POWER HOLINESS & EVANGELISM

If we really want to win our world for Christ, we must bring both holiness and power back into our lives. A church on fire will draw countless thousands to her light.

Power/Holiness/Evangelism

John Wimber's first book, POWER EVANGELISM describes the releasing of God's power today through signs and wonders to refresh, renew, heal and equip his people. Drawing from the teaching of the New Testament, with illustrations from his own experience, Wimber persuades us 'to yield control of our lives to the Holy Spirit, learning to hear and do his will, risking all we have to defeat Satan and to advance the kingdom of God'.

DIV" You can 'accept Jesus' all you want, but Romans 6:16 teaches us that if you keep on sinning and do not turn to God wholeheartedly, it leads to death," writes author L. Santos. In Holy Life, Santos passionately dismisses the widely-held misconception that/div

Holy Life

Today there is a renewed quest for authentic Christianity. People from every age group desire true holiness. Journey Into Holiness holds a wealth of writings on holiness from Christians who have experience God's power in their lives.

Journey Into Holiness

True Holiness Does NOT Come From Following Rules... It Comes From Following Christ.

Holiness, Truth, and the Presence of God

Holiness unto the Lord Holiness unto the Lord is an essential ingredient for total deliverance. This book addresses an important ingredient that will secure, guarantee and sustain deliverance. The author identifies the missing ingredients as far as total deliverance is concerned. The power of holiness as a form of immunity for bondage and spiritual attacks. The approach is practical and the book is offered in a readable form. The prayer points will put an end to all kinds of bondage.

Holiness and Power for the Church and the Ministry

Holiness as it was meant to be For many Believers, young or old, single or married, sexuality is the primary challenge for discipleship. You follow Christ in most areas but excuse yourself from His commands and teachings on sex. Although times and society has changed. God's standards have remained the same. In her introductory book Worth Fighting For, Dr. Hill examines the power and the purpose of sexual purity and addresses such issues as: What steps can I take to rebuild my self-worth? Does my sin define me? Is it necessary to commit my entire life to CHRIST? What does prayer have to do with living holy? What is the difference between testing and temptation? How do I break this cycle of sin? Who is my real enemy? How do I fight and how do I win? To live successfully in this world, believers need a new awareness of who they are and the standards that God requires of them. They also need a strategy. Whether you are a woman or a man, married or single, this book will help you to understand holiness as it was meant to be, teach you how to fight and show you how to win.

Holiness unto the Lord

The Power of the Anointing: The Burden Remover and Yoke Destroyer by Evangelist Virginia Sutton Finally, after eight years of praying, fasting, and warfare against the powers of darkness, it is finished: my first book about the anointing. I began to write on October 8, 2002, and finished June 16, 2010. To write about the anointing was not easy because Satan knows this is one sure weapon that will put him out of business: this is why he constantly tries to set traps for those that are sold out to GOD and are walking in the anointing that has been placed upon their lives. You see, the anointing is your divine spiritual authority in the spirit that has been delegated down to us from the Lord. Therefore, the anointing is GOD'S holy Power, Presence, and SPIRIT upon man/woman for the purpose of not only to live holy but to also tear down the kingdom of Satan and build up the kingdom of God. The anointing enables, enhances, and equips in order to whip the powers of darkness: Sinful yokes are destroyed because of the anointing; therefore, the devil is not alarmed over talent, which only pricks the emotions. However, he is alarmed over the anointing, which pricks the heart of man and causes him to cry out, "What must I do to be saved?" Acts 2:37-38 Now when they heard this, they were pricked in their heart, and said unto Peter and to the rest of the apostles, Men and brethren, what shall we do? Then Peter said unto them, Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost.

Worth Fighting For

The Power of Brokenness is an eye opener on the link between godly virtues and divine blessings. It addresses a forgotten truth which is needed by believers who desire spiritual survival in this generation. The essence of brokenness is described severally in every chapter. Symptoms of lack of brokenness are enumerated regardless of whose ox gored. This book will ignite in your heart the fire of fresh passion for inner holiness. The prayer points will also extract from your life the dregs of carnality. You will discover a wave of righteousness.

The Power of the Anointing

A name is supposed to reveal a person's culture, history, character, and faculties. God can do all things and has power over both the visible and the invisible. Therefore, He has many names (attributes and character): He is Love, He is Gracious, He is Long-suffering, and so on. Jesus is the Savior, Alpha and Omega, the Lion of the tribe of Judah, and so on. The Spirit (of God and of Christ) is also called the Spirit of Truth, the Spirit of Adoption, the Spirit of Christ, and so on. But why did the Triune God single out the title "Holy" as the primary name for the third person of the Trinity above all the others? Is there more to the word holy in the Bible that we need to know? If yes, what is the purpose or the benefit

of digging into the revelation and receiving the revealed knowledge and understanding of the word? The Triumph of Holiness presents the powerful revelation behind the word "Holy" and why "Holy" is the primary name for God among all the names of the Trinity. It also gives revelation knowledge on how this word, and all that the word means can change the believer's life toward victory in all aspects. Upon reading and receiving the revelation that this book presents, your knowledge of God will increase and your spiritual power will grow exponentially. You will be strengthened and equipped to live a victorious life and will be able to teach others for the same purpose.

Power of Brokenness

In this book, William Booth makes a passionate call to holiness and God-centred living.

The Triumph of Holiness

Without a doubt, the quest to attain sexual purity is the No. 1 battle Christian men face in the 21st Century. The message of Gallagher's timely book is that men need not settle for a fear-driven form of freedom. As children of God, the bountiful life of victory in Christ is theirs for the taking. Win the battle for sexual purity.

Purity of Heart

Candid Conversations about Ministry Essentials Dan Bohi and Dr. Rob McCorkle believe that the gospel is not a benign creed void of supernatural power, and neither do they believe it's incapable of fully redeeming the human heart from all sin. Their belief inspired a three hour interview where Dan candidly shared his personal journey that has included a wide range of ministry experiences. With honesty and humility they discussed: God's calls to ordinary people to do extraordinary things Miraculous stories, divine encounters and supernatural manifestations The place for God-called apostles and prophets in the Holiness movement The ministries of healing and impartation Hindrances to revival and how to sustain a kingdom culture This book will inspire you and challenge your traditional thinking with profound biblical insights, and hopefully cause you to live and teach a message of holiness and healing. Dan Bohi is an itinerant minister with a mission to awaken the Church of Jesus Christ to the power, purity, and freedom of the Spirit-filled life found, realized, experienced and exhibited in the lives of believers in the book of Acts. Dan and Debbie have four married children and thirteen grandchildren. Rob McCorkle is the Founder of Fire School Ministries whose mission is to redig the wells in the Holiness movement by reawakening the message of purity and power. Along with pastoring in Columbus, Ohio, he travels speaking in churches and conferences. Rob and Cindy have two married children and two grandchildren. "

Holiness and Power for the Church and the Ministry

For more than sixteen years, veteran journalist J. Lee Grady has kept a finger on the pulse of the charismatic and Pentecostal renewal, which restored the power of the Holy Spirit to the church, but which now suffers from abuse. Since many Spirit-empowered believers have lost their original focus and purity, Grady delves into some of the problems that plague churches and ministries: financial scandal, faulty theology, moral failure, and more. Yet the message of this fervent journalist, who loves the gifts of the Spirit, isn't one of condemnation and finger-pointing. Instead it is a clarion call to restore the fire of supernatural anointing with biblical boldness, purity, integrity, humility, truth, justice, and compassion. Grady longs for every believer to find or recover a genuine experience with the Holy Spirit. Among the topics he addresses are • the genuine work of the Holy Spirit • strategies for developing healthy leaders • how to set up proper accountability structures • why so many churches and ministries have imploded in recent years With extraordinary insight, a keen eye for discernment, and a desire to see the church purified and believers empowered, Grady gives a straightforward and ultimately affirming message that will expose the problems and ignite believers with God's fire.

Living in Victory

The Baptism of the Holy Spirit is the Church's greatest need. This statement by Ellen G White forms the basis of this book by G Earl Knight... The need for the reception of the Holy Spirit and the means by which this experience is received, as well as the evidence of this writer. Ministers and laymen will find it spiritually uplifting.--E E Cleveland, Oakwood College.

Spiritual Warfare Expert Helps Believers Claim Their Spiritual Inheritance What Christians often forget is that they are royalty--children of the one true King. They are royalty not through works but through Jesus' blood, the blood that bought them, that saved them. And in his blood is their inheritance: eternal life, authority, destiny, wisdom, and more! With a discerning perspective gained from years in spiritual warfare and prophetic ministry, Sandie Freed offers life-transforming advice on how believers can rediscover their spiritual ancestry, awaken to their royal identities, and claim the inheritance God is holding for them.

The Holy Spirit Is Not for Sale

This book is about HOLINESS--about the power of the HOLY SPIRIT, who both cleanses and enables Christians to live a life pleasing to God. God has called us to holiness: "As obedient children, do not be conformed to the passions of your former ignorance, but as he who called you is holy, you also be holy in all your conduct, since it is written, "You shall be holy, for I am holy" (1 Pet. 1:14-16). As disciples of the Lord Jesus Christ, we always need our faith stimulated to live soberly, righteously, and godly in this present world. The following writings have been selected to serve as a vehicle in stirring up the reader to live a life wholly to the glory of God--from the inside out. This volume is mostly a compilation of articles that appeared in *Life in the Spirit Journal*, of which I was the editor for some 20 years. The selected authors represent a wide range among evangelical scholars, preachers, and writers, whose ecclesiastical identities vary: Methodist, Lutheran, Nazarene, Presbyterian, Salvation Army, Baptist, Nondenominational, etc. I pray that your mind will be challenged and your heart warmed as you read these selections.

Power of the Holy Spirit, The

"There was a time," writes renowned theologian J. I. Packer in this classic book on biblical holiness, "when all Christians laid great emphasis on God's call to holiness. But how different it is today! To listen to our sermons and to read the books we write, and then to watch the zany, worldly, quarrelsome way we behave, you would never imagine that once the highway of holiness was clearly marked out for Bible-believers." In this revised and updated edition of *Rediscovering Holiness*, the highway is once more clearly marked out for a new generation of readers, pointing to true freedom and joy, both now and in eternity.

Power in the Blood

"*Deep Wells, Fiery Souls: Unleashing the Power of Spiritual Revival*" is a transformative journey into the heart of passionate, deep-rooted faith. This book serves as a clarion call for believers yearning to go beyond superficial spiritual experiences, urging them to tap into the profound depths of God's presence. Each chapter takes you deeper into the wells of revelation, guiding you to become a wellspring of God's power rather than merely a recipient. The author vividly describes the journey from being a "fountain Christian," who briefly sips at God's power, to becoming a "well Christian," deeply immersed in the Holy Spirit's flow. Through compelling narratives, prophetic insights, and personal revelations, this book lays out a path for digging deep into prayer, intercession, and intimacy with God. It challenges readers to break open the fountains of the deep within themselves, releasing floods of the Spirit that radically transform everything in their path. The book is not just a call to personal revival; it's a blueprint for influencing communities and nations. It encourages believers to become sources of healing, salvation, and prophetic insight, reshaping the spiritual landscape around them. "*Deep Wells, Fiery Souls*" is perfect for those who are not satisfied with the status quo of their spiritual lives and who hunger for a deeper, more impactful walk with God. It's a guide for reigniting the fires of passion and commitment, compelling readers to become living testimonies of God's power in a world desperately in need of revival.

The Spirit of Holiness & Power: An Anthology on the Holy Spirit

"Is it possible to lead sinners to the Lord with one look or a single sentence? Charles Finney did. In this book he tells remarkable stories of dramatic conversions, and he gives instruction on how to prevail in prayer and overcome sin. Discover how you can have more power from God." -- Goodreads.

Rediscovering Holiness

Deep Wells, Fiery Souls

God calls believers to not only be born again but to live a holy life. Those who stay true to God to the end will be saved. God desires that His people stay true to Him and inherit eternal life. In spite of the great danger of falling away, God's Word, Spirit and power provides believers with what is necessary to stay true to God. "Established in Holiness" focuses on the biblical theme of God's call for Christians to be established in their faith and God's call for Christians to not only win others to Christ but to teach them to be disciples who know and obey all that Christ teaches as revealed in the Bible. Learn or reaffirm: How God changes us when He gives us spiritual life and power. The danger of falling away. How God keeps and establishes Christians The Role of God as our keeper. God's provisions for us to stay true to Him to the end. Consider sharing what you learn from "Established in Holiness" to help other new Christians and all Christians become stronger in their faith and walk with God.

Power from on High

Jane Rumph tells 40 stories of those who believed when they heard the gospel and saw God's power demonstrated. Included are accounts from world evangelism leaders, C. Peter Wagner, George Otis, Jr., Dick Eastman, and Cindy Jacobs. Rumph tells of divine healing, dreams and visions, reports of encounters with angelic messengers, and abilities to foretell events.

Holiness and Power for the Church and the Ministry

One of the greatest crimes of this generation of Christians is our neglect of the gospel, and it is from this neglect that all our other maladies spring forth. Absent from too many pulpits are the essential themes that make up the very core of the gospel-the justice of God, the radical depravity of man, and the blood atonement. In The Gospel's Power and Message, Paul Washer addresses these essential elements of Christ's good news and provides a guide to help us rediscover the gospel in all its beauty, scandal, and saving power. May such a rediscovery transform your life, strengthen your proclamation, and bring the greatest glory to God. Book jacket.

Stories from the Front Lines

Matthew 5:8 Blessed are the pure in heart. for they shall see God. My Dear Comrades, -- We Salvationists are always singing or praying or talking about a Pure Heart. Indeed, there are few subjects of which we more frequently speak, or in which we more truly glory. Some of our most beautiful and heart-stirring songs are on this theme. Perhaps, no one is more frequently sung by us than that commencing, "Oh for a heart to praise my God! A heart from sin set free! A heart that always feels the Blood, So freely spilt for me!" Is not that beautiful? But it goes on better still -- "A heart in every thought renewed, And full of Love Divine; Perfect and right, and pure and good, A copy, Lord, of Thine!" -WILLIAM BOOTH GET MORE BOOKS AT REVIVALPRESS.NET

A clear biblical process is offered for breaking through spiritual malaise for a life of spiritual power.

Purity and Power

It is the belief of some that operating in spiritual power in the church is an option that the Christian can take or leave. That all Christians should operate in spiritual power is repeatedly taught in the Bible. The fulfillment of the great commission of Jesus Christ to "go ye into all the world, and preach the gospel to every creature" (Mark 16:15) can only be done by a church that moves in the power of the Holy Spirit. This book is dedicated to elucidating and magnifying the powers that God has given the Christian to operate in. In the past, some of these powers have not been given the attention and respect they deserve. A power viewed as a duty or obligation will not be fully embraced and used. A spiritual power that is viewed as a weapon will be used to bring about victory in the Christian's life. Spiritual powers used by the church will hasten the fulfillment of the great commission and thus hasten the return of the Lord Jesus Christ. The power Christian is one who basks in Holy Spirit fire. The full Christian is one

who is being continuously filled and led by the Holy Spirit. May all of Christendom flow in the powers that God has ordained, and may every child of God be in reality a power-full Christian.

The Gospel's Power and Message

Evangelism by Power explains that we have been given the Great Commission (carrying the Gospel/Good News of the Kingdom of God to the end of the earth) to fulfil. And the Lord that gave us the assignment did not leave us helpless, but He sent the Holy Spirit to us, so that we will evangelize the whole world in the demonstration of Spirit and power. The Early Disciples started this work, and we must fulfil it!

Zion

This is a book about power; specifically, the power of the Holy Spirit and how His power dramatically impacted the personal life and ministry of the author. It is also written to help you and your church discover this dynamic ministry of the Holy Spirit for yourself. This liberating truth will set all who read it on the journey to fullness.

Purity of Heart

Author and former pastor Mark Rutland explores the topic of sanctification and how believers can exude it in their daily lives in his latest release, Holiness. Rutland writes that overcoming feelings of guilt and condemnation are the stumbling blocks to proper relationship with God. He writes: "Bypassing holiness is certainly not new. Sometimes holiness disappears under the scorn of a contemporary culture that finds the word awkward and embarrassing. The word has been abused and despised, but as long as there is a Bible anywhere in the world, it will never disappear." Also examined is the postmodern church's view of holiness and what Scripture communicates about this often-misunderstood concept of Christianity. Rutland writes: "The modern church is the Disneyland of denial and deception. Our masks are so winsome and our religiosity so convincing that the game of 'fool me? fool you?' has turned the community of faith into a masquerade ball for the willingly deluded." Using modern-day vignettes and biblical characters to illustrate the differences in true and false holiness, Rutland motivates readers to recognize the power of God, step out into that power, and walk into their God-given destiny.

Breakthrough Anointing

A core theme in Isaiah and Jeremiah is God's call to Israel to return to Him. Israel's response to this call was often an observable wanton disobedience, and a longing to cling to her own will and lust, at all costs. However, God's continuing call was not for ever, and at some point, the Lord brought His promised wrath to pass. Israel went into captivity for many years. But even in our day and age, such calls by God continue to be made, sometimes through anointed hands and fingers of His chosen vessels. Through writers such as Pastor Tunde Idowu-Taylor, the calls are being re-echoed, to warn us of what is to come, and to demand of us an appropriate response. In "The Power of Purity"

The Power-Full Christian

Taking on Sainthood was written for the purpose of discipleship. Teaching the church the power of God's word that separates soul from spirit, joint (the mechanics of life) from marrow (the essence of life) and judges the thoughts and intentions of the heart. The simplicity of the gospel will always rule over the intricacies of life and walking in the Spirit of God allows us to keep an eternal perspective in a temporal world, making spiritual sense out of temporal circumstances. Taking on Sainthood reminds the believer that they have the power to become and that who we were in the world is no longer who we are in Christ. Trials become testimonies when we lose our history in His story and embrace the position of saint, acknowledging sin but no longer being labeled by it and practicing righteousness as taught in scripture. When we allow God's word to define who we are everything changes. Our thoughts flow through the mind of Christ, our words echo the principles of God's word and our actions reflect our love for Jesus. God's word commands the church to seek after holiness and not be afraid of its calling to be like Jesus in a lost world. Too often we are distracted by our feelings and not fortified in faith, knowing that our pursuit of excellence is a worthy and achievable call in the life of a believer. 2 Peter 1:3 tells us, "seeing that His divine power has granted to us everything pertaining to life and godliness, through the true knowledge of Him who called us by His own glory and excellence."

God Wants Us to Be Holy; And He Has Made the Provisions for Us. Holiness is the essence of God. It is the attribute that makes God what He is. If holiness is taken away from God, He will no longer be God. What is holiness? Why must we be holy? How can we become holy? What are the rewards of holiness? How do you build your defense against the devil and temptations? This is a timely Book for our present age. The subject of holiness is an area that many Christians do not take seriously. We live in a world today where even pastors water down their messages on holiness in order not to offend some influential members of their church. When you tune in to different radio and TV stations, most of the sermons preached are about prosperity, which is good, but ultimately, prosperity without holiness sets one apart as a ram for slaughter by the devil. Some people find it difficult to accept that it is possible through the help of the Holy Spirit to live a life that pleases God in purity and holiness. Unfortunately for those who are using the idea of grace to cover up their sinful ways, the standard of God cannot be compromised. God has called us unto a life of holiness. He has called us to be holy just as He is. He has called us to be perfect as well, just as He is perfect. You may wonder if this is possible. God cannot ask us to do what He cannot enable us to achieve. If you must walk with God and manifest a life of exceeding greatness, holiness is nonnegotiable. We have been called unto holiness. This Book teaches how to live a holy and pleasing life to God. God does not force anyone to do anything. It is your choice either to live holy or not. The practice of holiness must be a lifestyle. May you receive unlimited revelations as you read this Book in Jesus' name.
