finds love for the first time in her life... if Lady Ula Nara, the most ambitious woman at court, will allow her a taste of happiness.

The Odyssey

The Top 10 Sunday Times bestseller 'An immersive, romantic historical saga' Hello Magazine

Servant of the Underworld

Chosen as a Book of the Year in The Times and the Daily Mail 'Highly entertaining' Sunday Times 'Enthralling' Daily Telegraph For more than six decades, Queen Victoria ruled a great Empire at the height of its power. Beside her for more than twenty of those years was the love of her life, her trusted husband and father of their nine children, Prince Albert. But while Victoria is seen as the embodiment of her time, it was Prince Albert, A. N. Wilson expertly argues, who was at the vanguard of Victorian Britain's transformation as a vibrant and extraordinary centre of political, technological, scientific and intellectual advancement. Far more than just the product of his age, Albert was one of its influencers and architects. A composer, engineer, soldier, politician, linguist and bibliophile, Prince Albert, more than any other royal, was truly a 'genius'. Albert lived only forty-two years. Yet in that time, he fathered the royal dynasties of Germany, Russia, Spain and Bulgaria. Through Victoria, Albert and her German advisers pioneered the idea of the modern constitutional monarchy. In this sweeping biography, Wilson demonstrates that there was hardly any aspect of British national life which Albert did not touch. Drawn from the Royal archives, including Prince Albert's voluminous correspondence, this brilliant and ambitious book offers fascinating never-before-known details about the man and his time. A superb match of biographer and subject, Prince Albert, at last, gives this important historical figure the reverence and recognition that is long overdue.

Queen of the Conqueror

An epic historical adventure set in a pseudo 8th century China, from the author of the 2008 World Fantasy winner, Ysabel. Under Heaven is a novel of heroes, assassins, concubines and emperors set against a majestic and unforgiving landscape.
