This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book. ++++ The below data was compiled from various identification fields in the bibliographic record of this title. This data is provided as an additional tool in helping to ensure edition identification: ++++ Origines: Or, Remarks On The Origin Of Several Empires, States And Cities, Volume 1; Origines: Or, Remarks On The Origin Of Several Empires, States And Cities; Sir William Drummond Sir William Drummond, Thomas James Matthias Printed by A. J. Valpy, 1824 History, Ancient

Origines

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no

entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

4. The Hunting Man - OUT OF THE CRADLE [CC] / NHK Documentary - 4. The Hunting Man - OUT OF THE CRADLE [CC] / NHK Documentary by NHK WORLD-JAPAN 42,942,267 views 5 years ago 3 minutes, 14 seconds - Homo erectus was the first hunting hominin, tracking their prey over long distances and working together to secure meat.

Africa 1.8 million years ago

Homo erectus is considered the first hunting hominin.

They were fast runners

capable of covering long distances as they tracked their prey.

A calorie-dense meat diet expanded their brain size.

They gained the ability to survive through understanding.
