Fadeout

After forty years, Hammett has a worthy successor' The Times Dave Brandstetter stands alongside Philip Marlowe, Sam Spade and Lew Archer as one of the best fictional PIs in the business. Like them, he was tough, determined, and ruthless when the case demanded it. Unlike them, he was gay. Joseph Hansen's groundbreaking novels follow Brandstetter as he investigates cases in which motives are murky, passions run high, and nothing is ever as simple as it looks. Set in 1970s and 80s California, the series is a fascinating portrait of a time and a place, with mysteries to match Chandler and Macdonald. In Fadeout, Dave is sent to investigate the death of radio personality Fox Olsen. His car is found crashed in a dry river bed. But there is no body - and as Dave looks deeper into his life, it seems as though he had good reasons to disappear.

Fadeout

"Fadeout is the first of Joseph Hansen's twelve classic mysteries featuring rugged Dave Brandstetter, an insurance investigator who is contentedly gay. When entertainer Fox Olson's car plunges off a bridge in a storm, a death claim is filed, but where is Olson's body? As Brandstetter questions family, fans, and detractors, he grows certain Olson is still alive and that Dave must find him before the would-be killer does. Suspenseful and wry, shrewd and deeply felt, Fadeout remains as fresh today as when it startled readers more than thirty years ago.

The Boy Who Was Buried This Morning

'After forty years, Hammett has a worthy successor' The Times Dave Brandstetter stands alongside Philip Marlowe, Sam Spade and Lew Archer as one of the best fictional PIs in the business. Like them, he was tough, determined, and ruthless when the case demanded it. Unlike them, he was gay. Joseph Hansen's groundbreaking novels follow Brandstetter as he investigates cases in which motives are murky, passions run high, and nothing is ever as simple as it looks. Set in 1970s and 80s California, the series is a fascinating portrait of a time and a place, with mysteries to match Chandler and Macdonald. The 'Combat Zone' is for men playing at war, with paint rather than bullets. But when a millionaire's son is shot with a real gun, Dave is called in to find out if it's more than an accident. The case takes him to a town with its own neo-Nazi militia - not the safest place for a gay PI; but then Dave has never figured his own safety much when he's on the tracks of a killer.

Brandstetter & Others

Verhalen over moord en doodslag, waarbij het accent ligt op de achtergronden van slachtoffer en dader.

Early Graves

The brutality of the AIDS epidemic and a nation's growing homophobia set the stage for a serial killer targeting gay men in Los Angeles—and Dave Brandstetter finds himself in the killer's path. Dave Brandstetter's afternoon does not begin well: his ex-boyfriend picks him up at the airport, and the ride home — in bumper-to-bumper Los Angeles traffic — is one long argument between them. The insurance investigator's day gets worse when he finds a man — bloody, rain-soaked, and ice cold — lying on his porch, killed by a stab wound while Dave was out of town. There is a serial killer loose in Los Angeles, and this man is his sixth victim. Like the others, he had already been marked for death — by the unforgiving plague known as AIDS. Someone is targeting sick men in the city, and Dave's search for the killer leads him into the dark side of gay Los Angeles, where death comes without warning and life is a fearful dream. Decades after its original publication in 1987, *Early Graves* remains an important literary achievement. The exigence of Joseph Hansen's frontline reportage of the AIDS epidemic is as powerful as his prose craft and mystery plot are clever.

A Country of Old Men

Dave Brandstetter's best days are behind him, but for the sake of a frightened child, Dave takes on his very last case. The wear and tear of a life spent pursuing the truth into harm's way is catching up with Dave. In fact, it has already caught him. The aged death claims investigator is old enough for his body to hurt even without all the compiled injuries he's sustained throughout his career. Yet when presented with a puzzle-like mystery, Dave can't help but be drawn in. Walking on the beach, a friend finds a bedraggled child who claims he has witnessed a murder. The victim is a drug-addicted pop star, and the obvious suspect is the dead man's ex-girlfriend—a drug addict whom the child saw standing over the body, gun in hand. In the final installment of Joseph Hansen's groundbreaking series, Dave looks for justice once more, hoping that he will also find a lasting measure of peace. Over the course of twelve novels spanning four decades of American culture—from the 1960s to the late 1980s—Joseph Hansen gave readers one of the truly great heroes of detective fiction.

Steps Going Down

"A Dave Brandstetter story involving a male prostitute who entices his young lover to commit a series of crimes leading up to a murder" -- Best Books for Public Libraries, c1992, p. 389.

Obedience

'After forty years, Hammett has a worthy successor' The Times Dave Brandstetter stands alongside Philip Marlowe, Sam Spade and Lew Archer as one of the best fictional PIs in the business. Like them, he was tough, determined, and ruthless when the case demanded it. Unlike them, he was gay. Joseph Hansen's groundbreaking novels follow Brandstetter as he investigates cases in which motives are murky, passions run high, and nothing is ever as simple as it looks. Set in 1970s and 80s California, the series is a fascinating portrait of a time and a place, with mysteries to match Chandler and Macdonald. A rundown harbour is due to be re-developed - against the wishes of those who call it home. When Mr Le, the businessman behind the project, is shot on his way to meet the residents' spokesman, the culprit seems obvious. But then Dave is persuaded to take the case, and finds much more beneath the surface: forbidden love, deadly hatred, and most toxic of all, family honour.

The Complete Brandstetter

All 12 Dave Brandstetter novels from stellar PI scribe Joseph Hansen, collecting in one volume the mysteries that netted their author a Lifetime Achievement Award from the Private Eye Writers of America. Brandstetter, a hardboiled insurance investigator, plies his trade in the hills and valleys of California. Extraordinarily, for a series of novels begun in the early 1970s, he is also openly, comfortably and thoroughly unstereotypically gay. A landmark series from a recognised giant of the genre.

A Smile in His Lifetime

"Whit Miller was a struggling writer and a solidly married man. Then came success-- and destruction. Of his marriage. And almost of himself. For Whit was gay and now there was nothing to repress who he was and what he wanted: a man to love, among so many men to love. And in an odyssey of desperate need and obsessive desire he journeyed to the heights and to the depths of the heart-- and of the flesh..." -- Back cover.

Fatal Shadows

When a bookstore owner is accused of murdering his ex-lover, proving his innocence might lead a hard-nosed detective to a fatal attraction... Thirty-five-year-old gay bookseller Adrien English searches for love between the pages. As a sensitive intellectual with a heart condition, his dating life is gathering dust on the shelves. But when police name him the prime suspect in the brutal murder of his friend and employee, Adrien doesn't expect his best hope for romance to be assigned to the case... Detective Jake Riordan is hungry to climb the ranks. All he has to do for a promotion is nail the handsome bookstore owner for an obvious crime of passion. If only he could stop fantasizing about the suspect instead of the "normal" wife and family his career demands... As Riordan's investigation heats up and the suspect insists on his innocence, the detective doubts both Adrien's guilt and his ability to resist the man's understated charms. Can they turn the crime into passion, or will a killer on the loose write The End?

Simple Justice

It's 1994, an election year when violent crime is rampant, voters want action, and politicians smell blood. When a Latino teenager confesses to the murder of a pretty-boy cokehead outside a gay bar in L.A., the cops consider the case closed. But Benjamin Justice, a disgraced former reporter for the Los Angeles Times, sees something in the jailed boy others don't. His former editor, Harry Brofsky, now toiling at the rival Los Angeles Sun, pries Justice from his alcoholic seclusion to help neophyte reporter Alexandra Templeton dig deeper into the story. But why would a seemingly decent kid confess to a brutal gang initiation killing if he wasn't guilty? And how can Benjamin Justice possibly be trusted, given his central role in the Pulitzer scandal that destroyed his career? Snaking his way through shadowy neighborhoods and dubious suspects, he's increasingly haunted by memories of his lover Jacques, whose death from AIDS six years earlier precipitated his fall from grace. As he unravels emotionally, Templeton attempts to solve the riddle of his dark past and ward off another meltdown as they race against a critical deadline to uncover and publish the truth.

Gravedigger

A runaway girl leads Dave Brandstetter to confront a California sex cult with a Charles Manson-esque leader. Serenity ran away from home when her father was convicted of bribery. For two years, she drifted around the American Southwest, finally finding refuge in the arms of Azrael, a charismatic cult leader whose religion was founded upon blood. Long after Serenity's disappearance, the police find a mass grave containing six dead girls on Azrael's property. Thinking his daughter has been murdered, Serenity's father claims her life insurance, and promptly disappears. Now it's Dave Brandstetter's problem. An insurance investigator with a keen eye and a skeptical mind, Dave is no stranger to savagery. But his trip to the high-priced suburbs of Los Angeles will teach him something new about the depths of human cruelty - and Azrael's mass grave is only the beginning.

The Shape of Things to Come is a work of science fiction, which speculates on future events from 1933 until the year 2106. In the book, a world state is established as the solution to humanity's problems. As a frame story, Wells claims that the book

is his edited version of notes written by an eminent diplomat, Dr Philip Raven, who had been having dream visions of a history textbook published in 2106 and wrote down what he could remember of it. Herbert George Wells (1866-1946), known as H. G. Wells, was a prolific English writer in many genres, including the novel, history, politics, and social commentary, and textbooks and rules for war games.

Rhode Island Red

****A New York Times Best Mystery Novel of the Year**** 'This year's most original fictional detective - a sassy, black intellectual and saxophonist who is plunged into mayhem when an undercover cop gets killed in her apartment' *Good Housekeeping* on Rhode Island Red The first book in the Nanette Hayes series introduces us to New Yorker and jazz-loving street musician Nanette, whose love life leads her into some very hot water. Nanette's day is not off to a good start. Her on-again, off-again relationship with Walter is off. . . again, and when she offers a fellow busker a place to stay for the night he ends up murdered on her kitchen floor. To make matters worse, the busker turns out to have been an undercover cop. And his former partner has taken an immediate and extreme dislike to Nanette. When she finds that the dead man stashed a wad of cash in her apartment, cash that could go to help his blind girlfriend, Nanette's desire to do the right thing lands her in trouble. Soon she's on the hunt for a legendary saxophone worth its weight in gold. But there are plenty of people who would kill for the priceless instrument, and Nanette's new beau just might be one of them. Originally published in the 1990s, this stylish piece of noir is an original and page-turning read starring an unforgettable heroine. **PRAISE FOR THE NANETTE HAYES MYSTERIES:** 'The sweet, clear sound of Nanette's musical voice keeps us on her corner, tossing all the change we've got' *The New York Times* on Rhode Island Red 'This Grace Jones lookalike with a degree in French is a splendid creation' *Sunday Telegraph* 'A terrific novel, from those witty, subversive opening sentences, to the edgy, melancholy and very satisfying ending' Margo Jefferson, author of *Negroland*

This Nowhere Place

Dave Brandstetter, a California private investigator specializing in death claims, uncovers a toxic conspiracy while working a case in a neighborhood plagued by violence and inequality. Gifford Gardens has seen better days. As white families move away to the suburbs to flee the flooding and neglect, the city in turn cares less about fixing the problems. What was once a nice neighborhood has become a slum and a violent battleground for rival gangs. Paul and Angela Myers are among the white families that remained. With the economy in a downturn and wages frozen, Paul takes a job long-haul truck driving. The freight he moves around is strictly "no questions," but Paul is an honest man and begins to wonder about what he has become a part of. One night, Paul's truck flies off a cliff and explodes in midair. Did he fall asleep at the wheel, or was he murdered? Paul's life insurance company hires renowned private investigator Dave Brandstetter to look at inconsistencies with the accident. While digging into Paul's past, Dave will uncover a haunting connection between Paul's untimely death and the happier years in the declining neighborhood of Gifford Gardens. Meanwhile Dave and his lover, reporter Cecil Harris, have settled in together quite cozily. Cecil has recovered from the injuries he received helping Dave on his previous case, but the psychological damage is still present. Dave can't help wondering if he will ever be able to protect Cecil from his dangerous line of work.

That's the question LAPD homicide detective Niels Madsen must answer after he gets in the middle of a standoff between two uniformed officers and Cisco, an intellectually disabled man. Cisco is found armed and standing over the body of a man with Down syndrome. Cisco swears the dead man was his good friend, and he didn't hurt him, but in his earlier life, Cisco had been gang member, a brilliant and brutal killer. After he was badly beaten, brain injuries left him him—if he is to be believed—with the intellectual intelligence of a child. Madsen's search for the truth leads him through the special needs community, East LA gang life, and pits him up against the corrupt LA Sheriff's Department. More than a police procedural, *Tricky* explores questions of human nature: Whether a man can change, for better or worse, and whether redemption is possible.

A "Best Of" Book From: Amazon * BuzzFeed * Rainbow Reading * Library Journal * CrimeReads * BookPage * Book Riot * Autostraddle A delicious story from a new voice in suspense, Lev AC Rosen's *Lavender House* is *Knives Out* with a queer historical twist. *Lavender House, 1952*: the family seat of recently deceased matriarch Irene Lamontaine, head of the famous Lamontaine soap empire. Irene's recipes for her signature scents are a well guarded secret—but it's not the only one behind these gates. This estate offers a unique freedom, where none of the residents or staff hide who they are. But to keep their secret, they've needed to keep others out. And now they're worried they're keeping a murderer in. Irene's widow hires Evander Mills to uncover the truth behind her mysterious death. Andy, recently

fired from the San Francisco police after being caught in a raid on a gay bar, is happy to accept—his calendar is wide open. And his secret is the kind of secret the Lamontaines understand. Andy had never imagined a world like Lavender House. He's seduced by the safety and freedom found behind its gates, where a queer family lives honestly and openly. But that honesty doesn't extend to everything, and he quickly finds himself a pawn in a family game of old money, subterfuge, and jealousy—and Irene's death is only the beginning. When your existence is a crime, everything you do is criminal, and the gates of Lavender House can't lock out the real world forever. Running a soap empire can be a dirty business. Instead, she's unwittingly become a part of his parents' plan to destroy his life-long dreams. Will sacrificing her love protect him or be the ultimate betrayal? Wealthy and gorgeous, David Brenner seemingly holds the world in the palm of his hand. His generous heart and infectious smile are just two in an endless stream of attractive qualities. But the one thing he wants, he can't have, a repeat of the passionate night he spent in the arms of a skittish Tessa Adams. His family's far-reaching power threatens to crush their dreams. To prove his love, he would risk ...

Lavender House

Long treated as peripheral to music history, dance has become prominent within musicological research, as a prime and popular subject for an increasing number of books, articles, conference papers and special symposiums. Despite this growing interest, there remains no thorough-going critical examination of the ways in which musicologists might engage with dance, thinking not only about specific repertoires or genres, but about fundamental commonalities between the two, including embodiment, agency, subjectivity and consciousness. This volume begins to fill this gap. Ten chapters illustrate a range of conceptual, historical and interpretive approaches that advance the interdisciplinary study of music and dance. This methodological eclecticism is a defining feature of the volume, integrating insights from critical theory, film and cultural studies, the visual arts, phenomenology, cultural anthropology and literary criticism into the study of music and dance.

Strange Marriage

"Firewatching and Nighthawking are comparable with the best of Michael Connelly's Bosch books and James Lee Burke's Robicheaux novels, and – naturally – Ian Rankin; but there's an elegiac quality here that reminds me of Kate Atkinson's Jackson Brodie titles and the Dublin Murder Squad series by Tana French."--AJ Finn, author of *The Woman in the Window* When a nighthawker on the hunt for antiquities instead uncovers the body of a foreign student, Detective Adam Tyler is pulled into a serpentine mystery of dangerous secrets, precious finds, and illegal dealings. You are a trespasser. You are a thief. You are a Nighthawker. Under the dark cover of night, a figure climbs over the wall of the Botanical Garden with a bag and a metal detector. It's a dicey location in the populous city center, but they're on the hunt--and while most of what they find will be worthless, it takes only one big reward to justify the risk. Only this time, the nighthawker unearths a body. . . . Detective Sergeant Adam Tyler and his newly promoted protégé, Detective Constable Amina Rabbani, are officially in charge of Cold Case Reviews. But with shrinking budgets and manpower in the department, both are shunted onto the murder investigation--and when the victim is identified as a Chinese national from a wealthy family, in the UK on a student visa, the case takes on new urgency to prevent an international incident. As Tyler and Rabbani dig further into the victim's life, it's becomes clear there's more to her studies and relationships than meets the eye, and that the original investigation into her disappearance was shoddy at best. Meanwhile, someone else is watching these events . . . someone who knew the victim, and might hold the key to what happened the night she vanished.

She's Got Dibs

Gertrude Stein called it "the only really modern novel form that has come into existence," yet the mystery genre was a century old before it featured its first gay main character in a novel. Since then, gay and

lesbian detective fiction has been one of the fastest growing segments of the genre. It incorporates gay and lesbian cultural elements and offers crossover appeal. Its authors call upon a century of development in the mystery genre, while providing new, more accurate images of lesbians and gay men than generally found in mainstream literature and popular media. This groundbreaking study of gay and lesbian detective fiction examines mystery series and historically significant stand-alone novels published since the early 1960s. Part I is an overview that describes how these novels make gay and lesbian life visible and forge new, powerful images. It also examines how they fit into the larger history of mystery fiction. The series analyses in Part II are grouped according to the type of main character (police officer, private investigator, amateur sleuth, etc.). Each section discusses main and secondary characters of that type, characteristic themes for the group, and more. The analyses of individual series cover main characters, themes, plot points and other elements. Comments from authors interviewed for this book play a central role in those analyses. Part III lists series-spanning themes (e.g., homophobia, the closet, gay marriage) and the novels and series that address each of those themes.

The Gay Detective Novel

"There is no one quite like Joseph Hansen writing mystery stories these days. Hansen, the celebrated author of twelve novels featuring his gay detective, Dave Brandstetter, and winner of the 1992 Lambda Award for his last novel, *A Country of Old Men*, here weighs in with five superb stories of detection, all set on the rugged California central coast, where death is as dramatic and unpredictable as the landscape. Here Hack Bohannon, an ex-sheriff, keeps horses he owns, as well as some for other people, and solves crimes on the side. The inspiration for Bohannon came to Hansen, as he says in his graceful introduction to this volume, from his boyhood admiration of such Hollywood cowboys as Ken Maynard, Buck Jones, and Hoot Gibson. "I never lost the hankering to write westerns." He does them with flair and feeling in these long and varied stories, three of them featuring Bohannon and his crew - the grizzled ex-rodeo rider George Stubbs, the young student priest Manuel Rivera, Lieutenant Gerard, and Gerard's attractive young woman deputy, T. Hodges. Along the way the Bohannon gang discover that death can be dramatic and unpredictable. One non-Bohannon story in this collection features an old man in need of help, who fantasizes that Donald, the son he never had, has finally come to him. Or is it fantasy? Another story, "Molly's Aim," concerns the consequences of a passionate attachment one man feels for another, and how it impacts on the life of the story's central character, Molly Byrne, whose life was changed forever by her relationship with one of these men. But you pick your own favorite Joseph Hansen tale from this first-rate collection, stories that are muscled and supple and full of the wisdom and writing magic that this fine author has accumulated over the years."--BOOK JACKET.

Lies With Man is a finalist for the 2022 Lambda Literary Award in LGBTQ Mystery Los Angeles, 1986. A group of right-wing Christians has put an initiative on the November ballot to allow health officials to force people with HIV into quarantine camps—and it looks like it's going to pass. Rios, now living in LA, agrees to be counsel for a group of young activists who call themselves QUEER [Queers United to End Erasure and Repression]. QUEER claims to be committed to peaceful civil disobedience. But when one of its members is implicated in the bombing of an evangelical church that kills its pastor, who publicly supported the quarantine initiative, Rios finds himself with a client suddenly facing the death penalty.

Bohannon's Country

Special Agent Angus Green is still in his twenties, and his red hair and good looks often make people underestimate him, but he's a smart, fearless cop who believes in the FBI motto: Fidelity, Bravery, Integrity. Fort Lauderdale retiree Frank Sena is working with pawn shop owner Jesse Venable to retrieve a painting stolen from Frank's uncle, a gay Venetian killed during the Holocaust. Angus volunteers to help Frank, and discovers Venable is the subject of a task force looking into smuggling immigrants out of war-torn countries in the Middle East. Angus, who knows nothing about art and speaks no Italian, may be in over his head as he is assigned to befriend, and ultimately betray, Venable. But with the help of his Italian-speaking brother and his art-loving boyfriend, he may be able not only to retrieve the painting, but solve a smuggling case and potentially save thousands of lives. The investigation will take him from the sun-drenched rooftops of Venice to a private yacht speeding down Fort Lauderdale's New River. Along the way, he'll learn the true meaning of survival. "Fast-paced, fun and as fresh as a South Florida ocean breeze." – PJ Parrish, New York Times bestselling author on *The Next One Will Kill You*.
