Seven Steps for Judging Prophecy

No age has been more in need of the Apostle John's advice than ours: "Beloved, believe not every spirit, but try the spirits whether they are of God: because many false prophets are gone out into the world" (1 John 4:1). But in reality, they only lead men and women into bondage and unscriptural practices. In *Seven Steps for Judging Prophecy*, by Rev. Kenneth E. Hagin, you will learn: How you as a Christian can sort out the genuine prophets from the false, How to judge prophecies in the light of the Word, How to be led by the anointing that abides in you. Answered Prayer Guaranteed!

This book reveals several prayer secrets. It emphasizes the need to choose the required keys to get access to everything that God has provided for you, but it must be done with the right knowledge. This book explains the kingdom's keys to having your prayers answered all the time. You'll recognize some obstacles to your prayers and take urgent action to address them. These are not theoretical processes for answering prayers, but proper steps that have been used for centuries. Some of these prayer secrets are not new, but they have been tested and proven. Kenneth Hagin, Kenneth Copeland, and David Oyedepo, among others, have emphasized the importance of these keys to prayer. Many individuals have been dissatisfied and bored with praying since their expectations are not met in prayers. Some have even given up praying. Prayer is the key to heaven's doors. Jesus highlighted the need for persistence in prayer. Our prayers should flow from our innermost longings and desires, which we should not be afraid to express to God in prayer regularly. "Men must continue to pray and not to give up," Jesus remarked in Luke 18:1. He presented the story of an unfair judge who care less about giving justice to a poor widow who, despite this, could win justice merely by asking the judge to give her the justice she was seeking regularly. So our Lord stated we should pray to God with the same tenacity, not because God is a hesitant judge, but that the example of even an unjust judge giving in at the end to his petitioner's constant supplication was a lesson to Christians to pray. As a result, persistence in prayer is an important aspect of prayer. It shows not just that we truly want what we're asking for, but also that we trust God will respond. You'll discover what it means to be concise in prayer, how to apply God's word to a real-life situation, how to stand on God's word in prayer, how to demand what is properly yours in prayer, how to put the word to work, and much more in this new book. Pastor Fola Ademolu is a Bible teacher and a prayer warrior whose prayer lectures have helped and influenced countless lives throughout the world. As a preacher of the word of faith, he has integrated the word with prayer, resulting in more effective prayers.

Ministering to Your Family

After nearly four decades of ministry, Andrew Wommack has discovered some important truths about prayer. His prayer life is much different than it was thirty years ago and the results have dramatically improved! You may be asking many of the same questions Andrew once did. Is prayer my Christian duty? Is prayer primarily about asking God to meet my needs and the needs of others? Is God's answer to my prayer based on the degree of my humility and sincerity? Is answered prayer a sovereign decision of God or do I have the ability to influence Him? Clear, scriptural answers to these questions and more could significantly change the way you pray. These principles may not be the only way to pray, but if you're not getting the results you desire, consider changing directions; maybe there is A Better Way to Pray.

7 STEPS FOR AN EFFECTUAL PRAYER

Rev Hagin shares inspiring anecdotes about great prayer warriors from the past: Charles Finney, George Whitfield, Smith Wigglesworth, P.C. Nelson, and John G. Lake. Instead of arguing with the Bible, why don't you just side in with it?

Simple Strategies for Answered Prayers

This book will help Christians locate where they are spiritually and show them how to grow into the next stage of spiritual development.

A Better Way to Pray

God is not a respecter of persons. What He does for one person, He will do for every person....we have His promise on that. So, why doesn't He answer the prayers of every person...? It is up to each one of us to get our Faith "tuned into" His Word. Have you ever wondered if God really "hears" your prayers? I mean, how many times have you prayed and wondered if you said the "right" thing? You have heard preachers say, "ask according to God's will." So, if you do not get the answer you are looking for, does that mean you asked "out of God's will?" Can you go to God and ask Him to save your loved ones? What about healing? Is it possible to pray for healing? Will God answer your prayer? Can you ask God to Bless your finances? Will He Bless your finances? Is asking for money or prosperity "wrong?" Why does it appear that others get their prayers answered, but you don't? Are they doing something different? Do they have "greater Faith" than you do? Does God love them more than He loves you? This book is going to help you find the answer to these plaguing questions. I have found that God does answer prayer. Sometimes, we just need a little help in seeing "how" He answers our prayers. Sometimes we need a little help in "formalizing" our prayers. That is not to say there is a specific formula that guarantees results. But, if we can get our thoughts lined up with God's Word, then that allows our Faith to activate. And when we activate our Faith in God's Word, to do what it says....we are on our way to getting our prayers answered. I have experienced profound breakthroughs in getting my prayers answered. I want to share these things with you through this book. I believe, with all of my heart and soul, that these "7 Keys to Answered Prayer" will help to "tune you in" to God and unlock the Blessing in your life. You will be in a position to receive the answers you are believing for. You will KNOW that God hears your prayers. And, we have the promise of God, that if "we know He hears us, then we know we have the petitions we desire of Him."

The Interceding Christian

Charles Spurgeon once said that as Christians, we should become addicted to prayer. For the whole follower of Christ, there can be no other way. Author and prayer seminar leader Ron Auch has understood this since listening to Dick Eastman speak on the subject many years ago. Auch's Pray-Tell Ministries takes him all over the world, as people hunger to develop a prayer life, not just learn to pray. Here then, in book form, is a simple, step-by-step guide for developing that elusive prayer life and turning it into a sweet fellowship with God. Auch maintains that no question is too simple, as he explains to us such things as: where do I pray? What do I say in prayer? Do I have to find a special place, or assume a certain posture to come to God's throne? The answers will relieve you and start you on the road to powerful prayer.
