The Lifegiving Table

A Journey of Faith, Hope and Discovery! If you could meet me today, you would see a bright, confident woman, happy relaxed; content with my situation, looking forward to a future of better things. However, it wasn't always like that. When my husband left me for another woman, I was devastated! Were we both Christians who didn't believe in divorce? However, God gave me a promise that He would restore him so whilst I had to get on with life, I also held onto the promise. Mike, having walked away tried to wash his hands of God! Yet he never lost the knowledge that God loved him, even though his life was not honouring Him. Over a period of 18 years God worked in each of our lives like a Master Craftsman, in order to bring two individuals together and make them one. God has a plan and purpose for all our lives and as we get to know Him, so He reveals the plan. We are glad He doesn't show it to us all at once. We would not be able to cope with the dark threads of life's tapestry but God weaves them together with gold, silver and brightly coloured threads so that we can look back and rejoice in His beautiful handiwork! God is always faithful to His Word but often we are not willing to wait around to see its fulfilment; but patience and obedience allows the love of Jesus to transform us and our situations. As we surrender to His perfect Will for our lives He is able to do exceedingly, abundantly, above all that we could ask or imagine! Eph 3:20 For with man this is impossible but with God ALL things are possible! Matt 19:26

To Have and to Hold

Black Cake meets Death at a Funeral in this heartwarming and hilarious novel about three generations of a Nigerian Canadian family grappling with their matriarch's sudden passing while their auntie insists that her sister is coming back—from an author with a “razor-sharp, smart, and tender” (Nafiza Azad, author of *The Wild Ones*) voice. Joy Okafor is overwhelmed. Recently divorced, a life coach whose phone won't stop ringing, and ever the dutiful Nigerian daughter, Joy has planned every aspect of her mother's seventieth birthday weekend on her own. As the Okafors slowly begin to arrive, Mama Mary goes to take a nap. But when the grandkids go to wake her, they find that she isn't sleeping after all. Refusing to believe that her sister is gone-gone, Auntie Nancy declares that she has had a premonition that Mama Mary will rise again like Jesus Christ on Easter Sunday. Desperate to believe that they're about to witness a miracle, the family overhauls their birthday plans to welcome the Nigerian Canadian community, effectively spreading the word that Mama Mary is coming back. But skeptical Joy is struggling with the loss of her mother and not allowing herself to mourn just yet while going through the motions of planning a funeral that her aunt refuses to allow. Filled with humor and flawed, deeply relatable characters that leap off the page, *Pride and Joy* will draw you in as the Okafors prepare for a miracle while coming apart at the seams, praying that they haven't actually lost Mama Mary for good, and grappling with what losing her truly means for each of them.

Like a Christmas Dream: A Sweet Inspirational Romance

The story of Yitzhak and Gita Pearl Cramer, Shimon Levi and Dobeh Blinick and their descendants is the account of one extended family but also a reflection of its times. Told in large part through first-person recollections, this family history traces the events that shaped two centuries, from Vitebsk and pre-revolutionary Czarist Russia to mid-20th Century North America. More than the author suspected when he began his research, the family progenitors and those who followed were directly affected by the major currents of the past 200 years: the edicts, anti-Semitism and heavy-handed policing of the Russian czars; the tragedy of world war; the great 19th century escape from grim impoverishment and discrimination in Europe to the bright hope of North America; economic blight and later post-war achievement. This story – reflecting the passions, dreams and humor of these people – is their legacy.

Pride and Joy

In the fall of 1907, Teddy Roosevelt occupied the oval office, the Cubs won the World Series, the Lusitania made her maiden voyage, and Oklahoma was admitted as the Union's 46th state. Amidst all this, life in the rural farming community of LaFontaine, Indiana was calm and serene—until it wasn't. Sarah, the matriarch of the Whitcome clan, leans on her faith in God and draws from her reservoir of wisdom to help her husband, Doctor Ben Adams, their children, and neighbors navigate the triple dramas of mystery, murder, and matrimony. The continuing saga of life in the close-knit small town will have you laughing at the antics of the children and quirky townsfolk while, at times, reaching for a handkerchief to commiserate as they struggle over loss and grief.

Imagine My Joy

The Remarkable Women of the Bible

Exploring the inner motivations of one of America's greatest religious thinkers, this book analyses the ways in which Jonathan Edwards' intense personal piety and deep experience of divine sovereignty drove an introverted intellectual along a course that would eventually develop into a mature and respected public intellectual. Throughout his life, the tension between his innately contemplative nature and the active demands of public office was a constant source of internal and public strife for Edwards. Approaching Jonathan Edwards offers a new theoretical approach to the study of Edwards, with an emphasis on his writing activity as the key strategy in shaping his legacy. Tracing Edwards' strategic self-fashioning of his persona through the many conflicts in which he was engaged, the critical turning points in his life, and his strategies for managing conflicts and crises, Carol Ball concludes that Edwards found his place as a superlative contemplative apologist and theorist of experiential spirituality.
